116th Annual Session

July 2-6, 1990
Chicago Hilton and Towers Hotel
Chicago, Illinois

AFTERNOON SESSION JULY 2, 1990 THREE-FIVE O'CLOCK P.M.

The Public Opening Session of the One Hundred Sixteenth Imperial Council Session was called to order at three-five o'clock p.m., in the International Ball Room of the Chicago Hilton and Towers Hotel, Chicago, Illinois, Noble John Walter, Deputy Imperial Marshal, opening the session.

NOBLE JOHN WALTER: Ladies and gentlemen, it is my distinct pleasure to present to you the Director General of the One Hundred Sixteenth Imperial Council Session of the Ancient Arabic Order of the Nobles of the Mystic Shrine, a Past Potentate of Medinah Temple, Illustrious Sir Earl Brown. (Applause)

DIRECTOR GENERAL EARL BROWN: Good afternoon, ladies and gentlemen.

In opening the One Hundred Sixteenth Imperial Council Session, we will start by having the Color Guard of Medinah Temple, under the command of Sergeant Jack Wilson, present the Colors of our three nations, followed by the Shrine Pledge of Allegiance, the Mexican and Canadian National Anthems sung by Robert Kaiser and the Star Spangled Banner sung by Leonard Hensel, both men accompanied by Robert Rakosnik, followed by the Invocation to be given by the Reverend John B. Peterson, Imperial Chaplain.

... Whereupon, the Colors of the three nations were presented, followed by the recitation of the Shrine Pledge of Allegiance and the singing of the Mexican, Canadian and United States National Anthems followed by the Invocation given by the Imperial Chaplain, Reverend John B. Peterson as follows . . .

REVEREND JOHN B. PETERSON [Imperial Chaplain]: Shall we pray.

Almighty God, creator of the universe, great architect, we bow before Thee recognizing Thou art God and that at the same moment recognizing that Thou art our Father and our friend.

We invite Thee to be present in our midst this day and make us extremely sensitive that Thou are here.

May all that is done be in Thy glory, that we may glorify Thee and that which we do and that which we think and that which we say, Father, we ask in Thy Holy Name. Amen.

DIRECTOR GENERAL BROWN: Thank you, Reverend Peterson.

The audience may be seated.

It is now my distinct honor to declare the One Hundred Sixteenth Imperial Session now open.

Would you please recognize with me the entertainment provided for us prior to the opening of this Session by the Medinah Temple Chanters, under the direction of Noble Nate Turner, and the Medinah Temple Band, directed by Noble Ray Hanson and also the marvelous renditions of the National Anthems by Nobles Hensel, Kaiser and Rakosnik of the Medinah Temple Chanters. (Applause)

Imperial Sir, Imperial Sirs, Illustrious Sirs, Honorable Madam and Sirs, Mr. Roper, Nobles, Ladies and Guests:

I owe a debt of gratitude to the officials of this state, city and the Greater Chicago Convention and Tourism Bureau for their cooperation and courtesies during the past four years. Also, I extend my sincere thanks to my friend, Jerry Sanderson, Director of Sales, and to Gerry Roper, President and Chief Executive Officer of the Chicago Convention and Tourism Bureau, for their help in making the preparations for this Convention.

I also want to thank all of the committees for a job well done thus far. However, please do not stop now for we still have a week to go. (Laughter)

Will all of the committee members please stand. To spur them on to continue their efforts in the days to come, please give them a good, loud round of applause. (Applause)

Also, I would like to thank Keith Kapanka from the Oldsmobile Division of the General Motors Corporation, for his and their continued assistance and dedication to the Shrine. We are most grateful. (Applause)

To our Imperial Potentate, George W. Powell, I will be forever grateful for appointing me as the Director General of this One Hundred Sixteenth Imperial Council Session. I think the word I wanted is "grateful." Seriously, George, it is my pleasure to serve as Director General. We are extremely proud that you selected Chicago for your Convention.

I also appointed an assistant, Nancy Brown and thank you, Nancy. (Applause)

We are privileged to have with us today, on this dais, some very distinguished leaders of government and the Shrine. It is with great pleasure, at this time, that I introduce to you first the President and Chief Executive Officer of the Chicago Convention Bureau, Mr. Gerald J. Roper.

... The audience applauded as Mr. Roper approached the podium ...

MR. GERALD J. ROPER [President and Chief Executive Officer, Chicago Convention Bureau]: Ladies and gentlemen, let me first say that I have been very impressed with the opening thus far. If you can only see yourselves out in the audience from my vantage point here, you will realize you all make a very, very wonderful sight.

Let me say that we welcome you Shriners, your families and friends to Chicago. We know it has been awhile, some twenty-two years, since you have been in Chicago. Since that time, I might add, that Chicago has grown to be one of the most wonderful cities in the world in that twenty-two years and on behalf of the Convention Tourism Bureau, its 1,400 members and 150,000 employees that service our industry, I would like to extend our warm welcome as well as my sincere thanks to Imperial Sir George Powell for selecting our city for his One Hundred Sixteenth Imperial Council Session.

During your visit here, we hope you will take time to take full advantage of our beautiful city.

Also, in between your activities, we hope you will be able to take advantage of the Annual Taste of Chicago. Now, I was out there and saw many of you already out there and for those of you who have not been, we invite you out there to indulge yourselves in some of the delicate tastes being offered out there and then, after that, the city is yours to discover.

There is the lake front, the beaches and the tallest buildings in the world and their architecture. There is also our diverse entertainment that is available to you, plus the Art Institute with its many notable exhibits, plus our very fine world renowned State Street.

We are very pleased and proud to be the host of your Convention, not only because of the \$45 million economic impact you will have on our city and our state, but also because

of the message that you bring with you—a caring for and support of our young children in need.

We also all plan on joining your mega parade, with its thousands of marchers, music and the pageantry of your various Temples and their Color Guards, displaying the national flags of our country, Canada and Mexico here on Michigan Avenue.

Naturally, of course, we are hopeful that you will not wait another twenty-two years to return to Chicago.

Thank you very much for being here and have a great time in Chicago. (Applause)

DIRECTOR GENERAL BROWN: Thank you, Mr. Roper, for being with us today.

Next, I am pleased to have the pleasure to introduce to you the wife of a very strong Noble of Medinah Temple, the Honorable Carole Bialczak, Alderman, Thirtieth Ward of Chicago, representing Richard M. Daley, Mayor of Chicago.

... Applause ensued as Alderman Bialczak approached the podium ...

THE HONORABLE CAROLE BIALCZAK [Alderman, Thirtieth Ward of Chicago]: Good afternoon, ladies and gentlemen.

It is my pleasure and honor to represent Richard M. Daley, Mayor of the City of Chicago. In behalf of the Mayor and the people of the City of Chicago, I would like to welcome you here at this Session to our kind of town, Chicago.

I think the Mayor had a lot of wisdom in, perhaps out of fifty Aldermen, to choose me to present this proclamation to you today and, of course, I was really surprised that he had asked me to do this and, of course, I wondered why? Now, perhaps it was because my husband is a Shriner and, by virtue of that, he must know that I have first-hand information on the wonderful works that the Shriners are doing.

As some of you know, I believe, Chicago is a friendly city, Chicago is a warm city and, incidentally, we are going to have a heatwave coming up this week and so enjoy our weather. (Laughter)

Chicago has a really big heart and you Shriners are living proof for all of the work that you do for crippled and burned children.

There are also children who have problems at home and you take care of them in different places, not to mention Sullivan's Old Peoples' Home here in the Chicago area.

You, as Shriners, have so much to be proud of because you Shriners do the work—you do the lay work—you do the fund raising to support these hospitals and I know that the people of Chicago thank you from the very bottom of their hearts for all of your dedication.

Also, there is a lot of fun with the Shriners. We know that but then, likewise, there is a lot of hard work and it all comes from the heart and, further, if you did not feel as frankly as you do in relation to the work that you do, you would not be as successful an organization as you are today.

There are so many children that require the kind of attention you give out there. I was out at the hospital again this year for Hospital Day and I was so impressed because there were a lot of people from other states there and to see the faces of all of these children, to see the happiness on their faces, to know you people, is exciting and exhilarating.

It is you people who are doing all of this work and, in so doing, are not asking for one dime. All these children can give you is their smile and love back and that, of course, means an awful lot.

As you heard from our Convention Bureau, our city has so much to offer and I did not want to reiterate all of that but I did drop off some brochures for you.

For example, we do have the fireworks coming up and that will be really nice because they will be on the 3rd of July in Grant Park. Also, we have some concerts going on but it was just our way that we, in Chicago, thank you for choosing Chicago as your Convention meeting place.

And to you, all of you in Shrinedom, I want to say again thank you and God bless you for the work you are doing because our children of today are our future of tomorrow and we thank you.

Now, on behalf of our Mayor, I have a proclamation and if you do not mind, I will read it to you.

It reads:

“WHEREAS, the One Hundred Sixteenth Imperial Council Session will be held in

Chicago from June 30th through July 6th and this will be the world's largest single convention, with more than 25,000 Shriners expected to attend; and

"WHEREAS, Shriners attending this One Hundred Sixteenth Imperial Council Session will come from every State in the Union, plus Canada, Mexico and the Canal Zone; and

"WHEREAS, the Shriners were founded in 1872 in New York City by thirteen Masons, headed by Dr. Walter Millard Fleming, a physician, and William J. Florence, actor; in 1949, an estimated 60,000 Shriners converged on Chicago to support the organization's seventh-fifth anniversary and among those members who attended were two prominent men, President Harry Truman and actor Harold Lloyd, who was elected Imperial Potentate, the Shrine's highest honor; and

"WHEREAS, Shriners are a brotherhood of men dedicated to fun and fellowship with a serious purpose, helping crippled and burned children; and

"WHEREAS, in 1926 the organization established Shriners Hospitals for Crippled Children at 2211 West Oak Park Avenue in Chicago; the hospital continues to serve children of all creeds, national origin and religion at nineteen Shrine orthopaedic hospitals and three burn units across the country; and

"WHEREAS, Medinah Temple, at Wabash and Ontario, has been the place for countless services, conventions and other gatherings,

"NOW, THEREFORE, I, Richard M. Daley, Mayor of the City of Chicago, do hereby proclaim June 30th to July 6th to be A.A.O.N.M.S. Imperial Session 1990 Days in Chicago and urge all citizens to be conscious of the events arranged for this time."

This is dated the 27th day of June, 1990 and is signed by Richard M. Daley, Mayor, City of Chicago.

To you, Imperial Sir, I would like to present this token with congratulations on a job well done.

. . . Presentation and applause ensued . . .

IMPERIAL POTENTATE POWELL: Thank you so much, thank you Carole.

You know, when I first learned that you were coming, I said to Mildred, "May I give her a kiss?" She replied, "Sure." (Kiss ensued)

ALDERMAN BIALCZAK: Ladies and gentlemen, have a wonderful time in Chicago and God bless you all. (Applause)

DIRECT GENERAL BROWN: Thank you, Alderman, for coming here today and delivering that grand resolution and also representing Mayor Daley.

Now, may I present to you the Honorable Robert Kustra, Senator in the State of Illinois, representing the Secretary of State for Illinois, Jim Edgar.

THE HONORABLE ROBERT KUSTRA [Senator, State of Illinois]: Thank you, Director General.

Imperial Potentate, Nobles, Ladies, Friends and Families of the Shrine: Welcome to Illinois. (Applause)

Likewise, welcome to Chicago and, of course, congratulations on the convening of your One Hundred Sixteenth Imperial Council Session. That is a real milestone and you are all to be congratulated for your attendance here this week.

Well, ladies and gentlemen, I do not think I have to tell you that we in Illinois and especially Chicago, take our politics very seriously. (Laughter) I am sure you have read about that no matter where you are from across the country.

I know, for example, a fellow who came to a convention just like yours and after many years of coming and visiting Chicago, one day, not long before he was to pass from this world, he told his wife that he wanted to be buried in Chicago. She asked him as to why and he replied, "I would like to remain active in politics." (Laughter)

Ladies and gentlemen, that is an old story, as the Imperial Potentate says and one that we have a little bit of fun with in this city but it is at moments like this when we, from a great city and a great state, have a chance to pass on to you who do such outstanding work with children in the field of health care, just how much we appreciate the devotion across this country. It is no accident, I suppose, that I find myself standing up here representing a gentleman who is now running for Governor of Illinois and as his running mate, I was brought onto the ticket because of my background in working with kids in a classroom and I just hope that those of us running for office this year in Illinois can come even close to the

dedication and the excitement which each and every one of you, the Shrine, have shown in how you have cared for young children in a time of need.

The 1990s are times when children are under assault that they never have been before.

The Atlantic Monthly just reviewed on the front cover an article called "Growing Up Scared" and it was about the children in our cities across this land.

At a time when we are more prosperous than we have ever been before, our children are under siege by a variety of institutions in our communities that simply do not work the way they did when you and I grew up. Those of us who work in public service and those of us who commit ourselves to the future have said time and time again, as I say this year, that children must be our first priority and what better place for me as a candidate for public office to come to learn about the importance of placing children as our number one priority than through Shriners.

I thank you very much for giving me this opportunity and, in closing, I hope you have a great convention here in Chicago. (Applause)

DIRECTOR GENERAL BROWN: Thank you, Senator Kustra, for being here today.

Now, ladies and gentlemen, I take exceeding pride in introducing to you the Lieutenant Governor of Illinois, a member of Medinah Temple, The Honorable George Ryan.

THE HONORABLE GEORGE RYAN [Lieutenant Governor, State of Illinois]: Thank you very much.

Distinguished Guests, Imperial Sir, Distinguished Members of the Shrine, Nobles, Ladies and Friends: Let me first ask, where is the Kankakee Shrine Club?

... Cry of "working" ... (Laughter)

THE HONORABLE RYAN: Well, I am sure they will be here later. I know they will be.

I am delighted to be here for your One Hundred Sixteenth Imperial Council Session and I share with you a pride in the Order and a pride in this Convention.

The Shrine represents what is good and worthwhile with society. Also, although we do not advertise what we do, I think most Americans are aware of the work the Shrine has done in behalf of better research and health care for crippled children.

Other charitable activities may be less visible but they are no less important.

I would like to commend each and every one of you for the part that you play.

You know, we spend a lot of time talking about what is wrong with the world and so it is somewhat uplifting to be here today among so many people who have decided not just to talk but to act. Also, by your actions, you have made a real contribution toward improving the lives of others and that is important.

In a world in which too many people ask, "What is in it for me?" a Shriner asks, "What can I do to help?" and then puts his back to the task and gets it done.

I spoke recently at a high school graduation and I talked in the usual way about how our world has changed. However, when I put those thoughts together, it was difficult not to become a little bit discouraged because I think it is human nature to think first of a way that things have changed and probably for the worse.

You know, when I was in high school, we were worried about dates and girls and not necessarily in that order. However, today's surveys indicate that the number one concern of our young people in schools are drugs—the number one concern of kids today in school, their parents and the American public.

The good news is that in this field our substance abuse awareness and prevention programs among young people are paying off. They show some progress and we should not be discouraged and give up and, further, we should not talk about the legalization of drugs because it sends the wrong message.

The most recent Institute on Drug Abuse study, which is conducted annually by the University of Michigan, establishes that illegal drug use among high school and college students and other young adults has declined steadily in the past ten years. It is a significant trend and it has been going on for the last ten years.

The study also indicated that casualties among this group is about half of what it was ten years ago.

I think it is significant, for example, in terms of cocaine use that the number of seizures in terms of cocaine used just once has dropped to from one in eight in 1988 to one in ten in 1989.

The percentage of high school seniors who claim to have been involved in drugs has dropped from 38.5 percent in 1988 to 35.5 percent in 1989, a significant drop.

However, the bad news is that those statistics still reflect that one in five kids use drugs and there has been little reduction in crime because of drug use by young people.

Further, it is not just the kids, it is a growing problem and this use takes a toll of every aspect of our society. I do not know of a soul that is immune from the problem. As a matter of fact, now one of the most difficult problems we have facing us across the country is the problem of care for cocaine babies and none of us can escape it.

Also, we are seeing new drugs introduced.

For example, some twenty-five years ago marijuana was the drug of choice and things like LSD. However, today it is cocaine and a drug virtually unheard of just a short few years ago called crack. I am sure you have all read about it.

Also, these new drugs have brought with them new dimensions to the problem.

Through the use of these drugs today, there has been the spread of the AIDS virus and, as I said previously, the cocaine drug has brought with it a mounting tragedy of cocaine babies. I am sure you are going to hear a lot more about that.

We in Illinois are expecting nearly 2,000 this year alone right here just in our state and I am sure that those numbers multiply across this country.

Another area of concern and another one that presents no easy answer in our society is illiteracy.

Today, for example, one out of every eight of our seventeen-year-olds reads and writes below the fifth grade level and one in four of our young people do not finish high school and in relation to the inner cities, it is closer to fifty percent. Illinois alone, has an estimated two million functionally illiterate children and if we do not improve the training of our young people to promote the type of work force to be competitive, we are destined to be a second-class nation.

Secretary Dole, the United States Secretary of Labor, said that the American work force is in a state of unreadiness and I think this is due in large part to the alarming high and increasing number of people who cannot read and write well enough to complete a basic job application.

In that state of unreadiness, we cannot hope to compete with United Europe in 1992 or with Japan, where over ninety percent of its students graduated from high school. We just absolutely cannot. We must find a way to do the job better. It is an obligation we have.

The world is changing in so many different aspects.

Now, I am not really a doom sayer but as I look out over this audience, I know that I am speaking to a group of people who will take what I said not as a prophecy of doom but, hopefully, as a new challenge—a group of people who have the power, the will and certainly the track record to make the world a better place in which to live and work.

So I offer these challenges to you knowing that many of you are already involved within your own communities in finding solutions but some of you are likewise not involved.

Further, I do not believe the government has all the answers. We do not even know all of the questions and whether the challenge is substance abuse or illiteracy, I believe that the solution lies not just in another government program but, rather, in the alliance of both the public and private sector—fraternal groups, community agencies on business, all of these various facets working together to benefit everybody.

The Shrine's work in behalf of crippled children is a classic example of what can be accomplished when there is a will.

It has been said, you know, that given the will we can achieve the impossible and it is so easy to read the morning papers and find the world really in need.

From this podium, I see a group of people dedicated to brotherhood, to faith and to service and a group that does not know the word "impossible," a group that works as a team for the betterment of everybody. I congratulate all of you for doing that.

You know, we all are on the team or must be on the team to make life better for everybody and, again, I commend you for your works and I thank you today for allowing me the honor, and I consider it an honor, to be here to say hello, to welcome you to the great State of Illinois and to wish you well in your deliberations while you are here.

God bless all of you. Thank you every much. (Applause)

DIRECTOR GENERAL BROWN: Thank you, Noble Lieutenant Governor Ryan, for your remarks.

We also wish to thank Senator Kustra, Alderman Bialczak and Mr. Roper and others who have honored us with their presence by taking time from their enormously busy schedules to greet us here today.

Now, you are all welcome to stay for the balance of the ceremonies but if you must leave now, we understand. (Applause)

... Whereupon, the various dignitaries left the stage ...

DIRECTOR GENERAL BROWN: And now, ladies and gentlemen, to give you some idea how happy they are to have us Shriners on board, no less than seventy towns, villages and several cities, all in the Greater Chicago Area, have enacted resolutions similar to the one from the City of Chicago. What do you think of that? (Applause)

May I now present to you the Potentate of our host Temple, Illustrious Sir Robert E. Peterson, Medinah Temple, Chicago, Illinois.

ILLUSTRIOUS SIR ROBERT PETERSON [Potentate, Medinah Temple]: Good afternoon.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Distinguished Guests, Fellow Delegates, Nobles and ladies: On behalf of all of the membership at Medinah Temple, it is my extreme honor and pleasure to welcome each and every one of you to our beautiful city.

I know that at this time you probably have not had sufficient time to see our great city but I can assure you that by the time you leave you will be seeing as much as we do.

We are excited to have you here and certainly hope you will enjoy our town.

As you are aware, these Annual Sessions take a great deal of planning not to mention the hours and hours that are involved in that planning.

Our Imperial Sir, George W. Powell, had the foresight and appointed a man to accomplish this serious assignment. He has devoted the past two years in making this One Hundred Sixteenth Annual Imperial Council Session one we can all be proud of and enjoy.

We at Medinah are all very proud of our Past Potentate and your Director General of this Convention, Earl Perry Brown. (Applause)

Our Mayor, city officials and our police department have likewise assisted in this plan of making you welcome.

Now, to all of you, we ask that you feel at home while you are here. The people of Chicago are warm and friendly. If you have a request, ask someone. I know you will receive assistance.

Likewise, restaurants are plentiful. Also, every ethnic food that you may desire is available and, as some have said before me, try our Taste of Chicago in Grant Park.

Also, if the theatre is something you want, you certainly have sufficient choice there. Also, we have the Field Museum, the Shedd Aquarium and the Art Institute. Believe me, therefore, when we say that our city has everything.

Also, in your travels, please do not miss State Street and our Magnificent Mile.

Further, our Session will consider some serious legislation that will affect the nineteen Shrine orthopaedic hospitals and three burns institutes that we are so proud of. Is it not great that we can be serious and enjoy taking care of the children who desperately need our help and care? (Applause)

In addition, we also enjoy the fellowship and fun of the greatest fraternity in the world.

I say to all of you, is it not great to be a Shriner? (Applause)

We at Medinah Temple hope you will all enjoy your visit during this exciting Imperial Council Session and as you journey home, take us with you in your hearts and please have a safe trip home.

Thank you very much. (Applause)

DIRECTOR GENERAL BROWN: Thank you, Illustrious Sir.

I would now like to present to you the Potentate of Crescent Temple of which our Imperial Potentate is a member, Illustrious Sir Jules S. Borcsik.

ILLUSTRIOUS SIR JULES BORCSIK [Potentate, Crescent Temple]: Imperial Sir, Imperial Sirs, Distinguished Masons, Nobles and Ladies: This is the thrill of a lifetime. Crescent Temple is so grateful for the wonderful manner that you have treated our Imperial Sir George W. Powell. He has been an inspiration to us throughout the years. He has talked

about family groups, he has promoted the youth and I am sure you have heard some very wonderful things about Shriners.

Now, I am also happy to say that some of the things that you have been hearing our way during the last couple of years are no longer in existence. (Applause)

Imperial Sir, thank you for your determination and your teachings. The key word in New Jersey is "unity." We have the Grand Lodge and all of the appendant organizations of Freemasonry working together. We are interested in building character and responsible people.

You heard not so very long ago comments made about drugs and the influence of alcohol. We are concerned about the young boys and girls on the street who are looking for a program of entertainment and recreation only.

However, we in our efforts are committed to making them become duly aware of the DeMolay, the Rainbow and Job's Daughters. We are going to make them the future leaders of Freemasonry.

I also will tell you that during this weekend I was so proud of Medinah Temple and the way they have supported our Imperial Sir. I guess I have that feeling of pride in knowing that whenever you go, you are going to have a friend and somebody that cares about you.

Also, to our Illustrious Sir Bob, I want to thank Medinah Temple for the way you presented to us and with a heart full of abounding joy I again reiterate that we are happy to see all of you and also, to Imperial Sir George, welcome home. (Applause)

DIRECTOR GENERAL BROWN: Ladies and gentlemen, I would like to present to you the members of the National Board of Trustees. Please hold your applause until they are all standing.

Mahlon Hessey, Past Potentate of Boumi Temple.

Howard Bozeman, Past Potentate of Kerbella Temple.

William E. Mattison, Past Potentate of Arabia Temple.

C. Douglas Mayes, Past Potentate of Oasis Temple.

Kenneth W. Smith, Past Potentate of Gizeh Temple.

Robert J. Turley, Past Potentate of Oleika Temple.

You may now receive them. (Applause)

Now, I would like to introduce one of our Past Imperial Recorders, Imperial Sir Robert J. Turley of Oleika Temple. (Applause)

Ladies and gentlemen, it is with high privilege and distinct honor, with a deep sense of love and personal pride, I present to you the number one Shriner in North America, one who has given so much of himself to the Shrine and its magnificent philanthropy for so many years—the Imperial Potentate of the Shrine of North America, from Crescent Temple, Trenton, New Jersey, Imperial Sir George W. Powell.

... Rising applause ensued as Imperial Potentate Powell approached the podium ...

IMPERIAL POTENTATE POWELL: Thank you so very much.

Does it not feel good to stand and stretch and be able to shift everything around a little bit? (Laughter)

You know, I never make notes beforehand. Perhaps I do not have enough brains to do it (laughter) but I do have a final draft of a script here which indicates all of the things that are going to be said here today by whom and also all of the things that are going to be done.

Now, at this point, I guess I have to find where I am supposed to say something. Oh, yes, it is at the bottom of page 8. Do you see how well it is organized? Are you not proud of me? (Laughter)

You know, symbols are an important part of our everyday lives. Symbols certainly hold great meaning for every member of the Masonic and Shrine Fraternities. However, twenty years ago last month a symbol was born out of a photograph that, almost by accident, has come to represent the cause for which Nobles around the world have worked so hard since 1922.

In June, 1970, at a picnic hosted by Hadi Shrine Temple, a little girl was struggling with her crutches to navigate across a path of gravel. Seeing the young girl having such difficulty, a Noble did what probably many of us would have done—he stopped to help. Taking the little girl in one arm and her crutches in the other, he carried her past the treacherous footing to safety on nearby level ground.

Well, what that Noble and his young “passenger” did not know on that hot summer day in June was that Randy Dieter, a photographer from a local newspaper, was standing nearby. He captured that selfless task of kindness on film. Now, what the photographer did not know and could never have imagined twenty years ago was that the photograph he took would become the international symbol of the Shrine Fraternity’s untiring dedication to help crippled and burned children. (Applause)

Today the photograph has become known as the “Editorial Without Words.” The likeness of the young girl and the Shriner is duplicated in statues and used on everything from window posters to hospital transportation vans to lapel pins and patches.

However, since the image of that Shriner and the young girl was captured as they walked away from the camera, very few people, until fairly recently, knew who the Shriner or the little girl were or even what they looked like. Their identities remained a mystery.

Now, that little girl is Bobbi Jo Wright.

Born with cerebral palsy, she was first seen at the St. Louis Shriners Hospitals in 1968 at the age of four. She remained a patient on and off for the next fourteen years, until the age of eighteen, when she was discharged. She went on to graduate from high school and attended Anderson University in Indiana, where she majored in English and graduated with a Bachelor of Arts Degree in 1989. Today, Bobbi Jo lives with her mother and father in Evansville, Indiana, and is twenty-five years old.

Now, the Noble who represented all of Shrinedom in the photograph is Noble Al Hortman. A member of Hadi Temple when the photo was taken, Noble Hortman now is a twenty-five-year member of the Shrine. He moved from Indiana to Georgia in 1972 and lives in Warner Robins, where he works as a parts inspector at the Warner Robins Air Force Base. He has remained an active Shriner and is presently a member of Al Sihah Temple.

Now, as a special part of this year's Session, we have flown the principals of that picture and the photographer who took it to be with us here in Chicago.

Now, Nobles and ladies, may I present to you, in person, the symbols of your dedication and commitment to caring for children, and the man who photographed the now famous "Editorial Without Words," Bobbi Jo Wright, Al Hortman and Randy Dieter.

... Whereupon, Bobbi Jo Wright, Al Hortman and Randy Dieter crossed the stage and joined Imperial Potentate Powell at the podium ... (Applause)

IMPERIAL POTENTATE POWELL: Now, let me say, with regard to Bobbi Jo, that she is just a delightful person. We met with her a few weeks ago and she was so proud but she also told us that the day on which she purchased the dress which she is wearing here today was her proudest moment.

Now, what we are going to do, Bobbi Jo, is, if you will, come to this microphone here and say a few words to these fine Nobles and ladies.

MS. BOBBI JO WRIGHT: Thank you for having me here. I cannot express in words the way I feel at this moment but, again, let me say that I am deeply thankful to the Shrine for everything that has happened to me.

Thank you all very much. (Applause)

IMPERIAL POTENTATE POWELL: Also, Bobbi Jo, I think you know how much we love you. Do you know what you have done for the Shriners of America? I am sure you do. (Applause)

Well, at any rate, Bobbi Jo, you certainly can sit up here anywhere you want.

... Whereupon, Bobbi Jo Wright resumed her chair on the stage ...

IMPERIAL POTENTATE POWELL: Then, likewise, we have Noble Al Hortman with us. Will you please come forward. (Applause)

Would you like to say a few words to this distinguished audience?

NOBLE AL HORTMAN: You know, this is not my first visit to Chicago but I know that I have remembered my experience in a more memorable way because of the picture that was taken here.

It really was not a posed picture but, on the other hand, it just goes to show you that as you go about your business and do whatever you can to help somebody else, it pays off. (Laughter)

Now, you know, I did wonder for a time as to why that picture was taken from the rear and when I asked the photographer about it, he said, "You looked better from that position." (Laughter)

IMPERIAL POTENTATE POWELL: Let me say to you, Noble Hortman, I think we are extremely indebted to you for what you have done. After all, it was through your efforts that when you saw this little girl, you knew exactly what to do in helping her over those rough stones. Thank you so much for all of us. (Applause)

Also, I would like to recognize Randy Dieter, the photographer from the local newspaper who was standing by when this event occurred and captured that act of kindness on film.

We are likewise happy, Randy, to have you here with us today. We, of course, likewise thank you for your part in this drama. Perhaps you would like to say a few words at this time and also perhaps tell us the length of time of that particular exposure on your film.

MR. RANDY DIETER: Let me say it was about two hundred fiftieths of a second. (Laughter)

However, I merely want to express to you my appreciation likewise for having brought me here. I know that in relation to the taking of that picture, those involved were all doing

their jobs. Now, I can see that my job is going to live on for a number of years, as will also your job.

Thank you very much. (Applause)

IMPERIAL POTENTATE POWELL: I would also like to thank Noble Rupert Wetzel who is with us today. Noble Wetzel is the Noble who, years ago, sought out and brought Bobbi Jo and Al Hortman together at a Hadi Shrine Temple function. It was the first time since the "Editorial Without Words" photo was taken in 1970 that the two had been united. We are proud to be able to again reunite the two of them here today.

Thank you, Mr. Wetzel. (Applause)

You know, it has been a noble thing that brought all of these individuals here today. Now, insofar as I know, there is nobody else, in my opinion, that has ever used this symbol of this Noble and Bobbi. However, anyone who sees that symbol knows that it means Shriners Hospitals for Crippled Children.

Also, it means so much to people who want to wear it that they purchase them and continue purchasing them and the monies, in turn, are used for the purpose of treating our children.

So, you see, not only have you given to us a symbol which belongs to the Shrine and nobody else, but you have given us a course—you have given us the meaning of reaching out with our eyes and helping others and there is no one else that has ever done that like the two of you have for the Shrine of North America and I do appreciate it.

You know, I have to tell you something real funny. Joe Padgett goes around giving away by the hundreds this little symbol involving both you and Bobbi Jo and if he has not given you any, I will see that you get one today. (Laughter)

However, we have a character back in Crescent Temple by the name of Luther Arnold and he was given one of these pins by Joe Padgett and he said, "By gosh, maybe if I had 1,000 or so, people might want to purchase them." Well, you know, he is correct because people want to be proud and they can be proud now by wearing that little pin of Bobbi Jo. Therefore, he went out and ordered 5,000 of them and went out and sold them for \$3 each while Joe Padgett, on the other hand, was giving them away free. (Laughter) Also, as I understand it, he has earned over \$3,000 in net profit from those who have purchased that little pin and, in your honor, he is going to present to Joe Padgett this year when he visits as Imperial Potentate, that check for \$3,000 in your behalf and in your name. Is not that pretty good? (Applause)

Now, I know we have a lengthy program here but I would ask that you please remain with us today for a few more minutes.

Nobles and ladies, we wish to, at this time, for a few moments, remember those Nobles who, in the year just passed, were called on by the Black Camel and summoned home by the Supreme Architect of the Universe and for this part of the program, I will call to the podium our Imperial Chaplain, Reverend John Peterson.

REVEREND JOHN PETERSON [Imperial Chaplain]: Imperial Sir, our Imperial Chaplain, Harry Alger, will report on Canada, Imperial Chaplain William King will report on Mexico and I will report on the United States.

It is our request that all Nobles will remove their Fezes and remain uncovered during our report.

NOBLE HARRY ALGER: Nobles and ladies, I regret to inform you that in Canada we have lost 705 Nobles to the Black Camel in 1989.

NOBLE WILLIAM KING: As Imperial Chaplain for Mexico, we have, during the past year, had called home two Nobles from Mexico.

IMPERIAL CHAPLAIN PETERSON: The Black Camel has been very busy in the United States and has taken a total of 21,365 Nobles this year, making a grand total of 22,070 Nobles who have left our fellowship this year.

The tendency is to focus our attention on our losses. However, this should not be our focus. Surely we are a stronger fellowship because of the contributions these Nobles have made during their period of life with us.

Yes, they shall be missed but this is the time when we need to close ranks. It has been said that during our fight for freedom, when it seemed that the small, untrained men of the

colonies were about to lose the battle after each attack of the Red Coats, the Commander would shout, "Close ranks, move in and touch shoulders."

Well, instead of open ranks, the Red Coats faced a solid wall of determined men.

Perhaps this is a time when we need to catch their vision and by faith hear them say

To you, from falling hands,

We throw the torch of faith,

Be yours to hold it high,

We shall not rest,

If you break faith with us who die.

As Shriners we should not think of them as dead

Who walk with us no more

Along the path of life we tread.

They have but gone before,

Our Father's house is mansioned fair,

beyond our vision dim,

All souls are His, and here or there,

are living unto Him.

Their lives were made forever ours

What they to us have been,

Has left henceforth its sign and seal,

Engraven deep within,

And still their silent ministry

Within our hearts hath place.

As when on earth they walked with us

And met us face to face,

Ours are they through a fellowship

That time nor death can free,

For God has given them to us,

To love and keep eternally.

Nobles, will you please stand with me in silent prayer and in honor of our fellow Nobles, who walk with us no more and remain standing until after Taps has sounded.

. . . Silent prayer and the playing of Taps then ensued . . .

REVEREND PETERSON: As a clergyman, I have often been asked that important question, "What is death?" I have assumed that that question has been in the minds of some here present.

I have never ignored the question, nor have I ever tried to simplify it. It is an important question. I have tried to give an honest, simple answer, based on our Holy Scriptures.

The Bible tells a story of two young men who came from the opposite ends of the social ladder. One was the son of a king; the other, the son of a shepherd.

Their names were Jonathon and David. They were great friends. David was not only a shepherd boy but a great musician. He played a string instrument that seemed to touch and comfort the soul of mankind.

One time he was asked to play for the father of his friend. The King was suffering from an emotional upset. While playing, the King grabbed his spear and threw it at David, intending to destroy him.

In relating this incident to his friend, Jonathan, David said, "There is but a step between me and death."

In its simplest analysis, death is but one of the many steps of life.

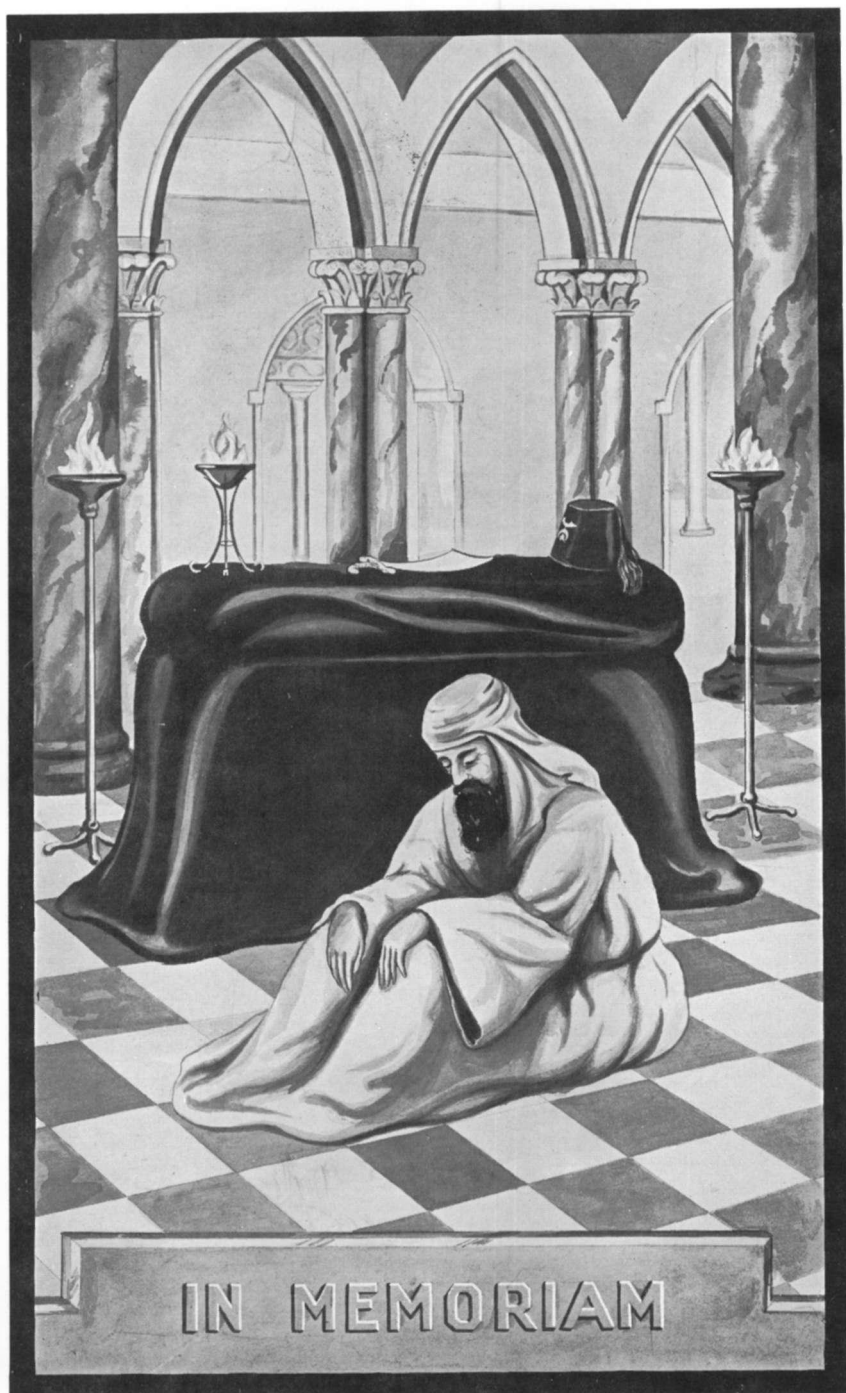

All of the steps of life require preparation. Before a boy becomes a man, he must take the steps of youth and discover truth for himself.

Before a man becomes a Shriner, he must be prepared through many steps—Master Mason—Thirty-Second Degree Mason. Before a man becomes a lawyer or a judge, he must be prepared.

The simplest definition of death is that it is but a step or an event of life.

However, as we have noted, preparation for the steps or events of life are important.

This is a step that all must take. Nothing can prevent this step—science, philosophy, religion, prayer, love. Our Bible says, "For the living know that they shall die."

IN MEMORIAM

Time for this step is unknown. "Ye know not what shall be on the morrow for what is your life? It is even as a vapor that appeareth for a little time and then vanishes away, suddenly, without a warning.

Death is a parting step, yet, a parting step from worries. I am conscious of the fact that there are times when all of us would like to take a step away from worries. It is a parting step from sickness.

Personally, I have been well blessed in my eighty-four years of life in that I have not known much about sickness. I am also well aware that there are those who many times acknowledge death only to find that the desires to live were stronger.

It is also a parting step of friends, from loved ones and is a parting step from the time of preparation. It can be a pleasant step for it is a step into the presence of God.

How beautiful to be with God
When earth is fading like a dream,
And from this mist encircled shore,
We launch upon the celestial stream.
No doubt, no fear, no anxious care,
But comforted by staff and rod,
In the faith brightened hour of death,
How beautiful to be with God.
Then let it fade, this dream of earth,
When I have done my life's work here,
Be it long or short as seemeth best,
What matters, so God's will appear.
I will not fear to launch my bark,
Upon the darkly rolling flood,
'Tis but to pierce the mist, and then
How beautiful to be with God.
Shall we pray.

Help us, our Father, that we shall be prepared to step out of this life into your presence and so to live with you. Amen.

Henry Moore from Nur Temple will sing "The Lord's Prayer" and Noble Gil Newman from Medinah Temple will be giving the Indian signs to the words of the Lord's Prayer.

. . . Whereupon, the above ceremony then ensued . . .

REVEREND PETERSON: This will close our report. (Applause)

IMPERIAL POTENTATE POWELL: Wednesday, at three p.m., we will return to this auditorium.

Now, for the first time, we are asked to bring our wives with us to this Session, as well as the Nobles who are not Representatives. At that time we will all hear the report of the Chairman of the Board of Trustees of our hospitals. This was suggested by a Recorder from Ali Ghan Temple, Fred Widmyer.

We are so grateful because it is true. You ladies should understand better the results of what we are worth.

At that time there will also be presented a report of the Public Relations Committee and other hospital related reports. Please be advised that following those reports, we will conduct other business matters of the Order and the hospitals.

Therefore, be sure to bring your ballot books. Also, it says here, "Be sure you do not let George get near the microphone." (Laughter) I cannot resist this opportunity, more so than that I have seen Bobbi Jo, to thank you ladies wherever I have been for letting us be Shriners and also to thank all of the ladies' organizations, for not only the money they contribute to our hospital system but for the love you give to our kids in our hospitals—the gifts, the bandages and the wrappings and the hours you spend reading to the kids. For all of this, you ladies make it possible for us to be Shriners. You make it possible for our hospitals to have your services and your love.

Now, how anybody can say that this is a man's organization is beyond me. It is a man's and lady's organization. That is the way I think of it and that is the way I want it to be.

Now, Bobbi Jo, I have a gift here for you. I will bring it over or do you want to get up and show your pretty dress again?

Also, Joe Padgett, I want you to come over and Randy Dieter, where are you?

Well, as I understand it, he had to leave.

Now, Bobbi Jo, we are going to give you this first. This is a buckle with all of the Shrine insignias and, Bobbi Jo, thousands of men in this country saw me wearing that buckle, it was seen all over the country.

Anyway, Joe, you are not the Imperial Potentate as yet but insofar as I am concerned, you are and I respect you as such. However, we wanted you to be part of this function here today and be a part of the memories of these folks.

So there is a nice little Shrine group down in New Mexico that made these up and it looks to me as though it is your Rocket Shrine Club.

Now, on the back of this buckle is the entire history as to how all of this came about. It tells us about picking the little child up, waling across the gravel, taking the picture and, incidentally, I might add that when the photographer had that roll developed, there was only one shot that came out, the rest were all spoiled, and that one that came out was the one that involved Bobbi Jo. (Applause)

Therefore, Bobbi Jo, this is for you.

... Presentation ensued ...

IMPERIAL POTENTATE POWELL: Now, Bobbi Jo, I know you cannot wear this with your new dress but I am sure you can put it in your bedroom and look at it and say to yourself, "That is me."

Now, while all of these kind folks are standing here, let us call back again the Reverend John Peterson for the Benediction. Also, let us please stand and again let me say that I am looking forward to seeing all of you on Wednesday at three o'clock. We have many surprises

for you in relation to what we are going to be doing and have done in our hospital system. Also, ladies, please come back.

REVEREND JOHN PETERSON: Shall we pray.

Our Father, we are grateful for the consciousness of Thy presence with us. We ask that You might honor us with such as we believe that You have.

As we go our various ways, we pray that we may still be under Thy guiding hand; that Thou wilt use us that we might find better the Bobbi Jo's and somehow bring them to the point where the powers may be demonstrated in their life as been demonstrated in others. We ask it in Your Holy Name. Amen.

IMPERIAL POTENTATE POWELL: Thank you for coming. It was so delightful. God bless all of you.

. . . Whereupon, at four-thirty o'clock p.m.,
the Opening Session was adjourned . . .

MORNING SESSION
TUESDAY, JULY 3, 1990
NINE O'CLOCK A.M.

The One Hundred Sixteenth Annual Session of the Imperial Council was convened in the International Ball Room, Chicago Hilton and Towers Hotel, Chicago, Illinois, on Tuesday morning, July 3, 1990, at nine o'clock a.m., Imperial Potentate George Powell, presiding.

IMPERIAL POTENTATE POWELL: Will you please take your seats.

Let me first say we appreciate all of the cooperation you have given us and we want to have you continue on the same basis. Therefore, we will endeavor, with your cooperation, to expedite everything as much as we possibly can.

Now, let me also say that no doubt you may have noted, over a period of years, that there has always been in your ballot books a ballot with a numbered stub and I have been asked so many, many times as to what that was all about because it had never actually been used.

Well, let me explain it to you.

Back when Imperial Potentate Woody Bennett was the Imperial Potentate, he formed a committee and, naturally, I was a member of that committee during his year. We met in Chicago three or four days and the purpose of the committee was to determine if there were ways that could be improved upon for the selection of the Imperial Outer Guard. It was a most interesting three-day meeting but each time a good, solid suggestion came forward, our good friend George Saunders, Imperial Recorder at the time, always asked the question, "Will it pass, can it be done on the floor?" That was always answered with a "No, I am sure it cannot—it is a good idea but it will not work."

Now, what came from that meeting at that time was the numbered stub on your ballot and the sole purpose at that time was to eliminate a roll call.

Now, how could a roll call be eliminated, which is very time consuming and very, very annoying? Well, it was decided that stub would be put on the ballot which would give the Imperial Potentate an opportunity, as he saw empty spaces taking place out in the audience from the Representatives, to ask the Tellers to pass the ballot box and have each of the Representatives drop in a number which is on the ballot. That, in turn, would permit, at the end of the Session, for those who were interested, to be able to recap the numbers and determine who did not show up that day or that afternoon at that particular moment.

Therefore, the only purpose for that little stub is for the Imperial Potentate to ask for the ballots to be passed and those tickets be dropped in in lieu of the roll call.

Now, it never has been used and, further, I hope it never will have to be put into use. So let us put that to bed.

Now, waiving all forms and ceremonies, I hereby declare the One Hundred Sixteenth Session of the Imperial Council and the 1990 Annual Meeting of Shriners Hospitals for Crippled Children, and appended entities, open for business. I further declare that this Annual Session and this Annual Meeting will remain open for business until adjourned.

I will now recognize our Imperial Chaplain, Reverend John Peterson, for the Invocation.

REVEREND JOHN PETERSON [Imperial Chaplain]: God has blessed us in keeping Joe

Padgett, our new Imperial Potentate, well on his way to recovery. Also, surely, our great Noble, Bob Turley and so, in your prayers this morning, we give extra thanks for that.

Shall we pray.

It is with confidence that we enter into Thy presence this morning, Father. We know that You hear us as individuals and we know You would hear us as an organization of Shriners.

We have heard the words You have said—"Come now and let us reason together," and this morning we pray that this will be the case in our meeting together—that we shall reason together.

There may be discussions, we may have differences of opinion, but we pray that we shall remember that You have said "Come now and let us reason together."

Throughout the day, we pray that this shall be a reasonable Session. We thank Thee for the protection, the guidance and the help that Thou has granted unto many of our members.

We are thinking of our members, our loved ones and our friends.

Be with Imperial Sir Joe Padgett. Grant that Your hand shall continue to be upon him that he shall feel Your healing power on this day and all of the tomorrows of his life.

Be with us in this Session and throughout this week.

We ask all of this in Thy Holy Name. Amen.

IMPERIAL POTENTATE POWELL: Now, I shall recognize our Director General, Earl Brown, for appropriate remarks.

DIRECTOR GENERAL BROWN: To the Imperial Potentate, Officers and Members of the 1990 Imperial Council: As provided in Article No. 5, Section 205.1 and 205.5 of the Bylaws and Code for the Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive pay, mileage allowance of a round-trip comparable to, but not in excess of, the lowest unrestricted discount air fare or, if such is not available, the lowest coach or most economical air fare, from the departure airport to the destination airport for himself and his spouse if she accompanied him. If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, the departure airport shall be that airport nearest his place of residence. He shall also be paid per diem expenses of ninety-nine and no/100 dollars (\$99.00) room rate, plus twenty dollars (\$20) for meals, for each day he attends the Session.

All members of the Committee on Jurisprudence and Laws shall receive ninety-nine and no/100 dollars (\$99.00) plus twenty dollars (\$20) per day for three extra days. All members of the Committee on Finance and Audit shall receive ninety-nine and no/100 dollars (\$99.00) plus twenty dollars (\$20) per day for two extra days. ... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE POWELL: At this time I will call to your attention the Annual Reports contained in the printed Proceedings which were given to you at the time of your registration. I trust that you will take a little time or perhaps even take a lot of time to read the Annual Report and to study the report that was submitted by Imperial Sir Jack Jones.

I have also been asked as to what has happened Masonically in North America since last fall and I am pleased to start the report by saying to you that last July, even though the Representatives had felt very strongly that the Masonic Relations Committee should continue in the form that it had, it was my personal opinion that we were insulting the Grand Masters of North America by making them go through a committee to discuss their problems with the Shrine of North America.

Now, based on that, I abolished the committee with the understanding that any Grand Master should be shown the respect of being able to call the Imperial Potentate direct or to write to the Imperial Potentate direct and I also let it be known throughout North America that this is the respect that should be shown to them.

Now, I took a lot of heat for that but I can report today that it has turned out very well.

I have had very many Grand Masters say to me, "George, we feel very comfortable with you. We feel very comfortable to know that we can call you and let you and I worry about what our problems may be."

I then said, "Well, Grand Masters, let me say this to you. Committees can always be formed after we find them necessary."

I assured the Imperial Divan that if we have to take up a particular problem in the Northwest part of the country with the Grand Lodge, it would be my intent to form a committee in that part of the country to handle that particular problem and, further, if we had a problem anywhere in this country, we can always form a committee that would be local to that particular problem and would better understand what the problems might be from a logical standpoint.

I received two telephone calls. I received a telephone call from the Grand Master of California who asked me if we might meet in Philadelphia and that he be permitted to bring with him his deputy. I said, "I will be tickled to death to do that with you."

Well, we met, we discussed many of the problems that they felt and we felt were critical to the future of the Shrine.

I also made no bones about the fact that if things did not change one way or another, we were going to be eyeball to eyeball.

They did not ask for too many things.

However, one thing that they did ask for was to meet with the Temples in California eyeball to eyeball in the hope that at least they could be heard. That was granted and they were very pleased and the discussion that took place last year in California was a tremendous step in the right direction.

Now, the Grand Masters have worked out, with the cooperation of the Temples, a way in which there seems to be a reasonable amount of peace and harmony.

Further, in their case, more progress is going to be made during this coming meeting of the Grand Lodge.

Also, I received one other call from the Deputy Grand Master of the State of Colorado, who said to me, "George, I would like to meet with you because I want to report out at the Conference of Grand Masters some ideas we have and I would also like to bring with me to

that meeting the Grand Master of the District of Columbia, the Grand Master of Washington State, the Grand Master of Georgia."

I said, "I would be tickled to death to meet with you, come on." Well, we met and I asked them what the purpose of the meeting was and he said that the purpose of the meeting was to form a committee to discuss what our problems may be throughout North America Masonically.

I then asked, "Well, will this committee have any authority, will this committee be able to commit whatever decisions arrived back to all the Grand Lodges throughout North America?" His answer was, "No, we will have no authority but we will be able to report out what the problems may be."

I replied, "Well, I can save you a lot of time. I have the records from 1959 that were given to me by Past Imperial Potentate George Stringfellow that lists since 1951 all of the committees that have been formed by various Grand Lodges at the Grand Masters Conferences and, also, it lists all of the problems, and I will tell you right now, they repeat themselves year in and year out and so you see, sir, they knew back in 1951 what the problem were but the reason nothing constructively has been done is because the committees had no authority."

So I said to him, "We will gladly add three, four, five or six names to this committee from the Shrine of North America but I do not really know what good it is going to do because you have admitted that whatever decisions they make have no authority and also the fact that since 1951, all of these problems have existed."

We shook hands.

I went to the Deputy's installation as Grand Master of the State of Colorado. It was a delightful meeting. He was tickled to death to enlighten me. Also, he asked me to speak and I did.

I also received a letter from one of the other members in attendance that day, one of the Grand Masters, and he said to me in his letter, "George, I agree that the time has come that we had better pay a little bit more attention to what the Shrine of North America is trying to do for us." A delightful letter, a letter of recognition that we do make a tremendous contribution to Masonry throughout North America.

Also, they convened the Grand Lodge in Kansas for me to attend a special meeting, asked me to speak. Again, it was delightful.

I also had five other invitations from Grand Lodges to be their guest and to speak but unfortunately there was a tremendous conflict involved and so I was not able to attend. But, nevertheless, I believe that all of you can sit here today and go away from this Convention knowing that all is maybe not well but it is better than it has been. (Applause)

Also, the State of New Jersey is coming along pretty good—in fact, so good that the Grand Master, just a little while ago, presented a check in the sum of \$1,000 to Crescent Temple and said to our Illustrious Potentate, "The Grand Lodge of New Jersey wants to do what it can to help the Shrine. Here is our contribution. Do with it as you wish." (Applause)

I have great hope and I believe, sincerely, that our policies this past year have worked. They have been productive.

Oh, yes, I have had a couple of Grand Masters who were quite disturbed over the fact that we did not invite them again this year and I must tell you about one in particular.

I visited a Temple. He knew I was coming, made it a point to be there. He walked in and I recognized him. I went up, shook his hand and he said, "I am looking for you." I replied, "Well, here I am, what is your problem?"

Well, he whipped out a letter that he been given to him at a meeting of Grand Masters and he shook it and said, "Did you write that letter?" I looked at it and replied, "I sure did." He replied, "Well, I do not like it." I said, "Well, I am sorry." He further said, "As a matter of fact, on Monday night, nine other Grand Lodges are going to meet and we are going to issue an edict that none of the Temples in these nine states are going to be able to attend your Imperial Session."

I replied, "Well, Grand Master, that is your privilege and I respect it but I also want you to respect the reason as to why I wrote the letter." He replied, "Well, why did you write the letter?"

I replied, "Well, it is very simple. I was Chairman of the Masonic Relations Committee

when I originally got elected for quite a few years and I put great effort forth in trying to do what we could do with our Masonic relations. I did the best I could but I got to a point wherein it became a full-time job and so I went to Randy Thomas, the then Imperial Potentate and told him that this could not be done on a part-time basis, this was a full-time job."

He said, "Well, what are you going to do about it?"

I replied, "Well, I would like to recommend to you that you find somebody there that we can hire and who can function as Chairman of the Masonic Relations Committee on a full-time basis."

Well, he looked around and came up with Imperial Sir Jack Jones who, at that time, was operating as the Administrator of Egypt Temple but was the Imperial Recorder. He was hired and then Jack and I spent many hours going over the things that I had come up with during that period of time which I believe were best for our Association.

Now, one of the things that came forth was inviting all of the Grand Masters to the Imperial Council Session because I believe in the statement that to know, you know, is knowing and to think you know, is only thinking and so if we can get the Grand Masters here to participate with us and to understand what we are doing, they would no longer think, they would know. So the decision was made to invite them.

Now, I may be incorrect in relation to this figure but I believe the first year we had about thirty-four or thirty-five Grand Masters and eventually it worked itself to around forty-five to forty-seven.

However, what happened? Well, after they were introduced, they waited around until they had said "hello" to everybody and then gradually started disappearing and did not sit over there on the right-hand side of our podium for most of the time and, as a matter of fact, they just began to disappear. Well, by Thursday, it seemed to me, that we only had six or seven of the group present and, in turn, that bothered me. As a matter of fact, it bothered me because we requested the Temples to pick up the expense of the Grand Master coming to attend this Convention.

Sure, they expected to have a lot of Temples paying something in the vicinity of \$200 each but, on the other hand, look at the other Temples we have out there who are paying some \$2,500 to \$3,500 to get their Grand Master here and yet they disappear.

So, as I say, this bothered me and we really did not know what in the world we could do about it because I thought that our program was interesting enough that they would want to stay.

Now, let me tell you something else that happened.

I received a telephone call last year within a week after I went into office from a Potentate and he said, "George, I have a problem." I asked, "What is your problem?" He indicated that he had received that day in the mail an invoice from the Grand Master for one week and three meals a day. It involved quite a few hundred dollars. He then told me he did not know what to do with it.

I replied to him, "Well, Illustrious Sir, you are going to have to make that decision but if you want to ask what George would do with it, well, let me tell you, I would send it back and say, 'Grand Master, our Temple picked up your tab to send you to the Imperial Session and you were not there as you should be and we thought you had gone on a vacation and, if that be the case, you will have to pay for that yourself.'"

The Illustrious Potentate said, "Well, George, I will do that."

Now, of course, the Grand Masters know they are welcome but I want you, in turn, to let them know they are welcome but you just do not have the financial wherewithal or obligation to bring them here any more.

Further, for every Grand Master we learn is going to be here, we see to it that he had a banquet ticket and a ladies' luncheon ticket.

Well, I could go on a little longer here but I only want you to know that, briefly, is my report concerning Masonry. I can only say to you that we are better off today than we were. I hope and believe that our policies will work for us.

Thank you so much for listening. (Applause)

With that, at this time, I will recognize Imperial Sir Richard B. Olfene for the report on the Committee on Transactions of Imperial Officers.

PAST IMPERIAL POTENTATE OLFENE: To the Representatives of the Imperial Council:

Your Committee on Transactions of Imperial Officers, as required by Section 208.7(b) of the Bylaws of the Iowa Corporation, has considered the reports of the Imperial Officers.

We call to your attention that certain reports of the Imperial Potentate, Imperial Treasurer, and Imperial Recorder have been prepared in advance. These reports were either mailed to you or were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. We find them to be comprehensive, well-prepared, and in fulfillment of their responsibilities. It is our recommendation that these reports, and all other reports of the Imperial Officers which require action by the Imperial Council, be referred to the Jurisprudence and Laws Committee, and any other committee designated by the Imperial Potentate, for consideration and further report to you.

It is a pleasure for this committee to express gratitude and appreciation to our Imperial Potentate George W. Powell, for his dedicated efforts expended through the year past in the work of our great Fraternity and the world's greatest philanthropy, Shriners Hospitals for Crippled Children. He has never hesitated a moment in giving of his utmost in his visitations to our Shrine Temples, hospitals and other Masonic organizations. He deserves the sincere thanks and appreciation of all Nobles for his dedication to Shrine work and ideals. He has endeared himself to the hearts of all with whom he has come in contact. His year of service will long be remembered as one in which the image of our Order grew in not only the minds of all of our Nobles but also the public as well.

We, the members of your Committee, are pleased to have had the opportunity to serve under such a fine Imperial Potentate and are delighted to make this report to the Representatives of this, the One Hundred Sixteenth Session of the Imperial Council, and move for its adoption.

Respectfully submitted.

If not, the motion is to adopt the report.

All in favor indicate by saying aye; opposed. The report is declared to be adopted.

At this time I would like to refer the following matters which will be considered at this Annual Session and Annual Meeting to the following committees.

You may want to mark these on your Call. I do not think it is necessary but perhaps there are some people that would like to do it. We want to give them that opportunity.

To the Finance and Audit Committee, items 3, 4 and 8.

To the Jurisdictional Lines Committee, items 11, 12, 13 and 17.

To the Dispensations and Charters Committee, items 13, 16 and 17.

To General Counsel, item 15.

Therefore, as you read your Call, you can understand that these committees will be reporting out on that particular item.

All items in the Call are further referred to the Committee on Jurisprudence and Laws.

I will now recognize Illustrious Sir William A. Buckaway, Jr., to explain, in behalf of the Jurisprudence and Laws Committee, the procedures of this Annual Session and Annual Meeting.

ILLUSTRIOUS SIR BUCKAWAY: Imperial Sir, Imperial Sirs, Representatives, Fellow Nobles All:

I would like to take this opportunity to explain, in behalf of the Jurisprudence and Laws Committee, especially to those of you who are present here for the first time, the role of the Jurisprudence and Laws Committee and the procedures which will be undertaken by this Convention for the next four days.

As in the past Annual Sessions and Meetings, we report to you on the form of each proposed amendment to the Bylaws and its consistency with other provisions contained in the Bylaws and the Articles of Incorporation of either the Iowa Corporation and/or the Colorado Corporation, as the case may be.

Likewise, we will report on resolutions and requests which are before the Imperial Council Session.

I would remind you that we are meeting jointly as Representatives of the Iowa and as members of the Colorado Corporations and we of the Jurisprudence and Laws Committee will do our best to keep you advised with regard to which corporation a particular proposal will affect.

The reports of the Jurisprudence and Laws Committee are not intended to indicate to you the position of the committee as being either in favor of any proposal or against it. In his capacity as a Representative, each of the members of the committee may have strong feelings as to the merits of a particular proposal and any of us, just as you, may wish to participate in the debate concerning one or more of the proposed amendments. If we wish to do so, we will retire to the floor for this purpose.

If any member of this committee speaks on a proposal, either for or against, please remember he speaks as an individual Representative and not for the Jurisprudence and Laws Committee.

Again this year, when the committee makes its report, it will, at the commencement of the report, refer you to the appropriate page of the Call where the proposal appears so that you can quickly identify the matter. I would remind you that your Call is essential for your presence here.

We are confident that you have already studied most of the proposals and are prepared to consider them. If you have not done so, then you have your work cut out for you for the rest of today and this evening.

As can be noted from your Call, there are several matters to be separately considered which are of similar nature. We will attempt to group these for you in the interest of time.

In most instances, pending proposals, resolutions and requests will be considered in this order:

First, the report of the Committee on Jurisprudence and Laws. Secondly, the report of any other committee to which the matter has been referred. Thirdly, recognition of the sponsor for his motion to adopt and any explanation that he believes necessary for the proposal, if any, for your consideration, debate and action.

The Jurisprudence and Laws Committee will continue the procedure instituted in the past and coordinate its efforts with those reporting committees so that you do not have a repetition of the whole matter in any two or more of these reports.

Jurisprudence and Laws will not ask you to receive our reports in that the very fact you have listened to them will be enough for this. We will, however, answer any inquiries that you may have concerning the reports.

Once again, we solicit the courtesy that you have shown historically to your fellow Nobles. When it is your turn to speak on a matter under consideration, please obtain recognition from the Chair and move to the nearest microphone. You will not be recognized unless you are at a microphone, where you can be heard.

Let me also add that there are a number of matters of legislation which may require considerable debate and as those matters arise, the Chair will first ask the proponent to present his case following an appropriate motion and second. Thereafter, he will call for a

resonse from an opponent, if there be any, and then next a proponent and so on until all are heard and debate is closed.

Because of the amount of legislative issues before you here, we may have some extra lengthy sessions. I ask for your patience and I know that the Chair does also and that you give to him all the courtesies that the Chair is entitled to.

When those matters arise which require debate, the Chair will first ask the proponent to go to a microphone on your right—over here (indicating) to the right. If there are opponents, we would ask the opponents to approach the microphone on your left. In that way, the Chair will have an opportunity to view the proponents and opponents and call on them in alternate fashion.

I would encourage you Nobles, if you wish to speak on a matter, to please do it as briefly as possible and try your best not to cover the same ground that someone else has traveled.

Finally, we hope that you understand that the Jurisprudence and Laws Committee is here to serve you, the Representative of the Imperial Council.

The committee is prepared to answer any questions concerning the legal effect of any proposal and to answer any other appropriate questions in our area of expertise.

Now, we are not always able to do that but we do our best and if we do not have the answer, we will certainly secure it for you.

Now, let me stop and ask, are there any questions with respect to procedure?

If not, I would again add that as each item of legislation is called for by the Imperial Potentate for presentation, that the proposers of the amendment work their way to the closest microphone or to the stage so that they may be able to move adoption of the proposal and make any other statements that they deem necessary.

I further wish to inform you that I have received requests from the proposers to withdraw items 13 and 15 from the Call. Later in the Session, we will request your unanimous consent for the withdrawals.

That is the status of the items in the Call about which we know at this point in time.

With that, Imperial Sir, I return the microphone to you.

IMPERIAL POTENTATE POWELL: Thank you very much.

Now, let me ask, are there any questions or comments concerning the report of the Jurisprudence and Laws Committee as just presented to you?

If not, I will entertain a motion that they be adopted.

. . . Whereupon, it was severally moved, seconded and unanimously carried that the proceedings as presented be adopted . . .

IMPERIAL POTENTATE POWELL: I will now recognize Chairman James C. Hathaway for the report of the Elections Committee.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Fellow Representatives: Once again it is my pleasure to appear before you as the Chairman of your Elections Committee.

Now, I need not reiterate the fact that the most important thing you have in your possession today and for the rest of the Session is your ballot book. Be sure that you bring it to the auditorium every day and if the Imperial Potentate announces a call for a ballot, you will be told what ballot to use.

We ask your indulgence as we proceed with these ballots from time to time with the hope, of course, that we will get back a report to you as soon as possible.

Thank you, Imperial Sir.

IMPERIAL POTENTATE POWELL: Thank you, Jim.

May we have a motion for the acceptance of that report.

. . . Whereupon, it was severally moved, seconded and unanimously carried that this report be received . . .

IMPERIAL POTENTATE POWELL: We now come to the legislative proposals and business matters and I now call upon Illustrious Sir Robert E. Cooper of the Jurisprudence and Laws Committee for an appropriate motion and discussion of item 9 in the Call.

NOBLE ROBERT E. COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 9 on Call of the Annual Session of 1990, located on page 20 of the Call. It is a proposal to amend Article 34 of the Bylaws of the Iowa Corporation by adding a new Section 334.11 and by renumbering the present Section 334.12 and by deleting subsection (c) of Section 327.2 and relettering

the present subsection (d) as subsection (c) of Section 327.2. The new Section 334.11 will read as follows:

ARTICLE 34

Temple Business Affairs and Fiscal Regulations

Section 334.11 contracts for Lodging at Sessions and Meetings.

After a Temple has voted to send units, clubs or Nobles to an Imperial Council Session or a Shrine Association meeting, it shall designate one of the official Divan as the authorized agent of the Temple to make contracts for transportation and lodging, provided, however, that such contracts must contain any limits or conditions required by the Temple.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles or Incorporation or Bylaws.

Respectfully submitted.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Theodore Corsones, General Counsel, Past Potentate and Representative Emeritus of Cairo Temple, for an appropriate motion.

IMPERIAL POTENTATE POWELL: I will recognize Illustrious Sir Ted Corsones.

NOBLE CORSONES: Imperial Sir, Imperial Sirs and Representatives: I move that item 9 be amended by adding the word—and if you will look on the fourth line, at the end of the fourth line—“that such contracts must”—would you add after that—“be approved.”

I ask that you add those words to that proposal and now, Imperial Sir, I move that item 9 be amended by adding the words “be approved and” after the word “must” at the end of the fourth line of the proposal.

IMPERIAL POTENTATE POWELL: Is there a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE POWELL: You have before you the motion concerning the amendment as just made by Ted Corsones. Is there any discussion on the amendment?

Hearing none, all those in favor please say aye; opposed no. The ayes have it and the amendment is adopted.

NOBLE CORSONES: Imperial Sir, I move the adoption of the proposal as amended.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE POWELL: Is there discussion on the motion as amended?

Hearing none, all in favor of the adoption of the motion as amended indicate by saying aye; opposed no. It is unanimously carried and the motion as amended is adopted.

I will now call on Noble Edward A. Rath to present item 7 in the Call.

NOBLE EDWARD A. RATH: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 7 on Call of the Annual Session of 1990, located on page 19 of the Call. It is a proposal to amend Section 327.1 of Article 27 of the Bylaws of the Iowa Corporation by adding paragraph (i) thereto, so that such section, as amended, will read as follows:

ARTICLE 27
Duties of Temple Officers

Section 327.1 Potentate.

(i) He shall, with the approval of the official Divan, appoint a Temple Attorney. The Temple Attorney shall be a Noble and a member of the Bar who is learned and experienced in the law.

The committee reports that the proposed amendment is in proper and legal for and will not conflict with any provision of the Articles of Incorporation or Bylaws.

IMPERIAL POTENTATE POWELL: I again call on Illustrious Sir Ted Corsones.

NOBLE CORSONES: Thank you very much, Imperial Sir.

I would move for the adoption of this amendment.

IMPERIAL POTENTATE POWELL: This is a very important matter. May we have a second.

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: Is there any discussion concerning this issue?

I will recognize Ted Corsones.

NOBLE CORSONES: Imperial Sir, Imperial Sirs and Fellow Representatives: I just wanted to share with you a thought concerning this proposal.

Last year an Illustrious Past Potentate and a real great guy came up to me and said, "Ted, who appoints the Temple Attorney?" I replied to him, "Well, of course, the Temple Potentate." He then asked, "Well, Ted, where in the Bylaws does it say that?" Well, I knew right then and there I had been zapped. (Laughter)

So to avoid any further hemorrhaging, I thought it best to make this proposal and, I might add, it is an exact mirror of what we do in the Imperial Council when the Imperial Potentate appoints General Counsel. That is the reason for it.

I thought that little comment might be of interest to you.

IMPERIAL POTENTATE POWELL: Is there anything further on this issue? Would anybody like to give any special instructions? (Laughter)

NOBLE FLOYD MEYER [Beja Temple]: Imperial Sir, it is conceivable that we may not have a Temple Attorney. It does say a Temple Attorney but we, in our case, have one from another Temple.

IMPERIAL POTENTATE POWELL: Ted, would you like to comment on that?

NOBLE CORSONES: The Bylaws provide that the Temple Attorney shall be a Noble and a member of the Bar. On the other hand, we strongly recommend that how you employ him, that is the Potentate's business.

IMPERIAL POTENTATE POWELL: However, as I understand it, in their case, they apparently borrow one from another Temple.

NOBLE CORSONES: If he wishes to do so, I do not believe that the law will not permit this.

IMPERIAL POTENTATE POWELL: You know, for example, what we could do is to get one attorney to represent all the Temples in that particular state and, boy, look at the money we would save. (Laughter)

PAST IMPERIAL POTENTATE OLFENE: Imperial Sir, if I may, I have another question along this same line.

What do you declare to be the official Divan of a particular Temple? Is that, for example, the elected Divan or the entire Divan? perhaps we could make that clear at this point.

IMPERIAL POTENTATE POWELL: Do you wish to again comment, Ted?

NOBLE CORSONES: The official Divan is listed, Imperial Sir Dick, in the Bylaws and it lists the Officers. I can spell it out for you if you so desire.

PAST IMPERIAL POTENTATE OLFENE: I am aware, of course, that it is in there but I merely wish it clarified at this point.

NOBLE CORSONES: Well, it indicates, for example, that the Officers shall be elected and they constitute the official Divan of the Temple.

IMPERIAL POTENTATE POWELL: Thank you very much.

Are there other questions? Is everybody happy?

Going back to the motion before us, did I get a second?

. . . The motion was again severally seconded . . .

IMPERIAL POTENTATE POWELL: All in favor of the motion as presented indicate by saying aye; opposed no. The motion is carried. Let the record indicate there were several negative votes.

Now, I would ask that you all go back to item 9 for a moment because I believe that when we were considering that issue, I forgot to ask whether there were any questions.

Could you all go back to that item for a moment and let me ask—are there questions?

. . . The question on the motion was severally called for . . .

IMPERIAL POTENTATE POWELL: Hearing none, I will again take the vote.

All in favor say aye; contrary no. It is carried.

You know, I do not know why some of these other fellows up here do not do this instead of me doing it. (Laughter)

At any rate, the legislation concerning items 9 and 7 has been passed.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE POWELL: Now I would like to recognize William Buckaway for, I believe, a report concerning the Imperial Potentate's General Orders.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: The Imperial Potentate's General Orders (Series of 1989–1990) were issued pursuant to Section 206.5(a)(4) of the Bylaws of the Imperial Council, an Iowa Corporation. Copies thereof were mailed to all Representatives upon their issuance. They have been referred to the Jurisprudence and Laws Committee by your adoption of the report of the Committee on Transactions of Imperial Officers.

Your committee reports that such General Orders were lawfully issued and in all respects are consistent with the Articles of Incorporation and Bylaws of the Iowa Corporation and also that there have been no objections to or appeals from any of such General Orders.

Your committee further reports that the Imperial Potentate's Report is in proper and legal form and that it was submitted in compliance with the Bylaws of the Imperial Council. It, therefore, recommends the approval thereof.

Imperial Sir, I move that the Imperial Potentate's General Orders (Series of 1989–90) be approved, and I recommend that you allow Deputy Imperial Potentate Joseph P. Padgett to conduct the vote as this motion involves your orders.

. . . Imperial Sir Padgett assumed the Chair . . .

IMPERIAL SIR PADGETT [Deputy Imperial Potentate]: Is there a second to the motion to approve the Imperial Potentate's General Orders?

. . . The motion was duly seconded . . .

IMPERIAL SIR PADGETT: Is there any discussions?

All in favor signify by the usual sign; opposed. It is carried.

REPORT OF TIME AND PLACE COMMITTEE

July 2-6	1990	Chicago, Illinois
July 1-5	1991	San Francisco, California
June 29-July 3	1992	Orlando, Florida

STATEMENT OF SHRINE PRINCIPLES

Pursuant to resolution of the Representatives, unanimously adopted at the Imperial Council Session on July 7, 1989, the following principles govern our Order:

1. The Shrine is a separate and distinct legal fraternal corporation; it must abide by its articles of incorporation and bylaws; and its officers must abide by their oath of office to "strictly conform to the requirements of Shrine law." The Shrine accepts that the various Grand Lodges all have different Masonic codes and bylaws that govern their organizations.

2. The Shrine believes in the sovereignty and integrity of each of the 63 Grand Lodges. The Shrine asks that the 63 Grand Lodges accept the sovereignty and integrity of The Imperial Council and that of The Imperial Council over its temples. The Shrine believes that it has no power to interfere in the internal affairs of a Grand Lodge. The Shrine asks that the Grand Lodges accept that they have no power to interfere in the internal affairs of The Imperial Council and its temples.

3. The Shrine acknowledges that the 63 Grand Lodges cannot cede their sovereignty, power and authority to The Imperial Council and thus be controlled and operated by an independent fraternal organization. The Shrine asks that the 63 Grand Lodges accept that the Shrine cannot cede its sovereignty, power and authority to the 63 Grand Lodges and thus be controlled and operated by 63 independent fraternal organizations.

4. Each Noble of the Mystic Shrine is entitled to equal Shrine rights and benefits regardless of his place of domicile. No person, organization or authority, other than the law of the land or The Imperial Council, can restrict or limit the Shrine rights and privileges of a Noble of the Mystic Shrine or those of a subordinate temple.

5. Neither the Imperial Potentate nor any officer of the Shrine can repeal, revise or ignore any bylaw of The Imperial Council. The Shrine is informed, and therefore believes, that the various Grand Lodges have different provisions in their Masonic codes and bylaws concerning this matter.

6. The Shrine believes that no Shrine fraternal charges can be brought against a Shriner unless the charges specify the details of the accusation. The Shrine hopes that the same principles apply in the various Grand Lodges.

7. The Shrine believes that no Shriner can be expelled from the Shrine without a fair hearing on specific charges. The Shrine further believes that there cannot be expulsion of all members of a Shrine temple because of the conduct of a few—when the remaining members are accused of no wrongdoing.

8. The Shrine believes that it has no authority to usurp the gavel of authority from the hand of the presiding officer of a Grand or Subordinate Masonic Lodge. The Shrine asks that the Grand Lodges accept that they have no authority to usurp the gavel of authority from the hand of the presiding officer of The Imperial Council or a subordinate temple.

9. The Shrine believes that the result of a secret ballot on a petition for membership in a Masonic Lodge cannot be overturned by The Imperial Council. The Shrine asks that the Grand Lodges accept that the result of a secret ballot on a petition for membership in a Shrine temple cannot be overturned by a Grand Lodge.

10. The Shrine believes in the sanctity of the ballot box in Freemasonry. The Shrine asks that the Grand Lodges accept the sanctity of the ballot box in The Imperial Council and in its subordinate temples.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that **COPIES OF ALL CORRESPONDENCE SENT DIRECTLY TO HIM BY TEMPLES AND REPRESENTATIVES BE SENT TO THE EXECUTIVE DIRECTOR AT THE GENERAL OFFICES IN TAMPA, FLORIDA.**

This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or temple matters must be handled in accordance with Article 38 of The Imperial bylaws.

GENERAL COUNSEL NOTIFICATION—BEQUESTS FOR CRIPPLED CHILDREN

It appearing that the interests of all temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital benefits and gifts, it is ORDERED:

Potentates and Recorders of temples are directed to immediately notify and send full particulars to the General Counsel's Office in Tampa of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of temples are further directed to inform all shrine clubs to follow this same procedure should the shrine club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All temples and shrine clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a court receipt by a representative of the temple or shrine club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such court receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of temples are further directed to see that their temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1990 IMPERIAL COUNCIL SESSION SPECIAL CONVENTION NOTICE

The 1990 Session of the Imperial Council and the annual meeting of the members of Shriners Hospitals for Crippled Children will be held in the city of Chicago, Illinois, the week of July 2nd, 1990. The Director General is Earl P. Brown, 600 North Wabash Avenue, Chicago, Illinois 60611; telephone (312) 266-5000.

Pursuant to § 327.2 of the bylaws of the Imperial Council, Chief Rabbans of temples have full authority to make plans for attending this Session with the units of their temples, and this includes the authority for making contracts for rooms in the Chicago area with the Housing Chairman as well as making contracts for transportation incident to this Pilgrimage, provided, however, that such plans shall have been approved by a vote of the membership of the temple in accordance with the temple's bylaws.

The Imperial Potentate desires to bring to the attention of all temple officers the following:

HOUSING—Imperial Council Session in *Chicago, Illinois*, in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, instructs all Potentates, Recorders, Shrine Associations, and Nobles, to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee—**CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY**—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith. The following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1990 Session in *Chicago, Illinois*.

Potentates, Records, and all other Nobles, are reminded that an Imperial Session must house (1) Official Imperial representatives; (2) uniformed units; (3) the general nobility; and (4) the general public—in that order of precedence. The official representatives are annually paid mileage and per diem to transact the business of the Imperial Council Session; the uniformed units are present to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the representatives there would be no business transacted to justify the Imperial Session; without the uniformed units there would be no parade.

Hotel room assignments at Chicago are to be obtained through the Housing Chairman. The Chairman of the Housing Committee is Richard H. Putman, 600 North Wabash Avenue, Chicago, Illinois 60611; telephone (312) 266-5000.

The Executive Director will handle the assignment of all public meeting space in the Headquarters Hotel, along with the sleeping room assignments for the representatives and other temple officers who are not representatives, the distinguished guests, and vendors.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate, temple or any noble violating either the spirit or the letter of this Order.

RESPONSIBILITY OF POTENTATES

The potentate of each temple is reminded of his individual official responsibility for the operation of his temple in accordance with the law of the land, the articles of incorporation, bylaws and Orders of The Imperial Council and Imperial Potentate, and the temple bylaws.

REMINDER TO CHAPLAINS

As the membership of the Shrine is made up of members of all denominations, chaplains are reminded that their prayers, invocations, etc., should not single out any particular denomination but be monotheistic in nature so as to include all.

IMPERIAL POTENTATE VISITATIONS

It is the desire of your Imperial Potentate to make as many official visitations as are possible. It is also his desire to fully cooperate with all temples requesting visitations. The temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your temple and Shrinedom. He would like to have a short meeting with the temple divan and representatives.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resumé of your temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Director) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have: that is, whether shriners only, shriners and their ladies, shriners and masons and their ladies; or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR CHANGE IN DATE OF STATED MEETINGS OR THE HOLDING OF A CEREMONIAL IN CONCURRENT JURISDICTION OR FOR HOLDING A MEETING OR CEREMONIAL ON A SUNDAY, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE EXECUTIVE DIRECTOR AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED SHOULD BE SENT TO THE EXECUTIVE DIRECTOR.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each temple of the Order is instructed to provide and display at all shrine parades and shrine functions the three National flags under which shrine temples chartered by The Imperial Council operate (i.e., United States, Canada and Mexico).

These three National flags should also be properly displayed at all shrine meetings.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Director.

NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

SHRINE PROTOCOL

All temples are urged to use the provisions of Shrine Protocol which are found in the forward pages of your Imperial Council directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by The Imperial Council. If you have any questions, please contact the Executive Director at the General Offices. At shrine activities, masonic dignitaries are guests. Therefore, protocol requires that the highest ranking shrine officer speak last.

NEW PARADE PROTOCOL

Shrine protocol is being changed to include the following, which will appear in the new protocol pamphlets when published in January of 1990.

1. A musical unit or other form of music must immediately follow the color guard in any Shrine parade.

2. Automobiles other than antique cars, requiring special display, used for the purpose of transporting dignitaries, divan members or association officers, with the exception of the Potentate or association president, must be not less than two abreast. The general public's interest is in parade units, not automobiles. This will make the parade more interesting to those who have come to watch it.

CHIEF RABBANS

In order to eliminate problems it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising and other activities, including tours or cruises for their administration, to the temple membership at a stated meeting and proceed in accordance with the vote of the membership.

CEREMONIALS

I. Parades and Outdoor Appearances

It is ordered that candidates who appear in ceremonial parades or in front of the general public must do so in normal street dress. No ropes or demeaning clothing of any type will be allowed.

II. Anti-Hazing

§ 335.1 of the bylaws of The Imperial Council states that shriners shall not "promote or take part in any engagement or enterprise prohibited by the law of the land."

A number of states or provinces have laws commonly referred to as "anti-hazing" laws.

This matter has been considered by the Board of Directors. The Board unanimously acknowledged that the laws of the land must, at all times, be observed and obeyed.

Therefore, it is hereby ordered that all temples, officers, and nobles scrupulously abide by the laws of their respective jurisdictions. It is possible that these laws might require modification of the "Second Section" of your temple's ceremonials, and if so, these modifications must be implemented forthwith.

Further, if any temple, officer, or noble has any concern or question concerning the applicability of this Order, that the potentate or temple attorney immediately communicate with the General Counsel of The Imperial Council, A.A.O.N.M.S.

SHRINE CIRCUSES

In order to assure compliance with the bylaws of The Imperial Council, A.A.O.N.M.S., and to serve the best interests of the Order and Nobility, IT IS HEREBY ORDERED that any temple which sponsors or becomes associated with a circus must comply with the following:

1. **REVIEW.** The proposed circus agreement and the proposed telemarketing agreement, if any, must be reviewed by the temple attorney and he must render his written opinion and advice thereon.

2. **TEMPLE ACTION.** The proposed circus agreement, and the proposed telemarketing agreement, if any, and the written opinion of the temple attorney must be submitted to, and approved by, the temple at a stated meeting or at a special meeting which specifically states the purpose thereof.

3. **LONG TERM AGREEMENTS.** The circus agreement, and any telemarketing agreement, may not exceed one year unless specifically authorized by the temple at the stated meeting or at the special meeting. If it is for more than one year, it is to be executed by all temple officers who are scheduled to be temple potentates during any year that the agreements are in effect.

4. **NO EXCESS TICKETS.** Tickets may not be sold in excess of available space for each performance.

5. **INSURANCE.** Comprehensive general liability and property damage insurance must be in effect, The Imperial Council, A.A.O.N.M.S. and Shriners Hospitals For Crippled Children must be additional named insureds on the policies, and there must be compliance with the *Insurance* provision of the existing General Order.

6. **LAW OF THE LAND.** The circus must be operated in compliance with the law of the land including, but not limited to, *The Revenue Act of 1987*, as amended, if it is a U.S. temple.

7. **FUND RAISING.** The circus must be operated in compliance with the *Fund Raising Activities* provision of the existing General Order.

TOURS AND CRUISES

1. The potentate of any temple which intends to sponsor a tour or cruise must:

(a) Give notice in writing to the Executive Director of such intent with the itinerary thereof and the proposed dates. This provision shall not apply to those pilgrimages which are limited to shrine association meetings and Imperial Council Sessions.

(b) Schedule the tour if its itinerary includes a point outside the continental United States, Canada or Mexico, for dates which will not conflict with either the Imperial Council Session or the Imperial Potentate's tours and cruises.

2. All tours and cruises, as well as pilgrimages, when sponsored by a temple or otherwise identified with the Order, are "public appearances." Such public appearances are not permitted in any place until notice of such appearance has been given to the potentate of the temple having jurisdiction of the territory where such public appearance is to be made.

The notice hereby required shall be given at least ten days in advance of each public appearance. If the activity is to occur in the jurisdiction of another temple, prior written consent from the other temple must be obtained.

3. No tour or cruise may be sponsored by any temple unless the proposal therefor has first been approved by the members of the temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the temple. The temple potentate is required to obtain a legal opinion from the temple attorney that the tour or cruise is in compliance with the law of the land. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain. Further, inasmuch as complimentary or reduced fares, hotel accommodations, or other such benefits may constitute taxable income to recipients thereof, such persons should consult their personal tax advisors thereon.

4. The potentate of any temple which intends to sponsor a tour or cruise has the personal responsibility:

(a) To see that the attorney for the temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

(b) To ascertain the fiscal integrity of the tour agent handling the tour or cruise. He may satisfy this requirement by either (1) requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control. Any escrow account which is maintained must be segregated from all other funds.

(c) To see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his temple no later than his second stated meeting next following the conclusion of the tour or cruise. A copy of such accounting must be furnished at the same time to the Executive Director.

(d) To see that it is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board, if the itinerary includes any point outside the continental United States, Canada or Mexico.

(e) To be responsible for seeing that the promotional material clearly states the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property, if the itinerary includes any point outside the continental United States. It is recommended that any disclaimers of liability by travel agent and/or carrier in the promotional material provided the public also include (in close proximity) name of the temple, shrine club or unit, if applicable.

5. Tours and cruises sponsored by shrine clubs, units, or other organizations affiliated with or appendant to any temple shall be considered as having been sponsored by such temple and shall be subject to all of the terms and provisions of this General Order.

6. Tours and cruises sponsored by associations of temples, national or international associations of units, and other organizations not affiliated with or appendant to any temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were temples; and the president or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibility as those of the potentate of a temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance with the bylaws of The Imperial Council, A.A.O.N.M.S., and in order to serve the best interests of the Order and nobility, IT IS HEREBY ORDERED:

1. Insurance Advisory Committee

In compliance with §334.2(b)(1) of the bylaws of The Imperial Council, A.A.O.N.M.S., the potentate of every temple shall appoint an Insurance Advisory Committee which shall consist of at least four members, three of whom shall be skilled and knowledgeable in property and casualty insurance matters, and the fourth member shall be the temple

attorney. The Insurance Advisory Committee shall have the following duties and responsibilities.

(a) Review all temple, shrine club and unit operations and activities, including fund-raising events.

(b) Review, analyze and, when appropriate, appraise all property, real or personal, of the temple, shrine clubs, units, holding companies and appendant and affiliated companies.

(c) Review and analyze the current temple insurance program and all insurance policies of the temple, shrine clubs, units, holding companies and appendant and affiliated companies, in order to determine the adequacy of the coverage and limits.

(d) Review and consider whether the temple, shrine clubs, units, holding companies and appendant and affiliated companies engage in activities or own property for which there should be:

- (1) Liquor law liability and host liquor liability insurance covering potential liability related to the sale, consumption, use or dispensing of alcoholic beverages.
- (2) Products liability and/or completed operations coverage.
- (3) Blanket contractual liability for all written agreements and, if available, for oral agreements.
- (4) Parade and/or spectators liability.
- (5) Carnival, circus or athletic event liability.
- (6) Owned and non-owned aircraft and watercraft liability insurance and physical damage on owned items.
- (7) Property insurance.
- (8) Boiler or machinery coverage for physical damage should be obtained if any exposure exists.
- (9) Any other insurance coverages warranted by the operations and activities of the temple, shrine clubs, units, holding companies and appendant and affiliated companies, including, but not limited to, medical expense reimbursement insurance.

(e) Annually prepare a written report to the potentate and official divan of the temple setting forth their findings with regard to the sufficiency of limits and adequacy of coverage. The report should also include recommendations in order to comply with this General Order to adequately protect the temple, shrine clubs, units, holding companies and appendant and affiliated companies, and include an estimate as to the cost thereof.

- (1) This annual report of the Insurance Advisory Committee shall be completed and submitted to the potentate and official divan of the temple in sufficient time for it to be used by the chief rabban in preparation of the proposed temple budget for the following year.
- (2) Supplements to this report shall be made in writing during the year as events, activities and exposures change.

It shall be the responsibility of the potentate and recorder to send a copy of this annual Insurance Advisory Committee report and any supplements thereto to the *Executive Director* of The Imperial Council, A.A.O.N.M.S., by the first day of March of each year.

2. Mandatory Insurance

In compliance with § 334.2 of the bylaws of The Imperial Council, A.A.O.N.M.S., and, if appropriate, state law, every temple must procure for itself, its shrine clubs, units, holding companies and appendant and affiliated companies:

(a) Comprehensive general liability insurance. The minimum limits should be not less than \$1,000,000 per occurrence, and it should include at least minimum limits for voluntary medical payments for injury to members and guests as well as fire and explosion legal liability for any leased premises.

(b) Comprehensive motor vehicle liability insurance. The minimum limits should be not less than \$1,000,000 per occurrence. It is recommended that where temple units and shrine clubs include member-owned vehicles used in temple activities, that certificates of the owners' current liability insurance coverage be permanently on file at the temple. The decision regarding the minimum amounts of insurance protection required for these member-owned vehicles rests with the potentate and temple. However, it is recommended that the highest feasible limits, up to the temple's non-owned insurance limit, be procured.

(c) Fire and extended coverage or all risks insurance for real and personal property, whether owned or leased.

(d) Workers compensation insurance. As required by state law, including coverage for both paid employees and "volunteer" workers.

(e) Fidelity. Every temple, at its own expense, must procure a corporate fidelity bond indemnifying it against loss resulting from infidelity, defalcation or misappropriation by its officers, employees or nobles, of its funds or property.

3. Named Insureds

In further compliance with § 334.2 of the bylaws of The Imperial Council, A.A.O.N.M.S.:

(a) In all liability insurance policies written for the temple, its shrine clubs, units, holding companies and appendant and affiliated companies, the following shall be included as additional named insureds, with respect to the operations and activities covered under its policies: "The Imperial Council, A.A.O.N.M.S., an Iowa corporation, and Shriners Hospitals for Crippled Children, a Colorado corporation, and all its affiliated corporations."

(b) The potentate and recorder of each temple shall be responsible that appropriate certificates of insurance on all workers compensation and liability policies showing compliance with (a) above shall be filed with the *Executive Director* within 30 days of the renewal date of all such policies, or each time there is a cancellation or material change therein, unless such date is extended by the Imperial Potentate for good cause shown upon the written request of the temple.

(c) The certificate of insurance issued by the insurance company shall be "irrevocable" so that no coverage may be canceled or materially altered until notice is provided by the insurance company to the *Executive Director* at least 30 days prior to such action.

4. Miscellaneous

(a) A voluntary mass-marketed property and casualty insurance program is now available to each temple and association. The broad liability coverages (similar to umbrella coverages) are specifically designed for fraternities such as ours. The requirements of The Imperial Council, A.A.O.N.M.S., are automatically included and, in most cases, the premiums are lower because of the bulk discounts for liability and property insurance that are applied. Contact the *Executive Director* or the chairman of the Imperial Insurance Committee for further details.

(b) Liability limits in excess of the suggested minimum are recommended in most instances and, wherever feasible, consideration should be given to the purchase of "umbrella" or similar coverages for general and automobile liability coverage.

(c) Any temple sponsoring a fund-raising event for fraternal purposes, including, but not limited to, circuses, sporting events and other activities, should consider any potential exposure to the athletes, participants and public. Proper liability, including adequate medical and accident coverage for participants, should be purchased.

(d) Any fund-raising event which is for charitable purposes must have prior written permission therefore from the Imperial Potentate and the Chairman of the Board of Trustees. Except for good cause shown, the written permission will not be granted without adequate liability and other appropriate insurance coverage for the event.

(e) "Named peril" (fire, E.C.E., theft), or "all risk" property insurance should be purchased on either an "actual cash value" or a "replacement cost" basis to protect the physical assets (buildings, contents, uniforms, and the like) of the temple, shrine clubs, units, holding companies and appendant and affiliated companies.

FUND-RAISING ACTIVITIES

It is natural to associate the fez with Shriners Hospitals for Crippled Children. Because of this, meticulous attention must be given to all fund-raising activities, including circuses, to make certain that a contributor is not led to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

§ 335.3 USE OF NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN."

The use of the name "Shriners Hospitals for Crippled Children" or reference to the Hospitals in connection with any fund-raising activity by a temple or noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the Hospitals is prohibited.

§ 503.6 The use of the name "Shriners Hospitals for Crippled Children" or reference to the hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the Board of Directors and Trustees has been first obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fund-Raising for Fraternal Purposes:

(a) No noble (in his capacity as a shiner), club, unit, organization of nobles or affiliated or appendant corporations, shall engage in any fund-raising activity without the express written consent of the potentate of the temple having jurisdiction thereof.

(b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Crippled Children.

(c) The temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with § 335.3 and § 503.6 of the fraternal and charitable bylaws.

(d) The temple potentate must approve the terms and provisions of any contract for a fund-raising activity after receiving the advice of the temple attorney, and, additionally, as may be required by the temple bylaws.

(e) A copy of the temple potentate's written consent shall be mailed to the Imperial Recorder. Further, such written material pertaining to the fund-raising activity, as requested by the Imperial Recorder, shall be promptly mailed to him.

2. Fund-Raising for Charitable Purposes:

(a) No noble (in his capacity as a Shriner), club, unit, organization of nobles or affiliated or appendant corporations shall engage in any *charitable* fund-raising activity other than for Shriners Hospitals for Crippled Children. Permission therefor must be first obtained in writing from the temple potentate. The temple potentate must then obtain written permission from the Imperial Potentate and the Chairman of the Board of Trustees. This request for written permission shall be sent to the Executive Director, International Shrine Headquarters, PO Box 31356, Tampa, FL 33631-3356.

(b) 100% of the net proceeds from charitable fund-raising must be given to Shriners Hospitals for Crippled Children except for such portion thereof as may be permitted to be retained for the Temple Shrine Hospital Patient Transportation fund pursuant to the special purpose funds provisions of any existing General Order.

(c) The temple shall report the result of each fund-raising activity within sixty (60) days of the activity to Shriners Hospitals for Crippled Children on forms provided to the temple.

(d) This section shall not apply to activities exempt under § 335.4(b) of the bylaws of The Imperial Council.

(e) Each independent corporation or entity that receives the permission of the Imperial Potentate and the Chairman of the Board of Trustees to raise money for Shriners Hospitals for Crippled Children, and which does not have its financial accounts audited pursuant to §§334.5 & 337.8 of the bylaws of The Imperial Council, shall have its financial accounts audited by a certified, chartered or licensed public accountant and shall submit such audit report to The Imperial Council within 120 days of the activity.

3. Statement of Purpose and Disclosure:

(a) Every fund-raising activity must contain factual information on its solicitation material, tickets, programs and documents regarding the use of the proceeds.

Examples: "Proceeds are for the benefit of (___ Temple) (___ shrine club) activities."

"Proceeds are for the benefit of Shriners Hospitals for Crippled Children."

(b) Every fund-raising activity which is not entirely for the benefit of Shriners Hospitals for Crippled Children shall prominently state on the solicitation material, tickets and documents that "payments are not deductible as charitable contributions."

(c) There must be compliance with the Revenue Act of 1987 provision of any existing general order.

4. Compliance with Applicable Laws:

It is the responsibility of the temple potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple's fund-raising activities.

5. Financial Records:

(a) The temple shall maintain detailed financial records pertaining to all fund-raising activities involving nobles, clubs, units, organizations of nobles or affiliated or appendant corporations. Details of all revenues and disbursements shall be maintained in such financial records.

(b) The temple must retain such detailed financial records for a period of seven (7) years.

(c) There must be compliance with Financial Reporting on Charitable Funds and Activities provision of any existing general order.

6. Notification to Nobility:

A copy of this section on "fund-raising activities" shall be printed in the temple publication at least once every calendar year. If there is no temple publication, then a copy shall be mailed to each noble in the temple not later than the last day in March of each calendar year.

7. Discipline:

Any officer, noble or temple which violates a provision of this section is subject to discipline pursuant to the bylaws of The Imperial Council.

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that The Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Purpose Funds Committee have indicated to the Imperial Potentate and the Board of Directors that some temples, either directly or through Special Purpose Funds, have accumulated charitable funds and assets which are in excess of amounts reasonably needed for transportation of patients and could be better utilized for our orthopaedic hospitals and burns institutes if they were administered together with other endowment funds and accounts of Shriners Hospitals for Crippled Children.

Now, therefore, by virtue of the authority in me vested by §206.5(a)(4) of the bylaws of The Imperial Council, A.A.O.N.M.S., IT IS HEREBY ORDERED:

1. Neither the temples, their shrine clubs, their units, or their membership shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children (except as may be allowed by §335.4(b) of the bylaws of The Imperial Council).
2. A temple may maintain a restricted fund for transportation of patients, parents or guardians, purchase of braces and prostheses, or like purposes, subject to the following provisions:
 - (a) All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of all temples, temple affiliated corporations, shrine clubs, uniformed units, committees, boards, or other entities subject to the supervision or control of any temple; and such books of accounts shall be audited annually in a manner consistent with the requirements of §334.5 of the bylaws of The Imperial Council.
 - (b) The custody and administration of all charitable funds and assets under the control of any temple, including those of temple affiliated corporations, shrine clubs, uniformed units, committees, boards, and other entities subject to the supervision or control of any temple, shall be the responsibility of the same temple officers, committees, or boards who are charged with the custody and administration of the general funds of the temple. A separate bank account shall be maintained to disburse hospital patient transportation funds. Interest earned on the restricted fund balance must be credited to the hospital patient transportation fund account.
 - (c) Any temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under paragraph 1 hereof should not be transferred to Shriners

Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under this paragraph after the temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.

- (d) After a fund-raising event for the benefit of Shriners Hospitals has been held, and upon written request to, and written authorization by, the Imperial Potentate and the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, up to one-half of the net profits of a designated fund-raising activity may be held by a temple to be used exclusively for transportation, food, lodging or other related expenses directly involving the transportation of a patient, parent or guardian to or from a Shriners Hospital for crippled or burned children sponsored by the temple or one of its members. Such retained funds, including interest earned on the funds, shall be maintained pursuant to the Uniform Chart of Accounts for Shrine Temples, in a separate account designated as the "Shrine Hospital Patient Transportation Fund." The balance in the fund shall not exceed twice the amount of the expenditures made from such fund during the preceding year. Any sums in excess of that shall be turned over to Shriners Hospitals for Crippled Children. If for any reason this fund should terminate, the entire balance in the fund shall revert to Shriners Hospitals for Crippled Children.
 - (e) In the event a temple is experiencing an undue hardship in meeting the expenses enumerated in subparagraph (d), its written request should so specify. When such a request is received, the Imperial Potentate and the Chairman of the Board of Trustees may refer the request to the Special Purpose Funds Committee for review and appropriate action, if any. After review and examination of all the circumstances, this committee shall, when it makes a finding of undue hardship, refer the matter to the Board of Directors. The Board, if it deems it appropriate, may authorize the temple to retain a percentage in excess of 50% of the net profits of the designated fund-raising activity, solely for the uses enumerated in subparagraph (d). This authorization shall apply only to a specific fund-raising event or activity, and that event or activity can have a duration of no longer than one year.
 - (f) Prior to the granting of authorization to retain funds from fund-raising events, as outlined under subparagraphs (d) and (e) hereof, the temple must submit its request therefor in writing and must have on file with The Imperial Council or attach to the request:
 - (1) Audited statements of its transportation fund for the past three years, such statements to include a statement of receipts and disbursements and balance sheet as of the date of the last audit.
 - (2) A summary of the total receipts and disbursements for each month since the last audited statement and a current month end balance sheet.
 - (g) No permission will be given for any fund-raising event or the use of the name Shriners Hospitals for Crippled Children or for the retention of funds if any activity report for a previous fund-raising event authorized to be held by the temple or any of its shrine clubs or units is remaining outstanding for more than 120 days after the event was held at the time the request is made.
3. All fund-raising must comply with the Fund-Raising Activities provision of any existing General Order.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Charitable contributions for Shrine Hospital Patient Transportation and net proceeds from charitable fund-raisers as reported on the Shrine Charity Activity form must be reported as receipts to the restricted "Shrine Hospital Patient Transportation Fund". Disbursements from this Fund are limited to expenses directly involving the transportation of a patient, parent or guardian to or from a Shriners Hospital, wheel chairs, braces, prostheses, or like purposes, and donations to Shriners Hospitals for Crippled Children.

The annual auditor's financial report for the temple shall include a Balance Sheet and a Statement of Changes in the Restricted Fund Balance for the current year. Sample copy of these Statements appear on pages 208-211 and 218 of The Imperial Council bylaws.

The financial results of a Shrine charitable fund-raiser must be reported on the Shrine Charity Activity form and submitted to the General Offices in Tampa within 60 days of the activity. Also gross receipts of \$100,000 or more must be audited by an independent public accountant.

THE REVENUE ACT OF 1987

The Revenue Act of 1987 is now the law of the land in the U.S.A. One of its provisions becomes effective for fund-raising solicitations of any sort occurring after January 31, 1988. Another provision is effective as to I.R.S. information returns (Form 990) filed after December 31, 1987. This will call your attention to the Act. It is your obligation to comply with it and to obtain guidance thereon from your temple attorney and temple accountants.

1. LABELING OF NONDEDUCTIBLE FUND-RAISING SOLICITATIONS.

(a) On and after February 1, 1988 every fraternal organization, having annual gross receipts in excess of \$100,000 per year, must label each fund-raising solicitation that contributions to the fraternal organization are not deductible as *charitable contributions* for federal income tax purposes. A fund-raising solicitation by a fraternal organization will not be subject to the nondeductible labeling rule if the entire net proceeds of a particular solicitation are to be used exclusively for charitable purposes. If the entire net proceeds are not to be used for exclusively charitable purposes, then the label must be applied to each format for each solicitation.

(b) The disclosure of nondeductibility or contributions applies to any solicitation of contributions that is made in written or printed form, by television or radio, or by telephone. It does not apply to oral solicitations for contributions. The nondeductibility disclosure label applies to a fund-raising solicitation whether the organization labels the requested support as contributions, donations, gifts, membership dues or fees, voluntary assessments, support or any other term and whether or not the solicitation is for cash, property or even for volunteer services. The disclosure requirement applies even if the solicitation for a contribution is directed to the organization's existing members.

(c) The disclosure label or billing requires the following statement: "Contributions, (or donations) (or gifts) (or membership dues) to (name of organization) are not tax deductible as charitable contributions."

(d) The nondeductibility label must be set forth in a conspicuous and easily recognized format. Thus, for example, it would have to be on the face of any tickets for a raffle or ball game, or in any newspaper ad, and in a form which cannot be obscured by placement, color, shading or other means. A nondeductibility statement cannot be "buried" in any part of the solicitation material where it would not ordinarily be read by the person being solicited.

(e) The labeling rule applies to every fund-raising event so that fund-raising dinners, fund-raising rallies, fund-raising football games, fund-raising membership drives, etc. must all contain nondeductibility language, unless the entire net proceeds are going to be used for exclusively charitable purposes.

(f) This new disclosure requirement is enforced by a penalty provision which authorized the Internal Revenue Service to assert a \$1,000.00 a day penalty for each day on which a failure to disclose nondeductibility occurs. The maximum amount which can be imposed on an organization (but see below) is \$10,000. No penalty will apply with respect to any failure to label if the organization shows that the failure was due to reasonable cause. Ignorance of the law, according to Congress, is not reasonable cause for failure to label.

(g) The \$10,000 limitation does not apply if the organization intentionally disregarded the disclosure label. If there is an intentional disregard of the new law, then the failure to comply, for the solicitation day involved, is a penalty of the greater of \$1,000 or 50 percent of the aggregate cost of all fund-raising solicitations that occurred on that day and did not contain the required disclosure statement.

(h) The penalty is imposed only on the organization. There is no personal liability on the fraternal organization's managers or administrators.

2. DISCLOSURE OF EXEMPTION APPLICATION AND FORM 990

(a) Under existing law, the central unit and all subordinate units of a fraternal society must file IRS Form 990 if gross receipts are in excess of \$25,000 annually. The failure to file a timely or complete return with the Internal Revenue Service makes the organization liable for a \$10 a day penalty for each day the failure continues with the maximum penalty being \$5,000 per year.

(b) Effective for returns to be filed for calendar 1987, or for fiscal years ending January 31, 1988 or later, all fraternal organizations required to file Form 990 (i.e., receipts over \$25,000) must make available for inspection, at their principal place of business, during regular business hours, a copy of each annual information return filed by the organization for the three year period beginning with the filing date for the 1987 (or fiscal 1988) return. This means that if a fraternal organization files its Form 990 on a calendar year basis (and assuming no extension is granted by I.R.S.) then as of May 16, 1988, it must have a copy of the entire 1987 return available for inspection by any individual who asks to see it.

(c) If the fraternal organization regularly maintains one or more district or regional offices which have three or more employees, a copy of the annual information return must be made available at each such district or regional office as well as the principal office.

(d) The fraternal society must make available a copy of any papers it submitted in connection with its original exemption application. This applies to any organization filing a new application (IRS Form 1024) after July 15, 1987 and to all organizations which in fact have copies of their original exemption application whenever they originally filed the papers. Apparently there is no penalty for an organization which failed to retain (or which lost) its original exemption application. The law does not cover the question of the availability of exemption application where the fraternal unit is part of a group ruling of a central organization. In that case, one assumes that access is only required at the central unit.

(e) A fraternal organization which is under duty to comply with the requirements of the legislation on public inspection of its annual return, or of its exemption application which fails to comply with the rules, is liable for a \$10 a day penalty for each day in which the failure continues. The maximum penalty payable by the organization for failure to disclose its return or exemption application is \$5,000 per year.

(f) If the Internal Revenue Service makes a written demand on the fraternal unit that it has failed to make available to the public its Form 990 or exemption application, the individual manager or managers responsible for the failure (I.R.S. selects responsible person) is personally liable for a \$10 a day penalty for each day in which failure to disclose continues. The maximum penalty is \$5,000 per year under joint and several liability rules.

(g) No penalty is imposed with respect to a failure if it is shown that the failure is due to reasonable cause. Ignorance of the law is not reasonable cause.

(h) In addition, the Internal Revenue Service is authorized to assess a penalty of \$1,000 on any person who willfully fails to disclose the information return or the exemption application.

(i) A person who willfully refuses to disclose the return or exemption application (or discloses false information) may also be prosecuted for his or her failure under Section 7207 as a misdemeanor (dealing with the prosecution of individuals for furnishing fraudulent information to the Internal Revenue Service).

3. GUIDANCE

§10701 of the Omnibus Budget Reconciliation Act of 1987 added new sections, §6113 and §6710 to the Internal Revenue Code. Section 6113 requires certain tax exempt organizations (such as our temples, units and clubs) that are ineligible to receive tax deductible *charitable* contributions to disclose in "an express statement (in a conspicuous and easily recognizable format)," the non-deductibility of contributions during fund raising solicitations. Section 6710 provides penalties for failure to comply with §6113.

(a) **FORMAT OF DISCLOSURE STATEMENT—SAFE HARBOR.** For purposes of §6113, a fund-raising solicitation will be considered to include "an express statement (in a conspicuous and easily recognizable format) that contributions of gifts to such organizations are not deductible as charitable contributions for federal income tax purposes" if it satisfied the following requirements:

(1) **PRINT MEDIUM.** In the case of solicitation by mail, leaflet, or advertisement in a newspaper, magazine or other print medium, the following four requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to (name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) The statement is in at least the same size type as the primary message stated in the body of the letter, leaflet or ad;

(iii) The statement is included on the message side of any card or tear off section that the contributor returns with the contribution; and

(iv) The statement is either the first sentence in a paragraph or itself constitutes a paragraph.

(2) TELEPHONE. In the case of a solicitation by telephone the following three requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to (name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) The statement is made in close proximity to the request for contributions, during the same telephone call, by the telephone solicitor, and

(iii) Any written confirmation or billing sent to a person pledging to contribute during the telephone solicitation complies with the requirements under section (1) (Print Medium). Thus, for instance, and billing made to a contributor for advertising in a circus publication or for circus tickets must contain a statement on the invoice that:

"Contributions to (name of organization) are not tax deductible as charitable contributions."

(3) TELEVISION. In the case of a solicitation by television the following two requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to (name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) If the statement is spoken, it is in close proximity to the request for contributions; if the statement appears on the television screen, it is in large easily readable type appearing on the screen for at least five seconds.

(4) RADIO. In the case of a solicitation by radio the following two requirements are met:

(i) The solicitation includes whichever of the following statements the organization deems appropriate: "Contributions or gifts to (name of organization) are not deductible as charitable contributions for federal income tax purposes," "Contributions or gifts to (name of organization) are not tax deductible," or "Contributions or gifts to (name of organization) are not tax deductible as charitable contributions,"

(ii) The statement is made in close proximity to the request for contributions during the same radio solicitation announcement.

Section 10702 of the Omnibus Budget Reconciliation Act of 1987 amended §6104 of the Internal Revenue Code by adding a new subsection (e) requiring organizations such as ours to make available for public inspection a copy of their annual information returns on Form 990, *Return of Organization Exempt from Tax*, for years beginning after December 31, 1986. The returns must be made available for a three year period beginning with a due date for the return (including any extension of time for filing). Section 6104(e) also requires exempt organizations to make available for public inspection a copy of their application for recognition of federal tax exemption. All U.S. Temples need to have available for public inspection their Form 990, *Return of Organization Exempt from Tax*. This required disclosure does not include Form 990-1, *Exempt Organization Business Income Tax Return*.

Since our U.S. Temples come within a group tax exemption ruling in The Imperial Council, A.A.O.N.M.S., such temples will not have available a copy of The Imperial Council's Group Application for Recognition of Exemption under §501(c)(10) of the Internal Revenue Code, and any public inquiry should be directed to our International Headquarters in Tampa which initiated the group exemption application.

There are other important provisions of the Omnibus Budget Reconciliation Act of 1987 pertaining to tax exempt organizations. It is the obligation of the officers of each temple to consult with the temple attorney and temple accountant in order to be fully informed in this matter and to comply with the law.

COMPLIANCE WITH INTERNAL REVENUE CODE

Inasmuch as U.S. temples are required annually to file 990 informational forms, one for the temple and its units, one which consolidates the financial activities of all its shrine clubs, and, if applicable, one for the temple holding corporation; inasmuch as some U.S. temples and shrine clubs may be required to file a form 990-T if they have unrelated business income; and inasmuch as penalties may be assessed by the government against the *person or persons* in the temple or shrine club who may be responsible for failure to file a return.

Now, therefore, by virtue of the authority in me vested by § 206.5(a)(4) of the bylaws of The Imperial Council, A.A.O.N.M.S., IT IS HEREBY ORDERED:

1. **FORM 990.** By reason of the Treasury Department letter ruling dated October 12, 1973, which modified a group letter ruling to The Imperial Council, A.A.O.N.M.S. dated April 29, 1971 (copies of which have been previously furnished to U.S. shrine temples), informational tax returns (990 forms) are required from each U.S. shrine temple.

(a) The first 990 form required to be filed by each U.S. shrine temple covers the financial transactions of the temple and all of its units. This 990 form, however, shall exclude those shrine units which are separately incorporated and have their own separate federal tax-exempt status.

(b) The second 990 form required to be filed by each U.S. shrine temple consolidates the financial transactions of the temple's shrine clubs (inasmuch as, for informational tax return purposes, each temple also constitutes a "central organization" for purposes of § 6033 of the Internal Revenue Code). Each U.S. temple is to file this second 990 form as described in Treasury Regulation § 1.6033-2(d), consolidating in columnar form the financial transactions of the temple's shrine clubs.

2. **FORM 990-T**

(a) By reason of the said Treasury Department group letter ruling dated April 29, 1971 to The Imperial Council, A.A.O.N.M.S., if any U.S. Shrine temple or any of its units has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, the temple must file a form 990-T. This return, however, shall exclude those shrine units which are separately incorporated and have their own separate federal tax-exempt status.

(b) Treasury Regulation § 1.6012-2(e) requires that each shrine club, if it has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, must file its own form 990-T. There is no provision under the U.S. tax laws which would permit a shrine temple to file a "group" form 990-T for the "unrelated business income," if any, of its shrine clubs.

3. **ACCOUNTING RECORDS.** All temples, units, shrine clubs, temple holding corporations, shrine club holding corporations, and appendant and affiliated corporations, shall maintain adequate and timely accounting records of all financial transactions.

4. **TIMELY FILING.** All temples, temple holding corporations, shrine club holding corporations and all appendant and affiliated corporations, which are required by law to file tax or informational returns, are to do so in a timely manner and with the advice and assistance of the temple attorney and the independent auditor who prepares the temple's tax and informational returns.

5. **DEDUCTIBLE CONTRIBUTIONS.** Each U.S. shrine temple shall keep and maintain a separate set of financial records and a separate bank account in the name of the temple for the receipt and disbursement of all contributions to the temple which qualify as deductible contributions under § 170(c)(4), § 2055(a)(3) or § 2522(a)(3) of the Internal Revenue Code.

6. **SHRINE CLUB CHANGES.** Each U.S. shrine temple, as a "central organization," is required annually to report any changes of shrine clubs in its group to the Executive Director, International Shrine Headquarters, P.O. Box 31356, Tampa, Florida 33631-3356.

7. **COPIES TO EXECUTIVE DIRECTOR.** Copies of all returns referred to in paragraphs 1 and 2, and returns of all temple related organizations, shall be sent to the Executive Director at the same time that they are filed with the Internal Revenue Service.

8. **TEMPLE ACTION.** The potentate and recorder of each U.S. temple shall immediately:

(a) Furnish the independent temple auditor and the temple attorney with a copy of this Order.

(b) Inform each of its shrine clubs that Treasury Regulation § 1.6012-2(e) requires each shrine club, if it has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, to file its own form 990-T.

(c) Require each shrine unit which is separately incorporated or which has its own separate federal tax-exempt status to dissolve such corporation and discontinue its separate federal tax-exempt status. Pursuant to § 336.1 of the bylaws of The Imperial Council, A.A.O.N.M.S., a unit is a part of the working corps of the temple and it has no separate legal or tax existence.

9. **RESPONSIBILITIES.** The potentate and recorder of each U.S. temple are charged with the duty and responsibility of personally determining that there is compliance with this Order.

SUMMARY GENERAL ORDER NO. 1

General Order No. 1 contains a list of the newly elected Imperial Divan officers, committee appointments made to date, amendments to bylaws and resolutions adopted, and actions taken at The Imperial Council Session, suggestions regarding the Imperial Potentate's visitations, Orders of the Imperial Potentate relating to fund-raising and other activities, miscellaneous instructions and other information of value to temple officers and Nobles.

This summary is to be read to the Nobility of each temple at the first stated meeting following its receipt. The entire General Order shall be filed in the Recorder's office and it must be made available to any Noble for review upon request.

Given under our hands and the seal of the Imperial Council, A.A.O.N.M.S., this First day of September, A.D., 1989, and of the Order A.H. 1409.

GENERAL ORDER NO. 2
SERIES OF 1989-1990

OFFICE OF THE IMPERIAL POTENTATE
OCTOBER 2, 1989, TAMPA, FLORIDA

*To the Representatives of The Imperial Council, Potentates, elected Officers
of the Subordinate Temples, and the Nobility of the Order:*

"ES SELAMU ALEIKUM"

The matter of hazing as an unacceptable part of our ceremony of initiation has been the subject of previous General Orders. It has now become necessary, in my judgment, to give further guidance and direction thereon to all temples in our jurisdiction.

The Ritual of our Order informs us that "nothing of an obscene, vulgar, profane, irreligious or objectionable character will be permitted in any part of the secret rites of the Mystic Shrine." The pranks, stunts and camaraderie that many of us were taught to believe were good, wholesome and innocent fun, have not been uniformly so perceived by the candidates and their families nor by qualified individuals who may have an interest in joining the Shrine. We also know that some temples amplify the stunts and pranks to satisfy the pleasures of the Nobles acting as witnesses to the journey of the novices across the desert. This amplification has, in some instances, made the trip unnecessarily perilous.

For a number of years, rites of initiation involving hazing have received increasing disfavor from a number of fraternal organizations and legislatures. As a result many new procedures have been instituted, and laws adopted, which eliminate certain parts of ceremonies of initiation.

The Shrine has taken great pride in its endeavors for humanity. The world knows us as the healers of the handicapped. We must never engage in any activity which will blemish or tarnish this good name or our ability to fulfill our mission of mercy.

Therefore, by virtue of the power in me vested by §206.5(a) of the bylaws of The Imperial Council, IT IS HEREBY ORDERED:

1. No temple or Noble shall engage in hazing or any activity which will subject a person to physical, mental or emotional abuse, or which can reasonably be viewed as demeaning, degrading or humiliating.

THE IMPERIAL COUNCIL

2. As the Shrine Directors Association of North America has, for many years, so ably played a leadership role in our ceremony of initiation, this Association is now requested to forthwith develop a revised Second Section. This new initiation ceremony is to be devoid of hazing, as aforesaid, and is to be meaningful, positive and uplifting to our candidates.

3. The Shrine Directors Association is authorized and requested to solicit the acknowledged talents of the Directors Staff of the subordinate temples in developing a Second Section; and it may call upon the staff and resources of The Imperial Council as may be necessary in its development.

4. The Shrine Directors Association is to give consideration to incorporating into the Second Section, reference to our Hospitals, thus depicting the journey that our patients take from infirmity to health, because of the magnanimity of the Nobles of the Mystic Shrine; and to provide the novices with information about our temples, units, clubs and activities.

5. The Shrine Directors Association is to present a draft of the revised Second Section to the board of directors of The Imperial Council for their review and approval no later than June 1, 1990.

6. Any provision of the present Ritual of our Order which is violative of the law of the land or Shrine law is of no force or effect and may not be used by a temple.

Given under our hands and the seal of the Imperial Council, A.A.O.N.M.S., this Second day of October, A.D., 1989, and of the Order A.H. 1409.

COMMITTEE REPORTS

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results of probable results of a committee's consideration of a particular meeting. Embarrassing situations have resulted.

Refer to §208.8 of the Imperial Council bylaws which states, "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the committees with respect to the matters referred to them in the carrying out of their important assignments.

IMPERIAL SESSION PARADES

Much time and thought goes into the preparation of the Official Parade Orders for the Imperial Council Parades at the Imperial Sessions. In order to insure the very best for all concerned, these orders must be strictly observed.

No Temple officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parade unless they are approved by Director General Earl Brown, % Medinah Temple, 600 N. Wabash, Chicago, Illinois 60611, (312) 266-5038.

Temple Potentates are to review the following information and procedures with their Temple Marshal, Parade Marshal and Unit Heads.

I.**Time and Route of the Imperial Session Parade**

The PARADE will start promptly at 9:00 a.m. on WEDNESDAY, JULY 4. The Route of the Parade will be:

STARTING AT MICHIGAN AVENUE AND EAST SOUTH WATER STREET, THE PARADE WILL PROCEED SOUTH ON MICHIGAN AVENUE TO HARRISON STREET WHERE TEMPLES WILL BE DISPERSED. The Parade Reviewing Stand will be on Michigan Avenue between Van Buren and Congress on the West side of the street.

PLEASE NOTE: THERE WILL ONLY BE ONE PARADE THIS YEAR—A DAY PARADE ON WEDNESDAY, JULY 4.

II.

Procedures and Instructions for Imperial Session Parades

1. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Over the years, there have been very reasonable grounds for dissatisfied criticism by a number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but which **retard the forward movement** of the parade as a whole.

As a result, many of our newer Temples, located far back in the line of march, have unquestionably taken punishment: (1) The forward movement of the parading column has been repeatedly halted; (2) There have been exasperating delays; (3) Units have been required to stand in line as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line; (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

The parade in Chicago will be a parade throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parade causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parade.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parade; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question of whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

2. Motor Vehicles. There has been criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable: Not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, adds unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Chicago only **ONE CAR for the officers of each Temple with uniformed units in the parades of 50 or more will be permitted.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parade—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

3. Marching cadence will be 110 steps to the minute.

4. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

5. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

6. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

7. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directive of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

8. Only Shriners are permitted to participate in the parades.

9. The Potentate of each participating Temple shall designate an officer of his Temple to

meet with the Parade Marshal prior to the day parade, plus one person from each motorized unit that they may have participating in the parade.

10. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.

11. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.

12. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.

13. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in its parade display.

14. No late model automobiles other than the official automobile will be allowed in the parade. This does not apply to recognized antique automobiles or to parade units composed entirely of late model automobiles.

15. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the route, but simply wave to spectators.

III.

Procedures and Instructions for All Shrine Parades

16. The parade reviewing stand shall be at the right of the parade movement.

17. No national flag shall be lowered or dipped when passing the reviewing stand or elsewhere.

18. Neither candy nor other objects shall be thrown or handed to spectators along the parade route.

19. No motorized vehicles shall be equipped with any sirens, flashing lights or colored lights, except for turn indicators and items authorized by law.

20. Motorcycles, scooters and other motorized vehicles shall obey local laws regarding use of hard helmets instead of the fezzes.

21. No outhouses, stills, bathtubs or other items that may be considered in poor taste are permitted.

22. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.

23. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

24. Each potentate is personally responsible and accountable for knowingly permitting any violation of this Order.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by temples and Representatives be sent to the Executive Director at the General Offices in Tampa, Florida*. This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or temple matters must be handled in accordance with Article 38 of Imperial Council Law.

RESOLUTION

The Imperial Council Session Study Committee by its Representatives unanimously proposes and recommends the adoption of the following resolution:

WHEREAS, it is acknowledged that each convention corporation must make plans several years in advance of its Imperial Council Session in order to select a host city, and ensure the Nobility of the finest accommodations available for themselves and their units; and, to obtain the best competitive prices for rooms, facilities and space for the business and pageantry of a session; and,

WHEREAS, it is acknowledged that funds essential to the financial success of The Imperial Council Session must also be generated for the expenses that will be incurred in the operation of an Imperial Council Session, many of which are incurred in the years preceding the actual session; and,

WHEREAS, it is acknowledged that a fair and just non-refundable *Binder/Registration Fee* is the primary source for generating the revenues necessary to pay the foregoing expenses, which fee is determined by the number of rooms requested by the temples attending The Imperial Council Session; and,

WHEREAS, it is acknowledged that the Convention Corporation cannot give a commitment to the several hotels of the host city, nor to the Convention Bureau thereof, until it has determined an accurate count of the rooms and facilities required for the Session; and,

WHEREAS, it is further recognized that while the *Binder/Registration Fee* must be required in advance, the payment should not be required so far in advance as to cause an unreasonable financial burden upon the nobles and the temples.

NOW, THEREFORE, BE IT RESOLVED, That:

1. Each Imperial Officer shall direct his Director General and Housing Chairman to be responsible and accountable and make certain that each temple, its units and clubs, have an equal opportunity to obtain the lodging of their choice at The Imperial Council Session; and, that the final allocation of rooms shall be determined by a lottery held on the final day of The Imperial Council Session twenty-four months prior to the subject Imperial Council Session commencing with The Imperial Council Session of 1992 and annually thereafter.

2. The rules for the lottery must be such that each temple or other body is treated equally, justly and fairly, without any favoritism shown to any participant.

3. No *Binder/Registration Fee* shall be due or accepted by the convention corporation prior to the date 24 months before the public opening of the subject session.

4. No lodging units shall be held, reserved or allocated for any temple or other body, except as provided herein (other than the requirements for the Imperial Potentate, the Deputy Imperial Potentate and the Host Temple).

5. The total amount of the *Binder/Registration Fee* shall be calculated by multiplying the number of lodging units by the *Binder/Registration Fee* for each lodging unit requested by the Temple or other body; and it shall be paid in full prior to the lottery held during each session (24 months prior to the opening date of The Imperial Council Session for which the lottery is held).

6. The first night's deposit on each lodging unit shall be due and payable on February 1 of the year of the session. Any temple or other body not paying the first night's deposit by March 1 of the year of the session shall lose all lodging units for which the first night's deposits have not been received and shall forfeit all *Binder/Registration Fees* paid. The convention corporation will be free to reassign forfeited lodging units to other temples or to other bodies requesting lodging.

7. This resolution takes effect with the 1992 Imperial Council Session.

 You were listening to my prayer
 You sent an angel in disguise
 You sent a noble man who cares
 He took me in and cared for me
 You sent a Shriner's love to me
 My feet were crippled, I couldn't walk
 I tried to stand, but I would fall
 He gave me braces for my feet
 And made me arms so I could reach
 He stood so tall when I looked up
 He reached for me and held my crutch
 He carried me to a better world
 Made only through a Shriner's love

CHORUS

Jesus you were there
 You were listening to my prayer
 You sent an angel in disguise
 You sent a noble man who cares
 He took me in and cared for me
 You sent a Shriner's love to me
 Jesus you were there."

RESOLUTION

WHEREAS, at their 1989 meeting in Toronto, the members of the Colorado Corporation adopted a Resolution authorizing the Board of Trustees to replace the present San Francisco Unit hospital with a new facility to be affiliated with a medical school in Northern California; and

WHEREAS, the San Francisco Unit Liaison Committee and others have held meetings with the Deans and other representatives of the three medical schools at the University of California San Francisco (UCSF), Stanford University, and the University of California Davis (UCD), which are the only medical schools in Northern California; and

WHEREAS, representatives of the medical schools of UCSF and Stanford expressed concerns related to existing or proposed programs of their own or institutions with which they are already affiliated, which made them reluctant to discuss an affiliation with Shriners Hospitals on terms sought by Shriners Hospitals; and

WHEREAS, on the other hand, representatives of the University of California Davis Medical Center at Sacramento expressed an enthusiastic welcome for an affiliation with Shriners Hospitals, and repeatedly assured the Liaison Committee of its desire for an affiliation with Shriners Hospitals; and

WHEREAS, the San Francisco Unit Liaison Committee and a site visitation team (composed of members of the Boards of Trustees and Directors, headquarters staff, medical advisors, and representatives of the San Francisco Unit) have inspected the University of California Davis Medical Center at Sacramento and found it to have suitable sites for the new facility to replace the present San Francisco Unit; and

WHEREAS, the Board of Trustees and the Board of Directors have agreed to the recommendation of the Liaison Committee, and others of the site visitation team, that the present San Francisco Unit should be relocated and affiliated with the University of California Davis Medical Center on a site next to or near the UCDMC in Sacramento; and

WHEREAS, at the time the notice of this Resolution is published, the San Francisco Unit Liaison Committee is engaged in negotiations with the UCDMC and the owner of an acceptable site in Sacramento; and

WHEREAS, although the Board of Trustees expects to successfully negotiate an affiliation agreement with UCDMC and a purchase option for a site in Sacramento, the Board of Trustees considers it desirable to maintain contact with UCSF and Stanford in case negotiations with UCDMC are unsuccessful or in case an acceptable site cannot be procured on terms agreeable to Shriners Hospitals; and

WHEREAS, the Board of Trustees considers it desirable and appropriate to have complied with §503.2 of the Colorado corporation bylaws, so that options to replace the San Francisco Unit with a new facility outside San Francisco are clearly open;

NOW, THEREFORE, pursuant to §503.2 of the Colorado corporation bylaws, IT IS RESOLVED that the Board of Trustees is hereby authorized to relocate the San Francisco Unit to another site in San Francisco or to another city in Northern California, all in accordance with the Resolution adopted at the 1989 meeting of the members of this Corporation; and

FURTHER RESOLVED that the Board of Trustees may comply with the 1989 Resolution, through authority hereby granted under §503.2 of the bylaws, by either (1) affiliation with the University of California Davis Medical Center and construction of a new facility at Sacramento, with subsequent closing of the existing facility of the San Francisco Unit, or (2) affiliation with the University of California San Francisco and construction of a new facility in San Francisco, on the present site or elsewhere, with subsequent closing of the existing facility of the San Francisco Unit, or (3) affiliation with Stanford University and construction of a new facility at or near Palo Alto, with subsequent closing of the existing facility of the San Francisco Unit.

IMPERIAL POTENTATE POWELL: It is with great pleasure that I now call upon our General Counsel, Ted Corsones, to present a motion on the Iowa budget.

NOBLE CORSONES: Thank you, Imperial Sir.

Nobles, I am going to make a motion for your consideration and those of you that may have your Bylaws with you, can read the provisions with respect to the presentation of the Iowa budget.

Now, we know that, for example, the Iowa budget is taken up on the day preceding the final day of the Session or as otherwise ordered by the Imperial Council. They have now informed me that they are ready and would like to present it for your consideration at this time and I am sure there will be discussion thereon.

Therefore, it is for this reason that I do move that the Imperial Council give and grant its approval to consideration and action on the Iowa Budget at this time rather than the day preceding the final day of the Session. That is my motion.

IMPERIAL POTENTATE POWELL: Is there a second?

... The motion was duly seconded ...

IMPERIAL SIR POTENTATE POWELL: Is there discussion?

IMPERIAL SIR OLFENE [Past Imperial Potentate]: Imperial Sir, I am Dick Olfene, a Representative of Kora Temple. I have some questions about this budget.

Now, we knew when this budget was going to be presented to us and I believe the Bylaws concerning this and the budget was in your packets.

I have been sitting on a committee that sent out a questionnaire regarding legislation that will be coming forth in this Session and in answer to the questionnaire, you indicated, at least several of you, that you were concerned about expenditures and running of the Iowa Corporation which, as we all know, is in a deficit position.

Now, I will bet that there are not more than ten percent of you in this room this morning that are carrying that budget with you.

Now, I said you, as Representatives, should have a chance at discussion of this budget.

The usual procedure, of course, was to have this budget taken up on Thursday, the day previous to the last day of the Session and I think we should have the opportunity to do that in a fashion in which it was intended to be done and, on that basis, I hope you will join me in opposing the changing of when this budget is presented.

Now, I believe that if I am saying something out of turn, I am sure I will be corrected from the stage here.

Now, I believe the purpose of this is to get to that particular piece of legislation that will affect income for this corporation. However, I would like to ask you to join me in saying, let us do this on the basis it was intended to be done. There is no reason, at least that I know of, to hurry it along because, even considered in its usual custom, on Thursday, even at that time you will have ample opportunity to ask any questions you may have pertaining to the budget and the increase of the per capita tax. Really, that is what this is all about.

Therefore, with that, I would hope that you would oppose the motion to waive the restrictions indicated in the Bylaws.

Thank you.

IMPERIAL POTENTATE POWELL: If I may be permitted to do so, I would likewise like to speak in relation to this motion.

... Whereupon, the gavel was tendered to Imperial Sir Padgett ...

IMPERIAL POTENTATE POWELL: Now, Imperial Sir Dick, perhaps even I have misunderstood you but I have always believed that the budget was going to be discussed prior to the resolution to increase our annual dues and, therefore, that was the basis of the presentation of the motion. Now, if I am in error, perhaps somebody will correct me.

IMPERIAL SIR OLFENE: Well, Imperial Sir, in my opinion, you are correct.

IMPERIAL POTENTATE POWELL: Well then, how can we defer this to Thursday if the next item on the agenda concerns the discussion of the increase in per capita?

IMPERIAL SIR OLFENE: Very simple, Imperial Sir. You do not have to bring up today. You bring it up on Thursday.

IMPERIAL POTENTATE POWELL: Well, I guess that is pretty good. I will step aside then.

... Whereupon, the gavel was returned to Imperial Potentate Powell ...

IMPERIAL POTENTATE POWELL: Now, I believe, Sam, you want to get in on the act?

NOBLE SAM ERICKSON: Good morning, everybody.

As Chairman of the Finance and Audit Committee, let me say this issue was discussed with the full committee. Also, your Book of Reports was mailed to you in time so that you, in turn, had several weeks to go through the Book of Reports in relation to the Iowa Corporation for 1989.

Also, when you arrived here and registered, you also received the blue sheets with the 1990-1991 budget and, therefore, our committee felt that you did have sufficient time to consider these items and we felt that we should bring it up this morning and then go into the per capita resolution.

Thank you very much.

IMPERIAL POTENTATE POWELL: Is there any other discussion?

NOBLE ERICKSON: Imperial Sir, if I may be permitted to do so, I would like to clarify something.

On page 4 of the budget, there was under reimbursed travel, a dollar amount of \$8,750, which will be eliminated. As a matter of fact, if you noticed, it was not in the proposed budget and remains the same as the prior year.

The only other thing to consider at this point is that the total of that particular column would go to \$29,900.

Let me further add that the last time there was a mistake of this nature was in 1988. At that time, I might add, the Minnesota Twins were only five games out. However, as of yesterday, they were twelve games out. (Laughter)

Thank you very much.

I hope that took care of anybody's problem concerning that particular issue. (Laughter)

IMPERIAL POTENTATE POWELL: You know, it must be what I previously said was funny.

Well, at any rate, we have a motion on the floor offered by our General Counsel, and that is that a motion be adopted to discuss the Iowa budget at this time. That is now the item of business before you.

Now, by way of explanation, if you vote "no," then you will be hearing it on Thursday. If you vote "yes," it will be handled today.

Do we have a second on that motion or did we have a second?

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: Now, those in favor of the motion as presented vote "yes"; now those in opposition vote "no." Well, to me, it appears as though the negative votes were predominant.

Now, with that, I feel this has all been so very exciting and I think we should rise for a few moments.

Thank you for your cooperation.

... A brief standing recess ensued ...

IMPERIAL POTENTATE POWELL: If you will all take your seats, we will continue.

James Tingle, a member of the Jurisprudence and Laws Committee, will now report to you concerning item 4 in the Call for the Annual Session.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 4 on Call of the Annual Session of 1990, located on page 18 of the Call. It is a proposal to amend Section 211.5 of Article 11 of the Bylaws of the Iowa Corporation by adding a new subsection (g) thereto, to read as follows:

ARTICLE 11

Budget and Revenues

Section 211.5 Per Capital Tax.

...

(g) Associate Members. An associate member of a Temple is not required to pay a per capita tax. The per capita tax of such member must be paid through the first Temple to which he belongs.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted

COMMITTEE ON JURISPRUDENCE AND
LAWS

William A. Buckaway, Chairman

Gerald D. Christensen

Robert E. Cooper

Theodore Corsones

James A. Yocum

Edward A. Rath

James M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious D. Sam Erickson for the report of the Finance and Audit Committee.

IMPERIAL POTENTATE POWELL: I will now call on Sam Erickson.

NOBLE ERICKSON: To the Representatives of the Imperial Council: There has been referred to your Finance and Audit Committee, Item Number 4 on Call of the Annual Session of 1990 located on page 18 of the Call. Your committee has met in a regular scheduled meeting held on Sunday, July 1, in Chicago and considered carefully the proposal.

The adoption of the proposal would result in a considerable loss of income to the Iowa Corporation. The Annual Report of the Imperial Council for the year 1989, found on page 10 of the report, indicates that there are 5,640 association members as of December 31, 1989. For this reason your committee recommend that this proposal be defeated.

Respectfully submitted,
COMMITTEE ON FINANCE AND AUDIT
D. Sam Erickson, Chairman
Richard L. Bukey
M. Burton Oien
James L. McConnell
Roderick D. Robertson
Palmer D. Burde

Imperial Sir, I would like to call on the proposer of the legislation for a motion.

IMPERIAL POTENTATE POWELL: I will recognize the proponent of the amendment for a motion.

NOBLE F. L. MEYER [Beja Temple]: Imperial Sir, I would like to move for the adoption of that amendment and likewise say something, if I may be permitted to do so.

IMPERIAL POTENTATE POWELL: Certainly.

NOBLE F. L. MEYER: This, I might say, is kind of a simple thing because "per capita," at least to me, means "per person."

We do not ask, for example, a Noble, when associating with another Temple, to pay the hospital per capita fee twice and so why should we penalize that individual if he desires to become an associate of another Temple? I think we should encourage that.

I am certain it is going to cost some money but, on the other hand, I think it is a good piece of legislation to pass.

Thank you.

IMPERIAL POTENTATE POWELL: Do we have anyone who would like to speak in opposition to that?

If not, are you ready to vote on the amendment?

All in favor of the adoption of the amendment please say aye; opposed no. Well, you know, I thought we would using a ballot pretty soon. However, let us try it again.

All of those in favor of the adoption of this amendment please raise your hands; now those in opposition. We need a two-thirds vote on this.

Would you all feel better if we took a ballot?

... Cires of "yes" ...

IMPERIAL POTENTATE POWELL: Well, let us proceed with a ballot on this. We have time.

NOBLE HATHAWAY: Imperial Sirs and Fellow Representatives: We will use ballot no. 1. Well, after conferring with the Imperial Potentate, let us use no. 5 and I ask that you be sure to tear off the stub. Also, fold your ballots once and please remain in your seats so that the Tellers can pick them up in a much quicker fashion.

IMPERIAL POTENTATE POWELL: Just a moment, Representatives. Do you mind if we once again, from up here, explain to you what you are going to vote on?

I would like to have our Legal Counsel do that.

NOBLE CORSONES: Imperial Sir and Representatives, we are on item 4. The proponent of the amendment, Illustrious Sir Floyd L. Meyer, has proposed the adoption of item 4. This has been duly seconded. If you vote "yes," you will adopt item 4. It must carry by a two-thirds majority. Now, if you vote "no" and it is not carried by the necessary two-thirds majority, then, of course, it is obvious that it does not pass.

IMPERIAL POTENTATE POWELL: Now, thank you very much.

Does everybody now understand?

If not, I think you can proceed to ballot. Again, the ballot that will be used will be ballot 5. The Tellers will pass among you.

... Balloting and collection of ballots then ensued . . .

IMPERIAL POTENTATE POWELL: Let me ask, are all the ballots cast that are going to be cast?

... Cries of "no" . . .

IMPERIAL POTENTATE POWELL: Well, we will give you a little bit more time.

Now, as I understand it, we cannot conduct any business until the ballot is taken. But that, on the other hand, does not mean that we cannot talk about many things.

Now, again, have all balloted who desire to ballot? I declare the ballot closed. (Gavel)

Now, while we are waiting, Nobles, I thought maybe you might like to know what my reaction has been as I traveled around the country this past year, aside, of course, from thanking everyone for being so gracious to both Mildred and I.

Now, what I have learned, at least to some extent, frightens me. It frightens me because you rightfully, and there is no question about it in my mind, are concerned about the leadership of the Shrine organization. You have expressed that to me in many, many different ways—namely, that you are concerned about the leadership of the Shrine of North America.

You are likewise also concerned about the leadership in your own Temples and in both instances, in my opinion, it is your own fault.

You are here this week and you have a ballot and you can elect the person who, in your opinion, is the best for the job. If you do not believe, for example, that those who are the candidates are the best, then it is your responsibility to find candidates who will be the best. The future of the Shrine is in your hands—not ours, not mine, but yours. You make the decisions.

Now, I told you earlier that Woody Bennett had this committee and that we had met three days in Chicago and, you know, it was amazing the things that we came up with and which we all believe would be helpful to the future of the Shrine but, as our then Imperial Recorder George Saunders said, and as I previously indicated to you, "It will not pass, it will not pass."

I think his premonition was correct and so, you see, the future of the Shrine is in your hands and if you are not satisfied with the leadership of the Shrine of North America or you are not satisfied with the leadership in your Temple, then it is your responsibility to find those who are qualified.

Further, if there are no candidates in your Temple, if you do not have candidates that can follow and lead us into the future then, as your Temple leaders, you should determine what has to be done about it.

You know, I have said it so many times that I am tired of hearing it and people, in turn, are tired of listening to it but to be successful in relation to any product or service, you have to make someone desire what you have to sell more than they want the money in their pocket or the time it takes to do it. Therefore, you have to find the people in your communities who can become the leaders that you need and somehow, in some way, you have to make them want to go through the process that we have today with a complete understanding that they know that there is a day when they will be called upon to lead the Shrine. It is not for you to just punch a button and think it will be done but it has to happen—there has to be leadership exerted.

Now, one of the other things I found was that there was great concern on the part of the membership, and this is likewise important and do not sell it short, but this involved fiscal responsibility in relation to each Temple—something which is so very, very important.

You know, in all of our lives we have our ups and downs. Sometimes, for example, we have insight and then there are times when we may not have anything like that at all. It is all a part of life.

You know, we have, in our history, been through a few wars, been through a few depressions, we have been through many things. In our case, for example, our Temple went through a flood, a horrible situation that existed in our Temple some years ago but they

survived that flood and, along that same basis, there are other Temples who are going through the same type of problems.

Now, in our case, our Temple, at that time, could almost have been wiped out from a fiscal standpoint but, you see, our Temple had good fiscal responsibility.

Also, in the case of Islam Temple, they also have good fiscal responsibility which enables them to survive earthquakes.

So, I am sure that what has to take place will take place in order to correct this particular situation.

Therefore, if you concern yourselves about leadership, if you concern yourselves about fiscal responsibility, I believe you are well on the way to continuing success in the Shrine of North America.

Now, of course, I know that many of you desire a magic formula. I know that many of you have said to me, "Tell us what to do about membership." However, I just say again that which I said just a few moments ago—you have to make somebody want what you have to sell more than they want the money in their pockets or the time it takes to do it.

Now, if you cannot make somebody want to be a member of your Temple, there is not anybody that has a formula to give you and there is not any button to push and so you have to determine what it is.

For example, I have a friend seventy-six years of age, an individual who has had a horn and played it since he went to high school. I was talking to his wife one day and I asked, "What would John like to do?" She replied, "Well, he would just like to be able to continue to play that horn." I said, "Well, get him to join the Shrine because we have in the Shrine so many opportunities for people to express themselves as individuals." Now, really, is it not important to express yourself, is it not important to feel wanted, is it not important to become a part of something?

Therefore, in John's case, he is going to go to the Shrine to play his horn. You know, it really does not matter whether he is on the right or wrong note, that really does not make that much difference, but he believes, through the playing of that horn, that he is contributing to the efforts of that particular band that he plays in.

Now, along those lines, I am sure all of you can name so many other things like that—things that people like to individually do. People, for example, like to ride a motorcycle and I like to ride one myself. I like to be a clown and, in my opinion, I cannot think of any greater satisfaction it can create for an individual than to march up and down the street and see those little kids standing on the sidewalk extending their hand. These little children, in order to do that, actually walk a foot or two away from the curb. Now, why is that? It is because they want to touch a clown and, to me, it is important to have a little kid hold my hand.

I merely mention that illustration but I also know that there are other things you can do within your respective units that will make those kids happy.

Therefore, I ask you, "What do you have to offer someone to be a member?" Now, if you do not have the desire to do some of these things, well, you know, nobody is going to tell you how to do it.

Now, I know that all of our Temples, at one time or another have had their individual Temple problems but, in trying to solve some of them, maybe it might be a good idea for your Divan members to take a piece of paper and, on it, form two columns—under one column putting, for example, the positive things that the Temple has to offer their membership and then, on the other side, the negative sorts of things.

Now, I think that, in reality, what I have desired to express to you is to exert leadership in your Temple, have financial stability and make people want what you have to sell.

Now, are the ballots counted as yet?

Now, would any Representative, while we have this little bit of time left, like to come up here and say something?

You know, I recently had a Noble come up to me and say, "You know, Imperial Sir, I know what bugs me. You should never say 'so moved' about a resolution that is being acted on." He further said, "In that situation, you should use the words, after its passage, 'so ordered.' "

Is that not so true? You know, for example, when you go to the bathroom, you move (laughter) but in other actions, it is 'so ordered.'

Now, also, let me just briefly say, in relation to our Sessions here, that we are going to reconvene this afternoon at one-thirty. You are on your own for luncheon but we do want you to enjoy this Annual Session while you are here. Also, we want you to visit the Market Place downstairs. We think it is delightful. We did attempt to give you a good selection.

Now, Jack, while we are waiting, why do not we give the Membership Awards this morning?

IMPERIAL SIR JONES: I would be happy to do so, Imperial Sir, because I do have them right here.

It is a pleasure for me to have the opportunity this morning to present to you a list of names of the Potentates and, hopefully, some of the Immediate Past Potentates concerning these Temples that are present today.

Now, the presentations to be made consist of a beautiful clock. Now, we only have brought one of these with us so that you can all see them but, let me add that in relation to each of the Temples that reached one percent of net gain in membership during this past year, they will receive one of these clocks. This is a beautiful item and you can put it anywhere in your Temple.

Now, as I said, rather than bringing an individual clock along for all of those earning them, we only brought one clock this time that we will be using in connection with Temple photographs and the others are being mailed to your individual Temples. They were mailed on Friday and should be at your Temple by the time you get back.

Now, what I would like to do, Imperial Sir, in making these presentation this morning, is to ask the current Potentate of the Temples that I am going to call off and, indeed, the Immediate Past Potentate of that Temple, if he is present, to please come up and have their photograph taken with the Imperial Potentate making the presentation to them.

Now, the first Temple that we would like to recognize is Marzuq Temple, Tallahassee, Florida. Illustrious Sir Charles M. Watson is the 1990 Potentate and Joseph Gillespie is the 1989 Potentate. If they are here, please come up.

They had a net gain of seventy-four members which, for them, was 11.67 percent.

... Presentation of award by Imperial Potentate Powell and picture taking ensued ...

IMPERIAL SIR JONES: The next Temple to receive an award is Bahia Temple of Orlando, Florida. Their 1990 Potentate is Illustrious Sir John O. Riels and their 1989 Potentate was Donald W. Grable. They had a net gain of 149 members, involving a net percentage gain of 3.14 percent.

... Presentation of award and picture taking ensued ...

IMPERIAL SIR JONES: Our next Temple is Mazol Temple, St. John's, Newfoundland. Illustrious Sir Austin W. Mercer is the 1990 Potentate and E. R. "Bob" Woolfrey was the 1989 Potentate. They had a net gain of eighteen members, involving a percentage gain of 3.13 percent.

... Presentation and picture taking ensued ...

IMPERIAL SIR JONES: I might also say that Mazol Temple also had the lowest percentage of suspensions—.17 percent. (Applause)

The next Temple is Shaddai Temple from Panama City, Florida. Their 1990 Potentate is Illustrious Sir Louis Roux and their 1989 Potentate was William L. James. They had a membership net gain of twenty-nine, for a percentage of 2.43 percent.

... Presentation, picture taking and applause ensued ...

IMPERIAL SIR JONES: Our next Temple was Sahib Temple of Sarasota, Florida. Their 1990 Potentate is Illustrious Sir Lee Stewart and their 1989 Potentate was Walter E. Lander. They had a net gain of fifty-nine members, with a percentage gain of 1.75 percent.

... Presentation, picture taking and applause ensued ...

IMPERIAL SIR JONES: Next comes Sahara Temple, Pine Bluff, Arkansas. Illustrious Sir Robert L. McLaughlin is their 1990 Potentate, he likewise being the Potentate in 1989. Their Temple had a net gain of thirty-eight members, with a percentage of 1.56 percent.

... Presentation, picture taking and applause ensued ...

IMPERIAL SIR JONES: Our next Temple is Sharon Temple of Tyler, Texas. Illustrious Sir Homer E. Kennedy is the 1990 Potentate. Illustrious Sir James M. Noonan was the 1989

Potentate. They had a net gain in membership of fifty-two, with a net percentage of 1.32 percent.

... Presentation, picture taking and applauded ensued ...

IMPERIAL SIR JONES: Our next Temple was Tangier Temple, Omaha, Nebraska. Illustrious Sir Richard W. Lintner is the 1990 Potentate, with J. Dale Harding being the 1989 Potentate. They had a net gain of forty-eight members, with a percentage of 1.21 percent.

... Presentation, picture taking and applause ensued ...

IMPERIAL SIR JONES: And our last Temple is El Zagal Temple, Fargo, North Dakota. Illustrious Sir Louis Larson is the 1990 Potentate, with Monte Routledge being the 1989 Potentate. They had a net gain of twenty-two members, with a percentage of 1.10 percent.

... Presentation, picture taking and applause ensued ...

IMPERIAL POTENTATE POWELL: Of course, we wish to thank all of these Temples for their achievements during the past year. Thank you all so very much.

Now, I believe we are ready to have the result of ballot 5.

NOBLE HATHAWAY: Imperial Sir, Imperials and Representatives: It is a pleasure to give you the results on the ballot concerning item 4, page 18.

There were a possible 852 votes; 801 actually voted; there was one spoiled ballot; necessary for choice was 534.

The "yes" votes were 527, the "no" votes were "273." The resolution is defeated.

IMPERIAL POTENTATE POWELL: I believe we still can do a little bit more business before going to lunch.

You know, I was told, when I was real young, that money lost could be replaced but time lost is gone forever and so at this time, let us continue with our Jurisprudence and Laws Report and now I would like to recognize Noble Tingle to present the report concerning item 8 on the Call.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 8 on Call of the Annual Session of 1990, located on pages 19 and 20 of the Call. It is a proposal to amend Section 332.6 of Article 32 of the Bylaws of the Iowa Corporation by adding and deleting certain language so that such section, as amended, will read as follows:

ARTICLE 32

Initiation Fee; Dues; Hospital Levy; Assessment

Section 332.6 Life Membership in Temples

(a) A Temple may create life members:

(1) Meritorious service. For meritorious service as recited in Section 323.12

(2) Dues Prepayment. Upon receipt of not less than 10 times the Temple's annual dues. All money received from life memberships shall be placed in a trust fund, and only the income from such fund shall be withdrawn.

(3) Longevity. When a member has paid his dues for a term of not less than 35 years.

(b) In order to retain life membership in a Temple, a Noble must meet the requirements of Section 323.3(a).

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are not questions or comments on this report, I recommend that you now call upon Illustrious Sam Erickson, for the report of the Finance and Audit Committee.

IMPERIAL POTENTATE POWELL: In accordance with the request, I will now call upon Sam Erickson for the report of the Finance and Audit Committee concerning this matter.

NOBLE SAM ERICKSON: To the Representatives of the Imperial Council: There has been submitted to your Finance and Audit Committee, Item Number 8 on Call of the Annual Session of 1990, found on page 19 of the Call. Your committee met in a scheduled meeting on Sunday, July 1, in Chicago and considered the proposal.

Upon consideration of the same, your committee is of the opinion that the adoption of this proposal would adversely impact the financial affairs of the Temples both from a long range view, as well as a short range view. Your committee therefore recommends its rejection.

Respectfully submitted,
COMMITTEE ON FINANCE AND AUDIT
D. Sam Erickson, Chairman
Richard L. Bukey
M. Burton Oien
James L. McConnell
Roderick D. Robertson
Palmer D. Burde

Imperial Sir, if there are no questions or comments concerning this report, I would request that you call upon one of the proponents for an appropriate motion.

NOBLE W. H. PIPER [Potentate, Ainad Temple]: Imperial Sir, I would move the adoption for item 8 as presented.

... The motion was duly seconded ...

IMPERIAL POTENTATE POWELL: The matter is now open for discussion and I will recognize Sam Erickson.

NOBLE SAM ERICKSON: Imperial Sir, Imperial Sirs and Representatives: At the 1988 Session, the Finance and Audit Committee presented an amendment to Section 332.6, Life Membership in the Temples. The Representatives defeated this proposed change.

We did an actuarial computation based on survival probabilities at different ages. We also built into the model an inflation factor showing the membership fee increasing at the rate of four percent per year.

Now, the model will also show you that a manager of funds for the Shrine can obtain a seven percent return on investment.

Now, at this time, I would like to give you three ages for computation of the cost of annual dues of \$30, I chose three different age groups. This excluded hospital assessments.

One of the three ages I chose was age thirty. Under those circumstances, you would have to ask a thirty-year-old individual for \$663; a fifty-year-old individual would require \$559 and a sixty-year-old individual would require \$429 from our model.

Item 8 suggests, for example, that only ten times annual dues is necessary to fund the trust.

Using the same annual dues amount of \$30 from the previous example, you would only receive \$300 from each Noble regardless of age. Using a seven percent return for interest, you would receive \$21 per year income.

If, for example, 1,000 Nobles rushed into your Temple on Monday to purchase this great give-away, your dues income would decline by \$9,000.

However, what about future years, as your dues increase? The potential of such an economic loss dictates this proposal be defeated.

Thank you.

IMPERIAL POTENTATE POWELL: Now, may we please hear from those who are in favor.

REPRESENTATIVE: I would like to make two points.

First of all, if this is passed, it does not require any Temple to change their Bylaws, as they now state. This allows the opportunity for those who wish to lower dues to try something making it more affordable and attractive.

We would like to ask for your support to allow those Temples who would wish to try this to do so.

If, for example, you desired to go for ten years and it does not work out, you can amend your own Bylaws at the local level to change it to whatever you wish.

IMPERIAL POTENTATE POWELL: Thank you very much.

Now, I will hear somebody in opposition.

NOBLE DAVIS B. LEONARD [Al Malaikah Temple]: In reading the portion of this amendment that has been crossed out, it says "but upon the death of any life member, an amount equal to the sum paid by him may be transferred from the trust fund to the general fund of the Temple."

Now, in relation to our particular Temple, our Temple Bylaws state that once that gets into the life membership fund, it stays there forever. That is the way we treat it.

It is a constant source of income, the interest of the life membership fund, to each Potentate that comes along.

Personally, I think this motion should be defeated because it is going to water down to the point where you will not get the amount equal to the annual dues at the present time.

Thank you.

NOBLE MAHLON HESSEY [Boumi Temple]: Gentlemen, I do not care whether this legislation is permissive or whether it is mandatory. It is not the first time that it has appeared in the Call. It keeps coming up because of certain segments of the people here believing that you can run an organization for less than it costs you.

You know, we keep dropping the dues, we keep changing the organization. If people are not willing to make a commitment to this organization when they join it, frankly, I do not believe that we need them.

This legislation is disastrous. There is no way in God's green earth that you can bring on a twenty-one, twenty-two, twenty-three or twenty-five-year-old member at ten times his dues and have that sustain him during his actual live expectancy while he is a member of the Temple. This is not the way we run this country. You cannot do it and, further, to make it permissive is not the solution because some people will be foolish enough to adopt legislation which permits this.

Now, when I came into Boumi Temple, my life membership cost me \$175—what a terrific bargain—but the other members are paying for it, which is why I try to give it back to the Temple in other ways.

Please do not enact this legislation if you want financial stability over the long term.

Thank you.

IMPERIAL POTENTATE POWELL: Thank you, Mahlon.

Is there anybody else who would care to speak on this subject for or against?

... The question was severally called for ...

IMPERIAL POTENTATE POWELL: Are you ready for the question?

All in favor say aye; contrary no. The noes have it and it is defeated.

Now, I promised you that we would reconvene at one-thirty this afternoon. It is now eleven-thirty-five. Therefore, at this point, I will recess this Session until one-thirty this afternoon.

... Whereupon, the Session was, at eleven-thirty-five o'clock a.m., recessed to reconvene at one-thirty o'clock p.m. ...

AFTERNOON SESSION
TUESDAY, JULY 3, 1990
ONE-THIRTY O'CLOCK P.M.

The One Hundred Sixteenth Annual Session of the Imperial Council was convened in the International Ball Room, Chicago Hilton and Towers Hotel, Chicago, Illinois, at one-thirty o'clock p.m., Imperial Potentate George W. Powell presiding.

IMPERIAL POTENTATE POWELL: Nobles, if you will take your seats, we will proceed with our meeting.

Now, the next thing that it says on my agenda here is that we are here back in session. I believe it is all right to say that.

Now, I have had a request and a request has come from somebody who has a problem in relation to inhaling smoke.

I was told many years ago by my mother, "You might as well smoke here as in the hereafter," and there are those that are smoking here who are surely going to smoke in the hereafter. Now, if you have to light up one of those cigars, please be kind enough to go in the corner of the room so that you will not inconvenience those sitting at their places. Thank you so much. (Applause)

Now, I also want to say to you that at three o'clock today, we are going to start the elections in the Iowa Corporation and they will be completed in plenty of time for you to proceed as you would like.

You know, I have always thought that somebody, someday, should put a book together of the contributions made, which have been made and will be made in the future by so many Nobles in this great organization of ours that nobody ever hears anything about. It is serious, it is important and it should be done.

Maybe we should publish a little book on "What's Cooking in the Shrine," send it out to the Nobility, whatever little things that these Nobles have done from the Headquarters.

Today I would like to introduce to you Ted Clarkson of Rajah Temple.

A few years ago they conceived the idea of doing this at one of our hospitals which involved a method in relation to which children who cannot utilize their legs but had full use of their arms, could ride up and down the hall bumping into the other kids with some kind of tricycle.

They spent hundreds and hundreds of dollars and developed (indicating) this tricycle for such children and, further, they have made it a point over the years to see to it that a tricycle of this type has been contributed to one of the hospitals in our system.

Today, Mexico is being honored with this tricycle. (Applause)

Now, we know that with the presentation of this bike, you are going to have more fun than anybody else when you attempt to take it through customs. (Laughter)

With that, let me present to you your bicycle.

... Presentation of bicycle, picture taking and applause ensued ...

IMPERIAL POTENTATE POWELL: Also, I might add, they have received permission from this Temple to make it available to the general public and so, you see, it does happen, presentations like this, and we want to thank all of you involved in this presentation. (Applause)

... At this point, various announcements ensued by Imperial Sir Jack Jones ...

IMPERIAL POTENTATE POWELL: With that, I would like to call on Noble Rath of Jurisprudence and Laws Committee, who will handle item 6 on the call.

NOBLE RATH: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 6 on Call of the Annual Session of 1990, located on page 19 of the Call. It is a proposal to amend Section 323.7 of the Bylaws of the Iowa Corporation by relettering present subsections (g) and (h) and adding new language to subsection (g) which will become new subsection (f), to read as follows:

ARTICLE 23

Temple Membership

Section 323.7 Associate Membership.

...

(f) An associate member shall have all the rights and privileges of membership in both Temples except that he may not hold elective office in the Temple, Shrine Club or Unit of the second Temple in which he holds associate membership.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Edward B. Trusel, Potentate and Representative of Al Malaikah Temple, for an appropriate motion.

IMPERIAL POTENTATE POWELL: I would now like to call upon Illustrious Sir Edward B. Trusel, Potentate and Representative of Al Malaikah Temple, for an appropriate motion.

ILLUSTRIOUS SIR TRUSEL: Let me say that this is not really a big change in the Bylaws of the Imperial but a definition of the Temples in force.

We wish to define a change in Officers elected, Officers of the Temple, to define those submissions, such as Shrine Clubs and Units, so that when the elected Officers of our Shrine Clubs and Units take their charge and their oath, they are giving their full support to the Temple with which the Shrine Club is chartered.

With that, Imperial Sir, I would move for the adoption of item 6 in the Call of the Annual Session of 1990.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE POWELL: Is there discussion?

We will go over here (indicating) to this microphone.

NOBLE WILLIAM PHERRIN [El Bekal Temple]: Imperial Sir and Fellow Representatives: It is our thought that because of the location of our Temple, we have many, many retired people from Southern California, many of whom belong to these other Temples and who do not wish to take a demit but, instead, take an associate membership in one of the Temples there.

They then, in turn, devote their time, energies and funds in relation to participating in a club or unit.

Now, we do not feel, for example, that we should take away from them the incentive to be active in those clubs or units but, rather, we should encourage and we would like to see associate members be allowed to do this. Therefore, we would suggest that you defeat this proposal.

Thank you.

IMPERIAL POTENTATE POWELL: I will next recognize Ed Maag.

NOBLE EDWARD MAAG [Ainad Temple]: Imperial Sir, I speak in opposition to this motion and I speak in opposition to it because I feel it is not at all necessary.

The present code places the control of the clubs and units within the Potentate of the Temple. (Applause) And, further, if the Potentate of a Temple today does not choose to allow a non-member Noble to hold elective office in a club or unit, the Potentate, under the present code, can take care of that himself by refusing to allow the man to serve.

This legislation would make every Potentate conform to a rule which we adopt here.

Now, Imperial Sir, I do not believe it is proper for the Shrine of North America to tell a Temple, for example, in Montana how they should be governed.

Therefore, I would respectfully suggest that this ought to be defeated because it limits or eliminates the power of the Potentate in each individual Temple under the code.

Thank you. (Applause)

IMPERIAL POTENTATE POWELL: Is there anyone else who desires to speak either in favor or against?

NOBLE DAVIS LEONARD [Al Malaikah Temple]: You know, it is true, for example, that there are a lot of people in California but then we are in a spot where we cannot lose control. We do not think we are alone in the Shrine of North America because it is possible for a Noble to come in from another Temple without holding membership in our Temple and rise to be the President of the Shrine Club or Unit under the current Bylaws of the Imperial Council.

Now, we do not think this is fair. We think that this individual should be a member of a

Temple which he is serving so that he can bear true faith and allegiance to that Temple and to the Potentate. That is not possible when the other situation is true.

So we ask that you do vote in favor of this because we think it is a good resolution and will help all Temples of similar situation in concurrent jurisdictions.

Now, right now, any Potentate, if he wants to take on such a Noble who is not a member of his own Temple would be hard pressed to do so and would almost have to go through the Potentate of the Temple from which that Noble came.

NOBLE GERALD RANDALL [Potentate, Hillah Temple]: Imperial Sir and Fellow Representatives, in our Temple, we have twelve clubs, four of which are on the Pacific Coast and one of which is in Southern Oregon. We recently had a Ceremonial there and out of the thirty-seven members, thirty-two of them are Nobles from other jurisdictions who are joining with us at this time.

We also have the same or similar situation at the Pacific Shrine Club in Florence, Oregon.

Now, if we decide to consider this, we had likewise better consider the situation in our clubs because I know I have two clubs that will not exist if this happens.

Thank you very much. (Applause)

... The question on the motion was severally called for ...

IMPERIAL POTENTATE POWELL: I believe that the proposer of the amendment desires to respond.

NOBLE EDWARD TRUSEL [Potentate, Al Malaikah Temple]: Actually, the resolution does not intend to raise your blood pressure but merely clarifies the difference in the wording that we have had in various jurisdictions and also actually seeing that it is in conformity with the Imperial Bylaws.

The only thing we felt was that Nobles who accepted elective office, such as the Presidency of a Shrine Club, that he likewise was to serve the Temple that the Shrine Club was chartered with. This, in reality, just clarifies his authority within the framework of that Temple rather than having a joint allegiance.

In reality, all it is doing is defining the words presently in the Imperial Code.

Thank you.

IMPERIAL POTENTATE POWELL: Thank you very much.

Now, Nobles, we have heard both the pros and cons, are you ready for a vote?

... Cries of "yes" ...

IMPERIAL POTENTATE POWELL: All in favor of the adoption of item 6 on the Call please say aye; contrary no. I declare it defeated and thank you for your patience.

Illustrious Sir Yocum will now speak on prerequisite membership, item 5 in the Call.

NOBLE YOCUM: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 5 on Call of the Annual Session of 1990, located on pages 18 and 19 of the Call. It is a proposal to amend Section 323.3(a) of Article 23 of the Bylaws of the Iowa Corporation by adding certain language so that such subsection, as amended, will read as follows:

ARTICLE 23

Temple Membership

Section 323.3 Prerequisite for Membership.

(a) A Temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knight Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32nd Degree Mason (or a 14th Degree Mason who cannot advance further due to absence of a special invitation) in a Consistory of Ancient and Accepted Scottish Rite of Freemasonry of a Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or a Supreme Council in amity with and recognized by either of them; or

(3) A Master Mason who is an actual resident of the Republic of Mexico.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Sir Victor R. Montalvo, Potentate and Representatives of Anezeh Temple for an appropriate motion.

IMPERIAL POTENTATE POWELL: I will recognize Illustrious Sir Victor R. Montalvo, Potentate and Representatives of Anezeh Temple.

ILLUSTRIOUS SIR VICTOR MONTALVO [Potentate, Anezeh Temple]: I want to open my remarks by telling you that our Temple is struggling to survive.

Now, one of the ways in trying to survive is that there are very, very few people working in the area of Mexico City. At the present time, we have twenty million people in Mexico City and just 222 Shrine members of Anezeh Temple.

Now, in Mexico, we also have the Scottish Rite.

Now, the only way you can get your Thirty-Second Degree in Mexico City is to go through the Scottish Rite. However, when they do accept candidates they usually do not accept any more than ten or fifteen candidates every year for their Ceremonial.

Now, under the present arrangements, if we have a Master Mason who wants to be a Thirty-Second Degree Mason, he has to wait sometimes three, four or even five years before he will get that Degree. That will mean, on that basis, that my beloved Temple, Anezeh Temple, probably in more than three years, will have no more members and we are worried about that because our Mexico City Shriners have been sponsors of the hospitals throughout the whole system. Believe me, our work with our Mexican children is something that is real great and if we lose the Temple, we are also going to lose the hospital we have there.

Now, we have been in existence so many years working so hard with the people down there and our hospital down there.

Therefore, our present situation is very difficult for all of us down in Mexico and so we ask that you approve our proposal.

Thank you. (Applause)

NOBLE THOMAS KINMAN [Potentate, Tehama Temple]: Imperial Sir, I need a point of clarification.

As I read the Call, the word "or" is scratched out and so, does that make it mandatory that you are both a Knights Templar and a Thirty-Second Degree Mason?

NOBLE BUCKAWAY: Well, if you will take our word for it, let me say that this is a typographical error that we found in the Call when the report was reinserted and it is still there.

IMPERIAL POTENTATE POWELL: Are there any other questions?

NOBLE EDUARDO DYER [Anezeh Temple]: My name is Eduardo Dyer and I am the Chief Rabbani of Anezeh Temple in Mexico City.

Imperial Sir, Imperial Sirs and Representatives All: You know, it is not easy to stand up here and oppose this very same proposal but I have to speak in the name of a number of voices from our Temple in the following manner:

First of all, I personally represent at the moment the voices of our Assistant Rabbani, our High Priest and Prophet and our Oriental Guide. I would like to present their views as contained in a letter which I have here and which I would like to read to you at this particular moment. It says as follows:

"Even though we, the members of this particular Temple might be in agreement with this proposal or maybe not, it is important to bring forth the fact that by such an amendment to the Imperial Bylaws all of our members and, at times, the lives of our members of the Temple will be affected.

"This matter, being of such importance, has not been consulted with the membership of the Temple or put on the floor of any organized or extraordinarily stated meetings of knowledge and opinion or discussion for approval and thus does not appear in any of the minutes of such past meetings.

"With all due respect and attention to our Illustrious Potentate, we are giving you some further information before begging you to withdraw the proposal until it has been duly discussed, endorsed and supported by the Temple.

"According to the present situation in Mexico, the fact that our membership is diminishing is due mainly only because of the following reasons:

"This is an English speaking body in Mexico. Because of foreign laws, most American companies operating in Mexico had to change their executives to Mexicans. The foreign executives left the country. Now, however, the country is still there but many of those foreign executives were members of Masonry and were members of the Shrine.

"One example is our Emeritus Representative, who is not present at the moment but who, for many years, was the President of General Electric in Mexico.

"These were all English speaking Nobles and the Shrine in Mexico has always spoken in English. However, now, the English speaking population has diminished strongly and greatly and the Mexican population is a Spanish speaking population and while the population of the Shrine has increased, they have not been truly involved in what the Shrine is because of the language barrier.

"The interest in promoting membership among the Spanish speaking Scottish Rite has been not too well and could be improved. I am also talking about the Knights Templars. They are all Spanish speaking bodies. We have the Consistory in Mexico City, which is the only English speaking body in the Scottish Rite and we also have a National Commandery existing in Mexico, which is number two and they were, at least some years ago, a Spanish speaking body.

"There are about 1,500 members of the Thirty-Second Degree and some 435 of the Thirty-Third Degree.

"We have in Anezeh Temple 248 regular members and 120 members who live outside Mexico and during the last year we had 111 members who dropped from the Shrine because of lack of payment.

"Officially, we have 479 members registered but we really have a very good membership of 248.

"This means that from the more than 1,500 members with the various Degrees, who call themselves Thirty-Second and Thirty-Third Degree Masons, if you deduct the 364 already members of the Shrine, we have a mailing list of about 1,100 members the who probably have not been interested in joining.

"The Knights Templars from Mexico have about 109 members, of which maybe some half have already demitted. I do not have the last figure but that includes about 100 more.

"Also, our Ceremonials have always been held in English in the past except for a couple of occasions in the last year. The understanding of the candidates of the invitation to membership as well as the comprehension of the Ceremony itself, was limited to English speaking candidates."

Now, I personally brought many of my Lodge fellows and my Lodge brothers to these other organizations.

IMPERIAL POTENTATE POWELL: I wonder, sir, if you will try to wrap this up in another moment or so?

NOBLE DYER: Thank you, Imperial Sir.

So I brought many candidates who did not understand the Shrine Ceremony into the Shrine and yet they could not speak the language.

So the ability of a Master Mason to take additional Degrees is something that is still to be studied. I took my Degrees in two years, my Thirty-Second Degree.

Now, the number of Master Masons brought into the Lodges in the country is 4,000 to

5,000. However, before our Temple approves the taking of candidate Master Masons to higher Degrees, we think we ought to make an honest study and profound study of this, invite them to a Ceremony in Spanish and turn Anezeh Temple in Mexico City into a Spanish speaking body as long as the majority of the members there speak only Spanish.

I believe this is endorsed by a number of individuals from our Temple and I might say, respectfully, Imperial Sirs, that they gave us their thoughts. Now, we have not ended the possibility of obtaining candidates through that system.

With that, I think you very much, Imperial Sir.

IMPERIAL POTENTATE POWELL: Is there anyone else who would like to speak for or against this proposal?

Now, I believe there was some question or concern down there about residency requirements.

Let me say, in that regard, that the Grand Lodge of Mexico has a six-year residency requirement. It was something that had concerned us. Their Grand Lodge, for example, insists upon them being a resident of Mexico for six solid years before they can make an application.

I will recognize our Legal Counsel.

NOBLE CORSONES: Imperial Sir, the point you were making, of course, is a very valid point. In the event, for example, you wish to propose an amendment to further restrict, so there is no question in relation to it, you would be in order by offering an amendment as you suggested in relation to your observation.

Does that help you?

If you want to restrict, certainly, the person must be an actual resident of the Republic of Mexico and "resident" is defined in the Imperial Bylaws already, as most of you know—in other words, that that is the place where he, in good faith, actually establishes his domicile.

However, in the event you wish to offer an amendment, it would be proper and germane to the subject matter under consideration. That type of amendment would be in order if you desire to do so.

IMPERIAL POTENTATE POWELL: If I may, I would like to speak for a moment.

... At this point, the gavel was handed to Imperial Sir Bukey ...

IMPERIAL POTENTATE POWELL: You know, it has been my policy all my life that when there is a problem, let us try to resolve it and in the process of trying to resolve something, you have to find the facts.

So I have been concerned for quite a few years about the shrinkage of the membership of this Temple.

If you will go back to your records, you will find that some seven years ago, they had around 500 members and, since that time, it has been going down, down and down.

Now, on the other hand, let us take the hospital expense. In Mexico, the hospital expense has gone up, up and up and we are putting into the Mexico hospital over \$2 million of your funds, money from the Colorado Corporation. Now, this is fine by me, excellent, it is a great idea, but somehow, somehow, we have to revitalize this Temple so that this Temple can help to share the burden—this Temple can help to get the job done.

So I asked Victor and any of those who wanted to attend the meeting, to please meet with me and I said to them, "What is the problem, what is wrong?"

Now, it was brought forth that the biggest problem was that once they get these men into the Lodge and they have to go through this process of three to four to five years to become a Scottish Rite Mason that they either die or they lose interest or whatever it may be.

I then asked him what, in his opinion, did he believe we could obtain in the way of membership for the country of Mexico only, which is nothing more than we did in relation to the Philippines. We did it for the Philippines, why cannot we do it for Mexico? We did it for them and I am sure we can do it in Mexico.

We can try for a year and if it does not work, there is nothing that says you cannot do it by legislation but we have to give them some oxygen and they have assured me that they can bring up, between now and the end of the year, sixty members and, further, they believe that between the end of the year and next July, they can find 100 more and I am the kind of fellow that says, "Well, if you do not, I will fire you," and I would fire them.

Also, let me indicate to you that I have read the letter of opposition and although a

statement was just made that it was not discussed at a stated meeting, I have records of the stated meeting and there was a discussion and so, you see, Nobles, I do not know really who is right or who is wrong but it does not matter right now—what matters is the survival of this Temple.

Now, why cannot we try it for a year and at the end of a year, if it has not worked, then I will be willing to put the legislation in to revert it back to the way it was.

It is only applicable to Mexico and I would move for the adoption of this recommendation. (Applause)

IMPERIAL SIR BUKEY: Is there anyone else who desires to speak on this issue?

REPRESENTATIVE: Imperial Sir, on line 3 I would like to have it read "resident of Mexico City and applying to a Mexican Temple."

IMPERIAL SIR BUKEY: Then what you are suggesting is an additional amendment.

Well, all right, we have the additional language submitted by the Noble to amend the motion on the floor. Do we have a second?

... The motion was duly seconded ...

IMPERIAL SIR BUKEY: Do we have any discussion?

... The question on the amendment was called for ...

IMPERIAL SIR BUKEY: The question on the amendment has been called for.

All in favor indicate by saying aye; those opposed. The amendment passes and therefore becomes part of the main motion.

You now have before you the main motion as amended.

Are you ready for the question on the main motion?

... Cries of "yes" ...

IMPERIAL SIR BUKEY: All those in favor of the motion and the amendment as presently before you indicate by saying aye; opposed no. I will declare that the motion carries.

... Per their request, the record hereby also notes that Imperial Sirs Bracewell, Evans, Dean and Brantley wish to be recorded as voting "no" to the proposal as amended ...

... Whereupon, at this point, the gavel was returned to Imperial Potentate Powell ...

IMPERIAL POTENTATE POWELL: We proceed to the next amendment to be presented by Jurisprudence and Laws and the next one to be considered is item 14 in the Call and I will recognize Illustrious Sir Cooper for the presentation of this proposed amendment.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 14 on Call of the Annual Session of 1990, located on page 24 of the Call. It is a resolution governing Imperial Council Session Convention Corporations. The resolution reads as follows:

RESOLUTION

The Imperial Council Session Study Committee by its Representatives unanimously proposes and recommends the adoption of the following resolution:

WHEREAS, it is acknowledged that each convention corporation must make plans several years in advance of its Imperial Council Session in order to select a host city, and ensure the Nobility of the finest accommodations available for themselves and their units; and, to obtain the best competitive prices for rooms, facilities and space for the business and pageantry of a session; and

WHEREAS, it is acknowledged that funds essential to the financial success of the Imperial Council Session must also be generated for the expenses that will be incurred in the operation of an Imperial Council Session, many of which are incurred in the years preceding the actual session; and,

WHEREAS, it is acknowledged that a fair and just non-refundable Binder/Registration Fee is the primary source for generating the revenues necessary to pay the foregoing expenses, which fee is determined by the number of rooms requested by the Temples attending the Imperial Council Session; and,

WHEREAS, it is acknowledged that the Convention Corporation cannot give a commitment to the several hotels of the host city, nor to the Convention Bureau thereof, until it has determined an accurate count of the rooms and facilities required for the Session; and,

WHEREAS, it is further recognized that while the Binder/Registration Fee must be

required in advance, the payment should not be required so far in advance as to cause an unreasonable financial burden upon the Nobles and the Temples.

NOW, THEREFORE, BE IT RESOLVED, That:

1. Each Imperial Officer shall direct his Director General and Housing Chairman to be responsible and accountable and make certain that each Temple, its units and clubs, have an equal opportunity to obtain the lodging of their choice at the Imperial Council Session; and, that the final allocation of rooms shall be determined by a lottery held on the final day of the Imperial Council Session twenty-four months prior to the subject Imperial Council Session commencing with the Imperial Council Session of 1992 and annually thereafter.

2. The rules for the lottery must be such that each Temple or other body is treated equally, justly and fairly, without any favoritism shown to any participant.

3. No Binder/Registration Fee shall be due or accepted by the convention corporation prior to the date 24 months before the public opening of the subject session.

4. No lodging units shall be held, reserved or allocated for any Temple or other body, except as provided herein (other than the requirements for the Imperial Potentate, the Deputy Imperial Potentate and the Host Temple).

5. The total amount of the Binder/Registration Fee shall be calculated by multiplying the number of lodging units by the Binder/Registration Fee for each lodging unit requested by the Temple or other body; and it shall be paid in full prior to the lottery held during each Session (24 months prior to the ongoing date of the Imperial Council Session for which the lottery is held).

6. The first night's deposit on each lodging unit shall be due and payable on February 1 of the year of the Session. Any Temple or other body not paying the first night's deposit by March 1 of the year of the Session shall lose all lodging units for which the first night's deposits have not been received and shall forfeit all Binder/Registration Fees paid. The convention corporation will be free to reassign forfeited lodging units to other Temples or to other bodies requesting lodging.

7. This resolution takes effect with the 1992 Imperial Council Session.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you know call upon the proposer, Illustrious Richard Irwin, a member of the Imperial Council Session Study Committee, the proposer, for an appropriate motion.

IMPERIAL POTENTATE POWELL: I would next like to call on Illustrious Richard Irwin.

NOBLE RICHARD IRWIN [Imperial Council Session Study Committee]: Imperial Sir, Imperial Sirs and Fellow Representatives: It is my privilege, on behalf of the Imperial Council Session Study Committee, to move the adoption of this resolution.

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: You have before you the motion and the second.
Is there any discussion?

REPRESENTATIVE: Imperial Sir, as I note here, this resolution takes effect in 1992. Does that mean that the first lottery will then be held in 1992 or will it be a lottery held this year covering 1992?

IMPERIAL POTENTATE POWELL: It has been suggested by one of our learned colleagues up here that you give Charlie Cumpstone permission to speak on this subject for a moment in order to try to answer that question.

... Whereupon, it was severally moved, seconded and unanimously carried that Noble Charlie Cumpstone be tendered the floor to speak on this proposition . . .

NOBLE CHARLIE CUMPSTONE: Thank you, Noble Representatives.

Now, let me address the situation as it stands.

Last year, Noble Dick Irwin brought forth a resolution which he kindly withdrew until this year, when a committee could be formed to look at all of the prospects of this particular resolution.

The resolution that has been put together this year addresses many of the concerns that Dick and others must have concerning housing at the Imperial Council Sessions. The resolution was put together in order to provide fairness in housing so that all of the Temples would have an opportunity to get housing at the same time.

In addition, this morning you passed an amendment which makes it possible for other Officers of your Temples to obtain permission from their Temples to seek housing before they are Chief Rabbans.

You know, one of the problems in effect last year some of you have already taken care of. The lottery, as it is projected, is a lottery based on selection for the right to select. It is not an assignment of housing per se. It is an opportunity to select and it would be based each year on the size of the hotels in the city and the size of a Temple's blocking being requested.

For example, for the large Temples requesting, say, 300 rooms or more, they would be put into one drawing and they would draw in order of preference, not for housing but for order of preference or right of choice. They would then be drawn and they would have choice of the hotel rooms with room blocks of their size.

Then those between, say, 100 and 300 and those 100 and under can be matched so that they would have the opportunity to draw in a fair manner.

Now, insofar as the question dealing with 1992 is concerned, for all of those who have signed contracts, obviously all of those contracts will be honored and you will not be involved. However, for those who are still yet to select housing, a lottery would be held and you would be put in a lottery along with other Temples for your priority in selecting housing.

Are there any questions?

NOBLE EDWARD MAAG [Ainad Temple]: Charlie, the question has been raised, do not you think it is wise that you provide and require Temples to respond within a limited time as to their selection? You know, two or three Temples, if they took their own sweet time about it, could take week after week to make a decision and tie up the rest of the Shrine.

I would suggest the time given to make a choice be strictly limited. I am sure you already know how hard it is to get answers out of some Temples in connection with some particular question.

NOBLE CUMPSTONE: Thank you, Ed.

Of course, there is no reason that some limited time could not be put into the lottery drawing procedure.

NOBLE EDWARD MAAG: I merely remind you of it.

IMPERIAL POTENTATE POWELL: Is there further discussion?

NOBLE JOHN COUGHLIN [Medinah Temple]: I have a question of you, Charlie.

If a state Shrine Association, let us say, would come in with all of their Temples and want 600 rooms, would this put them in a separate category from the other Temples?

NOBLE CUMPSTONE: No, you would be drawing with the large Temples as well.

NOBLE COUGHLIN: Well, you know, that is not fair.

What if an association comes in and each individual Temple would go in separately—especially if, on the other hand, all of the Temples in another state were going in together and drawing?

IMPERIAL POTENTATE POWELL: Well, as I understood your comment, it was to the effect that you objected to an association putting all of their needs into one grouping and then making application, is that what you said?

NOBLE COUGHLIN: Yes.

REPRESENTATIVE: Imperial Sir, I note that item 7 says that this resolution takes effect with the 1992 Imperial Council Session.

Then, going back under item 1, it provides that the final allocation of rooms shall be

determined by a lottery held on the final day of the Imperial Council Session twenty-four months prior to the subject Imperial Council Session commencing with the Imperial Council Session of 1992.

Now, the way I interpret that, sir, is that we should have the lottery this year for 1994 and not a lottery for 1993.

It provides also that no Binder/Registration Fee shall be due or accepted by the Convention Corporation prior to the date twenty-four months before the public opening of the subject Session. Now, if that is defined to 1992, then we could be in violation because we already have a Binder Fee.

IMPERIAL POTENTATE POWELL: Thank you very much.

I believe we have another Noble over here (indicating).

NOBLE RALPH BOODEN [Khartum Temple]: Imperial Sir, I have concern with item 4 wherein it indicates exceptions for those who would enter the lottery.

Now, I can understand the requirements of the Imperial Potentate but I think at the large centers such as we have to hold these conventions, because of the hotel rooms available, if the host Temple is exempt from that lottery, they could quite conceivably take a first-hand selection of all of the hotels available, leaving the rest to those who are not exempt from the lottery.

That is one concern I have and the other is just an observation with respect to item 5.

It is very difficult to get the Nobility of our Temple even to commit three months in advance in relation to the meeting of the Midwest Association, such as we are in, whether they are going or not.

The last time, we had to find out how many Nobles were going and put up a Binder Fee for twenty-four months in advance, we found out, when that happened, that the intent of those going dropped drastically and it takes something away from the Imperial Session.

REPRESENTATIVE: Imperial Sir, item 7 says that this resolution takes effect with the 1992 Imperial Council Session. If that is a fact, and this is passed the way it is, you cannot have a lottery, the way I read it, until 1992.

IMPERIAL POTENTATE POWELL: Thank you very much.

Now, Charlie, you have heard some objections. Would you try and absorb them and answer them to the best of your ability, please?

NOBLE CUMPTONE: Well, I think, as with anything that is brand new, there are going to be some bugs involved in getting it straightened out.

However, I do not believe that we have ever had a host Temple take that many rooms.

I am sure that they can probably tell us, for example, how many rooms Medinah took this year but, on the other hand, it is rarely a large number.

You know, most people prefer to stay at home rather than to come down and stay at hotels.

Now, insofar as the fairness of it is concerned, we will, of course, try to be as fair as is humanly possible.

Before the complaint was always, on the part of those who complained, that the big Temples who were able to finance their rooms got in ahead of time and got all of the best rooms. However, if this should be passed, they will all be under the same requirement and so they will all come in two years in advance—the money will be brought in and a drawing will be made.

Insofar as those Temples who cannot get money until the last minute are concerned, there are still rooms available. In many places, there are hotels with fifty, sixty to 100 rooms available three or four months out.

This does not mean, however, in two years, that that is it.

However, this was an attempt on the part of the committee to review the complaints and come up with some logical mechanism of handling it. Very honestly, the current system is not all that bad but there were complaints about it and your committee, in turn, attempted to do something about it.

Thank you.

IMPERIAL POTENTATE POWELL: I will next recognize Imperial Sir Everett Evans.

IMPERIAL SIR EVERETT EVANS: Imperial Sir, Imperial Sirs and Nobles: As has been said, we did spend a lot of time working on this and we have seemed to set down, in relation to

this, only one part. Now, I objected to that particular part of it when we met because I could not see how you could actually do that. However, I know that there are several Temples that approached that.

Now, I see nothing wrong with all of the things that our committee worked out, except the apportioning factor.

Therefore, I would so move an addendum to that—and that is, that I would like to make the amendment to do away with the lottery part and then move the question from there on.

... The motion was severally seconded ...

NOBLE RICHARD IRWIN: Imperial Sir, as a member of the committee and the maker of that motion, may I say a few words before we act on the amendment?

IMPERIAL POTENTATE POWELL: It has to be on the motion to amend. If you desire to discuss that, you will be in order.

NOBLE IRWIN: Fine, I will address that question.

The entire motion is to help alleviate some of the abuses concerning our housing, Binders' Fees and that sort of thing and to also provide a fair and equitable method of obtaining rooms at the Imperial Council Sessions.

Yes, many of us have felt that the smaller Temples or those who are having financial problems and that sort of thing are outdone by the larger Temples and we do not and have not had a fair opportunity, an equitable opportunity to obtain better housing space.

Therefore, it was felt and it was suggested that possibly a lottery would be an equitable way to handle the room assignments.

On the other hand, I would like to make this strong point—namely, that the rooms are not assigned on the basis of the lottery. It simply relates to the selection of the rooms. Therefore, you have an ample opportunity to select any hotel that might be on the list. Therefore, it opens it up and makes it fair to everyone.

Also, it would seem that there is another problem with the resolution and that is item 7 and if they would support this resolution, I would move an amendment to delete paragraph 7.

IMPERIAL POTENTATE POWELL: You know, we have been fooling around so much here that I think yours is about the third motion.

We have a resolution, which has been seconded. We then had questions and discussion and then, from that, has come forth Everett's amendment or motion to amend and now you want to come up with something else.

IMPERIAL POTENTATE POWELL: I think we have it straightened out.

Let me announce that we are now going to vote on Everett's motion. He has had a second.

All in favor of his motion or amendment please say aye—

... Cries of "What is the amendment?" ...

IMPERIAL POTENTATE POWELL: Wait a minute.

I think I have to finish this vote before any questions can be asked.

Now, all of those in opposition to that amendment?

Well, we are going to do this one more time and we are going to do it by raising our hands. This is now on the motion or amendment as proposed by Everett Evans.

Perhaps I had better, before I do this, have Ted come up here and explain what you are going to be voting on.

NOBLE CORSONES: Imperial Sir and Fellow Representatives, Everett's motion is to leave the resolution in as far as all applicable provisions are concerned so that there will be equity and fairness, as this resolution says, in selecting the rooms.

Now, deletion of the last paragraph is what is before you. In other words, it has been said that there are other ways of doing this without going into a lottery type of system.

In relation to Everett's amendment, you would leave in the words about "equally" and "fairly."

Now, Everett has said, "We can do it, fellows, by you directing us and have a fair, just and equitable solution." That is the essence of the motion to delete the lottery provision and that is what you are going to be voting on, by majority vote.

IMPERIAL POTENTATE POWELL: Well, again, you are voting on Everett's amendment to the main motion.

All in favor signify by saying aye; those opposed. Well, I am going to ask that you raise your hands and if that cannot decide it, then I am going to ask that we take a ballot.

All those in favor please raise your hands; now those in opposition.

Now, Nobles, I will declare the motion carried and it really is.

REPRESENTATIVE: Imperial Sir, a question.

Does this mean, for example, that the Representatives will not be staying at the headquarters hotel or does this resolution have anything to do with that at all?

IMPERIAL POTENTATE POWELL: Well, you know, that is a good question. Let us find the answer.

NOBLE CUMPTONE: Nobles, this in no way affects the Representatives or the headquarters hotel.

IMPERIAL POTENTATE POWELL: Is there further discussions?

If not, let me now say that we are going to vote for the resolution as amended.

All in favor say aye; contrary no. Well, you know, it is all right by me and so instead of asking you to raise your hands this time, let us all rise.

Those in favor of, will they please rise. Please sit down and now all those who are in opposition please rise. It did carry.

Thank you, Nobles, it did carry.

You know, I am so sure everybody is so happy because I am sure that all of the mumbling going on has nothing to do with the way the vote turned out. However, I also want all of you to remember that it only required a majority, it did not require a two-thirds vote.

Is that okay? Thank you very much.

Now, I am going to recognize Bill Buckaway concerning item 15 in the Call, which involves the Shrine song.

NOBLE BUCKAWAY: Nobles, I wish to just inform you that we have received a request to withdraw this item.

Let me read you this request.

It is addressed "To the Representatives of the Imperial Council:

"I hereby request the permission of this Imperial Council Session to withdraw item 15 on the Call for the Annual Session of 1990."

That is signed by William E. Phillips, Potentate, Aleé Temple and William V. Tyson, Past Potentate and Representative of Aleé Temple.

Now, Imperial Sir, to withdraw requires a unanimous consent of the Representatives.

So I would recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I would move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

IMPERIAL POTENTATE POWELL: Is there a second to the motion?

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: Now, all in favor of withdrawal please say aye; opposed no. I hear several negative votes and so it is not unanimous.

Therefore, we will again hear from Bill Buckaway.

NOBLE BUCKAWAY: This is the report of the Jurisprudence and Laws Committee concerning Item Number 15 in the call.

To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 15 on Call of the Annual Session of 1990, located on pages 24 and 25 of the Call. It is a resolution, that the Shrine Protocol be amended so as to include the musical composition "A Shriner's Love" as the official song. The lyrics of which are:

"A Shriner's Love

Jesus you were there
You were listening to my prayer
You sent an angel in disguise
You sent a noble man who cares
He took me in and cared for me
You sent a Shriner's love to me.

My feet were crippled, I couldn't walk
 I tried to stand, but I would fall
 He gave me braces for my feet
 And made me arms so I could reach
 He stood so tall when I looked up
 He reached for me and held my crutch
 He carried me to a better world
 Made only through a Shriner's love
 CHORUS

Jesus you were there
 You were listening to my prayer
 You sent an angel in disguise
 You sent a noble man who cares
 He took me in and cared for me.
 You sent a Shriner's love to me
 Jesus you were there."

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Theodore Corsones, General Counsel, Past Potentate and Representative Emeritus of Cairo Temple, for a report.

IMPERIAL POTENTATE POWELL: I will recognize Illustrious Sir Theodore Corsones, General Counsel.

NOBLE CORSONES: Imperial Sir, Imperial Sirs and Representatives: There is no question but that proposal 15 is a well meaning proposal offered by a fine Noble of the Mystic Shrine. However, we must ask each other whether it would be appropriate to require a song to be the official song of all Shriners.

Now, perhaps there are Christians who do comprise a majority of the membership of our Fraternity. However, as such, we have an obligation to be sensitive to the beliefs of our minority members.

For example, is it proper to adopt this resolution which requires our Jewish members or any other minority element to sing a song to the Lord Jesus Christ?

Shriners have a responsibility indeed, or trust, to be citizens and we expect the donors of this country to act with us in exemplifying the highest aspirations and ideals of humanity.

Our hospitals are recognized now as organizations that are free of bias and prejudice and insensitivity.

It is true we all believe in one human God.

Also, in our organization, we recognize the development of all faiths. Each offers a guiding light for journeys to Eternity. As such, this organization has always steadfastly refrained from preaching the Gospel of any particular religion or faith.

Quickly, as members of the Shrine, you ought to realize that what I have to say will not be of much importance but I do call to your attention our Articles of Incorporation—namely, that we do not govern our affairs on the basis of religions, creed or sect. The matter of religion is a personal matter for each of us.

Let us not adopt an official eucharistic song that gives thanks to a single specific faith.

This is not the history of the Shrine. Let each of us pray to Deity as his own individual conscience dictates. Let us not take any action here in Chicago that will give any offense to our Nobles. (Applause)

IMPERIAL POTENTATE POWELL: Are you ready to act on the proposal?

... Cries of "yes" ...

NOBLE CORSONES: Imperial Sir, I would move that the proposal be denied.

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: Is there any discussion?

All in favor of the proposal indicate by saying aye; those opposed no. It is denied.

Now, we have some additional announcements from our Imperial Recorder.

... Brief announcements by Imperial Sir Jones then ensued ...

REPRESENTATIVE: Imperial Sir, a point of order.

According to Robert's Rules of Order, the motion was out of order. I mean the motion just made by Noble Corsones and which we acted on. Personally, I think it threw us all a curve. I think most of us voted for it without a clear understanding of it.

IMPERIAL POTENTATE POWELL: Well, sir, I do not know too much about this and so I will have to ask my advisors up here.

Now, it is said up here that your point is well taken.

NOBLE BUCKAWAY: I think we all know the sense of the convention but the question should be "Are you in favor of the proposal as opposed to a negative."

IMPERIAL POTENTATE POWELL: Well, would you like to vote again?

NOBLE BUCKAWAY: Imperial Sir, to get us straightened out here, I would move for the adoption of the proposal.

... The motion was severally seconded ...

NOBLE LAMDIN: A motion to table is in order at this time, be careful.

IMPERIAL POTENTATE POWELL: Well, what do we do now?

NOBLE BUCKAWAY: Let me say that I am not in favor of this proposal but to recommend it to you so that you can vote on it, I moved the adoption of the proposal.

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: Now, we will vote on the motion to adopt.

Please remember, if you vote in the affirmative for adoption, the proposal is carried. If you vote in the negative it is denied.

Now, all in favor of the proposal please say aye; opposed. The motion is defeated.

Now, we will just take a brief stretch here and then go right back into session.

... A brief standing recess ensued ...

IMPERIAL POTENTATE POWELL: Representatives, it is now one minute after three o'clock. You have been very patient. Please take your chairs and we will be in order and continue.

I will recognize our Imperial Recorder, Jack Jones.

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs and Representatives: The Bylaws provide that the election of the Imperial Potentate shall be the last order of business on the first day of the Session, unless otherwise ordered by the Imperial Council.

I move you, sir, that all Imperial Officers be elected today.

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: All those in favor of this motion indictate by saying aye; opposed no. The motion is unanimously carried.

Thank you.

We will now proceed with the election of our Imperial Potentate for the ensuing year.

I will recognize Illustrious Sir Alvin Wong, Potentate, Islam Temple.

ILLUSTRIOUS ALVIN WONG [Potentate, Islam Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Members of the Divan, Honorary Dignitaries, Nobles and Friends:

IMPERIAL POTENTATE POWELL: Now, I am pleased to announce that all of those who have been elected and moved up the so-called one notch are illegal and they are not what we think they are. (Laughter)

I say that simply because I failed to ask whether there were any other nominations for any of these positions that we voted on today. (Laughter)

Now, fellows, in order to keep this legal, if there were no further nominations to be presented concerning any of these elected positions, will somebody then now move that they are elected legally?

. . . The motion was severally made, severally seconded and was unanimously carried . . .

IMPERIAL POTENTATE POWELL: Now, we come to nominations for the Office of Imperial Outer Guard.

Are the nominators up here?

The candidates will sit on the stage in designated chairs. Nominators' speeches are limited to five minutes each. Then the Imperial Potentate calls on the Chairman of the Elections Committee to announce the procedure to be followed. Thereafter, the Imperial Potentate announces the ballot to be used. After all Representatives have voted, the Imperial Potentate declares the ballot closed."

. . . At this point Nobles Kenneth Smith and Robert Turnipseed seated themselves before the Representatives . . .

IMPERIAL POTENTATE POWELL: The nominator for Illustrious Sir Kenneth Smith will be the first to present his nomination.

Please proceed.

ILLUSTRIOUS SIR LESLIE R. PETERSON, Q.C. [Past Potentate, Gizeh Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Masonic Guests and My Fellow Representatives and Nobles All: My name is Leslie R. Peterson of Gizeh Temple and it is a great privilege and a great honor for me to place in nomination today a distinguished Past Potentate of our Temple and a Representative here today, Kenneth Smith, for the Office of Imperial Outer Guard of the Shrine of North America.

You may remember that our Imperial Sir, this morning, in his remarks, told us that we in effect should not complain about the leadership of our various Shrine Temples if it was not satisfactory. In other words, it was our responsibility to elect the most qualified candidate for the job.

Now, in the case of the Imperial Divan, we do have among us a highly qualified candidate for this position and it is the individual that I am nominating today, Kenneth Smith.

Illustrious Kenneth Smith is one of the most innovative, one of the most dedicated, hard working Shriners that I have ever had the privilege of knowing. His great enthusiasm his positive outlook and his total commitment to our Shrine makes him the ideal choice for this Office. You know, the true test of a leader is that he instills in others a determination to build a better and stronger tomorrow upon the foundation of today and Kenneth Smith, with his proven skills and leadership and ability, has passed that test with flying colors.

If you have not talked to him, let me acquaint you with some of his achievements.

He is a most productive member of our great Fraternity. He has been a member of Gizeh Temple since 1963, served as Potentate in 1985 and has likewise served as a member of both the Scottish and the York Rites as well as other important bodies, such as the Red Cross of Constantine and the Royal Order of Jesters.

He holds the Legion of Honor in the DeMolay.

He has devoted a great deal of time and effort, as many of you know, to the work of the Imperial committees, as well as to the great East-West Shrine Classic Football Game.

He is likewise a devoted husband and father and has two wonderful children, Mark and Wendy, who enthusiastically support him in this endeavor.

In relation to fraternal and civic activities, Ken is an active member of his church; has demonstrated his business ability in his own business.

Many of you may recall that in 1987, Ken ran a very strong campaign for this very same Office when we met at our Imperial Session in Las Vegas. Ken had hoped to continue his quest for this position of Imperial Outer Guard but his doctor's orders slowed him down for a short time. However, he very soon thereafter received a clean bill of health from his doctors and then, at our 1988 Imperial Council Session, received the highest number of votes for the Office of Trustee for Shriners Hospital for Crippled Children.

This experience, I would suggest, will be very valuable to him as he proceeds through the kind of leadership and experience that is required as one proceeds through the Imperial Line.

At fifty-six years young, Ken is prepared now to assume the responsibility of guiding our great philanthropy.

Nobles, we have now entered a new day, a decade which will lead us into a new millennium and which will involve many, many changes to our great Fraternity. Some of them were referred to earlier today by our Imperial Sir—changes that relate to our membership, to fiscal responsibility, as well as to the further development of our hospitals.

It is crucial today that we keep in mind our commitment for our future and fortify our responsibilities to place in office the most qualified individuals who can help us in the future.

Qualifications should be the biggest consideration for today and Ken Smith has both qualifications and the needed experience.

I certainly believe that Ken Smith's enthusiasm, tempered with realism, will provide us with effective and productive leadership necessary to move us into the future and provide for the children whom we all are committed to.

I ask you to cast your vote of experience, qualifications and improved leadership results. I ask you to vote for Ken Smith.

IMPERIAL POTENTATE POWELL: Thank you very much, Illustrious Sir Peterson.

I will now recognize John Doran.

ILLUSTRIOUS SIR JOHN DORAN: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Nobles All: I come before you today to place in nomination the name of Robert Turnipseed for the Office of Imperial Outer Guard.

Some eighteen months ago, at the East-West Game, my wife and I were sitting with Bob and his wife when Bob told me that he had planned on running for the Office of Imperial Outer Guard. He asked me at that time if I would support him in his bid for election and I told him that I would.

Sometime later, Bob called me at my home one evening and asked me if I would give his nominating speech in Toronto last year. I was overwhelmed, when he asked me and, in turn, I asked him, "Should you not be looking for someone with more stature in the Shrine of North America, someone more well known across the country, someone with more speaking experience and someone more qualified?" His reply was, "No, I do not want someone qualified, I want you." (Laughter)

He indicated to me that he asked me to nominate him because I was the first one to say that I would support him.

For the past eighteen months, Bob Turnipseed has been traveling all over North America visiting Shrine Temples, being in attendance at Association meetings and conventions. He has been meeting with you and shaking your hand and telling you his story.

Bob has made it a point to try to meet each and every one of you and if you have not met Bob, you have missed something. I say that because he is a man's man, a real person; a person who cares about our crippled and burned children. He is also a man of compassion, a person who tells it like it is and has visions of how it could be.

Once he makes a commitment, he sticks with it.

He is a man that makes commitments and keeps them. He made a commitment many years ago to the United States Navy and, as it turned out, he kept his commitment to the United States Navy, serving in Korea and in Viet Nam.

Bob met his wife, Clara, and likewise made a commitment to her and kept that commitment.

Bob, after his retirement from the Navy, started another career in land development and in the home construction business. He became one of the leading contractors in his state.

Likewise, Bob had made a commitment to Masonry and to the Shrine of North America.

Bob made a commitment eighteen months ago to run for the Office of Imperial Outer Guard. His sites have never waived from that objective.

Bob made a commitment to serve the Shrine of North America with all of his resources, both fiscal and physical.

Bob knows the problems that we at our various Shrine Temples are having and he wants to work with us in solving those problems. There is the problem of membership, the problem of high transportation costs.

Bob will work toward the common goal with all of you and attempt to make the Shrine of North America a better organization.

Bob is very, very aware of the fact that the whole and some of its parts cannot prosper unless they are held together by a common thread.

He is willing to listen to your problems. You will find him accessible and willing to listen to your ideas.

Bob has committed himself to the Shrine of North America and in working hard for it during the next eleven years and beyond, to the turn of the century.

We need a solid, stable individual like Bob sitting on the Imperial Divan to lead us into the next century.

I am sure you have all seen his qualifications and now it is time to join with me in voting for Robert Turnipseed for Imperial Outer Guard.

Thank you very much.

IMPERIAL POTENTATE POWELL: Thank you very much.

I will now recognize the Chairman of the Elections Committee to announce the procedure to be followed.

NOBLE HATHAWAY: We will use ballot no. 1 but please tear off the little stub. Thank you.

IMPERIAL POTENTATE POWELL: Are there any other nominations? Are there any other nominations? Are there any other nominations?

Hearing none, I declare the nominations closed. (Gavel)

. . . Whereupon, balloting and collection of ballots then ensued . . .

IMPERIAL POTENTATE POWELL: Have all ballots been collected? Has everyone voted who desires to vote? I will ask the same question once more—has everyone voted who desires to vote? Hearing no negative replies, I will now declare this ballot closed. (Gavel)

While the ballots are being tallied, I will recognize Imperial Sir Everett Evans at this time.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs, Representatives and Nobles All: At this time I would like to recognize the 1989 Dromedary Award Winners. These awards are presented for Temple efforts in relation to their individual publications, newsletters and what have you. Let me give you a little bit of background concerning these Dromedary Awards and then likewise present the Dromedary Award winners and the honorable mention awards.

Publications were categorized by type of publication and size of Temple membership. There were three types of publications:

1. Newsletters
2. Newspapers
3. Magazines

There were four categories of Temple membership, with approximately the same number of Temples in each membership category. The four membership categories were:

- A. From zero to 2,000
- B. 2,001 to 3,500
- C. 3,501 to 5,500
- D. 5,501 and up

We allowed for twelve top Dromedary Awards—one for each type of publication and each Temple size. For example, Category 1A (newsletters, Temple membership under 2,000 members, Category 2B (newsletters, membership between 2,001 and 3,500), and so forth, all the way to Category 3D (newspapers, membership over 5,501).

The judges, an impartial panel of public relations professionals, graphic artists and journalists from the Tampa Bay area, scored publications on a rating scale from 1 to 5, with a score of 3 being "satisfactory." There were top winners (Dromedary Awards) in 9 of the 12 categories, with three categories having no winner named. The winners in all cases received the highest score in their category and all had scores higher than 3. In the categories with no winners, there were only two or three publications in each category, and none had a score of 3 or higher.

There were an impressive 41 Honorable Mention Award winners—publications that received high marks but were not the top scorers in their categories. (All Honorable Mention award winners also received scores higher than 3.)

IMPERIAL POTENTATE POWELL: Thank you for your report, Everett.

I understand we have the results of the ballot. Please let me have your attention. Also, let me say that after we have been presented with the ballot results, we do still have a few little things to take care of.

Now, at this time, may we have the results of the ballot for Imperial Outer Guard.

NOBLE HATHAWAY: Fellow Representatives, I give you the result of ballot No. 1 for the Office of Imperial Outer Guard.

There were 852 votes; 829 actually voted; there was one spoiled ballot; necessary for choice, 415. The ballots were distributed as follows—Ken Smith 335 and Robert Turnipseed 493. (Applause)

ILLUSTRIOUS SIR KENNETH SMITH: Imperial Sir, Imperial Sirs and My Fellow Representatives and Nobles: I at this time would like to move that we place a unanimous ballot for the election of Robert Turnipseed of Calam Temple, Lewiston, Idaho, to the Office of Imperial Outer Guard for the ensuing year.

... Cheers and applause ensued ...

IMPERIAL POTENTATE POWELL: Do we have a second to the motion?

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: All those in favor say aye; those opposed. It is unanimously carried.

Thank you.

I will now recognize Illustrious Sir Bob Turnipseed.

ILLUSTRIOUS SIR BOB TURNIPSEED [Calam Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Nobles: I thank you very, very much.

... Rising cheers and applause ensued ...

IMPERIAL POTENTATE POWELL: Bob, I would like to remind you of one thing and that is that all of those that did not vote for you, I can almost fully promise you that tonight they will say that they did. (Laughter)

Also, to Ken Smith, a great Trustee and a great guy, in some way, some how, he is going to be with us for many years to come.

Is that true, Ken? (Applause)

NOBLE SMITH: Yes.

IMPERIAL POTENTATE POWELL: Let me remind you that tomorrow there will be a great parade, in a great city, Michigan Avenue, flat as it can be.

Also, tomorrow afternoon, at three o'clock, bring your ladies.

You will be viewing a program tomorrow put on by Everett Evans and Mike Andrews which is going to thrill all of us—and your ladies, too. So please be sure you are here tomorrow at three o'clock.

Also, should we have some time, we may do some more balloting and so please bring your ballot books with you.

You know, you were delightful today, absolutely wonderful. (Applause)

Now, are there any announcements of any kind?

... Brief announcements were then made by Imperial Sir Jack Jones ...

IMPERIAL POTENTATE POWELL: If there is nothing further, I will declare this meeting adjourned until tomorrow afternoon at three o'clock p.m.

... Whereupon, at four o'clock p.m., the Session was adjourned to reconvene the following day at three o'clock p.m. ...

AFTERNOON SESSION
WEDNESDAY, JULY 4, 1990
THREE O'CLOCK P.M.

The One Hundred Sixteenth Annual Session of the Imperial Council reconvened in the International Ball Room, Chicago Hilton and Towers Hotel, Chicago, Illinois, at three o'clock p.m., Imperial Potentate George Powell presiding.

IMPERIAL POTENTATE POWELL: Will all of you please take your seats so that we can commence our Session.

You know, it is just wonderful to look out at this audience and see everyone here, especially all of you ladies, for this portion of the program, and I deeply appreciate you all being in attendance.

At this time, I would like to call on the Reverend Peterson to give us the Invocation. Will you all please rise.

REVEREND JOHN PETERSON [Imperial Chaplain]: Our Lord, we do thank Thee for Your watch over us.

We did pray and have prayed for some time that You would give us good weather for this Convention and you have certainly supplied it. We are grateful.

We pray now that You will come to bless our meeting this afternoon so that we may continue with whatever we call our business.

We pray that we shall take a broader vision and see that our business is really Your business for you are interested in boys and girls.

Also, we ask that as we meet here to discuss and pass legislation, that it will be beneficial to all of our hospitals and, when that happens, we shall likewise realize that we are working together with You.

We pray Thy richest blessings upon our organization, our administrators and our nurses and may they continue to be co-laborers with you.

Bless us this afternoon that in that moment when we may disagree one with another, we shall not be disagreeable but that we shall disagree in the spirit of love and affection.

We ask it all in your name. Amen.

IMPERIAL POTENTATE POWELL: Now, before we go into our other business for this afternoon, I have a little demonstration that I would like to make at this time.

Each of the Representatives received a screw driver. Now, I want the ladies to pay particular attention because in all probability you will be using it more than your husband and I want to make sure that you know how it works.

It is what we call a four square screw driver. For example, we have here a Phillips head and then, when you pull that out, you have a smaller one on the other side. Then you pull that out and put it away and, over here, you have a small straight screw driver up here (indicating) and, when you pull that out and reverse it, you have a larger one on this side.

Therefore, as you can see, it is a four-way screw driver. You only have to have one when you need a screw driver and that is this particular one.

Now, when you get home with this, and you need to use this kind of instrument, I would hope you would be the first one to grab it. (Laughter)

Now, one more thing and that is that Dr. Norman Vincent Peale and his wife are here safe in the hotel resting and looking forward to being with us tonight at the banquet.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL SIR EVERETT EVANS: Imperial Sir, Imperial Sirs, Grand Masters, Illustrious Potentates, Members and Representatives of the Imperial Council, Ladies and Special Guests: If I might, I would like to take a point of personal privilege in behalf of the Imperial Public Relations Committee before actually beginning my public relations part by asking our Chairman of the Board, Gene Bracewell, to come back up here for a moment, if he will.

... Imperial Sir Bracewell then approached the podium ...

IMPERIAL SIR EVANS: As everyone in this room knows, public relations today has become vitally important to the very existence of many companies, organizations and even world

powers. A renewed emphasis is being placed on image, both in the business and the world communities.

The trend has been to involve the CEO or President as the focal point for public relations efforts, again, whether it is a major corporation or sometimes an entire nation. All you have to do is look at Chrysler and Lee Iacocca or the Soviet Union and Mikhail Gorbachev to realize the public relations strategy for the 1990s.

Having a high profile CEO in today's world is of paramount importance—someone who can maintain a high visibility and effectively represent their company or an organization.

Shriners Hospitals is fortunate because we have a leader, a number one man who, in my mind, is in a class with any corporate leader and even many world leaders—our Chairman of the Board of Trustees, Imperial Sir Gene Bracewell.

Last year, Gene represented Shriners Hospitals in the Rose Garden Ceremony in Washington, when President Bush honored the Shrine for the work of its hospitals during National Volunteer Week.

He worked closely with Project Hope and the United States State Department representing us in negotiations which led to our involvement with aid to El Salvador during their devastating earthquake and he was paramount to the success of our efforts to assist the Soviet Union during two major disasters in that country—the nuclear accident at Chernobyl and the railway disaster in the Ural Mountains last year.

Gene addressed the American Academy of Orthopaedic Surgeons at their annual meeting in New Orleans, when our Director of Medical Affairs, Dr. McCollough, was honored as outgoing President of the Academy.

And he travels throughout North America on our behalf speaking at Shrine Hospital ground-breakings, dedications and administrative and medical conferences.

He probably puts in eighty hours a week working for the Shrine and I will bet another eighty hours as the President of the National Chemical Company in Atlanta. Of course, if I am correct, that would mean Gene only gets about an hour of sleep a night but those who know Gene know that within the schedule he keeps, between his Shrine work and his work for National Chemical, I may not be far off.

I call him "Mr. Shriner" because I do not know of a more dedicated Noble in all of Shrinedom or one that does a better job representing us. If you do, please let me know, because I would sure like to meet him.

Through the years Gene Bracewell has served, in 1980 and 1981, as Chairman of our Imperial Public Relations Committee and I have always felt that those years were the years that started us in the right direction public relations-wise—serving as the cornerstone of our efforts that have allowed us to get to where we are today.

Gene served as Chairman of the Building and Equipment Committee in the early 1980s, during one of the most aggressive times in our hospital program and in 1984 and 1985 he represented the Shrine as our Imperial Potentate, making more visitations to Shrine Hospitals and Temples than perhaps any Imperial Potentate in modern times.

Since 1987, when we elected him as Chairman of the Board of Shriners Hospitals, Gene has shown a sense of unsurpassed commitment and dedication and provided leadership which has served as an inspiration to Shriners world-wide.

Often times, dedication to a cause goes unrecognized, but in this case I think the Imperial Public Relations Committee felt that what Gene Bracewell has meant to the Shrine and our great philanthropy should be officially recognized.

So on behalf of the Imperial Public Relations Committee, I would like to present you, Gene, with this special plaque and, if I might, I would like to read it.

"Presented to Gene Bracewell, in recognition of your outstanding contributions to the public relations efforts of the Shrine of North America and Shriners Hospitals for Crippled Children.

"During the course of the past ten years, through the various committees which you have chaired and offices you have served in, you have repeatedly helped to shape and mold positive and favorable public opinion toward the Shrine Fraternity and its Philanthropy, Shriners Hospitals. Your untiring dedication to our cause of helping crippled and burned children and your boundless enthusiasm to tell the Shrine Story, serve as an inspiration to Shriners worldwide.

"The Imperial Public Relations Committee salutes you and hereby recognizes you as its Shriner of the Decade, 1980-1990."

This plaque is signed by our Imperial Potentate, George W. Powell and myself, Everett Evans, as Chairman of the Imperial Public Relations Committee. . . . Presentation of plaque and rising applause ensued . . .

IMPERIAL SIR BRACEWELL: Thank you very, very much.

IMPERIAL SIR EVANS: You know, for quite some time now I have been traveling across North America extolling the virtues of a strong public relations program and time and time again, Nobles have come up to me or written to us and say, "Cannot we include the public relations report in a program so that more than just the Nobility can learn about what is happening—the projects and programs that are yielding such positive results in terms of an improved image and renewed awareness of our Association with our philanthropy, Shriners Hospitals for Crippled Children?"

And, thanks to our Imperial Potentate, Imperial Sir George Powell, we are here today during a time when we can, as the old expression goes, "Preach to more than just the choir." Actually, however, I promise I will not preach to you but, instead, I hope to give you an overview, sort of a state of the union address, if you will, on the state of Shrine public relations efforts because, as Frank Sinatra would say, "It was a very good year."

[Slide]: The cornerstone of our public relations program over the years has always been our public service announcements, our PSAs, and this past Imperial Year we launched no less than five public service campaigns. By way of review, I am going to show you a short video of excerpts from what was one of our most active years ever.

However, before I do that, I want to take a few moments to show you something that most of you never get to see.

You know, we work very hard in producing the public service announcements that appear on television in your own hometowns, but you only see the polished, finished report, you do not see what goes into the making of these PSAs, the problems and, a lot of times, the fun we have making them. So I thought as a little bit of a treat today, we would show you a very short montage of some of the "behind the scenes" moments from a few of our celebrity public service campaign tapings.

. . . At this point, a video tape involving a short montage of some of the actual "behind the scenes" moments involving a few of the Shrine celebrity public was presented . . . (Applause)

IMPERIAL SIR EVANS: I hope you enjoyed that. Many of the Representatives have seen parts of that tape before but I know that your ladies have never seen it and I thought they would enjoy it.

Now, let us take a look at them onstage with segments from the five public service campaigns we developed this past Imperial year, ending with the two new PSAs which we distributed just last month, and we will let you take a look at those in their entirety.

. . . A video presentation concerning the five public service campaigns developed during the past Imperial Year, ending with two new PSAs distributed just last month, was then shown . . . (Applause)

IMPERIAL SIR EVANS: Now, besides our public service campaigns, the Imperial Year passed marked the production and distribution of two video news releases—one aimed at providing some support to our membership efforts and one on the revolutionary surgical procedure, the Illizczarov limb lengthening technique.

I have brought along the Illizczarov video news release and I would like to show you one segment of that two part series because it provides a truly unique insight into some of our amazing work being performed at our Shriners Hospitals.

. . . Video presentation of the Illizczarov procedure then ensued . . . (Applause)

IMPERIAL SIR EVANS: [Slide]: Also, a year ago this month, at our Session in Toronto, we premiered a new Shriners Hospital film and I am glad to be able to report that besides the tremendous effort on the part of our Nobility to show "New Day, New Hope" to groups in their own hometowns, we have been able, through West Glen Communications in New York, to distribute the film to nearly 500 civic clubs, service organizations, schools and church groups in the past five months alone. We have also placed it on over 100 cable stations, with a potential viewership of nearly three million subscribers.

[Slide]: We have taken the story of our hospitals into movie theatres via the Popcorn Report—a sort of 1990s version of the old movie tone newsreels that I am sure you are all familiar with, and reached over 1,100,000 moviegoers in a three-month period.

[Slide]: We have also taken our offer of free medical this past year to the “marketplace,” literally.

Over 8,000 grocery stores displayed shopping cart signs with information about Shriners Hospitals, including our toll-free information number. Over a quarter of a million shopping carts carried Shriners Hospitals information during the month of December, one of the busiest shopping months of the year for grocery stores.

[Slide]: And over 8,000 aislevision signs—the signs up next to aisle directors in stores—continue to be in place through the end of 1990.

Calls have been received from people in twenty-five different states saying that they saw these signs and wanted either more information or wanted to refer a child to one of our hospitals. So far, nearly two dozen children have actually been referred to a Shriners Hospital for treatment as a result of this campaign.

[Slide]: In May, we took advantage of another unique approach when we began to utilize in-store audio systems to spread the word about the free expert medical care available at Shriners Hospitals through an innovative relatively new system, one that broadcasts a combination of music and product information in over 18,000 stores over their audio systems. Our Shriners Hospitals’ celebrity radio public service announcements are being included every hour, mixed with the music and commercial announcements that shoppers hear. Stores carrying our announcements included food, toy, drug and home care stores.

The combination of shopping the cart and in-store point-of-purchase audio messages is allowing us to reach over half of all United States households and has provided us with over \$3.4 million worth of free advertising for Shriners Hospitals.

[Slide]: In addition, we continue to distribute newspaper articles, complete and ready for use by local suburban newspapers across North America, through the North American Precis Syndicate Service.

[Slide]: This service has allowed us to reach an estimated audience of eighty million people this year and were we to have purchased the space we received free from newspapers, it would have cost us in excess of \$2 million.

[Slide]: Of course, this past year we continued to utilize numerous other methods to promote the Shrine and Shriners Hospitals including—

[Slide]: Outdoor advertising. Our billboard campaign enjoyed one of its most successful years.

[Slide]: Bus cards, and you Canadians will be glad to know that with the help of the Gizeh Shrine Temple, we were able to meet the requirements of the transit authorities in Canada and had specially made bus cards printed for distribution in Canada.

[Slide]: Truck decals continue to be extremely popular with Shrine Temples and, in fact, the Niagara Mohawk Power Company in Upstate New York and Coors Brewing Headquarters in Golden, Colorado, launched major campaigns placing hundreds of truck decals on their vehicles just within the past two months.

[Slide]: Airport signage was also popular this past year, with several airports consenting to place a diorama in their terminals and, as of the moment, we have brought the total to over two dozen major airports that presently have, or have in the past, displayed information about Shriners Hospitals. A tip of the Fez here should go to Aleppo Temple’s Harold Foley. Harold is a member of our Imperial Public Relations Committee and he has done the lion’s share of the leg work in getting these signs into airports for us.

[Slide]: And, as always, we continued this past year to distribute millions of brochures through the Public Relations Department in Tampa at International Shrine Headquarters. In fact, over five million pieces were sent in the past twelve months.

[Slide]: And we sold or loaned out thousands of Shrine films and video tapes—all designed to help spread the word about our great Fraternity and the world’s greatest philanthropy—Shriners Hospitals for Crippled Children.

[Slide]: As I said earlier, it was one of our most effective years and one that certainly allowed us to continue to “turn up the volume on our visibility,” improving both the Shrine image and awareness of our association with our outstanding hospital program.

Now, I have spent a lot of time today showing you some of the unique and innovative approaches that we are using to promote Shriners Hospitals and I could stand up here all day and give you all kinds of statistics about the percentage of people who know about Shriners and are aware of our hospitals today, compared with ten years ago, or statistics on the number of children we have helped, but you all know, as well as I do, that statistics do not tell the real story. Shriners Hospitals are among the most successful in the world but the measure of our success is reflected in what we were able to do for the children we help.

And, you know, for any Noble who has stood during ninety degree weather with his Fez on a street corner collecting money for a paper drive; for any Noble who has gotten up at four o'clock in the morning to drive half-way across the state to transport a little boy or girl to one of our hospitals; for you fellows and for your ladies who put up with us during those times we are not home to be with them or our own children, this special part of our report is for you.

[Slide]: Because the measure of our success as Shriners and as human beings is measured in those we help. And I know that from time to time, if you do not visit one of our hospitals, you can lose sight of just what your hard work and dedication can mean to a child and their family. So, let me bring you up to date on someone that all of you have known for nearly seventeen years now, whether or not you realize it.

[Slide]: This is Michelle Holdorf and at the age of four she posed for this poster. It has become known as our "Help a Shriner Help a Child" poster. Since 1974, when it was created, it has been one of our most popular posters. Hundreds of thousands of Shriners have fallen in love with the little girl on this poster, even though most of them never knew her name. Her name, as I said, is Michelle Holdorf and, Nobles and Ladies, get ready to fall in love all over again.

. . . Whereupon, the video presentation entitled "The Michelle Holdorf Story" then ensued . . . [Applause]

IMPERIAL SIR EVANS: Ladies and Nobles, you know, it is often said we do not only just treat limbs and patients at our hospitals, that we make children whole—that we make them whole by treating their personalities and giving them what they require and make them into a person that fits today's life.

Now, I would like you to meet the individual that was involved in this story, Miss Michelle Holdorf.

. . . Whereupon, the assembly arose and applauded as Miss Michelle Holdorf, together with her mother and father, were escorted to the podium . . .

IMPERIAL SIR EVANS: Ladies and Nobles, Michelle wants to talk to you and I am sure you want to listen to her.

MISS MICHELLE HOLDORF: Let me first say that I never thought I would have the chance to talk to all of you here today. However, when the opportunity came up for me to speak here, I jumped at the chance, especially to tell you about the things I want to thank you for.

You know, when I was growing up, it was so important to me to look like everyone else. The Shriners helped me to fill the void of my life without my arms and my legs.

You provided prosthesis so I could continue my life despite the loss of my legs.

You know, as time passed, I began to know that I did not have to be like anyone else. I am so comfortable being the way I am. I want people to accept me for who I am and who I was.

I felt more comfortable in getting along with my wheelchair and so, as a result, I stopped wearing my prosthesis. I have continued to do my daily living from this wheelchair so that other children, in turn, can see that there are likewise possibilities for them to continue their respective lives.

Shriners Hospitals has helped to mold me with a personality that makes me a separate person; you have helped me to see that I can do anything that I have set my mind to do. I am so much of what I am because of all of you. You have helped me to have special qualities that I can share with others.

Again, I owe so much to Shriners Hospitals that saying "thank you" is not enough. I hope that throughout my lifetime, I will be able to exemplify what you have done with me through my association with others having physical deformities.

I love the Shriners with all of my heart and, again, I am deeply, deeply grateful for all that you have done for me.

... Rising applause ensued ...

IMPERIAL SIR EVANS: Now, I would like to have you listen to Michelle's mother because I think she has one or two small things she would like to say to you.

MRS. LINDA HOLDORF: I would personally like to say to all of you, at this time, that I do most sincerely thank you for everything that you have done for Michelle. As I look back to where she was, we did not really believe that she would be able to do the many things she does today but all of this has been made possible by the Shrine and Shriners Hospitals.

I think that Michelle's attitude, her outlook on life, the reflection of the hospital team, the staff, the doctors and the other individuals in the hospital, all had a very powering effect on her.

Also, I know that Michelle does not use her legs now. I know that at one time it was very important to be able to use them but this wheelchair has given her so much more than arms and legs. It has given her self-confidence and a personality that nobody will ever take away from her.

I really again want to thank all of you and also say that beyond my wildest dreams, I never believed that I would ever see so many Shriners in one room but, again, in behalf of my husband and I, we both want to thank you very, very much.

... Cheers and applause ensued ...

IMPERIAL SIR EVANS: You know, the Imperial Potentate says that we are not going to work any more today and I am glad for that because I want you to come down here and meet our hero and her mom and dad and also take this time to be appreciative of what we have been able to do and what they have been able to do with us and with that, Imperial Sir, I would move for the adoption of this report.

IMPERIAL POTENTATE POWELL: You know, I will be darned if I am going to ask for the question in relation to that.

I again want to thank the Recorder of the Temple for having written to me the letter he wrote saying to me, "George, we must, we must, we must bring the ladies to this wonderful part of the Imperial Session which we have each year." So to you, again, I say "thanks." Also, I am sure that everyone in this audience says thanks again to this Recorder for this very great letter and what you have caused to happen here today.

Now, we have another great guy here, Joe Padgett, just a great guy and so lovable. He wants to tell you something which I think you are going to like to hear.

Tell them, Joe.

IMPERIAL SIR PADGETT: Ladies and Nobles, this is the first time that this has happened but, with the endorsement of our Chairman, Gene Bracewell, I would like to ask you, Ev, to do this again next year. (Applause)

Thank you very much and, again, God bless all of you.

IMPERIAL POTENTATE POWELL: Do not go away, Joe. Do you realize that it will be a year before you and I or anyone else will see any Nobles with their Ladies like we are seeing here today and I think it is just a wonderful feeling and, further, as you have said to me many times, "George, how lucky we are that we have the support of these ladies." Of course, they are doing it again today—they are supporting us again on this great afternoon.

So, Joe, your wishes are coming true and there is no doubt about that. As I heard so many say to me today, there is not anything, there is not anything that these Nobles and these ladies would not do for you to make sure that you have a wonderful, wonderful year and, as you heard, they are all behind you—we are all behind you. God bless you. (Applause)

IMPERIAL SIR PADGETT: Thank you, George. It is great seeing all of you and I am sure we will all be together in 1991 at San Francisco.

Again, God bless you. (Applause)

IMPERIAL POTENTATE POWELL: Now, again, please feel free to stay and visit with this wonderful young lady and her family.

We will begin our Session tomorrow morning at nine o'clock. Please bring your ballot books with you.

Thank you very much.

... The One Hundred Sixteenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at four-ten o'clock p.m. ...

BANQUET SESSION
WEDNESDAY, JULY 4, 1990
EIGHT O'CLOCK P.M.

The Imperial Potentate's Banquet for Imperial Representatives, their ladies and guests, convened in the Grand and International Ball Rooms, Chicago Hilton and Towers Hotel, Chicago, Illinois, at eight o'clock p.m., Director General Earl Brown opening the Banquet Session.

DIRECTOR GENERAL EARL BROWN: Imperial Sir, Imperial Sirs, Representatives, Distinguished Guests and Ladies: I previously welcomed you to this One Hundred Sixteenth Imperial Council Session as the Director General of this One Hundred Sixteenth Imperial Council Session.

I am just as sincere, just as proud and, yes, just as delighted to welcome you to this banquet here tonight. (Applause)

My first duty this evening is to introduce our distinguished guests.

Now, this may be breaking protocol but first let me introduce my helpmate and bed partner Nancy Brown. (Applause)

Also, as I introduce the other distinguished guests here, I will ask that you hold your applause until they have all been introduced.

... Whereupon, Illustrious Sir and Director General Brown introduced the various distinguished guests present, these introductions including Past Imperial Potentates, members of the Board of Trustees and the Imperial Divan ... (Applause)

DIRECTOR GENERAL BROWN: And now, ladies and gentlemen, I would like to present to you our Imperial Chaplain, the Reverend John Peterson, for the Invocation. Will you all please rise.

REVEREND JOHN PETERSON [Imperial Chaplain]: Shall we pray.

Father, we are grateful for this day and what it has meant to each of us, very conscious of Your presence, the fellowship of these, our loved ones and our fellow Nobles.

We also pray now that as we have assembled for the closing of the day that we shall still enjoy Your presence in the fellowship of our loved ones and friends and fellow Nobles.

We are grateful for this occasion that has brought us together, honoring our loved one, our Imperial Potentate. Grant Thy blessing upon him that he shall continue in the field of leadership guiding and directing us.

Also, Father, we are grateful for the food that has been provided for us. We pray that You will bless it to our bodies and our bodies to your service.

We ask all of this in Thy Holy Name. Amen.

... At this point, the serving of the banquet dinner ensued ...

IMPERIAL POTENTATE POWELL: As you finish up, let me continue with our program here.

First of all, let me say that we can assure you that we are most fortunate that we are in Chicago and we have all of those from Medinah Temple who have served us so well.

A special thanks, of course, to Earl Brown and to Nancy.

I know we, from our part of the country, do have some supporters here likewise but it is wonderful to be here with you and I am also delighted tonight that Norman Vincent Peale could be with us.

Let me also say that up until very recently, this was truly a man's organization. However, it has changed in past years. (Applause) It still is a man's organization because the women let us be a man's organization. (Laughter)

Now, I need actually say nothing about Dr. Norman Vincent Peale because I am sure you have all read of him for many, many years. He is a most delightful person, a true inspiration to all in all walks of life.

He means much to the Powell family. I read his publications. I like the stories he tells and they are always human interest stories. So perhaps we can get him tonight to tell us a few more.

Therefore, at this point, it is my privilege to present to you Dr. Norman Vincent Peale. (Applause)

DR. NORMAN VINCENT PEALE: Imperial Sir, Imperial Sirs, Nobles and Friends and Master of Ceremonies: You know, this is a terrific meeting. It is much better than one I was in the other night.

On that occasion, I was a speaker at the Annual Dinner of the Missouri State Association of Funeral Directors. (Laughter) This exciting gathering was held in Kansas City and I arrived at the little room off the main ballroom where the head table was gathering—the leading undertakers of the state. (Laughter)

According to advance information, they had all shown up wearing black tie and a black tuxedo and each had appended to his lapel a white carnation. (Laughter)

I had the same instructions as to dress and showed up in similar garb. It only remained to affix a white carnation to my lapel. This job was assigned to a lady undertaker, a charming, although somewhat diminutive woman and it was with considerable difficulty from the standing position that she was able to affix this flower to my lapel. (Laughter) Nor was she all that dexterous for she stuck her thumb and ran another pin into my shoulders. (Laughter)

Finally, in complete exasperation she said, "You know, I could do a much better job at this if you were lying down." (Laughter)

So you can see that I am doing better here tonight. Anybody who has the audacity to inflict speeches on a long suffering public is likely to encounter all kinds of receptions, not like the beautiful reception tonight.

I was a speaker at the Pennsylvania State Bankers Association awhile ago and I arrived at the hotel where this dinner was to be held about an hour late, unavoidable. I went to my room and that occasion also required that I dress myself in a black tie and a black tuxedo.

Thus attired, I descended into the elevator to find that all of the bankers had gone into the dining hall save one stray banker who, I am sorry to relate, had obviously been communing with a form of spirit which was what you would not call religious spirits—he was in a very bad way. (Laughter) He was, what you used to call out in Ohio where I came from, three sheets to the wind. (Laughter) He was staggering in the elevator in a very uncertain manner.

He put a thin, watery eye on me, looked me over speculatively. Apparently he did not recognize me and dressed as I was, he did not take me for a preacher. For he said in an intimate, friendly way, "Hello there, buddy." (Laughter)

Now, that was not the form of address to which I was usually accustomed. (Laughter) However, I answered in kind and for a couple of minutes there ensued a conversation which might roughly be described as jocular. (Laughter)

"Well," he said, "where are you going, buddy?" I said, "To the meeting of the Bankers Association, where are you going?" He replied, "Well, I guess I will have to go in there also but it will not be any good." I said, "Why will it not be any good?" He said, "Because they got some preacher from New York there." (Laughter) I said, "You do not mean it? What in the world does a preacher want to speak to the Bankers Association for?" He replied, "Well, you got me, buddy, unless they are running out of money." (Laughter)

"Well," I said, "I guess had better go in there anyway." He said, "Well, I guess I had better go in there, too, but I am telling you, it will not be any good." I said, "Brother, you do not know the half of it." (Laughter)

After that, we turned our separate ways. I went up to the head table and forgot all about him until, when I rose up to speak, by some sinister quirk of fate, after the first few words I spoke, there he was sitting at the end of the line and he threw up his hands in a gesture of dismay and sank down out of sight. Presently, however, he came up for air and he listened to me and when the meeting was all over and I was standing at the head table shaking hands with a few polite people, I saw him coming over from the left. He was now clothed in his right mind and he had a shy and embarrassed smile on his face.

Well, I saw that he hated to have to come up to speak to me but I liked him for he proved to be a dead game sport. Getting up in front of me, he put out his hand and he said, "Put it here, buddy," and then he added, "We were both right, were we not, and we got through that pretty good, did we not?" (Laughter)

Now, I should give you a long winded speech from Positive Thinking, but do you know something? I have not seen a negative thinker here tonight. (Applause)

I think it must be an unwritten law in the Ritual of the Shrine that only positive thinkers need apply. (Laughter)

Now, I want to tell you about George and Mildred Powell. I have known them for many years. I got acquainted with them through George Stringfellow, who was Imperial Potentate at one time and I served under him as Imperial Chaplain. I did not do a very good job (laughter) but then I had too many sinners to work with. (Laughter)

However, I will tell you that it is important to be a positive thinker because it is a very dangerous thing to be a negative thinker. It is really disastrous to be a negative thinker because a negative thinker brings out in the world around him all other negative thoughts about everything and you have to be very careful about the thoughts that you think.

Ralph Waldo Emerson said, "Thoughts that are alive always attract in kind. Birds of a feather flock together. Thoughts and results of a kind flock together. If you constantly send out negative thoughts in the very nature of things, you are going to draw back to yourself negative results."

Now, I did not make that up—that is a law of mind and it always works that way.

On the contrary, a positive thinker sends out positive thoughts and, by the same law, attracts to himself or herself positive results. He or she gives a great big, strong, enthusiastic, optimistic feature, a person who attracts everything good in his environment.

That is why the Shrine is so important because if a negative thinker gets in there, he pretty soon gets changed and becomes a positive thinker and then great things begin to flow to him.

Now, I have known a lot of positive thinkers in my lifetime. I know one in New York City where I have lived.

He is eighteen years of age and he is going to be somebody. He already is somebody because he wanted a job during the summer vacation and his father told him that it was impossible for a boy his age to get a job in the metropolitan area.

He said to his dad, speaking respectfully, "You are a negative thinker, whereas I am a positive thinker and I have a deep desire for a job. I am going to make some money on my own."

After his father had recovered from this deep shock, he replied, "Well, son, that is a laudable ambition, you cannot get a job for love nor money."

The boy said to me, "Well, I got a job despite my father's feeling." I said, "Well, how did you do it?" He replied, "Well, I went into the most painful process known to man, I thought and I got an idea," and you always get an idea when you think.

So he said, "I bought me a newspaper and there was one want ad which read 'Wanted, a boy, sixteen, who will work and who is a positive thinker' and I knew that was for me." It said to show up at a certain address on Forty-Second Street at eight o'clock. However, he was not there at eight o'clock, he was there at seven-forty-five and when he got there, he found that there were twenty-five boys lined up leading to the secretary of the man doing the hiring. He looked these boys all over. He had to admit to himself that they were good boys and that if he were the boss, he would willing hire any one of them. However, he did not want any of them hired. He knew that this was the free enterprise system and that these boys were his competition and he was their competitor.

So I said, "Well, what did you do?" he said, "Well, you know, I thought again and I got an idea. I took a piece of paper out of my pocket and I wrote a note and I walked over to the secretary of the man doing the hiring who was a hard boiled sister and had not cracked a smile all morning. I walked up to her and bowed to her respectfully and I said, to her, 'Miss, it is very important that your boss get this note' and she said, finally, 'Well, okay, show me the note' and for the first time she smiled. She immediately got up from her place, walked into the boss' office, laid the note down on his desk. He read it and he laughed out loud for this is what it said—"Dear Sir, I am the twenty-first kid in line, do not do anything until you see me.' " (Laughter)

Now, let me say that my wife told me to speak for only fifteen minutes and I have already spoken for ten or twelve. Also, the Imperial Potentate told me to tell a story and I carried it with me here today and it is about positive thinking.

We have a magazine called "Guidepost." It contained a story some months ago by a woman who described herself as a little old lady. She said that she has always been little and therefore had an inferior complex.

She said that as a teenager, by standing up on her tiptoes, she could just reach four-feet-eleven and when she had attained the status of a little old lady, she could only reach four-feet, nine-inches. However, she had been a giant of a person because she learned to think positively.

As a teenager, she worked in the office of Mayor La Guardia, who I think was one of the best men that New York City ever had. I know him well.

He was a Congressman before he was a Mayor and she worked for him one summer.

Well, she got into an elevator in coming back from lunch one day and to her embarrassment, the only other person in the elevator was Mr. La Guardia. Now, he was a kindly man and very perceptive and he said to her, "I am glad you are working in our office, what are your goals in life?"

She replied, "Well, Mr. La Guardia, I do not think I will ever amount to much." He perceived her low self-esteem and he replied, "Well, why do you think you will not ever amount to much?" She said "Because I am just a midget—I am so short."

With that, he fixed his piercing eyes on her and he said, and she remembered it for fifty years and it changed her life, he said to her, "Listen to me young lady, I know what I am talking about. You believe in yourself and you can do anything." Then the elevator came to his floor and he stepped out and as he walked down the hall, she said to herself, "Why, he is short, too." As a matter of fact, Mr. La Guardia never topped over five-feet, two-inches and, as she watched him going down the hall she said, "He is a giant of a man because he is a positive thinker."

So God bless all of you giants of the Imperial Family.

... Rising applause ensued ...

IMPERIAL POTENTATE POWELL: Thank you so much, Dr. Peale.

God bless you all. Remember that tomorrow morning a very important event is going to take place in the life of the Shrine. We invite all of you to attend the Pageant of your new Imperial Potentate.

God bless all of you and good night.

... Whereupon, at ten o'clock p.m., the Banquet Session was adjourned ...

MORNING SESSION THURSDAY, JULY 5, 1990 NINE O'CLOCK A.M.

The Pageant honoring Imperial Potentate-Elect Joseph P. Padgett convened in the International Ballroom, Chicago Hilton and Towers Hotel, Chicago, Illinois, at nine o'clock a.m., Noble Stanley Susman presiding.

NOBLE SUSMAN: Good morning, everybody. It is good to see you all. We are going to start now.

Imperial Sir, Imperial Sirs, Illustrious Sirs, Members of the Divans, Honored Dignitaries, Nobles and Ladies and Gentlemen: On behalf of Islam Temple, we want to welcome and thank you for coming to honor our Past Potentate, Imperial Potentate-Elect Joseph P. Padgett, Jr. You can really tell how proud we are of our Past Potentate, Joe, by the presence of over 500 Islam Nobles and Ladies who are here in Chicago for this Imperial Council Session.

Please stand for the presentation of the National Colors by the Islam Temple Patrol followed by the rendition of the Shriners Pledge of Allegiance and the playing of the three National Anthems by the combined Islam and Medinah Temple Bands.

... Whereupon, presentation of Colors, followed by the Shriners Pledge of Allegiance and the playing of the three National Anthems ensued ...

NOBLE SUSMAN: Will you please remain standing for the Invocation by Imperial Chaplain-Designate Richard Green.

REVEREND GREEN: Let us come to the light and unite in prayer.

Supreme Architect, we know that everything essential for the advancement of our

organization exists as a fluid potential. We know that the vision for the ongoing advancement of our philanthropy is clear in the mind and in the heart of our leadership and particularly our Imperial Sir Joseph P. Padgett.

We know that the positive power in our commitment to love one another, to unify a purpose and to harmonize in labor is now and we feel it. Amen.

NOBLE SUSMAN: Now, it is quite warm in here and quite difficult to see and our Imperial Sir has given us the okay that we can remove our Fezes, if we so desire.

Thank you, sir. (Applause)

We are now going to have a special film and before we can introduce you to the incoming Imperial Potentate, we first have to find him, which is no real easy task.

Really, we spared no expense in our search. We did try, however, to hire Dick Tracey but he was busy filming his movie. Also, Charlie Chan was out of town and Mike Hammer said the case was too tough and so we finally went to the one man who could find Joe Padgett and we called him, Lieutenant Columbo.

Will you please lower the lights and we will see what is coming.

... Whereupon, the film presentation centered around the finding of Imperial Sir Padgett then ensued ...

NOBLE SUSMAN: Well, you know, we have to find Joe. Where is Joe? Where is he?

Call the drummers. See if they have found Joe.

Listen—I hear the drummers. Here they come. They are bringing in their giant dragon who is a hunter that always finds his prey.

... Whereupon, the entry of a huge dragon escorted by Shriners ensued ...

NOBLE SUSMAN: Let us stand up and cheer. Let us cheer and wave the flag and maybe we can find Joe. Wave those flags and let us hear some cheering for him.

... Waving of flags and cheers and applause ensued ...

NOBLE SUSMAN: Well, here is Joe. Let us welcome the incoming Imperial Potentate of the Shrine of North America, Joseph P. Padgett, Jr. and his Lady, Marci.

... Whereupon, Imperial Potentate-Elect Padgett and his Lady, Marci, were seated in the center of the stage ...

NOBLE SUSMAN: At this time, Islam Temple's First Lady, Betty Wong, has a presentation for the incoming First Lady of the Shrine, Marci Padgett.

... Presentation of flowers to Marci Padgett ensued ...

NOBLE SUSMAN: I now present to you Islam Temple's Past Potentates and their Ladies.

1973, John E. Troxel. (Applause)

1987, Frank J. Mooney and Lady Sue. (Applause)

1988, Marvin D. Taylor and Lady Dee. (Applause)

1989, Paul D. Stevens and Lady Ellen. (Applause)

Your families are especially proud and at this time I would like to have the families come up on the stage and we can introduce the families.

Well, I am very sorry, we have up here a member of our Board of Trustees, Cliff Lipson and his Lady Dorothy. They deserve an extra round of applause. (Applause)

... At this point, the various members of Imperial Sir Padgett's family were individually introduced ... (Applause)

NOBLE SUSMAN: Now, Imperial Sir, we have several Nobles who, at this time, wish to make presentations.

The first one we have is by Islam Temple's Recorder Emeritus, Jack C. West, who will present the Imperial Potentate's Fez.

NOBLE WEST: Imperial Sir, the Nobles of Islam Temple, some years back, as you will recall, charged me with the responsibility of getting a three-star Fez for the number one

man in our Temple. We have carried that Fez back and forth across the country, as you know, and we wore it out carrying it around.

Now, at this time, we know that you are the number one Shriner in all the world and this five-star Fez tells the world that you are number one and, Joe, we are with you. Congratulations.

... Presentation of five-star Fez and applause ensued ...

NOBLE SUSMAN: Imperial Sir Jack Jones, Imperial Recorder, will present the Imperial Potentate's flag.

IMPERIAL SIR JONES [Imperial Recorder]: Will the flag bearers please bring the flag forward.

Imperial Sir, Imperial Sirs, Most Worshipful Sirs, Illustrious Sirs, Representatives, Nobles and Guests: This morning I have the distinct honor of presenting this beautifully embroidered, personalized flag to the incoming Imperial Potentate, Joseph P. Padgett.

Imperial Sir Joe, it gives me great pleasure to present to you, on behalf of the Imperial Council of the Shrine of North America, your Imperial Potentate's flag, bearing the Shrine's official seal as well as your name and title.

As you lead this great Fraternity, let this flag stand with our three national flags and serve as a symbol of your authority and the importance of your high office. Let it also serve as a reminder of our devotion to the principles of Freemasonry and our commitment of service to mankind through the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

Imperial Sir, representing all the Shriners everywhere, I present this fraternal flag to you with love, respect and best wishes for an enjoyable and productive year.

... Presentation of Imperial Potentate's flag and applause ensued ...

NOBLE SUSMAN: We next have Dewayne Hartman who is going to present the Imperial Potentate's ring.

NOBLE DEWAYNE HARTMAN: Imperial Sir Joe, I would like to present you with this five-star ring. I hope you wear it in honor and with pleasure to our philanthropy.

... Presentation of ring and applause ensued ...

NOBLE SUSMAN: Ralph Spencer will present the pin from the Royal Order of Jesters, San Francisco Court No. 4.

NOBLE RALPH SPENCER: Imperial Sir Joe, on behalf of Jester Court No. 4, Royal Order of Jesters, I have the pleasure of presenting to you an Imperial gift.

Joe, I know you will wear it with honor and, when you look at it, I know that you will think to stop by the San Francisco Court once in awhile in your travels and say hello.

... Presentation of pin and applause ensued ...

NOBLE SUSMAN: We now have the presentation by the Canadian Temples to be given by Past Imperial Potentate Jack Streight and Past Imperial Potentate Edward G. McMullan.

I understand they are going to bring up their present Potentates of the various Canadian Temples also.

... Whereupon, the present Potentates of the various Canadian Temples formed a line at the center of the stage ...

IMPERIAL SIR McMULLAN: Thank you very much and good morning, everyone.

This morning we are honored to present to you, Joe, my good buddy, the Potentates of all those Canadian Temples that represent all of Canada, right from the West Coast to the East Coast and further on to the island of Newfoundland.

... Whereupon, at this point, Imperial Sir McMullan introduced individually the Potentates representing the various Canadian Temples ... (Applause)

IMPERIAL SIR McMULLAN: Also, I would like to have you all know that last year Rameses Temple donated to the Montreal Unit the sum of \$1.7 million. (Applause)

We also have on board this morning a Past Imperial Chaplain, who is now the Canadian Chaplain, Harry Alger. (Applause)

Also, Fred Locke, from Rameses Temple, who has been rounding up these guys for me for the last ten years. I might add that we initiated this program in 1980 and we have not looked back.

Now, that is a long line—25,000 in Canada, ten provinces and twelve Illustrious Potentates.

Let me say to you, Joe, all of these chaps are really looking forward to your visitations. You will get a great welcome in Canada, as have all of the previous Imperial Potentates. They are a great bunch of people. We would love to have you come and visit us.

We are a small bunch in relation to our population Shrine-wise but we do have big hearts.

Now, I would like to present to you this lovely tray.

Now, let me say that following this presentation, Imperial Sir Jack Streight, the only "Streight" lawyer in Canada, is going to make another presentation. (Laughter)

However, this beautiful silver tray has on it the maple leaf and emblem of the Shrine and says, (TAD) "Presented to Imperial Sir Joseph P. Padgett, Imperial Potentate, 1990-1991 from your Canadian Temples." Each Temple is named on the tray from East to West and West to East and this is for you to have to keep and enjoy.

... Presentation and applause then ensued ...

IMPERIAL SIR JACK STREIGHT: Good morning everybody.

You know, I have the pleasure of presenting to you, Joe, the Canadian flag. Canada, as you may know, is the second largest land mass in the world and I hope, by the end of December, it will be the largest land mass in the world.

You know, Joe, if you can get lost in the United States, what do you think you can do in Canada? (Laughter)

Now, I have before me, a great picture of Joe and when I get home, I am going to give it to the RCMP. That is the Royal Canadian Mounted Police, and they will find him. (Laughter)

However, I want to tell you something else. I will not give them Marci's picture there because when she gets lost, I will personally look for her. (Laughter)

You know, at the Canadian Breakfast, they gave our Past Imperial Potentate a flag that flew over the Peace Tower in Ottawa. It is a used flag and they gave it to him. When you go down to the United States, you will get one from Washington, D.C. that flew over Washington and it will be a used flag.

Now, I was at the Texas Breakfast this morning and they were very kind to me. They gave me a flag and said, "Jack, this is a used flag, it flew over the oil wells of Texas." (Laughter)

IMPERIAL SIR PADGETT: I will take the oil wells. (Laughter)

IMPERIAL SIR STREIGHT: However, Joe, when you come to Canada, we will be very proud to have you there and I can assure you that this flag which we honor will be honored by you in San Francisco because we think it is a great flag, too.

... Presentation of Canadian flag and applause ensued ...

IMPERIAL SIR PADGETT: Thank you, Jack.

NOBLE SUSMAN: The next presentation we have is by Anezeh Temple and this is going to be made by their Potentate, Victor Montalvo.

ILLUSTRIOUS SIR VICTOR MONTALVO [Anezeh Temple]: Imperial Sir Joe, we do not have much money but we do have some presentations to make to you. Also, these will not require any polishing. (Laughter)

... Presentation of various Mexican gifts ensued. (Applause) ...

ILLUSTRIOUS SIR MONTALVO: Thank you very much for all the love you have given to us and we hope we will have the opportunity of supporting you in many ways for the next hundred years. I am sure we will be seeing you in Mexico.

NOBLE SUSMAN: Our next presentation is by Aloha Temple and it is going to be made by their Potentate Frank Fiedler and his Lady, Anita, and also by their Grand Master and his Lady.

ILLUSTRIOUS SIR FIEDLER [Aloha Temple]: Imperial Sir, on behalf of the Nobles of Aloha Temple and Nita and I, we first would like to present to the rarest couple, this rarest bloom in Hawaii. (Applause)

You know, I took speaking lessons from Walker Kisselburgh and I do not know why I am so nervous. (Laughter)

However, along with that, Imperial Sir, this Hawaii memento to protect and guide you and give you the strength to do the duties that you are presented with.

... Presentations and applause ensued ...

IMPERIAL SIR PADGETT: Thank you very much, Frank. I am sure that I will be able to successfully use this.

ILLUSTRIOUS SIR FIEDLER: And, Imperial Sir, my proudest presentation, I would like to present to you the first Grand Master of the Jurisdiction of Hawaii, Most Worshipful William K. McKey, Jr. (Applause)

GRAND MASTER [Hawaii]: Imperial Sirs, this is the pineapple that is worn by the Officers of the Grand Lodge of Hawaii and I would like you to wear it.

... Presentation and applause ensued ...

IMPERIAL SIR PADGETT: Let me say, Worshipful Grand Master, that I will wear it at all occasions and it really is beautiful. Thank you so much.

NOBLE SUSMAN: We now have two Nobles from Crescent Temple that are going to be making a presentation so maybe we can have them both come up at the same time.

First of all we have Luther Arnold and then James Cartlidge, a Past Potentate.

NOBLE ARNOLD: Imperial Sir Joe, last year in Toronto you gave me an idea. You introduced me to somebody and I have done business with him and, as a result, Doris and I have raised the amount of this check to present to you for the crippled childrens' hospitals in the amount of \$3,250. As you will note, Doris signed the check. (Applause)

IMPERIAL SIR PADGETT: Let me tell you this, that I know that the check is good when she signs it. (Laughter) Thank you and, of course, this will go to Shriners Hospitals. That was really something else.

You know, I was about to withdraw my little crippled children's symbol of pride because I know it takes money away from Shriners Hospitals. However, I accept your gift with gratitude in behalf of Shriners Hospitals.

NOBLE CARTLIDGE: Imperial Sir Joe, on behalf of our very good friend, Al Horose, who was called home due to the death of a member of the family, I present you with this collage that he created that symbolizes your path up to the Imperial Potentate of the Shrine of North America.

... Presentation and applause ensued ...

IMPERIAL SIR PADGETT: I remember this card at the top. That was a long time ago, it seems like a hundred years ago. Nevertheless, it is really nice. Thank you.

NOBLE SUSMAN: We have the Potentate of Al Malaikah Temple, Edward Trusel, who is going to introduce the Commandant of their Patrol.

ILLUSTRIOUS SIR TRUSEL: Imperial Sir, it is my pleasure to introduce Fred Elliott, Commandant of Units and a member of the Caravan Patrol of Al Malaikah Temple, for a presentation.

NOBLE FRED ELLIOTT: Imperial Sir, Illustrious Sirs, Nobles, Ladies and Guests: For some thirty-odd years it has been the custom of Al Malaikah Temple's Patrol to present a swagger stick to the Imperial Sir which is emblematic of his Masonic and Shrine career. It is now my pleasure to present to you this swagger stick which is emblematic of your rise in Masonry and your Shrine career. We hope that you will carry this with you in your Shrine and Masonic travels throughout this year wherever your visitations may carry you.

... Presentation of swagger stick and Applause ensued ...

IMPERIAL SIR PADGETT: Thank you very much. I will certainly carry this wherever I go and it will be very handy to beat off eavesdroppers. (Laughter)

NOBLE SUSMAN: At this time I will present Illustrious Sir Robert Smith, Potentate of Salaam Temple.

ILLUSTRIOUS SIR ROBERT SMITH [Salaam Temple]: Imperial Sir, in behalf of myself, the Divan and Nobles of Salaam Temple, I have here a check for you in the amount of \$55,000 for our childrens' hospitals.

... Presentation of check and applause ensued ...

IMPERIAL SIR PADGETT: On behalf of Shriners Hospitals, I certainly accept this and say that we appreciate it very, very much. We are building for the future now and we certainly appreciate this. Thank you very, very much. (Applause)

NOBLE SUSMAN: Are there any other presentations to be made?

If there are not, at this time I would like to call on the Potentate of Islam Temple, Alvin Wong, for the purpose of making a presentation.

ILLUSTRIOUS SIR ALVIN WONG [Islam Temple]: Joe, on behalf of Islam Temple, we would like to present you the keys to a Cadillac.

... Presentation of keys and applause ensued ...

IMPERIAL SIR PADGETT: Thank you so very much, Alvin.

Also, will the members of Islam Temple please stand up.

... The membership of Islam Temple then arose ... (Applause)

IMPERIAL SIR PADGETT: Nobles and ladies, I thank you so very much. I really appreciate this.

Again, I thank you all. I appreciate everything you and the Nobles have done to get me here. It has been a real fight to get me up here.

Thank you again.

NOBLE SUSMAN: Well, Imperial Sir, now that you have all of the loot over here, I think it is now time for you to make a few presentations, okay? We have some Fezes that you are going to present.

First we are going to start with the individual that is going to do a lot of work for you during your year in San Francisco at the Imperial Session next year and it is the Director General, Donald W. Johnson, Past Potentate of Islam Temple.

NOBLE JOHNSON: Are there any nominations? (Laughter)

IMPERIAL SIR POWELL: Declaring that there are no other nominations, I declare, Don, that you are it. (Laughter)

You know, Don is my son in the Shrine, in Islam Temple. I appointed him to the Line when I was Potentate so, in order to get even with him, I have appointed him the Director General. (Laughter) However, he did a great job as my Marshal and now I am sure he is going to do a great job as the Director General for 1991.

... Presentation of the Director General's Fez then ensued ... (Applause)

ILLUSTRIOUS SIR JOHNSON: Imperial Sir Joe, Imperial Sirs, Illustrious Sirs, Nobles, Ladies and Guests: It is with great love and appreciation that I accept your appointment, Joe, as Director General.

We have had a great time in Chicago. Chicago has been a wonderful city but we hope, with the help of all of the Nobles here from Islam Temple and from all over North America, they will leave their hearts in San Francisco in 1991.

Thank you again, Joe. (Applause)

IMPERIAL SIR PADGETT: Thank you, Don.

Now you can see why he is my Director General. He says all the things I would say.

Well, I wrote that speech for him. (Laughter) I do not know, but Don has been involved with being Superintendent of Schools in the State of California.

Again, thank you very much, Don, for accepting this appointment.

NOBLE SUSMAN: Now, a good Director General, if he is as good a leader as we expect, is going to delegate most of his work to his Deputy Director General and that is Raymond E. Palange, Past Potentate of Islam Temple.

IMPERIAL SIR PADGETT: You know, this man here, Ray Palange, is known as "The Voice."

I will tell you again that he was a member of my Temple Divan. I appointed him Orator in the year that I was Potentate. At any rate, this goes way back but I do remember that he did a very, very great job.

Are you going to say anything?

ILLUSTRIOUS SIR PALANGE: Well, I guess I can say that we are ready for you, we are waiting for you and we are dedicated to providing one of the finest Sessions you will attend in the years to come.

Thank you very much.

... Presentation of Deputy Director General's Fez and applause ensued ...

NOBLE SUSMAN: Now, I know that all of you are going to be coming to San Francisco next year and if you do not find a room or have difficulty with a room, you are going to have to talk to our Housing Chairman, who will be Robert Mirigian of Islam Temple.

NOBLE MIRIGIAN: You know, one day when Imperial Sir Joe and Ray Palange asked me to come over and visit, I knew I was in trouble that day. (Laughter)

... Presentation of Housing Chairman's Fez then ensued ...

IMPERIAL SIR PADGETT: Bob will be our Housing Chairman and will, in addition to his other duties, I am sure, handle all complaints. All you have to do is let Bob know. Bob is doing a hell of a great job in teaching and instructing our children.

NOBLE SUSMAN: Now we need a guy who is going to pray for us as our Imperial Chaplain and our new Imperial Chaplain will be Richard Green of Islam Temple. Reverend Green.

REVEREND GREEN: Joe, this is the right hand of God that I am shaking.

IMPERIAL SIR PADGETT: Incidentally, Richard was from Islam Temple, is still, but now lives in Orlando. He took a church and went down there. I am sure he is going to do an excellent job also.

... Presentation of Imperial Chaplain's Fez and applause then ensued ...

REVEREND GREEN: You know, the Imperial Sir just told me to come forward with a basket. After all, that is what I am good at.

Will the ushers please come forward with the basket.

... Laughter and applause ensued ...

NOBLE SUSMAN: We also have, Imperial Sir, some of your Imperial Aides who have been doing a lot of work. They did not wait for your Imperial Year to be started—they have been doing their work for all these years.

The first one what we have is Dewayne W. Hartman.

IMPERIAL SIR PADGETT: You know, Imperial Sir, Dewayne Hartman has been my shadow. He has been looking after me since I was really coming up in the line in Islam Temple many years ago. He has been taking care of Marci and that is a big job and likewise looking after me.

I truly appreciate the privilege and am honored to make him a personal Aide.

... Presentation of Imperial Aide's Fez and applause ensued ...

NOBLE SUSMAN: Another Imperial Aid will be Russell M. Johnston of Islam Temple, a Past Potentate.

NOBLE RUSSELL JOHNSTON: Imperial Sir, some twenty-two years ago I was appointed Inner Guard and you Outer Guard and you have been behind me all the way and now you are taking a big jump. We love you.

IMPERIAL SIR PADGETT: Let me say that Russ has been a great Potentate for Islam Temple. He was Potentate in 1976.

Also, I want to remind you you never say "Outer Guard" in the Shrine. It is "Captain of the Guard."

NOBLE JOHNSTON: However, Imperial Sir, I was still ahead of you.

... Presentation of Imperial Aide's Fez to Noble Johnston and applause then ensued ...

NOBLE SUSMAN: We have another Imperial Aide and that will be Jack Ervin, also from Islam Temple.

ILLUSTRIOUS JACK ERVIN: Imperial Sir, it is a pleasure to be with you again.

IMPERIAL SIR PADGETT: You will note that he said "again." He was with me in, I believe, in 1977. He was Temple Director and performed very well.

... Presentation of Imperial Aide's Fez and applause ensued ...

NOBLE SUSMAN: We have one more, a Past Potentate of Khiva Temple, Rolan Simpson.

NOBLE ROLAN SIMPSON: I will not take your time, Imperial Sir, but thank you very much. (Applause)

IMPERIAL SIR PADGETT: Let me say that he is my neighbor in Arizona. He has been looking out for me ever since I have lived there.

Thank you very much.

... Presentation of Imperial Aide's Fez and applause ensued ...

NOBLE SUSMAN: It is now my privilege and pleasure to present to you our Imperial Potentate-Elect, Joseph P. Padgett, Jr., who maybe has a few words to say to you.

... Rising applause and "Joe, Joe, Joe" ensued as Imperial Sir Padgett approached the microphone ...

IMPERIAL SIR PADGETT: I really do not know what you are saying but I think you are saying "Go with Joe." (Laughter) I am going to have to think about it. In other words, let the Shrine go with Joe. (Applause)

Imperial Sir George, thank you, you have been an inspiration to me. I appreciate all that you have done for me and Mildred also. Thank you both very much.

Thank you, all of you, for what you have done. You have watched over me and helped me along the way. It has not always been an easy trip, there have been problems along the way but we have a way to survive it.

I am sure that in relation to all of the Shrine, in 1990 and in 1991, we are going to continue to work for the growth of the Shrine.

I am challenging all of you to get a Noble to replace you. If we can do that, we will grow again. I am sure we can do that.

I need your help. I do not have a ready solution for our problems but I am sure we are certainly going to work on them all during my term of office and I request that all of you help me.

I will have an open door policy. I will always have that door open and you can reach me at any time. If you have any suggestions, let me know or let Charlie Cumpstone know at Tampa and we will take any suggestions you have under consideration.

You ladies, I am sure you saw the public relations movie yesterday, most all of the Nobles did. It was very inspirational to me and I hope it will be inspirational to you and, as was our announcement at the time, next year we are going to do the same.

I think, Everett, we are with you, right? Everett is going to put on quite a program for us next year.

Thank you, Ev. Thank you all for everything.

You know, I have been known as a man of few words in the Shrine. That is right and, of course, I want to see action.

Let us grow together now—grow with Joe in 90.

Thank you very much for everything.

... Rising cheers and applause ensued amid cries of "Joe, Joe, Joe" ...

IMPERIAL SIR PADGETT: Please forgive me, to my Lady, Marci, I have a little present to give to you. (Laughter)

If you do not mind, it is an old cable car and I would like to present this one to you, it is a gold one. (Applause)

Let me ask, George, do you have any announcements?

Do I have any announcements from anywhere?

NOBLE SUSMAN: We feel very comfortable with Joe, first being a Past Potentate of our Temple and now about almost ready to be installed as the Imperial Potentate of the Shrine of North America.

I would like, at this time, to have everyone stand for the Benediction that is going to be presented by our Imperial Chaplain-Designate, Richard Green.

REVEREND RICHARD GREEN: Supreme Architect of the Universe, we know we have altogether created a magnificent organization and You have created in Imperial Sir Joe Padgett every ability to lead this organization to further the greatness that has been previously established.

I know that You will bless him and make him strong.

Your love and Your intelligence is a part of his every decision. This is a very special moment in his life and we give thanks that we are able to share a part of his life and that of Marci. Amen.

NOBLE SUSMAN: If you will please be seated, I would like to ask you to please remain seated until the dignitaries have all been escorted from the stage.

Thank you all again for coming. You have really made a wonderful day for our Imperial Potentate-Elect, Joe Padgett.

This will conclude our Pageant Ceremony.

... Whereupon, at ten-forty-five o'clock a.m., the Pageant Ceremony was concluded ...

MORNING SESSION THURSDAY, JULY 5, 1990 ELEVEN-FIFTEEN O'CLOCK A.M.

The One Hundred Sixteenth Session of the Imperial Council reconvened in the International Ball Room, Chicago Hilton and Towers Hotel, Chicago, Illinois, at eleven-fifteen o'clock a.m., Imperial Potentate George Powell presiding.

IMPERIAL POTENTATE POWELL: I would like to call this Session to order.

... Business was transacted in the Colorado Corporation at this time ...

NOBLE KENNETH SMITH: Imperial Sir, Imperial Sirs and Representatives, I rise to a point of personal privilege.

On Tuesday after the election for Imperial Outer Guard had been completed, you asked me what my plans would be for the coming year. Well, at that time, I said that I wanted to talk this over with my wife and family.

First, one more time, I would like to congratulate Bob Turnipseed on his election. He is certainly a fine gentleman and a fine Shriner and I know that he will be an asset to our Imperial Divan. I also wish to thank all who supported me in my candidacy.

Now, with that, I am now ready to make my answer. I ask for your support as a candidate for Imperial Outer Guard at the San Francisco Session.

... Cheers and applause ensued ...

NOBLE SMITH: God willing, I shall be a candidate, if I am elected an Imperial Representative.

Thank you.

IMPERIAL POTENTATE POWELL: Well, that certainly made it legal.

We are a little late, do you think you can be back by one-thirty because we do have much to do.

... Cries of "yes" ...

IMPERIAL POTENTATE POWELL: Then, if there is no objection, I will now declare this Session adjourned and we will reconvene at one-thirty.

... The One Hundred Sixteenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at eleven-fifty-five o'clock a.m. to reconvene at one-thirty o'clock p.m. ...

IMPERIAL POTENTATE POWELL: Will you please take your seats so that we can get our Session started.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE POWELL: Imperial Potentate Powell, I believe that there are several Grand Masters from various Jurisdictions whom their Jurisdictions wish to have recognized.

Because today is the tomorrow for yesterday, happy birthday North America!

... Cheers and applause ensued ...

IMPERIAL POTENTATE POWELL: Thank you very much.

I understand that the Worshipful Grand Master of the State of Michigan has returned and would like to say a few words of greeting.

WORSHIPFUL BROTHER WAYNE TURTON [Grand Master, Michigan]: Nobles, it is a pleasure to be with you. We have tremendous cooperation in the State of Michigan and it is a pleasure to work with all of you Nobles. We know that all of the Shriners present here today are likewise "Brothers" and it is always a pleasure to have a lot of activity where we do cooperate together. You know, when we take off our Fezes, we are still Brother Masons. Let us keep it that way.

Thank you, Brothers. (Applause).

IMPERIAL SIR VAL PREDA: Imperial Sir, I would move that these Nobles as named be made Emeriti Members.

NOBLE MAAG [Ainad Temple]: A point of order.

I do not think you can ask for a vote while we have a ballot outstanding.

IMPERIAL POTENTATE POWELL: We are not going to do that. All we are doing is stalling for time and what we want to do is to absorb what he has previously stated but no action will be taken until the ballot outstanding is returned.

It is nice of all of them to come up here and they were perhaps tendered their certificates illegally but we have permission to do that because they just said no. However, we will take a ballot concerning their election as Emeriti Members as soon as the other ballot comes back and is accounted for.

IMPERIAL SIR PETER VAL PREDA: Let me call to your attention Section 203.4 of the Bylaws concerning Emeriti Representatives, which reads:

"Upon the recommendation of the Committee on Emeriti Representatives and by majority vote of the Representatives registered at any Session, the Imperial Council may elect as an Emeritus Representative any Noble who is a Representative to that Session and who has been a Representative for at least fifteen years, including that Session."

ILLUSTRIOUS SIR LAMDIN: Imperial Sir, you answered your own question when you said, "by a majority vote." On that basis, we cannot vote until after the election results are in. Then you can take a vote.

IMPERIAL POTENTATE POWELL: I believe I understand now but, on the other hand, we are going to subsequently take a vote on all of those fellows when, in actuality, they all have received their certificates and voted themselves in. (Laughter)

At this point, I would like to recognize Imperial Sir Lewis Brantley.

IMPERIAL SIR BRANTLEY: Thank you very much, Imperial Sir.

If I may, I would like to ask our newest member of the Imperial Divan, Bob Turnipseed, if he would be kind enough to join me here at the podium? Also, Imperial Sir, would you be kind enough to remove your coat.

You know, that is the first time that I have ever told a big man to do anything. (Laughter)

First of all, I want to tell all of you Representatives that it is a fact that this young man right here really knows how to run a campaign. That is certainly true because he was elected.

However, I am not sure whether he is going to be able to keep his britches up while he is around this bunch of people here on the stage.

So, in order to do that, I would like to present him with a token of George Washington Powell and the Imperial Marshal.

... Presentation of red suspenders to Imperial Sir Turnipseed then ensued ... (Applause)

IMPERIAL SIR BRANTLEY: Bob, wear these in good health. (Laughter)

IMPERIAL SIR TURNIPSEED: Thank you, Imperial Sir, I may need suspenders because I spent all of my money on the campaign. (Laughter)

IMPERIAL SIR BRANTLEY: Also, Bob, before you leave the rostrum, I would like to ask

Imperial Sir Ralph Semb to express to all of this great Nobility what he expressed to me privately with regard to your election.

IMPERIAL SIR SEMB: Imperial Sir, Imperial Sirs and Fellow Represtntatives: You know, of course, that Bob spent a lot of time on the campaign trail, spent many hours and, as you know, he got up early in the morning to put those newspapers out and we kept him pretty busy up here on the stage and, really, he was starting to smell also. (Laughter)

He has not had an opportunity to take a bath but then we have gotten for him another pair of white socks and, as soon as he takes a bath and puts both of those items on, he will be in uniform with the rest of us.

Thank you very much. (Applause)

IMPERIAL SIR TURNIPSEED: Imperial Sir Ralph, I will tell you that I am certainly appreciative of the white socks. When we were in service and traveling overseas, we always checked the girls to see if they had white socks on because, when we found that to be the case, we always knew they were clean. (Laughter and applause)

IMPERIAL POTENTATE POWELL: Our Imperial Potentate-Elect, Joe Padgett, is presently getting his picture taken but he has for all of you a little calendar including his events for the year 1990-1991. He has enough for all of the Representatives and about fifteen minutes before closing time, we will see to it that one is given to each of you.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE POWELL: Now, Nobles, I would like to turn the microphone back to Imperial Sir Peter Val Preda for the continuation of his report concerning the nomination of Emeriti Members.

IMPERIAL SIR VAL PREDA: Imperial Sir and Nobles, at this time I wish to make a motion for the election of the proposed Emeritus Members as previously indicated to you.

Do you wish that I read the names again? ... Cries of "no" ...

IMPERIAL SIR VAL PREDA: Well, Imperial Sir, I would move that they be elected as Emeritus Members.

... The motion was duly seconded ...

IMPERIAL POTENTATE POWELL: You have before you the motion and the second to elect the individuals as mentioned as Emeriti Members.

Is there any discussion?

Hearing no discussion, all in favor indicate by saying aye; those opposed. It is unanimously carried and, therefore, you have elected these members as previously indicated as Emeriti Members of this Imperial Council.

Thank you very much.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE POWELL: I will now recognize the Chairman of the Grievance and Appeals Committee for the report of his committee.

IMPERIAL SIR SEWELL LAMDIN [Chairman, Grievances and Appeals]: Let me first try to present to you the members of the committee who, I might add, have a very difficult task, particularly at this Session.

I want you to know, for example, that despite what the Imperial Sir says about lawyers, I do not think any one of us will go out into the Atlantic Ocean and spend \$995 to get a pound of fish that we can go directly to the super market and purchase the same amount for a lot less.

Now, if I may be permitted to do so, I would like to present the members of the Jurisprudence and Laws Committee.

We have, from the District of Columbia Bar, Charles Iversen.

From the West Virginia Bar, Warren Upton from Beni Kedem Temple.

All the way up from Minnesota, we have Warren F. Weck.

Then we go down to Michigan, we have the Prosecutor, Gerald Groat from Moslem Temple.

From Meridian, Mississippi, a member of the Mississippi Bar, James T. Singley from Hamasa Temple.

Then we go down to Texas and we have a fellow from Texas who is in the Senior Judge status. That means that he is retired and every time they have a sticky case, they call him

and send him out to Waco or somewhere—Judge David C. Moore of Sharon Temple. He is a Judge on the Bench in Texas.

Then, from Ohio, we have Charles A. Claypool from Antioch Temple.

Next, down in the Panhandle, in Pensacola, Florida, we have J. B. Hopkins of Hadji Temple.

Then, likewise, we have a member of the Queen's Court from Vancouver, Jack Streight, Q.C., Gizeh Temple.

Now, I will present to you the first report.

To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an appeal filed by Noble Donald W. Pettingill of Murat Temple from the decision of the Temple Grievance Committee which found "no probable cause existed" on charges filed by Noble Pettingill against several Nobles of the Murat Reception Unit pursuant to Section 330.4(00) (2) of Article 30 of the Imperial Council Bylaws.

Said appeal was timely filed and a hearing was scheduled for Sunday, July 1, 1990, in the Chicago Hilton and Towers Hotel, Chicago, Illinois. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled and the appellant appeared without counsel. Noble Alex Rogers, Murat Temple Attorney, appeared and presented the Temple's position.

The facts indicate that Noble Pettingill was a long time member of Murat Reception Unit having earned several awards including a life membership in the unit. He was removed from the unit and stripped of his award by action of the Board of Directors. He charged the Board members acted without authority and contrary to the unit Bylaws. The Temple Attorney argued that the action was proper at the time and that the unit Bylaws have since been amended to prevent a reoccurrence of this type of action. Further, Pettingill has been returned to the unit and all awards restored to Noble Pettingill.

The Temple Grievance Committee thoroughly investigated the matter and after five meetings, rendered their decision that there was no probable cause for believing a chargeable offense had been committed, and recommended that Noble Pettingill be returned to the unit.

After a full consideration of all the evidence and oral arguments, your committee is of the unanimous opinion that the decision of the Temple Grievance Committee finding no probable cause existed, should be sustained.

In view of the above, your Committee on Grievance and Appeals recommends that the Temple Grievance Committee's decision be sustained and that the appeal should be denied.

Respectfully submitted,
COMMITTEE ON GRIEVANCES AND

Imperial Sir, I would move for the adoption of this report.

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: It has been moved and seconded that this report be adopted.

Is there any discussion?

... There being no discussion, the motion to adopt the report was voted upon and declared to be unanimously carried ...

NOBLE LAMDIN: Now, Nobles, for those of you who have your books with you, the next two reports are made under Section 323.9(e) and there is a lot of verbiage in that paragraph. However, the Grievance and Appeals Committee is charged with a very, very narrow part.

It says that the committee shall determine whether the loss of membership was for conduct in violation of Shrine Law.

Now, the definition of our Shrine Law is on page 11 of the green book and it reads—"Shrine Law means the Articles of Incorporation of the Imperial Council, these Bylaws and any General or Special Orders in effect at the time."

Now, with that, I will proceed with the reading of this report.

To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an appeal filed by Judd B. Farr, a former Noble of Hejaz Temple, who was expelled from his Blue Lodge, Mt. Vernon Lodge No. 22, located at Athens, Georgia.

Said appeal was scheduled for a hearing on Monday, July 2, 1990, in the Chicago Hilton and Towers Hotel, Chicago, Illinois. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled and Mr. Judd B. Farr was present represented by Noble Robert Lake. Mr. Farr was raised in Mt. Vernon Lodge No. 22 in Athens, Georgia, in 1951 and remained a member until expelled on April 19, 1986. He was created a Noble of Hejaz Temple in December, 1951. Mr. Farr has been engaged in the wholesale beer distribution in Greenville, South Carolina, for twenty-three years. The Masonic Code of Georgia, 1981, 77-116 provides that "It is un-Masonic conduct for a Mason to apply for or to procure a license to sell intoxicants or to knowingly retain such a license in his name."

This violation came to light when Farr paid his 1984-85 dues with a company check bearing the Coors logo thereon. When it became apparent that he would be charged, Farr stopped payment on the check.

Farr was charged, tried and convicted by his Blue Lodge of the above alcohol beverage violation as well as the stop payment check. He was expelled on the first charge and received a twelve month suspension on the second charge. Farr made the check good on February 26, 1986, prior to his Blue Lodge trial which was held on April 19, 1986, with a company check bearing the Coors logo.

Farr petitioned his Blue Lodge for restoration of his membership as well as a Demit. This petition was denied in November, 1989.

Your Committee on Grievances and Appeals, pursuant to Sections 208.6(a) (4) and 323.8(e) of the Imperial Council Bylaws, has received the evidence, heard the arguments, fully considered the appeal and presented the facts to you in this report. We do not believe that the loss of Farr's Masonic membership was for conduct in violation of Shrine Law. "Shrine Law" means the Articles of Incorporation of the Imperial Council, these Bylaws and any general or special orders at the time in effect, but it does not include the law of the land." However, the decision, in the final analysis, is for you, the Representatives to the Imperial Council, to make. If you wish to sustain the appeal of former Noble Judson Farr, you should vote "yes" on the adoption of this report. A "yes" vote will mean that Farr will remain a member of the Shrine but he will not be a Scottish Rite, York Rite or Blue Lodge Mason. If you wish to deny the appeal for former Noble Farr, you should vote "no."

Respectfully submitted,

Imperial Sir, I would move for the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE POWELL: It has been moved and seconded that this report be adopted.

Is there discussion?

NOBLE D. B. LEONARD [Al Malaikah Temple]: Imperial Sir and Representatives: Let me

say that I spoke on this very subject a few Sessions ago and I would like to suggest to my fellow delegates here that had the Lodge that accepted this member fully investigated him at the time of his initiation, they would have known he was in the wrong kind of business and would have informed him at that time.

I would say that this Noble should not be held responsible and that we should uphold the decision to retain this Noble in the Shrine of North America.

IMPERIAL POTENTATE POWELL: Did you say "oppose"?

NOBLE LEONARD: No, I said to uphold the decision.

NOBLE LAMDIN: Let me set the record here straight, if I may.

When this individual first applied in 1959, he was a manufacturers rep and a salesman for a steel company and then, about thirteen years later, he bought his present business.

IMPERIAL POTENTATE POWELL: Thank you.

Is there any other discussion?

NOBLE EUGENE A. CAPOBIANCO [Aleppo Temple]: Imperial Sir, this report indicates that this gentleman will remain a member of the Shrine but he will not be a Scottish Rite, York Rite or Blue Lodge Mason. In fact, on that basis, he is not really in good standing.

IMPERIAL POTENTATE POWELL: Thank you very much.

Is there further discussion?

REPRESENTATIVE [Calam Temple]: You know, I have been coming here for a long time and this question has caused more problems in Masonry in my area than any question the Shrine has ever been faced with.

I think, on this basis, this man not being a Mason, he is not or should not be a Shriner. I am for letting the Blue Lodge, whatever his jurisdiction, make that decision.

... Cries of "no, no" ...

IMPERIAL POTENTATE POWELL: Is there further discussion?

If not, all in favor of the adoption of this report indicate by saying aye; opposed. The ayes have it and it is adopted. He is resotred as a Shriner. (Laughter)

NOBLE LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals an appeal filed by former Noble James V. Ward of Sahara Temple pursuant to Section 323.8(e) of Article 23 of the Imperial Council Bylaws.

Said appeal was timely filed and a hearing was scheduled for Sunday, July 1, 1990, in the Chicago Hilton and Towers Hotel, Chicago, Illinois. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled. Nobles Burton Ravellette, Chief Rabban; Noble Richard Lawrence of Sahara Temple appeared and Noble Tom Dooley, Recorder, Scimitar Temple appeared. All present were heard and the matter was submitted for determination.

The facts of this case are that charges were filed in the Blue Lodge against Ward by Noble John H. Wilson of Sahara Temple alleging that Ward had borrowed \$3,000 from him and signed a note covering same on December 12, 1975; no legal action was ever taken to collect said loan. Ward denies he ever borrowed any money from Wilson and, it appears no demand for payment was made between 1975 and 1988.

Your committee has been advised that the statute of limitations in the State of Arkansas on this type of note is five years. Wilson alleges Ward signed a promissory note.

Ward, when this first came to his attention in 1988, after the death of Wilson's wife, demanded to see the original note which was never produced. Then, sometime in 1988 Masonic trial was held in Pine Bluff Blue Lodge No. 69. At the Trial, a supposed copy of the original note was produced. This copy is not entirely clear. Ward denied that it was his signature on the copy of the alleged note and he (WILSON) did not know whether or not he saw WARD sign the note. During this trial, Wilson is alleged to have testified that he did not know whether or not Ward signed the note. Evidence was produced at the trial that the signature was a forgery. Ward has always maintained that if Wilson would produce the original note, he (Ward) would pay any money supposedly owed. During the trial Wilson testified that on three or four unspecified occasions, over the past thirteen years, Ward paid him \$600 as interest on this supposed note. Wilson had no record of when or how these payments were made and Ward denies having made them. Ward was found not guilty by his Blue Lodge. Subsequent thereto, the Grand Master of Arkansas appointed a Trial Commis-

sion to look into the matter and this Trial Commission conducted a second trial and Ward was found guilty and expelled from Masonry.

Your committee, pursuant to Sections 208.6(a) (4) and 323.8(e) of the Bylaws of the Imperial Council, has received the evidence, heard the arguments, fully considered the appeal, and presented the facts to you in this report. We do not believe that the loss of Ward's Masonic membership was for conduct in violation of Shrine Law. "Shrine Law means the Articles of Incorporation of the Imperial Council, these Bylaws and any General or Special Orders at the time in effect, but it does not include the law of the land." However, the decision, in the final analysis, is for you, the Representatives to the Imperial Council, to make. If you wish to sustain the appeal of former Noble James V. Ward, you should vote "yes" on the adoption of this report. A "yes" vote will mean that Ward will remain a member of the Shrine but he will not be a Scottish Rite, York Rite or Blue Lodge Mason. If you wish to deny the appeal of former Noble James V. Ward, you should vote "no."

Imperial Sir, I would move for the adoption of this report.

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: It has been moved and seconded that this report be adopted.

Is there discussion?

... There being no discussion, the motion to adopt the report was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE POWELL: I would like to make this statement and that is that we do have a law on the books to protect any Shriner against this kind of action.

In reality, what you have done here today is reaffirm that which we have in our Bylaws.

Thank you.

Now, at this point, I will recognize Sam Erickson for the presentation of the Iowa budget.

NOBLE ERICKSON: To the Representatives of the Imperial Council: Your Committee on Finance and Audit submits to you for your approval the following reports with respect to income and expenditures for the Iowa Corporation.

1. Report for the year 1989
2. Adjusted budget report for year 1990
3. Proposed budget for the year 1991

REPORT FOR THE YEAR 1989

The report for the year 1989 has been reported for you in the Book of Reports which you have already received. No inquiries have been received, your committee recommends ratification and approval of the report as shown in the Book of Reports.

Imperial Sir, I move the approval and adoption of this report for the year 1989 as submitted.

... The motion was severally seconded, voted upon and carried ...

REPORT FOR THE ADJUSTED BUDGET 1990 AND PROPOSED BUDGET FOR THE YEAR 1991

Included within your registration package you have a breakdown of the operating expenditures showing amounts appropriated for the year 1990 including the adjustments made by the Joint Boards and the proposed figures for the year 1991.

We shall give you a summary of the total figures which will be followed by detail, by classification, of the proposed items of the budget for the year 1991 so as to provide funds for the incoming Imperial Potentate. The proposed budget will be more accurately presented for your approval at a subsequent Imperial Council Session.

The budget for the year ending December 31, 1990 and 1991, as you received in your registration package, reflects an adjusted budget from that approved at Toronto in that there was a \$55,000 change to \$2,769,000 of total revenues.

In the expense category, the adjustments made totaled \$131,065 for an adjusted budget total expenses of \$2,332,149 with Imperial Council Session expenses of \$1,407,000 for a total expenses of \$3,739,149.

It does show an excess of expense over revenue for a loss of \$970,149.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1990 and the proposed budget for the year 1991 as submitted.

Respectfully submitted,
COMMITTEE ON FINANCE AND AUDIT

IMPERIAL POTENTATE POWELL: Is there a second to the motion?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE POWELL: Is there discussion?

I will recognize Imperial Sir Dick Olfene.

IMPERIAL SIR RICHARD OLFENE [Past Imperial Potentate]: My names is Dick Olfene and I am a Representative of Kora Temple and I do raise a couple of questions.

You know, I have had, over the past few years, a number of inquiries about increasing costs of running this corporation and, the consistent budgets they propose to us in a deficit fashion.

I have said on several occasions that I hope the Imperial Divan and Board of Directors of this corporation would begin to put us on a sound fiscal basis and stop presenting these deficit budgets for your approval or rejection.

Now, they seem to be getting worse rather than better and soon you are going to be asked by a piece of legislation to produce more income by taking it from the 800 Representatives to add to the income of this budget.

You know, I went back to the year 1985 only because I thought it was a five-year period approximately and let me tell you what I found in relation to my comparison of percentages involving decreases or increases in just two or three categories.

I found that the present budget presented over the one in 1985 had an income decrease of 8.8 percent. We decreased our income 8.8 percent while, at the same time, we increased our expenses, exclusive of the cost of the Imperial Council Session, exclusive of that.

Other expenses increased 60 percent.

Now, if you will turn to page 4 and look at the bottom of the page, there is a section referred to as "Imperial Divan." During that same period that one section of increase is 137 percent.

Well, when I saw that, I was beginning to get bothered and wondered what in the world was going on and, as I look at these adjustments, I can see that this initial type of thing has

been going back for a long time and I want to get my story across. Now, after I have finished my story, if you will agree with me, then I would appreciate it. If not, we will put the thing to bed.

Now, if we will look at the Imperial Divan expense, the first item there is the Imperial Potentate's contingency fund. It was \$40,000. Now, let me explain the contingency fund.

It is a fund of money—and I received it and others received it—that is given to us with no accounting back to the Shrine. It is just given to us to spend that money in any way we desire. We make no accounting back to our organization and, remember, where does that money come from? Well, it comes from the poor guy out there in the field who is really living on a Social Security check.

Now, during the course of this year, and I believe, Sam, if I am incorrect, please correct me, there are about six months left in the 1990 year but for some reason, they have increased that by \$11,900 which will bring us, in the course of the next six months, to what would be a \$51,900 year-end expense.

Now, I have spoken with five Past Imperial Potentates, including the present Imperial Potentate, who has refused to take the additional amount simply that he, like I and about three or four others have said it is more than adequate and, further, if the Imperial Potentate wishes to say that I am incorrect, please say so. However, that is exactly what he told me.

IMPERIAL POTENTATE POWELL: You are correct.

IMPERIAL SIR OLFENE: Further, I congratulate him for it.

I am saying, gentlemen, let us have some reasonable restraints on expenses.

Now, when your company or my company gets into a financial difficulty, what do we look to first? Cutting our expenses.

When your Temple is in trouble, you cut your expenses, you do not increase them and then not have any accounting for them.

Therefore, I would make a motion, and I do not think this is going to hurt Joe Padgett one bit. However, before I make the motion, let me tell you about the reimbursement travel which is below. It is \$112,500. However, when they bring up the Colorado Corporation, there is an additional \$112,500 that would apply to his travel expense. So the Imperial Potentate has available to him for reimbursement the sum of \$225,000.

Now, on top of that, he is begin given, without any accounting back to us, just his \$40,000 which they want to raise to \$51,000 and then they want to raise it to \$54,500.

When I asked them how they got these numbers, the answer was, "We tied them to the cost of living." However, you do not tie anything to the cost of living if you do not have the money to pay for it. (Applause)

So I make a motion on this one item to begin with and the motion will be that the contingency fund in the 1990 and 1991 budget for the Imperial Potentate be \$40,000.

... The motion was duly seconded ...

IMPERIAL POTENTATE POWELL: You have heard the motion, which has been seconded.

We are now on discussion of the motion.

Is there any discussion?

... The question was severally called for ...

IMPERIAL POTENTATE POWELL: All right, we have had the question called for.

All in favor of the motion as presented indicate by saying aye; contrary no. It is carried and it is now \$40,000.

IMPERIAL SIR OLFENE: Let me get down to the last item in that section and then I want to return.

You will notice, for example, that there are three items put together.

Now, only a suggestion, Sam, but I think it would be better for all of us if those line items—and I know this has always been done this way in the past, but then we will each know when we look at your report what the money was spent on if, in relation to those three items, rather than lumping them together that I hope your committee will undertake to separate them for ease of examination.

Now, the next item is "Imperial Officers' Office Expense and Allowances."

Now, it started out at \$18,000. Now, what is that? That is a \$300 per month allowance that was given to each of the top officers, the top five, I believe it is, monthly, for any office expense and no accounting back to the organization. That was a figure of \$3,600 a year.

Now, did I get it? Well, yes, I got it. Now, I do not say that I would be screaming so much about all of this but for the fact that we are in a deficit spending situation and we have to cut expenses and I want every Imperial Officer to have every dime that he is entitled to. I sincerely tell you that. I am not trying to take one dime away from them. I just want it reimbursed, accounted for and not just handed out under these conditions without any accounting back.

Now, what happened? Well, half-way apparently through the year, after you approved it last year in Toronto at some Board meeting you will notice that they raised it another \$18,000 and now they have thirty-six and I also understand that that is double the rest of the Imperial Divan.

I also learned, and I congratulate them, that there are two of those men who have, to this day, not take that allowance. I congratulate them for that.

The point I make, fellows, is that we need accountability and, therefore, I am going to move a resolution that I think will do what I believe will make them accountable and accountable to you and to the Iowa Corporation and if I am not out of order, Imperial Sir, and if you will let me, I would like to present this resolution:

"BE IT RESOLVED, in the Iowa Corporation, excluding the Imperial Potentate's contingency fund, payment of funds from the contingency and expense allowance fund shall cease as of July 31, 1990. Office and other vouchered expenses incurred by the Imperial Officers shall be reimbursed in a manner prescribed by the Board of Directors. It shall meet all requirements of the IRS and Guidelines as set forth by the Imperial Auditor. This action shall apply to all future budgets of the Iowa Corporation."

Fellow Representatives, I would move the adoption of that resolution.

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: The resolution as presented to you have been moved and severally seconded and it is now open for discussion.

NOBLE SAM ERICKSON: Imperial Sir, the charge to the Finance and Audit Committee is to report on the actions of the Divan and the Board. However, I would first of all, to answer where Imperial Sir Olfene started, say that we made a study in March going back to 1984 and in the income, for example, from 1984 through 1989, the percentage change in income was a minus 4.9 percent. Then, going from 1984 to the year 1989, the percentage change in expenses was 35.7 percent.

Now, in those categories, there were some negatives, etc., but then you also have to remember that there are salary expenses and, when we are looking at that many years, let me ask you, what percentage did you increase your employees during that same period of time?

Then you also have to ask yourselves as to what is happening to the payroll taxes which relates back to those same expenses?

Another item that you brought up, Imperial Sir, and which I gave you a sheet on—

IMPERIAL SIR OLFENE: I want to ask a question, may I interrupt?

I do not know, for example, whether you are speaking to me or to the issue. The issue at the moment is the resolution on the floor. Now, on the other hand, if you want to go back and question numbers, I will then tell you where I got mine and I have no question but that they went right through 1991. However, I think present on the floor is the resolution that I presented and if you want to speak to that, insofar as I am concerned, that is perfectly in order.

IMPERIAL POTENTATE POWELL: That is a good idea. Let us see how far we can go and I would like to get a ruling concerning that from my Parliamentarian.

NOBLE LAMDIN: Let me say that, unfortunately, Dick, you opened it up and our Bylaws say that as long as it is germane and you opened it up and we have this particular issue now before us, it means it is germane to the budget, at least as I see it. So his statement is in order.

IMPERIAL POTENTATE POWELL: The Parliamentarian has ruled in your favor, Sam, and so please proceed.

NOBLE ERICKSON: Let me say, Imperial Sirs and Representatives, that the reason we brought this back to 1984 is that is the year we had the Session in Boston and because we thought that was the logical place to start.

In relation to the expense categories then, what has happened during that period of time, as I mentioned, is that salaries and payroll taxes increased.

In addition, there was added to the Imperial, which has benefitted many of you, the Temple Micro Computer Department and then, in addition, during that period of time, we added a new person and that was Bob Phillips and that is part of the additional expense, that particular position.

There was an increase in the cost, because of the new building addition and in relation to those categories, I do not feel, as a CPA, that that is out of line for that period of time, 1984 through 1989.

In addition, the item that was brought up just a moment ago in relation to Imperial Council expenses, dealing with an item called Uniforms, Jewels and Plaques, in the year 1989 there was \$19,500 spent in those categories.

This budget for 1990 was reduced by \$3,500, to \$16,000.

Now, when you think of it as \$16,000 compared to the total budget that we have, it is such a small percentage, we thought we could minimize the number of items that were reported.

Thank you.

IMPERIAL SIR OLFENE: Well, let me respond to Sam, if I may, please.

I am not asking you to reduce that number at all—I am only asking you to put it in a three line item and when I spoke to you, Sam, you said, "Absolutely, it is no trouble at all."

Also, on my resolution, I am not asking you to reduce anything—just asking for accountability. That is all I am asking for, and nothing else. (Applause)

NOBLE EDWARD MAGG [Ainad Temple]: Imperial Sir, Imperial Sirs and Representatives: I am not an accountant but I know what the resolution says that Imperial Sir Olfene has presented and it did not relate, Sam, to any salary or IRS withholding in the slightest degree nor to any building expenses. It was limited, sir, only to Imperial Divan expense and that is the item which appears at the bottom of page 4 and your comment, with all due respect, with regard to appreciation in salaries and increase in withholding was not appropriate and is not applicable to any of those items.

IMPERIAL POTENTATE POWELL: May I ask that you, Imperial Sir, state your motion once again?

IMPERIAL SIR OLFENE: It is a resolution and reads as follows:

... Whereupon, Imperial Sir Olfene reread this original resolution as presented ...

IMPERIAL POTENTATE POWELL: And I believe we had a second for the adoption of that motion?

... Cries of "yes" and "second" ...

IMPERIAL POTENTATE POWELL: Is there any further discussion?

IMPERIAL SIR JACK DEAN: Imperial Sir and Imperial Sirs and My Fellow Representatives: I would urge you pass this. I do not think there is one person on the Divan that has any problems with it. Please pass it. (Applause)

IMPERIAL POTENTATE POWELL: I think we are ready for a vote.

All in favor of the adoption of this resolution please say aye; opposed no. It is unanimously carried—it is unanimous, and thank you, Jack, thank you, Dick.

IMPERIAL SIR DEAN: Imperial Sir, a point of personal privilege.

Now, I did not speak on any other items but I think there is something this organization needs to know and I do not think, for example, you can just walk out of here with the idea in the background that you have had.

The \$40,000 that is given to the Imperial Potentate for his discretionary funds was established by a Study Committee Chaired by Dick Olfene. Prior to that time, however, the Imperial Potentate received \$120,000. This was unaccountable and that was for travel, expenses as he saw fit, to do whatever he wanted to do.

Now, this floor and all of us felt there should be an accounting.

The figure that we set in 1982 or 1983, when that committee reported out, was that it should be \$40,000 that would go to the Imperial Potentate for his, as his pocket money to pay his air travel or whatever while on the road.

That was keyed to inflation as a result of the fact that one of our Imperial Potentates went

to you, the Representatives, and asked for \$65,000 or \$60,000 and he said that because he needed it, you granted it.

The following year, the next Imperial Potentate came back and said he was requesting \$40,000. He asked you for that and you granted it: I do not think that anybody has any problems with this. The problem is now, however, that the gentleman who was preaching fiscal responsibility went to another Past Imperial Potentate and said, "Were you able to fly first-class the whole time you were Imperial Potentate?" He replied, "No."

Then we got a Study Committee and, as a matter of fact, that was my first year on the Imperial Divan and all of a sudden this Study Committee took \$120,000 and took it up to \$200,000 when you included the \$40,000 you have there and the money he received for travel.

It was a nice way to moving things around and it was all done under the name of accountability.

Now, I am for accountability. I do not think that anybody in this room or none of the Imperial Divan are opposed to accountability or vouching for their expenses. And, further, if you want, I am sure that every Imperial Potentate will also account for \$40,000, \$50,000 or whatever you choose to vote. I do not think there is any problem with that.

I do not think you have to sit here and get the idea that any of us are attempting to get a free lunch. That we are not asking for. We are here to work for you and not here trying to pick your pockets.

... Applause ensued ...

NOBLE ERICKSON: Imperial Sir, I move the ratification and approval and adoption of the adjusted budget subject to the two changes that you have voted upon for the year 1990 and the proposed budget for the year 1991.

... The motion was duly seconded ...

IMPERIAL SIR OLFENE: Sam, I do not know how to do it properly but please be sure that there are some funds left in there, allowance funds, that can be used to pay for reimbursement. I am not asking you to take the money out—I just want it accounted for.

IMPERIAL POTENTATE POWELL: Well, why do not we go home and you two work it out?

... Cheers and applause ...

IMPERIAL POTENTATE POWELL: Let me ask you, are you fellows all satisfied with what we have been doing here today? Are you satisfied? They are going to straighten it out.

Now, look, would you be angry if, for example, we started tomorrow morning at eight-thirty?

... Cries of "no, no" ...

IMPERIAL POTENTATE POWELL: On the other hand, how about eight o'clock?

... Cries of "eight o'clock" ensued ...

IMPERIAL POTENTATE POWELL: You know, they told me that we had to complete Iowa business today. Now, what is left?

NOBLE ERICKSON: This will take care of it.

Also, let me say that the presentation by Imperial Sir Olfene brought the contingency back to \$40,000.

Thirty-six thousand dollars that is budgeted for expenses will remain in your budget but there has to be accountability for the \$36,000.

IMPERIAL POTENTATE POWELL: Well, we have the motion as made by Sam before us and it was seconded.

Is there any discussion on that motion?

... The question was called for, the motion was voted upon and was declared to be carried ...

IMPERIAL POTENTATE POWELL: Well, you have agreed to eight o'clock tomorrow morning and so it will be at eight o'clock tomorrow morning that we will commence again.

We are adjourned for today.

... The One Hundred Sixteenth Annual Session of the Imperial Council A.A.O.N.M.S. recessed at five-forty o'clock p.m. to reconvene the following morning at eight o'clock a.m. ...

MORNING SESSION
FRIDAY, JULY 6, 1990
EIGHT O'CLOCK A.M.

The One Hundred Sixteenth Annual Session of the Imperial Council reconvened in the International Ballroom, Chicago Hilton and Towers Hotel, Chicago, Illinois, at eight o'clock a.m., Imperial Potentate George Powell presiding.

IMPERIAL POTENTATE POWELL: Nobles, if you will take your seats, we will get started.

I would like to call on our Chaplain, the Reverence John B. Peterson, for the Invocation.

REVEREND JOHN PETERSON [Imperial Chaplain]: Our Father, we believe we have arrived at a most serious and interesting point in our Convention.

We now briefly pause to offer our thanks to You for all that You have done for us and that with confidence, that which has been done for the benefit of our charity, will continue on into the future.

A year ago, we asked that You watch over our newly elected Imperial Potentate, George Powell, that he might have the strength and the courage and the faith and the patience of one that could carry on. We know Thou hast given that to him.

We likewise offer to You the same prayer for our newly elected Imperial Potentate. Grant, our Heavenly Father, that he may experience the same blessings that You have granted in the past.

Likewise, we ask Thy blessing upon the remainder of this Session that we shall feel Thy presence and enjoy Thy peace and Thy blessings as we go our various ways. We ask it in Thy Holy Name. Amen.

IMPERIAL POTENTATE POWELL: I will next recognize Jack Jones to present the report of the Temple Research and Counsel Committee.

IMPERIAL SIR JACK JONES: Imperial Sir, Imperial Sirs, Most Worshipful and Right Worshipful Sirs, Representatives of the Imperial Council and Nobles All: It certainly is a grand opportunity for me to be up here presenting perhaps only a portion of the report of the Temple Research and Counsel Committee.

During this past Imperial Year, Imperial Sir Bob Bailey and I have had the pleasure of serving on the Temple Research and Counsel Committee, the purpose of which was to visit as many Temples as possible during the year, meeting with as many Temple Officers as possible along with the Committee Chairmen of Membership, Public Relations, etc.

Forty-seven Temples were visited, where discussions on each Temple's operation started at about nine o'clock a.m. and concluded around three or four that afternoon. We talked about subjects such as meetings, Ceremonials, administration, budgets, buildings, activities, public relations, hospital patients and much more. We had lengthy discussions about membership problems and suggestions on ways to help resolve these problems. No miracles were unearthed but a lot of good ideas were put forth and, as you may remember, during the past few days, we have had the opportunity of being able to put some of those forth.

To each Representative here, upon registration, you received in your registration packet the report of this committee.

Time does not allow for us to go through the items that are in the report because many of them have already been presented to you during this Session, some of them with slides and some in a video portion.

Many of the Representatives here have already indicated to Bob Bailey and myself and the Imperial Potentate that you have read the report, that you understood and were pleased with the information submitted.

For example, we had one video of a presentation made before the Conference of Grand Masters that had been held in Salt Lake City. It was a very, very revealing report.

I think that all Grand Lodges have a copy of the video tape of the report which was given.

It was about an hour in length and we had shortened it to about twenty-five minutes—giving mostly the interpretations and conclusions of the report by the company who did the survey and, unfortunately, we here this morning will not have time to show you that report.

Your Grand Jurisdiction does have video copies and I am sure you can get one from your Grand Lodge.

The Masonic Service Organization is going to provide for a written report of these surveys that were conducted last year.

I asked them for sufficient copies to provide every Temple in North America with a copy and we will send those out to you as soon as that is complete.

I think I would like to conclude my report here this morning just to ask that you please read this comprehensive report, if you have not done so.

It does provide a lot of good information. Further, I think it will be beneficial to you in the operation of your Temples and in the running of your Shrine business throughout North America.

Thank you, Imperial Sir, for the time allotted to me this morning. However, as I say, there was not sufficient time for me to give you a fully detailed report but, again, I am sure you have already received it and, if not, it will be forthcoming shortly.

Thank you very much, Imperial Sir.

Imperial Sir, I would move for the acceptance of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE POWELL: We have a motion and a second for the acceptance of the report.

Is there any discussion?

... There being no discussion, the motion to accept the report was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE POWELL: May I say this to you?

I spoke to Imperial Sir Joe Padgett and Joe has told me he is going to continue this process. As a matter of fact, I have gotten many fine comments from around the country that they appreciate the fact that somebody has come to them from the home office and said, "We are concerned, we want to help you, what are your particular problems?"

Now, there have been only forty to forty-five Temples that they had been able to visit this year but at the end of three to four years, I am sure they will all be covered.

Now, as we all know, at the end of the second or third year, there are going to be new problems that will be coming up. As a matter of fact, these problems continue to repeat themselves. They tend to repeat themselves as a festering sore and we are going to have to try to get some kind of an antibiotic to help with that.

Thank you very much.

I will next recognize Webber C. Harrington for the report of the Board of Directors of the Iowa Corporation. He will give you the amendments to, departures from the budget and the reason therefor.

... At this point, Imperial Sir Harrington indicated he was not quite ready to present his report ...

IMPERIAL POTENTATE POWELL: Thank you, Webb.

I will next recognize Buddy Tingle.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 3 on Call of the Annual Session of 1990, located on page 18 of the Call. It is a proposal to amend Section 211.5(a) of Article 11 of the Bylaws of the Iowa Corporation by adding and deleting certain language so that such subsection, as amended, will read as follows:

ARTICLE 11 Budget and Revenues

Section 211.5 Per Capita Tax.

Amount. Each Temple shall pay an annual per capita tax to the Imperial Council of \$4 for each member of the Temple, computed on Temple membership as of the first day of January of each year.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sam Erickson for the report of the Finance and Audit Committee.

IMPERIAL POTENTATE POWELL: The Chair will recognize Illustrious Sam Erickson.

NOBLE ERICKSON: To the Representatives of the Imperial Council: There has been submitted to your Committee on Finance and Audit, Item Number 3 of Call of the Annual Session of 1990, found on page 18 of the Call.

Your committee met on Monday, July 2, in a scheduled meeting held here in Chicago and considered the proposal. Representatives from the Committee to Study Mileage and Per Diem and Per Capita Tax appeared before your committee.

Your committee considered the proposal carefully. It has taken in consideration the present financial condition of the Iowa Corporation and the possible consequences of insufficient revenues. Your committee is of the strong opinion that this proposal should be adopted.

Imperial Sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Earl P. Brown, Past Potentate, Emeritus Representative of Medinah Temple and Chairman of the Committee to Study Mileage and Per Diem and Per Capita Tax, for an appropriate motion.

IMPERIAL POTENTATE POWELL: I will next call on Past Potentate Earl Brown.

ILLUSTRIOUS SIR EARL BROWN [Medinah Temple]: Imperial Sir and Imperial Sirs, I would move for the adoption of this amendment.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE POWELL: We have a motion and a second.
 Is there any discussion?

If not, all in favor indicate by saying aye; opposed no. It is defeated and I do not think we will have to do that again. Again, it is defeated. (Applause)

NOBLE MOORE: Imperial Sir, I have a question.

Going back to the previous report of the Grievances and Appeals Committee concerning the member being expelled from Masonry and still retaining his status in the Shrine. Can you explain that in a little more detail for me?

NOBLE LAMDIN: Your question is, with regard to that individual, can you now pick him up off the sidewalk after expulsion from Masonry and make him a Shriner. The answer is no.

We have not changed the requirement. In order to become a Noble, you must be either a member of the York or Scottish Rite. In order for you to be a member of the Scottish Rite, he must be a Blue Lodge Mason and so the requirement is still the same.

In our case, we ruled on two isolated unfortunate incidents but remember, the barriers are not down. We just cannot go out and grab from the sidewalk and bring him in. Do you understand that?

NOBLE J. A. YOCUM [Crescent Temple]: to the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 16 on Call of the Annual Session of 1990, located on page 25 of the Call. It is a resolution, That the Imperial Council, pursuant to Section 209.1(b) of the Bylaws of the Iowa Corporation, approved the proposal of the Dixie Shrine Association to change its membership by adding Yaarab Temple of Georgia to its jurisdiction and that the Charter of such association be amended accordingly.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Walter L. Emerson, for a report of the Dispensations and Charters Committee.

IMPERIAL POTENTATE POWELL: I will recognize Illustrious Sir Emerson for a report of the Dispensations and Charters Committee.

ILLUSTRIOUS SIR EMERSON: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters, a proposal to change the membership of the Dixie Shrine Association by adding Yaarab Temple thereto. It is Item number 16, located on page 25 of the Call and the text thereof was just read to you by the representative of the Jurisprudence and Laws Committee.

On July 1, 1990, your committee met with the President of the Dixie Shrine Association and the Potentate of Yaarab Temple. Their presentations were in keeping with the best spirit of the Shrine. After due and deliberate consideration of the proposal, your committee found that Yaarab Temple had adopted a resolution at a stated meeting of its Temple to join the association; it had then petitioned the association and had been accepted by the association, subject to the approval of the Imperial Council; the association has abided by its Charter limiting its activities to holding conventions for purely fraternal purposes; Yaarab Temple is a nearby Temple; Yaarab Temple would add to the vitality of the association; Yaarab Temple will abide by the purpose of this association; and the proposal has complied with Section 209.1(b) of the Bylaws of the Imperial Council.

It is our unanimous conclusion that this change in membership would be in the best interest of the Order and this association of Temples

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 1 on Call of the Annual Session of 1990, located on page 17 of the Call. It is a proposal to amend Section 205.5(b) of Article 5 of the Bylaws of the Iowa Corporation by adding and deleting certain language so that such subsection, as amended, will read as follows:

ARTICLE 5

Mileage and Per Diem

Section 205.5 Method and Time of Payment.

(b) Mileage. A Representative entitled to a mileage allowance shall be paid within 10 days after the close of the Session by checks prepared from the report of the Mileage and Per Diem Committee:

(1) The actual transportation expenses for himself, and for his spouse if she accompanied him, but not to exceed the amount indicated in Section 205.1(a), if he used public transportation; or

(2) The sum of \$0.26 a mile round trip, whether or not his spouse accompanied him, if he used ground transportation (public or private), but not to exceed the amount indicated in Section 205.1(a); or

(3) An amount not to exceed that indicated in Section 205.1(a) for himself, and for his spouse if she accompanied him, if he used private air transportation.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sam Erickson for the report of the Finance and Audit Committee.

IMPERIAL POTENTATE POWELL: I will call on Sam Erickson at this time.

Let me ask, is there any discussion before Sam gets to his report?

If not, go right ahead, sir.

NOBLE ERICKSON: To the Representatives of the Imperial Council: There has been submitted to your Finance and Audit Committee, Item Number 1 on Call of the Annual Session of 1990, found on page 17 of the Call.

Your committee met in a scheduled meeting held on Monday, July 2, in Chicago and considered the proposal. Authorized representatives of the proposer met with the committee. Upon careful review, the committee recommends the adoption of Item 1.

Imperial sir, if there are no questions or comments on this report, I recommend that you call upon Illustrious Earl P. Brown, Past Potentate, Representative Emeritus of Medinah Temple and Chairman of the Committee to Study Mileage and Per Diem and Per Capita Tax, for an appropriate motion.

IMPERIAL POTENTATE POWELL: I will recognize Illustrious Sir Earl Brown.

ILLUSTRIOUS SIR EARL BROWN: Imperial Sir, Imperial Sirs and Members of the Imperial Council: The Committee to Study Mileage and Per Diem and Per Capita Tax, by its Representatives, proposes the following:

Amend Section 205.5(b) of Article 5 of the Bylaws of the Iowa Corporation by adding and deleting certain language so that Section 205.5(b), as amended, will read as follows, with new language italicized and deleted language bracketed:

ARTICLE 5 Mileage and Per Diem

Section 205.5 METHOD AND TIME OF PAYMENT

(b) MILEAGE. A Representative entitled to a mileage allowance shall be paid within 10 days after the close of the Session by checks prepared from the report of the Mileage and Per Diem Committee:

(1) The actual transportation expenses for himself, and for his spouse if she accompanied

him, but not to exceed the amount indicated in Section 205.1(2), if he used public transportation; [or]

(2) *The sum of \$0.26 a mile round trip, whether or not his spouse accompanied him, if he used ground transportation, but not to exceed the amount indicated in Section 205.1(a); or*

(3) An amount not to exceed that indicated in Section 205.1(a) for himself, and for his spouse if she accompanied him, if he used private air transportation.

If I may give a bit of explanation with regard to this.

Essentially, what you are talking about here are many different forms of transportation.

For example, in relation to the meaning of "private transportation," it means other than commercial air transportation."

IMPERIAL POTENTATE POWELL: Now, as I understand it, the question has been asked whether the words "private air" are commercial and, as I view this, I guess it is not.

ILLUSTRIOUS SIR BROWN: If I can give an explanation, let me say that what we are talking to you about here are many different forms of transportation.

For example, "private air," where you fly in your own airplane, that is not considered commercial. The same thing applies in relation to "private transportation."

IMPERIAL POTENTATE POWELL: Well, as I look up on this, we do not have that resolved as yet but then let us get it resolved before we move on here.

NOBLE TINGLE: The amendment, in reality, refers to Section 205.1 which prescribes an allowance as we have received for several years. It makes no change in that.

The real change is in item (3) which would allow for a Representative who uses private air transportation to be paid for that cost, as long as it does not exceed the cost provided in Section 205.1.

IMPERIAL POTENTATE POWELL: What is the answer to the question—yes or no?

NOBLE JACK DEASON [Al Sihah Temple]: You know, when you say "private airline," you would not have an airline ticket. Therefore, on your commercial air lines, you have to have an airline ticket but if you come on a private airplane, you do not have an airline ticket.

IMPERIAL POTENTATE POWELL: You know, there is no way that you would or could necessarily determine the cost of a private air plane.

NOBLE ERICKSON: The Noble that was just on the microphone, please go back to Section 205.1(a).

As you are all aware, there is a cap on the mileage so that cap will apply then to the automobile and/or private air carrier.

IMPERIAL POTENTATE POWELL: Well, let me ask, are you satisfied?

... Cries of "yes" ...

IMPERIAL POTENTATE POWELL: Is there other discussion?

ILLUSTRIOUS SIR BROWN: We discussed the current mileage and how it has been written and it has not been changed since 1984. Now, we reviewed everything concerned with this and stumbled onto a surprising statistic in relation to those Representatives involved with motor travel.

In 1987, for example, 11 percent of the Representatives chose private transportation to the Convention in Las Vegas. That percentage, however, rose to 21 percent for the Session in New Orleans. In 1989, however, that percentage jumped to 35 percent for those representing they used private transportation to reach the Convention.

The current Bylaws provide that the Representative be allowed an amount not to exceed the cap for him and his spouse, which is the lowest, unrestricted discount fare from his city to the Convention city, if he uses private transportation.

This rise in the use of private transportation cuts deeply into the savings the Imperial Council had been experiencing because the Representatives had been obtaining significantly lower air fares than the cap as authorized in the Bylaws.

Those savings in 1987 alone, amounted to nearly \$300,000.

Considering the dramatic increase in the use of private transportation, perhaps based on so much per mile, obviously, a payment based on an air fare for someone using automobile, bus or van is not logical.

It is the committee's recommendation that a Representative using private transportation receive twenty-six cents per mile round trip, which happens to be the federal government

recommendations. This, according to the study, covers the cost of expense, including depreciation on the automobile.

With that, Imperial Sir, I would move for the adoption of this report.

. . . The motion was duly seconded . . .

NOBLE ROBERT HUGHES [Hasan Temple]: You know, while Earl Brown talks about driving an automobile here at twenty-six cents a mile, this does not include the \$18 a day parking fee that we are faced with when we come to these large cities.

Therefore, I would like to add to what we have here—that you also be paid the parking fee if you come by automobile as a cost of expense.

IMPERIAL POTENTATE POWELL: Wel, sir, if I may answer that, let me say that that was discussed in the meeting that they held and then it was decided that those who do not drive a car will come by plane or whatever it may be and that individual would say, "Golly, he is getting a little bit more than I am. For example, if he is charging for \$18 a day in parking fee, maybe on the other hand, he is only parking for \$14 a day."

However, you all know the situation and so why do not you just try. We know, of course, it is hurting your pocketbook.

NOBLE HUGHES: Why do not we try what?

IMPERIAL POTENTATE POWELL: Pay the \$18 parking fee and not complain about it. (Laughter)

Now, with that, are there other questions?

IMPERIAL SIR McMULLAN [Past Imperial Potentate]: You know, until such time as the value of the Canadian dollar and the peso rise to that of the equivalent of the United States dollar, I would move to amend item 1, subparagraph 2, by inserting "U.S. currency" after "0.26."

IMPERIAL POTENTATE POWELL: Well, that does make some sense. Is there a second to that?

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE POWELL: Now, then, we are going to vote on the amendment to the resolution. It has been seconded.

Are there any questions?

All in favor of the amendment indicate by saying aye; contrary no. It is adopted, the amendment to the resolution has been adopted.

We are now back to the resolution as amended.

ILLUSTRIOUS SIR GREENAWALT [Rajah Temple]: In answer to charging \$18 a day for parking, those of us who did not drive, pay a lot more than \$18 a day in cab fare or rental car fare.

IMPERIAL POTENTATE POWELL: True but, on the other hand, you see, nobody has said, "Thank God it only cost \$88 for a room, against \$120 to \$130." You know, there are always two sides of the story.

Now, are we ready to vote?

All in favor say aye; contrary no. This is a motion to adopt the recommendation as amended.

Again, all in favor say aye; opposed. The motion as amended is declared to be carried.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and Fellow Representatives: I hope that every one of you, when you arrived here and you received your packets, looked at these red books or reports, because there is a wealth of information in those books if you will just but read them. Therein you will find not only the reports of your auditors and reports of the Finance and Accounts Committee, but I have tried, as your Treasurer, to give you carefully prepared reports over the last several years so that you will know what the trends are, both in the Iowa and Colorado Corporations.

Now, first of all, I would like to tell you just a little bit about the Iowa Corporation because we have just acted on two different resolutions with respect to per capita and mileage and per diem.

I am very pleased in that you just approved the resolution you did with respect to the Iowa Corporation because, as Illustrious Sir Earl Brown has said, we found that there was a very disturbing trend in what would be claimed with respect to mileage.

Now, frankly, fellows, if you could see, and you can tell from these reports, we are

getting into a serious financial situation with respect to the Iowa Corporation and, you know, it is not just a matter of how much the per capita might be but, on the other hand, we are going to have to consider such drastic things such as, for example, should the expenses of your wives be paid, should we reduce the number of days of the Imperial Session, should we start on a different day of the week and, in fact, starting with Imperial Sir Evans' Convention, we will be starting on a different day of the week to try to take advantage of the lower discount fares on the airlines by staying over the weekend, which I know many of you, out of the goodness of your hearts, have, by so doing, saved us a lot of money and, in that respect, I will give you what good news there is with respect to the Iowa Corporation.

Our present computation of the airline fares to this Convention indicates a saving of approximately \$428,000, so instead of the approximately \$970,000 deficit that is shown in the blue report, the report that was in your packets, and the adoption of the change which we made yesterday with respect to the Imperial Potentate's contingency fund, it now appears that the deficit for 1990 to the Iowa Corporation will be approximately \$530,000.

On the other hand, looking toward the end of 1991, you can see that where we projected a fund balance of only \$1,039,000, and while I just told you about the possible saving of \$428,000 and assuming we might save a similar amount next year, we still will be getting down to a very dangerous level insofar as the capital of the Iowa Corporation is concerned.

It certainly means that we are going to have to go back to the drawing boards this year. Imperial Sir Joe Padgett will be appointing a committee to continue this study because, as we view it, we are going to have to make some rather drastic changes with respect to the Convention—whose expenses we pay or the per capita tax.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL SIR HARRINGTON: Now, having completed both financial reports concerning both of our corporations, Imperial Sir, and there being no questions, I would move the adoption of this report for both corporations.

... The motion was duly seconded ...

IMPERIAL POTENTATE POWELL: Are there any questions?

If not, all in favor say aye; opposed no. The motion is carried.

... Business was transacted in the Colorado Corporation at this time ...

NOBLE THOMPSON [Mount Sinai Temple]: Imperial Sir, I voted in the negative concerning the item involving per capita tax increase and I would request that we bring that back to the floor for further discussion, if I may be permitted to do so.

IMPERIAL POTENTATE POWELL: Just a moment. You are moving reconsideration?

NOBLE THOMPSON: Yes, I move for reconsideration.

... The motion was duly seconded ...

IMPERIAL POTENTATE POWELL: And we do have a second.

NOBLE LAMDIN: Representatives, I want you to be sure you understand what you are voting on. Do you know what you are voting on?

... Cries of "no" ...

NOBLE LAMDIN: Well, just a few moments ago you voted down the per capita tax increase from \$3 to \$4. This gentleman indicated he voted with the prevailing side and he wants to reconsider that vote at this time.

Now, if you do want to reconsider that item, you vote with him. If you do not want to reconsider that item, you vote "no."

IMPERIAL POTENTATE POWELL: Well, all right, I believe we are ready for a vote.

All in favor of reconsideration indicate by saying aye; contrary no. The motion is defeated and so it will not be reconsidered.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL SIR HARRINGTON: Imperial Sir, I do not think we took a vote on accepting the Treasurer's report as inserted in your packets. I would so move.

... The motion was duly seconded, was voted upon and declared to be carried ...

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Joe Morris for the report of the Jurisdictional Lines Committee.

IMPERIAL POTENTATE POWELL: The Chair will recognize Joe Morris.

NOBLE MORRIS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines, a proposal to amend Article 77 of the Bylaws of the Iowa Corporation. It is Item Number 12 and it is located on page 21 of the Call and the test thereof was just read to you by the representative of the Jurisprudence and Laws Committee.

On July 1, 1990, your committee met with the Representatives of the affected Temples. Their presentations were in the spirit of the best interest of Shrinedom and they, at all times, exhibited good will toward one another. They all expressed a favorable position toward the proposal. In truth, the restructuring of Article 77 will bring comprehension out of chaos. There is one misspelling of a town—the Town of Truxton is spelled T-R-U-X-T-O-N rather than T-R-U-S-T-O-N. This will be corrected.

After due and deliberate consideration of the proposal, your committee concludes that it would be in the best interest of the Order and the Temples in the State of New York if the proposal was adopted.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: I have before me a written request to withdraw Item 13 which appears on page 23 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw Item 13 on the Call for the Annual Session of 1990."

It is signed by Howard S. Olsen, Potentate and Representative of Nile Temple, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

In conformity with the reports and recommendations of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, that dispensation be granted and that jurisdictional lines be modified, and your action thereon, and in conformity with the agreement of the representatives of the Temples and proposed Temple in the State of Washington, Article 92 of the Bylaws of the Iowa Corporation should be amended to read as follows:

ARTICLE 92

Imperial Sir, if there are no questions or comments on this report, I move the revision of Article 92 as herein recited and the adoption of this report, and request that you recognize Graves Trumbo, Chairman of the Dispensations and Charters Committee.

IMPERIAL POTENTATE POWELL: I will recognize Graves Trumbo, Chairman of the Committee on Dispensations and Charters.

NOBLE TRUMBO: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters, a petition from Nobles residing in the Yakima, Washington area requesting a dispensation for a new Temple to be located in Yakima, Washington to be known as Masada. It is Item 17 and appears on page 25 of the Call.

A hearing was held thereon before your Committee on July 1, 1990 at which time representatives from Afifi, El Katif and Nile Temples were present, along with Nobles representing the petitioners. A presentation for dispensation was made by the applicants, as well as articulate presentations from the affected Temples.

The spokesman for El Katif Temple informed the committee that El Katif, at its stated meeting on June 6, 1990, had voted not to approve and support the petition for dispensation. The spokesman for Afifi Temple informed the committee that his Temple had not taken any action on the petition this year but that a year earlier it had voted not to approve and support the petition for dispensation.

Your committee listened attentively to the positions and representations of all Nobles in attendance. They were presented in a spirited manner but at all times with civility, goodwill and respect for the rights of others in attendance. You committee is most pleased to report this to the Representatives of the Imperial Council.

After due and deliberate consideration of the proposal, your committee unanimously found that the application for dispensation was signed by the requisite number of Nobles who were in good standing in the order at the time the petition was filed with the Imperial Recorder; that they resided in the proposed territory of the new Temple, that the dispensation form, its execution and filing were in compliance with our Bylaws; the petition was approved and supported by all other Temples in the state and your Dispensations and Charters Committee; that the applicants gave satisfactory evidence that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple; that the issues of assets and liabilities of the Temple, units, Shrine clubs and appendant and affiliated entities within the territorial jurisdiction of the proposed Temple were addressed, and that the Imperial Recorder notified the Temples which might reasonably be affected at least thirty days prior to the Session, giving full information in regard to the application, in order that objections of the granting of the dispensation may be presented to the Imperial Council.

Your committee further found that the material and information prepared and presented by the proponents were in proper order, well prepared and met all the provisions of the Bylaws of the Iowa Corporation.

As indicted earlier, a representation was made to your committee that the petition was not approved and supported by certain Temples in the state. Your committee found that this representation was not accurate. On November 1, 1989, a meeting was held in Seattle, Washington at which a fair, frank and full discussion was held on the issue of a new Temple in Washington among the existing Temples, the proposed Temple, the Imperial Potentate and General Counsel. At the conclusion of the meeting a memorandum of understanding was reached as follows:

1. Masada Temple (proposed) will receive valid applications for dispensation from the Imperial Recorder containing all the required information thereon including cautionary language. These applications will be circulated for the required signatures.

2. The existing three Temples in Washington shall have the right to approve the provisional Officers of Masada Temple (proposed).

3. In the event the applications are signed by 500 or more Nobles who are in good standing, as required by the Bylaws of the Imperial Council, then the existing three Temples will approve and support the petition for dispensations for the new Temple.

4. All parties will make a good faith attempt to agree on disposition of assets and liabilities, the territory to be designated and the control of the existing Shrine Clubs. In the event any of these issues are not resolved by negotiation, then these issues will be heard by the Dispensations and Charters and Jurisdictional Lines Committees as required, with finalization at the Imperial Council Session, affording all interested Temples and Nobles an

opportunity to present their positions. The final decision on unresolved issues will be with the Representatives to the Imperial Council.

5. There should be monthly meetings among the three existing Temples and Masada (proposed) to discuss matters of mutual interest, keep each other informed and to attempt to resolve all issues. Each side should appoint two or three representatives for such meetings.

6. The Nobles who have applied for demits should withdraw their applications. The Nobles who have received certificates of demits should submit their written applications, with their original demits attached, back to their own Temples, and they will be returned to membership without a vote of their Temples.

7. The Executive Director, Charles G. Cumpstone, Jr., will be available to discuss any questions which may arise as the parties proceed with the implementation of this memorandum of understanding.

The Nobles of Yakima, Washington, in good faith reliance of this agreement, spent the next eight months of their lives organizing their new Temple. They received valid applications for dispensation; allowed the existing Temples the opportunity to approve the provisional Officers of Masada Temple (proposed); obtained the required signatures; held periodic meetings with the existing Temples; and worked diligently to have demitted and frustrated Nobles rejoin their old Temples. The agreement, from its inception, clearly stated that in the event the affected Temples could not reach their own agreement on jurisdictional lines, that this issue would be left to the Dispensations and Charters Committee and Jurisdictional Lines Committee and, in the final analysis, the Imperial Council. We regret to inform you that the proposed Temple and the affected Temples were not able to reach a meeting of the minds on territorial jurisdiction—though they came very close. It was quite apparent to the committee that when the proposed Masada Temple would not accede to the position of El Katif Temple on jurisdictional lines, that the Officers of El Katif Temple took steps to rescind the former consent agreement of November 1, 1989. A resolution was presented to the Temple membership on June 6, 1990—just three and one-half weeks before the start of this Imperial Council Session—rescinding the former agreement of November 1, 1989, and the Temple voted not to support Masada. Your committee submits that it should not condone or sanction such conduct. It is the antithesis of the spirit of good will and fraternal behavior that must exist if the Shrine is to survive as a fraternal organization. It is for this, as well as other reasons, that your committee concluded that consent to the formation of Masada Temple had been given. The committee asks the Imperial Council to uphold its judgment thereon.

After a full discussion of all the facts relating to the petition for dispensation of the new Temple, and review of correspondence received during the year from the Temples in Washington, your committee met in Executive Session and unanimously approved and recommends the granting of dispensation.

Your committee then met in joint session with the Committee on Jurisdictional Lines as required by Section 329.5(b) of the Bylaws of the Imperial Council. The jurisdiction of the new Temple was determined on recommendation of the two committees, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the committees. The committees determined that the new Temple should have exclusive jurisdiction in the Counties of Benton, Kittitas, Klickitat and Yakima and concurrent jurisdiction in the Counties of Chelan, Douglas, Grant, Adams, Franklin and Walla Walla.

The committees authorized their Chairmen to reconvene a meeting with the three Temples and the proposed Temple and to announce their decision on dispensation and territorial jurisdiction directly to them. This was done. Your committee invited proposals for refinements from the representatives of the Temples which would not alter the spirit of the decision and which would be in the best interest of the Order and the Temples. Thereafter, with the guidance of the Chairmen of your committees, the representatives of the three Temples and the proposed Temple sat down for some good, old-fashioned give and take. These sessions lasted for a total of five days. We believe it is important for you to realize that brotherly respect prevailed at these lengthy sessions. In the end, representatives of the three Temples and the proposed Temple reached a mutual position on the appropriate territorial jurisdiction of the new Temple, and disposition of assets, liabilities, clubs, units

and activities. It is with pride and pleasure that we announce the result to you. In the event dispensation is granted to Masada, it will have exclusive jurisdiction in the counties of Kittitas, Klickitat and Yakima; exclusive jurisdiction in that portion of Chelan County that lies south of the north side of the city limits of Wenatchee extending east and west to the boundary of the county; and concurrent jurisdiction in the County of Benton.

As a further indication to you of the progress and fraternal good will that evolved from these meetings, El Katif Temple has informed Masada Temple (proposed) that it will look favorably upon any requests for waivers from applicants who wish to join Masada and who live in counties adjoining the territory of Masada.

All Temples in the State of Washington acknowledged that they comprehended and were knowledgeable with the provisions of the Bylaws of the Imperial Council, as written, including, but not limited to, all provisions relating to the jurisdiction of Temples, Shrine Clubs, Units and activities, especially Articles 36 and 37 and Section 324.2, and that they will govern their business and affairs in accordance therewith.

The Columbia Basin Shrine Club and the Columbia Basin Shrine Club Holding Corporation, located in Franklin County, shall remain under the jurisdiction of El Katif.

The holding corporation of Afifi Temple, located in Yakima, will be dissolved and its net assets distributed to Shriners Hospitals for Crippled Children.

The assets and liabilities of the Shrine Clubs and Units in Kittitas, Klickitat and Yakima Counties are to remain the property of Afifi Temple, except as may be awarded to Masada Temple in the sole discretion of Afifi.

The Shrine Clubs and Units and the assets and liabilities of the Shrine Clubs and Units in exclusive jurisdiction will remain under the jurisdiction of the Temple having exclusive jurisdiction, except as aforesaid.

The Shrine Clubs and Units and the assets and liabilities of the Shrine Clubs and Units in concurrent jurisdiction will remain in the jurisdiction of the Temple presently having their jurisdiction.

Fellow Representatives, I express the appreciation of all the Nobles involved in these discussions for allowing me to make this lengthy and detailed report to you. We all believed that it was important for you to be fully advised thereon.

In conclusion, your committee recommends that dispensation be granted and that jurisdiction, supervision and control be awarded as recited in this report.

Imperial Sir, if there are no questions or comments on this report, I move that it be adopted and that you call upon Illustrious Rudy A. Posey for the report of the Jurisdictional Lines Committee, and I request that you call upon Illustrious Wayne G. Peters, Potentate of Afifi Temple, to second this motion.

NOBLE POSEY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines, a petition from Nobles residing in the Yakima, Washington area requesting a dispensation for a new Temple to be located in Yakima, Washington, and to be known as Masada. It is Item Number 17 and appears on page 25 of the Call.

A hearing was held thereon before the Committee on Dispensations and Charters on July 1, 1990 at which time representatives from Afifi, El Katif and Nile Temples were present, along with Nobles representing the petitioners. As you have just heard, such committee recommended the granting of dispensation and you adopted this recommendation.

Your committee then met in joint session with the Committee on Dispensation and

Charters as required by Section 329.5(b) of the Bylaws of the Imperial Council. The jurisdiction of the new Temple was determined on recommendation of the two committees, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the committees.

Your committee incorporates the report of the Committee on Dispensations and Charters herein, including, but not limited to, the specific designation of the territorial jurisdiction of the new Temple. By reference thereto, it makes it a part hereof.

Imperial Sir, if there are no questions or comments on this report, I request that you call upon Illustrious Wayne G. Peters, Potentate of Afifi Temple, to second this motion.

NOBLE EDWARD MAAG [Ainad Temple]: I believe, Imperial Sir, you asked if there were questions on the report. In other words, I believe the Dispensations and Charters Committee asked if there were questions on the report.

IMPERIAL POTENTATE POWELL: You are entirely correct.

NOBLE EDWARD MAAG: Then may I ask the members of the Dispensation and Charters Committee, if I understood you in your report, to say that not one of the three Temples in Washington approved this new Temple by a vote of the membership at a stated meeting?

NOBLE TRUMBO: I do not believe I said that.

NOBLE EDWARD MAAG: Well, did all of the three Temples in the State of Washington approve the formation of this new Temple by a vote of the membership at a stated meeting?

NOBLE TRUMBO: Well, at a stated meeting, I cannot answer that.

NOBLE EDWARD MAAG: Well, when you made the statement, it was that the Temples had approved or entered into an agreement. Did the membership of the Temples vote on the agreement at a stated meeting?

NOBLE TRUMBO: I do not know whether they did or not. It was brought up to us, however, that all Temples were involved in the meeting. They had representatives appointed by their Temples to meet and represent their Temples. They were given that authority. That was stated in the memorandum of understanding.

NOBLE EDWARD MAAG: Well, excuse me, sir. I am addressing this question now to the Chairman of the Jurisprudence and Laws Committee, Bill Buckaway, as well as to the Dispensations and Charters Committee.

The Imperial Code, under Section 324.8, and if you have your Code Book with you, I would ask that you refer to that, it is page 58, it says clearly, "All powers not delegated to Officers or committees by these Bylaws, by the Bylaws of a Temple, are reserved for action of the members at their meetings."

Now, sir, I then refer you to Section 329.3, which requires that the petition be approved by all other Temples in the state and, further, if you will look at page 159, I believe it is, it provides that these matters must be passed upon by action of the Temple at a stated meeting and no Officer or representative of a Shrine Temple has authority to bind the members of his Temple unless so authorized to do so on the issue at a stated meeting of the Temple.

Therefore, I would submit to you that unless someone in each of the Temples can assure this assemblage that this matter has been submitted to the membership and voted upon by the membership of each Temple and approved, that the recommendation of the Dispensations and Charters Committee is contrary to the Bylaws of this corporation.

IMPERIAL POTENTATE POWELL: Well, that is certainly a fair question and so let us have it clarified.

NOBLE BUCKAWAY: You know, I learned a long time ago not to argue with Ed Maag. He can read as can anyone else.

My understanding, however, was there was a meeting of the affected Temples in November and present were the Imperial Potentate, our General Counsel and, also, there were representatives of all of the Temples, past and present and an agreement was reached.

In relation to this memorandum of understanding, I think there was a consensus given and I think that the report of the Dispensations and Charters Committee asked that you uphold that agreement and the sense that was given.

I assume that those will be in the nature of special rules and waivers and I think would require consent of the various parties.

NOBLE EDWARD MAAG: However, I must reiterate my statement that no committee of this Board and no Officer or Representative of this body has the authority to make any agreement that is contrary to the Bylaws of the corporation and any attempt to do so is void.

IMPERIAL POTENTATE POWELL: You know, it would seem to me that the one question you have asked, at least the answer to it, is whether or not there was a stated meeting held in each of these three Temples for approval, is that what you wish?

NOBLE MAAG: Yes.

IMPERIAL POTENTATE POWELL: Well, let us find out from the Potentates.

ILLUSTRIOUS SIR LAMDIS: Imperial Sir, just one brief comment.

Nobles, let me say that I think we ought to consider this in a fair way. Temple Officers, as you know, do have a right to act for their Temples and, as was indicated, these Temple Officers met in November and they all agreed to this proposition.

Now, you had your Call in sufficient time so that if there were problems, they could have been called to someone's attention earlier and not at this late date and then, in the process, say that we do not agree. This is what they are now doing. This is especially true, when the present agreement was reached.

Now, on our side, we do not know what they did. We assume, however, they did go back to their Temples for ratification of what they did. That is all that would happen at the Temple level.

Now, the committee, in this report, indicated that it found that the agreement had been entered into in good faith and at this late date, the last few hours of this Session, to now try to pull the rug from under everything, I think is bad faith.

Therefore, I would hope that you approve what the committee has recommended. (Applause)

IMPERIAL POTENTATE POWELL: Thank you.

Now, we will hear from Ted Corsones next.

NOBLE TED CORSONES: Imperial Sir and Imperials Sirs and Representatives: I appreciate your courtesy this morning and I know that it is a little late. However, what you are talking about here is Fraternal law. You are not talking about Constitution or Civil law—you are talking about Fraternal law.

The body has the right to govern itself fraternally by its Bylaws.

Also, in relation to the meeting date, I believe, of November 1, 1989, you are talking about eight months ago. Now, these Temples went together at that time and gave their consent and, in addition to this, we did not ask them, "Tell us that you have authority or you do not have authority." After all, these are elected representatives.

Now, they agreed and I, as their General Counsel, in November, promptly two or three days after that, sent every Temple this memorandum of agreement and understanding, where we outlined every bit of it.

You can be well assured that this memorandum of agreement and understanding went back to the respective Temples. You can be assured of that. Everyone knew it.

Then, three and a half weeks before the Session, for one reason and one reason only, one Temple could not get one of these other Temples involved to give up some jurisdiction that they thought they should and then they further said, "Well, if that is the way it is going to be, we are going to revoke our consent."

Now, I submit to you that when the Dispensations and Charters Committee and the

Jurisdictional Lines Committee reports to you unanimously, that it was for good and valid reason, I am sure and I hope you approve it. (Applause)

NOBLE F. J. ALLEN [Cahaba Temple]: Imperial Sir, I just have a question of the Imperial Parliamentarian.

If I am not mistaken, I believe yesterday he said that we live and die within the laws of our corporation. (Applause)

Further, if we do not follow them, then it is out of order and, as a matter of fact, he said what we did yesterday was out of order.

Well, what I am asking about is that the only voice you gentlemen have is whether or not the Bylaws were followed and if they were followed, we do not have a problem.

NOBLE LAMDIN: Let me say, Imperial Sir, that I believe there was substantial compliance with the Bylaws in this instance.

IMPERIAL POTENTATE POWELL: Thank you very much, Imperial Sir.

NOBLE ROBERT STEVENS [Past Potentate, Nile Temple]: You know, it should be remembered here that the three Temples in the State of Washington accepted a positive agreement for the consent concerning this new Temple.

Therefore, I would ask you that you respect that agreement and support this motion in its entirety.

Thank you.

... Cheers and applause ensued ...

ILLUSTRIOUS J. K. GIVENS [Calam Temple]: Imperial Sir, a moment ago or thereabouts, Ed Maag asked if we might take a moment to hear from the Potentates of those Temples. May we do so?

IMPERIAL POTENTATE POWELL: I have no objection to it at all other than the fact that I have been advised this morning that each of the leaders of those Temples are satisfied. They have put this to bed and choose not to get involved in any discussion.

That does not mean, however, that they cannot change their minds. Let us check.

NOBLE GIVENS [Calam Temple]: Thank you for answering my question.

... Cries of "roll call" and "vote" ensued ...

IMPERIAL POTENTATE POWELL: Well, do you wish to vote?

... Cries of "yes" ...

IMPERIAL POTENTATE POWELL: Well then, all in favor please say aye; contrary no. There were several negative votes but let the record indicate that the ayes have it and it has been adopted. (Applause)

NOBLE POSEY: Imperial Sir, Imperial Sirs and Representatives: On behalf of the committee, I want to thank you for approving this motion. There is no way that time would allow me to try to explain to you what has been done between these two committees.

There is no way that I can explain to you that, to a marked degree, everybody has lost something—everybody. Except for the spirit of the Shrine as it existed and the general manner in which all representatives cooperated with your committee, this could never have happened.

So do not be deceived in the fact that they did not understand, they did, but their interest in the Shrine was such that they really went out of their way, bent their backs and, as a matter of fact, almost broke them, to give this proposed Temple a chance.

Now, mind you, you are giving these people in Washington, the new Temple, a chance. We, of course, hope they will do well but I want to thank you and just say thank you for all the people in the Washington Temples for your support. (Applause)

IMPERIAL POTENTATE POWELL: Is there further discussion?

If not, as I remember it, we have before us the motion to approve the revision of Article 92 as cited in the report of the Jurisprudence and Laws Committee and the request that I call upon Illustrious Wayne G. Peters, Potentate of Afifi Temple, to second this motion.

NOBLE WAYNE G. PETERS [Potentate, Afifi Temple]: Imperial Sir, I would second the motion as presented.

IMPERIAL POTENTATE POWELL: Well, all right, we now have the motion and the second. Is there any discussion?

If not, all in favor indicate by saying aye; opposed no. The motion is carried.

Now, we just have a couple of more things left.

NOBLE ROGER UNDERWOOD [Past Potentate, El Katif Temple]: Imperial Sir, now that this matter is finished, I would like to say something that I have on my conscience as a Past Potentate and attorney for El Katif Temple.'

I want every one of you to know that these Bylaws of this corporation were not followed and I would admonish you, Imperial Sir, admonish the Imperial Divan and all of the members of the committee in the future to follow these rules because what has been done may affect each Temple.

I guarantee you that we followed the rules and the rules were not followed by others and I have to say that and I cannot leave this meeting without saying it.

We agreed upon the institution of the new Temple. We are going to support them, give them all the help we can and I mean that from the bottom of our hearts.

However, I cannot walk out of this room without saying that all of us are not playing by the rules. In the final analysis, this is fraternal law and, as I see it, it was not followed.

Thank you.

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE POWELL: Thank you very much for your comments.

I will now recognize Bob Turley.

IMPERIAL SIR TURLEY: I wanted to be sure this microphone was not bugged for sound.

I wonder if I can have Imperial Sir Evans up here with me at this time?

. . . Whereupon, Imperial Sir Evans approached the podium . . .

IMPERIAL SIR TURLEY: There is a member of the Public Relations Committee from Lexington, Kentucky, of course, named Harry Barfield, and he thinks a lot of Everett Evans as Chairman of this Committee but then Harry told me that he had heard Everett talk about Texas so much that it was getting up to about here (indicating) and he said, "You know, if it were not for Kentuckians and Tennesseans, there would be not Texas." (Laughter)

So Harry went to the Governor and asked him, "What can you do about this Texan to kind of help him understand the facts of life?" The Governor replied, "Well, let us make him a Kentucky Colonel."

Therefore, at this time, I would like to present Everett Evans with a commission from the Governor of Kentucky naming him an aide-de-camp with the rank of Colonel on the staff of the Governor of Kentucky.

. . . Presentation of plaque and applause ensued . . .

IMPERIAL SIR EVANS: Thank you, Bob, and, you know, I am glad that somebody on my committee likes me every now and then. We do appreciate the help we get from Kentucky.

Thank you, Bob.

IMPERIAL SIR BRANTLEY: With all due respect to the Chair, in asking questions when there is discussion, the proper question should be "Is there debate? Is there debate?"

IMPERIAL POTENTATE POWELL: Thank you, Lew, for that advice.

You know, the point about all of this is now I hear this on Friday morning but just think how smart I could have been if I had known that a couple of days ago. (Laughter)

We will next proceed with item 11 on the Call of the Annual Session and I will recognize Judge Cooper.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 11 on Call of the Annual Session of 1990, located on page 21 of the Call. It is a proposal to amend Article 54 of the Bylaws of the Iowa Corporation by adding two counties to the exclusive jurisdiction of Marzuq Temple under Section 454.8 and by removing two counties from the exclusive jurisdiction of Morocco Temple under Section 454.9, so that such sections, as amended, will read as follows:

ARTICLE 54

Florida

Section 454.8 Marzuq Temple. Has:

Exclusive jurisdiction over the counties of Dixie, Gadsen, Jefferson, Lafayette, Madison, Leon, Taylor and Wakulla.

Section 454.9 Morocco Temple. Has:

Exclusive jurisdiction over the counties of Alachua, Baker, Bradford, Clay, Columbia, Duval, Flagler, Gilchrist, Hamilton, Levy, Marion, Nassau, Putnam, Saint Johns, Suwanee and Union.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Glenn McMennamy for the report of the Jurisdictional Lines Committee.

IMPERIAL POTENTATE POWELL: I will next call upon Illustrious Glenn McMennamy.

NOBLE McMENNAMY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisdictional Lines, a proposal to amend Article 54 of the Bylaws of the Iowa Corporation. It is Item Number 11 and it is located on page 21 of the Call and the text thereof was just read to you by the representative of the Jurisprudence and Laws Committee.

On July 1, 1990, your committee met with the representatives of the two affected Temples, Marzuq and Morocco. Their presentations were in the spirit of the best interest of Shrinedom and they, at all times, exhibited good will toward one another. After due and deliberate consideration of this proposal, your committee concluded that it would be in the best interest of both Temples and our Order if Dixie and Madison Counties in the State of Florida became the concurrent jurisdiction of the two affected Temples. They are not very active Shrine counties at the present and they are situated nearly equal distant between the affected Temples.

Therefore, your committee, with the concurrence of the proponent, will move that Section 454.8 of Article 54 be amended to read as follows:

Section 454.8 Marzuq Temple. Has:

(a) Exclusive jurisdiction over the counties of Gadsen, Jefferson, Lafayette, Leon, Taylor and Wakulla.

(b) Concurrent jurisdiction over the counties of Dixie and Madison.

Section 454.9 Morocco Temple. Has:

(a) Exclusive jurisdiction over the counties of Alachua, Baker, Bradford, Clay, Columbia, Duval, Flagler, Gilchrist, Hamilton, Levy, Marion, Nassau, Putnam, Saint Johns, Suwanee and Union.

(b) Concurrent jurisdiction over the counties of Dixie and Madison.

Respectfully submitted,
COMMITTEE ON JURISDICTIONAL
LINES

Robert A. Boylan
Joseph I. Morris
Clayton P. Shinn
Gerald J. Vita
Glenn McMennamy
Robert L. Combs

Imperial Sir, if there are no questions or comments on this report, I move that the proposal known as Number 11 in the Call be amended as recited in this report so that Dixie and Madison Counties be concurrent between Marzuq and Morocco Temples.

Imperial sir, I move that the proposal, as amended, be adopted.

. . . The motion that the proposal as amended was then severally seconded . . .

IMPERIAL POTENTATE POWELL: We have a motion that the proposal as amended be adopted. It has been seconded.

Is there discussion?

If not, all in favor indicate by saying aye; opposed no. It is carried. The proposal as amended has been adopted.

ILLUSTRIOUS SIR R. P. LEA [Potentate, Morocco Temple]: Imperial Sir, I would like to speak to item 11 as amended. It was not clear to me.

IMPERIAL POTENTATE POWELL: That is okay but, on the other hand, you will be surprised as to how clear it is.

ILLUSTRIOUS SIR LEA: Imperial Sir, I make a motion to reconsider this item.

. . . The motion to reconsider was then duly seconded . . .

IMPERIAL POTENTATE POWELL: All in favor of reconsideration please say aye; opposed. It is not reconsidered—the matter is not to be reconsidered.

ILLUSTRIOUS SIR LEA: I am sorry, sir, there was no discussion on the motion to reconsider. Will you please ask the Parliamentarian if my motion was in order?

ILLUSTRIOUS SIR LAMDIN: The amendment was adopted, the motion as amended was adopted. Then you moved to reconsider. You lost and what do you want to do now?

ILLUSTRIOUS SIR LEA: However, Illustrious Sir, there was no discussion on the motion.

ILLUSTRIOUS SIR LAMDIN: Well, you know, we have been moving here rather fast this morning and the question was asked for and so we voted. You have to get to the microphone quickly if you want to discuss something. You should have been there prior to this time.

IMPERIAL SIR BRANTLEY: I think the Potentate did have a problem and it is confusing.

Now, as I indicated before, as we have been proceeding along here through these reports, the Chair, in reality, has been calling for the question and the proper request should have been "Is there debate?" In other words, after the presentation of a committee report, the question then should be asked of the Representatives, "Is there debate?" That way, this Potentate would have known that this was the manner in which it was handled.

ILLUSTRIOUS SIR LEA: Then I will accede to the ruling by the Parliamentarian.

IMPERIAL POTENTATE POWELL: We will next proceed to item 10 on the Call.

ILLUSTRIOUS SIR YOCUM: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 10 on Call of the Annual Session of 1990, located on pages 20 and 21 of the Call. It is a proposal to amend Section 335.6 of Article 35 of the Bylaws of the Iowa Corporation by adding and deleting certain language so that such section, as amended, will read as follows:

ARTICLE 35 Prohibited Practices

Section 335.6 Furnishing List of Names

(a) Temple. A Temple or Noble:

(1) May furnish a list of members of the Temple to national Shrine magazines for the sole purpose of soliciting subscription.

(2) May furnish a list of members of the Temple to others solely for fraternal purposes for the benefit of the Temple and then only upon such terms and conditions as directed by a resolution duly adopted by the Temple.

(3) May not furnish a list of members of the Temple to anyone to be used to circularize or solicit the members for business purposes except as herein mentioned.

(b) Imperial Council. The Imperial Council, its officers and employees:

(1) May furnish a list of members of a Temple to the Temple to which those listed are members.

(2) May publish lists of Imperial Representatives, officers, committee members and similar lists for Shriners Hospitals for Crippled Children.

(3) May furnish a list of members of Temples to others, after obtaining the consent of the Temples, solely for fraternal purposes for the benefit of the Order and then only upon such terms and conditions as directed by a resolution duly adopted by the Board of Directors of the Imperial Council.

(4) May not furnish a list of members to Temples to anyone to be used to circularize or solicit the members for business purposes except as herein mentioned.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Theodore Corsones, General Counsel, Past Potentate and Representative Emeritus of Cairo Temple, for an appropriate motion.

IMPERIAL POTENTATE POWELL: The Chair recognizes our Legal Counsel, Ted Corsones.

ILLUSTRIOUS SIR CORSONES: Thank you, Imperial Sir.

Fellow Representatives, let me say what brought this on.

You know, in relation to the Imperial Bylaws, the Imperial Potentate goes to the Jurisprudence and Laws Committee and gets an opinion about an interpretation of the Imperial Bylaws—and so he did. He went to the Chairman of the Jurisprudence and Laws Committee, Bill Buckaway, and asked, “What does all of this mean?” Bill replied, “This is what it means.” He then explained.

Then Imperial Sir George came to me as General Counsel and he said, “Ted, what does that mean?” I indicated to him it meant such and such. He said, “No.”

He then said, “You know, both you and Bill say it says something and so you write it so I can understand it and everybody can understand it. You say what it says.” (Laughter)

So, again looking at it in a little more detail, going to Section 1. There are no substantive changes there.

In relation to item (2) it provides that the Temple may furnish a list of the members of the Temple to others solely for fraternal purposes for the benefit of the Temple and then only upon such terms and conditions as directed by a resolution duly adopted by the Temple. So, if the Temple were to run a circus or something of that nature, you may furnish your list under the terms and conditions that you want so you keep control of those names while they work for you.

In item (3) it says that the Temples may not furnish a list of members of the Temple to anyone to be used to circularize or solicit the members for business purposes except as herein mentioned.

Now, what is the rule governing the Imperial Divan?

Well, the same sequence is provided for the Imperial Divan.

For example, item (1) says—“May furnish a list of the members of a Temple to the Temple to which those listed are members.” If you want a list of members, you get them.

Secondly, “May publish lists of Imperial Representatives, Officers, committee members and similar lists for Shriners Hospitals for Crippled Children.”

Thirdly, “May furnish a list of members of Temples to others, after obtaining the consent of the Temples, solely for fraternal purposes for the benefit of the Order and then only upon such terms and conditions as directed by a resolution duly adopted by the Board of Directors of the Imperial Council.”

Then, item (4)—“May not furnish a list of members of Temples to anyone to be used to circularize or solicit the members for business purposes except as herein mentioned.”

I hope I have responded properly to your request and, with that, Imperial Sir, I would move for the adoption of this report.

... The motion was duly seconded ...

IMPERIAL POTENTATE POWELL: Is there any debate?

NOBLE TROXEL [Islam Temple]: Imperial Sir, I rise to a point of order.

I think that either the printer messed up or somebody messed up but in relation to the Imperial Council, in item (1), I think the word there should not be “to” but it should be “of.” In other words, “to the Temple of which those listed are members.”

Is that not correct?

ILLUSTRIOUS SIR CORSONES: We will make that correction, yes.

IMPERIAL POTENTATE POWELL: Is there further debate?

... The question was severally called for ...

IMPERIAL POTENTATE POWELL: All in favor of adoption indicate by saying aye; opposed no. The motion is carried.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE POWELL: We will next take up item 2 in the Call.

NOBLE CHRISTENSEN: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 2 on Call of the Annual Session of 1990, located on pages 17 and 18 of the Call. It is a proposal to amend Section 206.2(b) of Article 6 of the Bylaws of the Iowa Corporation by adding and deleting language so that such subsection, as amended, will read as follows:

ARTICLE 6

Officers

Section 206.2 Elections. Imperial Officers shall be elected in the following manner by a majority of Representatives voting at each Annual Session for terms expiring at the next Annual Session when their successors have been elected and installed:

(a) No change.

(b) Eligibility. A candidate for the Imperial Divan, at the time of his announcement, nomination and election:

(1) Must be a Representative to the Imperial Council.

(2) May not be a member of the Board of Trustees of Shriners Hospitals for Crippled Children, except as required by Section 508.2(a) of its Bylaws.

(c) No change.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Jerrel L. Hudson, Potentate and Representative of Sabbar Temple, for the appropriate motion.

ILLUSTRIOUS JERREL L. HUDSON [Potentate, Sabbar Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs, Representatives and Fellow Nobles: I think the Call has a very simple proposition. It is designed to assure those who wish to run for the Office of Outer Guard that you are going to get a fair shake about it.

It is my conception that members of the Board of Trustees of the Hospital Corporation are on the ticket that they can be perceived as an incumbent. It gives them a let up when the time comes for you to run against them and commit enormous amounts of money, your time and your family to this corporation for an eleven-year term.

Therefore, I would move that you vote "yes" on this proposition.

IMPERIAL POTENTATE POWELL: Thank you, sir.

Do we have a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE POWELL: Is there any debate?

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs and Fellow Representatives: A long time before I became a member of the Imperial Divan I sat out there with you. For thirteen years I was a Representative.

I see no need for an amendment or change in our Bylaws every time something comes up or becomes a resolution. Maybe one of these days you are going to find yourself in the same situation that we are in. You may not want it to be that way.

Now, you have shown me during this Session that you can make up your own mind. You voted the way you wanted to vote. Be in a position to vote for the man you want to vote for.

To make my position clear, I voted for Bob Turnipseed because I thought he was qualified and so I gave him my vote a long time ago. Again, vote your own mind because you have the intelligence to do the right thing when the time comes.

Thank you. (Applause)

IMPERIAL SIR TURNIPSEED: Imperial Sir, Imperial Sirs and Fellow Representatives: I just finished a campaign and I set my course to run my campaign in Toronto last year and I ran it and I appreciate you Nobles selecting me to be Imperial Outer Guard. You had the intelligence and the foresight to pick me and I think you can do that in the future. (Applause)

IMPERIAL POTENTATE POWELL: Thank you very much.

Is there any other debate?

ILLUSTRIOUS SIR MAHLON HESSEY [Boumi Temple]: In my view and judgment, this is useless legislation. I do not know why you want to penalize people who have been participants in the Colorado Corporation for participating in the Iowa Corporation.

Why do you single out members of the Board of Trustees for rank of position in the Fraternal Corporation?

You people, I am sure, are going to make up your own minds as to whether those individuals are qualified or not. Why would you place restrictions on your ability to vote your conscience?

I think the legislation should be voted down.

IMPERIAL POTENTATE POWELL: Thank you very much.

Is there any further debate?

. . . The question was severally called for at this point . . .

IMPERIAL POTENTATE POWELL: I believe that means you are interested in closing debate. Well, let us vote and find out.

All those in favor of closing debate on this issue please say aye; opposed no. Debate is terminated.

Now we are going to vote on the motion before you.

All in favor of the motion say aye; contrary no. It has been defeated.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE POWELL: I will next recognize our Director General, Earl Brown, for his closing remarks.

DIRECTOR GENERAL EARL BROWN: Imperial Sir, Imperial Sirs and Fellow Representatives: I hope you are as happy as I am with the manner that this One Hundred Sixteenth Imperial Council Session has been handled. Chicago is a great city. We hope you enjoyed our stay with us. Did you enjoy it? (Applause)

I want to thank the Imperial Sir and the Imperial Divan and all of you for how well you treated your hosts during this Convention.

I also want to give a personal thank you to Charlie Cumpstone and the staff at Tampa for the great help they have given in helping us put this Convention together.

In coming to the close of this Convention, Imperial Sir, I can tell you that although there are many people in this room who are happy that this Convention is coming to a close, no one is happier for that than me.

Thank you very much. (Applause)

IMPERIAL POTENTATE POWELL: We will next have the report of the Committee on Resolutions, to be presented by Imperial Sir Victor Thornton, Chairman.

... Whereupon, at this point, Imperial Sir Thornton read the following resolution . . .

RESOLUTION

WHEREAS, the One Hundred Sixteenth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine has been held in Chicago, Illinois, July 2 to July 6, 1990; and

WHEREAS, the City of Chicago, along with its many dedicated city employees, particularly the police department, extended extraordinary hospitality and a warm welcome to all the Nobles and their families; and

WHEREAS, much of the success of this important Session can be credited to careful, conscientious and total planning by Earl Brown, the Director General and Robert E. Peterson, the Illustrious Potentate, his Divan and the Nobility of Medinah Temple; and,

WHEREAS, the progress of the Order during the past year was due in an immeasurable amount to the untiring efforts and energy of Imperial Potentate George W. Powell, his Divan and the Board of Trustees; and,

WHEREAS, the total cooperation of the Representatives added immeasurably to the success of this Session; and,

WHEREAS, Oldsmobile Division of General Motors added pleasure and comfort to the Imperial Family, Illustrious Officers and Nobles;

NOW, THEREFORE, BE IT RESOLVED, that our official thanks and deep appreciation for the many things done for our convenience, pleasure and comfort, be extended to each of the foregoing individuals, city and state officials, and organizations for a successful and pleasant Imperial Council Session in the very beautiful City by the Lake, Chicago, Illinois; and,

BE IT FURTHER RESOLVED, that this resolution be made a part of the minutes of this Session, and we, your Committee on Resolutions, be discharged from our assignment.

Respectfully submitted in behalf of
COMMITTEE ON RESOLUTIONS

IMPERIAL POTENTATE POWELL: I think we all owe a vote of standing appreciation to everybody that had anything to do with making this convention such a very, very pleasant affair.

... Standing applause ensued . . .

IMPERIAL POTENTATE POWELL: Now, the next thing on my agenda says "Farewell Address of the Imperial Potentate."

Well, let me say that what is done is done, what is over is over but what is still in the future, we can do. We can still do many, many things and I appeal to all of you to start looking forward now to San Francisco, a very beautiful city.

Further, if you have not gotten your reservations as yet, please do. It is so important to the Housing Committee, so important to Imperial Sir Padgett.

Start giving some time to planning for the future.

You know, I think that one thing that is sadly missing is that the Imperial Potentates, as they make their visits, really do not receive very much criticism. I know that Joe feels the same way and I know how, during the past year, I have felt.

We want your criticisms, we want your thoughts, we want your advice. We likewise want your problems. As a matter of fact, we do want you to tell us what you do not like. It will, in turn make our jobs so much easier.

So my only request to all of you is to please look forward to San Francisco, support Joe Padgett, help him, work with him and I can assure you that next year's Imperial Session is just going to be the best.

The only other thing I want to say to all of you is thanks so much for the wonderful cooperation that we have had this week and the warmth that you have expressed to both Mildred and I and God bless all of you.

... Rising applause ensued ...

IMPERIAL POTENTATE POWELL: I would now like to recognize our Imperial Potentate-Elect, Imperial Sir Joe Padgett.

IMPERIAL POTENTATE-ELECT PADGETT: Thank you, George.

I would also like to echo what George has just said. Again, during my year the door will always be open. I likewise appreciate criticism and let me say one more thing, in relation to the things that I may do wrong, blame George Powell. (Laughter) If you cannot do that, then blame Jack Dean. (Laughter)

However, I will take care of all of the rest of it. I will take care of all the good criticism.

Now, we will next have the report of the Time and Place Committee.

I would first like to recognize Noble Don Johnson, Director General from Islam Temple.

NOBLE JOHNSON: Imperial Sir, Imperial Sirs and Nobles All: Now, as George Powell has indicated to you, we likewise would appreciate it if you would do your planning for the 1991 Convention in San Francisco as quickly as possible.

Imperial Sir George and Earl Brown have certainly set extremely high standards and we intend to live up to those standards.

We are planning for you to be there on the dates June 30–July 5, 1990. Again, the place is San Francisco, California.

You all come. Thank you very much. (Applause)

IMPERIAL POTENTATE-ELECT PADGETT: I would next like to recognize Imperial Sir Jack Dean.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs and Fellow Representatives: I would like to introduce Merv Henning of Bahia Temple, the Director General of the 1992 Convention which will be held June 29–July 3rd, at Orlando, Florida.

NOBLE MERV HENNING: Thank you, Imperial Sirs.

Imperial Sirs, Past Imperial Sirs, Illustrious Sirs and Nobles: On behalf of Imperial Sir Jack Dean, the Nobles and Divan of Bahia Temple and the City of Orlando, I invite you to come to our Jurisdiction for the 1992 Imperial Council Session to be held June 29–July 3, 1992.

Many of you have been to visit us at our reception room and have made advance reservations. We encourage the Temples that have not done so, to please contact our Housing Chairman as soon as convenient. The members of Bahia Temple are ready to make your trip to Orlando an enjoyable and memorable one.

Orlando has many family oriented attractions, including such things as Sea World, Universal Studios, Daytona Beach and the Speedway, the Space Center at Cape Kennedy, Busch Gardens and Cyprus Gardens and we are only one hour away from our Tampa Headquarters.

We encourage you to come to Orlando and have a good time. We also will try to follow in the footsteps of Earl Brown.

Thank you, we appreciate it. (Applause)

IMPERIAL POTENTATE-ELECT PADGETT: Thank you very much.

I will next recognize Everett Evans.

IMPERIAL SIR EVANS: Thank you, Imperial Sir.

We invite you to come to San Antonio in 1993 and I would like to introduce to you Terry McGuire of Alzafar Temple. I might say he had his Fez packed up and he has gotten out of the door.

NOBLE MCGUIRE: We certainly hope you will come to San Antonio in 1993. All of the Temples will be hosts for Imperial Sir Evans.

We will have our Texas Shrine Association Convention immediately preceding that. If you gentlemen would like to come down and watch some good competition, we would love to have you there.

The City of San Antonio has gotten behind this endeavor—they have opened their hearts to us and we have a lot of Shrine activities planned for you.

In relation to San Antonio, if you have not been there for a long time, they have some excellent river activities. Many of the hotels will be located along the river. Come see it. The dates will be July 3–8, 1993 at San Antonio, Texas.

Thank you.

IMPERIAL POTENTATE-ELECT PADGETT: I will next recognize Tony Bukey.

IMPERIAL SIR BUKEY: Imperial Sir, we did look around various cities to endeavor to satisfy some of the criteria that I sent out.

First of all, it has to be a pleasant place for the Representatives to go with their families. Secondly, I tried to identify a place that would be in the Association that I belong to. Thirdly, I tried to find a place that would offer less of a financial burden to our Representatives.

The place that I have selected is the City of Denver and the dates will be July 2, which is on a Saturday, and we will commence our deliberations on July 3rd, continue through the 4th, 5th and 6th and leave on July 7th.

IMPERIAL POTENTATE-ELECT PADGETT: Thank you very much.

I have Burt Ravellette next.

IMPERIAL SIR RAVELLETTE: Thank you, Imperial Sir.

Fellow Representatives, put down these dates. We are going to arrive on Saturday, July 1 and it is going to be July 2, 3, 4, 5, and 6. We are going to meet at the crossroads of America, Motor City, Indianapolis, Indiana.

I would like to introduce to you the Potentate of Murat Temple, the largest Temple in Shrinedom, incidentally, for some words.

ILLUSTRIOUS SIR G. H. SPECKMAN [Potentate, Murat Temple]: Imperial Sir, Imperial Sirs and Fellow Delegates: I am indeed honored that you have chosen our great city in which to hold the 1995 Imperial Council Session.

Murat Temple and the City of Indianapolis invites you all. We will welcome you. I feel that will be one of Shrinedom's most memorable Sessions.

Thank you very much. (Applause)

IMPERIAL SIR RAVELLETTE: I understand that we have to have both of these last two locations approved and so I am going to move that Denver be approved and Indianapolis be approved. I would so move.

... The motion was duly seconded ...

IMPERIAL POTENTATE-ELECT PADGETT: If there is no objection, we will include the motion to approve all of these at this time, if you will, please.

... Whereupon, the motion as modified was severally moved, seconded, voted upon and were unanimously carried ...

IMPERIAL POTENTATE-ELECT PADGETT: I will declare that the motion has unanimously carried and all the sites as mentioned today are hereby declared to be unanimously approved.

IMPERIAL SIR RAVELLETTE: I would like to introduce to you Noble Larry Jefferson.

NOBLE JEFFERSON: Imperial Sir, Imperial Sirs and Nobles All: It is indeed a pleasure and an honor for me to be the Director General of the 1995 Imperial Council Session to be held in the Sports Capital of the World, Indianapolis, Indiana.

The arrival date, which was already mentioned, will be Saturday, July 1, the Session commencing on Sunday, July 2nd and ending on the 6th.

This will be the twenty-first year since the previous Imperial Council Session was held in Indianapolis.

I and the Nobles of Murat Temple pledge to you, Burt and the Shriners of North America, a great Imperial Council Session and lots of Hoosier hospitality.

Thank you. (Applause)

IMPERIAL POTENTATE POWELL: I move that we approve the times and places of the Annual Sessions as recited in this report.

... The motion was severally seconded, was voted upon and declared to be unanimously carried ...

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE POWELL: I will recognize the Imperial Recorder for the purpose of receiving a motion to ratify the acts and transactions of those who have acted as Officers and Directors of the Iowa Corporation for the past year and those taken at this Session be ratified and approved.

IMPERIAL SIR JONES: Imperial Sir, I move that all acts and transactions of those who have acted as Officers and Directors of the Iowa Corporation for the past year and those taken at this Session be ratified and approved.

... The motion was duly seconded, was voted upon and declared to be carried ...

... Business was transacted in the Colorado at this time ...

IMPERIAL POTENTATE POWELL: I will now recognize Illustrious Sir Alvin Wong, who has been designated by the Imperial Potentate-Elect, to be the Installing Officer for the purpose of installing the newly elected Imperial Officers and also John Troxel, who will be the Installing Marshal.

... At this point, the Officers were formed in line of seniority by the Installing Marshal and then repeated their Oath of Office as presented by Illustrious Sir Alvin Wong, following which these Officers were then declared to be duly and regularly installed ...

... At this point, Imperial Potentate Padgett was then presented with his Imperial Potentate's Jewel by Imperial Sir George Powell ...

IMPERIAL POTENTATE PADGETT: Thank you very much, George. I hate to see you leave because you have set a real example for all of us. (Applause)

And now, George, it gives me great pleasure to present to you your Past Imperial Potentate's Jewel. I have enjoyed working with you. You have been an inspiration to me.

... Applause ensued as the Past Imperial Potentate's Jewel was presented to Imperial Sir Powell ... (Applause)

IMPERIAL POTENTATE PADGETT: Let me say that I just presented to George the Jewel worn by George Stringfellow, who was Imperial Potentate in 1959. He left this to George in his will. He wanted George to have it.

George, wear it with all good luck.

IMPERIAL SIR POWELL: Just support this man, Joe Padgett, please, please, please. (Applause)

IMPERIAL SIR POWELL: Thank you very much.

ILLUSTRIOUS SIR JULES BORCSIK [Potentate, Crescent Temple]: Imperial Sir, Imperial Sirs, Delegates All: This is a great moment not only for Shrinedom but for Crescent Temple.

George has been east and west, north and south and has visited probably the entire Nobility during his year.

His leadership, his dedication, his enthusiasm and service all have been outstanding and I think it is fitting that we give George his Past Imperial Potentate's Fez and, as we do this, we would ask that all of you rise and give him one last ovation.

... Presentation of Past Imperial Potentate's Fez and rising applause ensued ...

ILLUSTRIOUS SIR BORCSIK: Thank you, Imperial Sir, Crescent Temple is very delighted to have you come back. We thank you for your leadership.

PAST IMPERIAL POTENTATE POWELL: I would like to tell you one little story here which has some meaning in it.

Back in 1979, when I was elected, Mr. Stringfellow presented me with my Fez. Truthfully, it was a half-inch too large. It went down through the years and as one of the Representatives along the way said, "George, do not worry about it, you head will grow into it. (Laughter)

However, I hope that it has not. But I am very grateful to receive Mr. Stringfellow's Fez and Jewel.

Thank you all once again. (Applause)

... At this point, Imperial Sir Turnipseed was presented with his three-star Fez by the members of Calam Temple, likewise being wished a pleasant journey as he advanced up through the Imperial Line ... (Applause)

IMPERIAL POTENTATE PADGETT: Gentlemen, I have a few other chores to perform here.

In compliance with the Bylaws of the Iowa Corporation, the following appointments have been made to our standing committees by me.

. . . Whereupon, Imperial Potentate Padgett read his appointments to the various standing committees . . .

IMPERIAL POTENTATE PADGETT: That concludes the appointments to the standing committees. There will be additional appointments to the various committees in both the Iowa Corporation and Colorado Corporation published in the Bulletin and General Orders No. 1.

Now, Nobles, before recognizing our Imperial Chaplain for the Benediction, let me again say to all of you, until we meet again, may God bless each and every one of you. Have a safe journey home and this will conclude the Annual Session of the Imperial Council for 1990 and the Annual Meeting of Shriners Hospitals for Crippled Children and we are now adjourned. (Applause)

REVEREND RICHARD GREEN [Imperial Chaplain]: Let us come to light.

Supreme Architect, we know that You are needed for the enhancement of our lives and growth of our Fraternity, all of which exists in Your divine plan. With Your divine blessings, we need to move forward the Shrine of North America with ease under the able leadership of Imperial Sir Joe Padgett. Amen.

. . . Whereupon, at eleven-thirty o'clock a.m., the One Hundred Sixteenth Annual Session of the Imperial Council, A.A.O.N.M.S., was adjourned . . .

ANNUAL REPORT OF WEBBER C. HARRINGTON
IMPERIAL TREASURER, A.A.O.N.M.S.

January 1 - December 31, 1989

*Imperial Potentate George W. Powell, Officers and Members of the Imperial Council, A.A.O.N.M.S.,
in meeting assembled at Chicago, Illinois, July 1990:*

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

This report is supplementary to the report of our independent auditors, KPMG Peat Marwick, which is included in this Book of Reports. I have prepared and am appending hereto for the internal use of our officers, staff and representatives a summary of the revenues, expenses and changes in unrestricted fund balance of the Imperial Council for the seven years beginning January 1, 1983, the effective date of the last change in per capita tax, and ending December 31, 1989. In reviewing the attached statement, please bear in mind that the date of assessment of per capita tax was changed to January 1, effective for the year 1987, whereas in previous years the per capita tax was assessed as of December 31 of each year. This means that the fund balance has increased slightly over the seven year period after taking into consideration the change of such accrual date.

Nevertheless, the attached summary shows that our revenues have been relatively level for the last seven years, while our expenses have increased nearly \$600,000 over the same period of time. Of even greater concern is the fact that air fares, which constitute a big part of the Imperial Council Session expense, have increased considerably and threaten to increase even more in the future. In addition, the amount claimed for private transportation has increased dramatically.

The Imperial Potentate has appointed a committee to study the per capita situation. The results of this study, together with recommendations and proposed legislation, will be made to this Imperial Session. I hope that the representatives will carefully review the attached comparative Statement of Revenues, Expenses and Changes in Unrestricted Fund Balance as background information to be considered with respect to the legislation that will be proposed.

In 1988 a refund of unused per capita tax of \$90,000 was received from the New Orleans Convention Corporation. In 1987 a refund of \$9,391 was received from the Los Angeles Convention Corporation.

I want to particularly call to your attention Note 8 to the financial statements which explains the financial details with respect to the notecard program. The \$238,185 earned by the Imperial Council from this program has been reflected as a restricted fund, and is not included in the summary Statement of Revenues, Expenses and Changes in Unrestricted Fund Balance appended hereto.

A comparison of actual vs. budgeted amounts for each category of revenue and expense for the year 1989 may be found in the report of the Finance and Audit Committee in this Book of Reports. That committee will report on both the 1989 and proposed 1990 Iowa Corporation budgets at the Imperial session.

Respectfully submitted,

Yours in the Faith,

Webber C. Harrington

ANNUAL REPORT OF JACK H. JONES
IMPERIAL RECORDER, A.A.O.N.M.S.

To: *Imperial Potentate, Officers and Members of the Imperial Council,
A.A.O.N.M.S.:*

GREETINGS:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1989 to December 31, 1989 are submitted for your information.

The report of the Imperial Auditor, showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer, together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The 1990 Election Returns of the 190 temples reflect that there are Representatives to the 1990 Imperial Council as follows:

	Total Number	Total Votes
At Large	13	13
Ad Vitam	19	19
Emeritus	116	93
Elected	752	752
Appointed	1	1
Total		878

At the end of 1989, the temple's annual report showed a total of 774,184 Nobles plus 5,640 Associate Members on the active rolls of membership. Permanent Contributing Membership Certificates were held by 55,693 Nobles, which relieves them from paying the annual Shriners Hospital assessment.

The net loss in Shrine membership for the year 1989 was 24,550. There continues to be two major problems confronting us—the declining number of creations and the high number of suspensions. Last year, we created only 17,643 and suspended 18,248. It is imperative that we find ways to attract new members and each temple must develop programs to retain its present members. The newly revised Membership Development Manual contains some good ideas and sample letters to assist the temples in their membership campaigns.

In an effort to further enhance our visibility and image to the general public, the Imperial Council produced a High Profile Celebrity Public Service Campaign. The audio and video tapes were sent to radio and television stations throughout North America. Hopefully, these announcements will provide the general public with information about our organization as a fraternity as well as our philanthropy.

During this Shrine year, a new program and committee was established. The Temple Research and Counsel Committee's purpose was to visit with temple officers in an effort to collect data about each temple's individual operation and to provide them with suggestions that might help improve their membership situation.

It is very important that temple officers work with the Scottish Rite, York Rite, and Blue Lodge officers to develop programs for positive growth, thereby perpetuating our great fraternities.

Imperial Potentate George W. Powell has done a tremendous job throughout the year in promoting the best interest of our fraternity. He has been unselfish in giving of his time, talent and leadership on behalf of all Shriners, and for this I commend him for an enormous job extremely well done.

We have many new Recorders in our ranks to whom I extend a warm welcome. To all Recorders and their staff, my sincere thanks for your wonderful cooperation during the past year. Keep up the good work!

The following pages contain specifics that have been compiled for your use. Please study them and compare the history of membership in your temple with that of others. Work hard to promote the best interest of our great fraternity and insure the future of our hospitals, the world's greatest philanthropy.

Es Selamu Aleikum
Respectfully submitted,
JACK H. JONES
Imperial Recorder

and Board of Directors

**THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF THE
MYSTIC SHRINE FOR NORTH AMERICA:**

We have audited the accompanying balance sheets of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA as of December 31, 1989 and 1988, and the related statements of revenues, expenses, and changes in fund balances, and of cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as, evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA at December 31, 1989 and 1988, and the results of its operations and its cash flows for the years then ended in conformity with generally accepted accounting principles.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included on pages 23 and 24 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. The cost of this non-contributory retirement plan allocated to the Imperial Council in 1989 was \$16,490. There was no cost allocated to the Imperial Council in 1988.

In addition, employees are covered under either a deferred compensation plan or the Voluntary Individual Retirement Annuity Savings Plan. Voluntary contributions by employees, up to 6% of eligible compensation, are matched by the Imperial Council up to 1.5% of eligible compensation. The total expense incurred by the Imperial Council under these plans was \$9,324 in 1989 and \$8,266 in 1988.

The deferred compensation plan consists of an annuity payable of \$38,026 and \$26,809 at December 31, 1989 and 1988, respectively, to an employee of the Imperial Council. An asset equal to the liability is included in the balance sheet.

(8) *Membership Campaign*

In 1988, the Imperial Council entered into a notecard program to raise monies for a membership campaign designed to enhance Shrine membership recruitment and retention.

In this regard, the Imperial Council entered into an agreement with Famous Artists' Corp. (an unrelated organization) to administer the notecard program. The agreement provided for the Imperial Council to receive a minimum of \$1 per notecard package mailed plus any additional net proceeds after payment to Famous Artists' Corp. for cards, services, and expenses in administering the program. The net proceeds to the Imperial Council from this program through December 31, 1989 was \$435,388.

During 1989, the Imperial Council entered into contracts totalling approximately \$123,000 for the production of radio and television public service announcements for membership recruitment publicity. These contracts will be paid for from the net proceeds earned on the notecard program. Total expense incurred through December 31, 1989 under these contracts was \$54,135. Production of these radio and television public service announcements was completed in January 1990 and the remaining amounts due under the contracts were paid in February 1990.

Variations will be necessary where national laws comprising the Shrine of North America and/or customs differ from those stipulated in this publication.

PROPER DISPLAY OF NATIONAL FLAGS

It is the desire of the Imperial Potentate that each Temple of this Order provide and display at all Shrine parades, functions, and meetings, the three national flags under which Shrine Temples chartered by the Imperial Council operate (United States, Canada, and Mexico).

It has been noted that many Temples improperly display one or more of the three national flags primarily in parades and at meetings.

All nations designate the position on the *right* as the position of honor. International usage dictates that when flags of two or more nations are displayed together, they should be flown from separate staffs of the same height and should be approximately equal in size.

In an Auditorium

At Shrine functions and meetings the three national flags should be displayed in the position of honor at the Potentate's or speaker's *right* as he faces the audience. It doesn't matter whether the flags are behind, alongside, or in front of the speaker, on raised platform or not; they should always be to his right. Another important point: The flag of the country in which they are being displayed should be on the speaker's extreme right. (Canadian law does state that when three are flown together, the Canadian flag should occupy the central position.)

At Parades

When in procession, the flag of the country in which they are being paraded should be either on the *marching right*, that is, the flag's own right, or if there are a great number of other flags, it may be in front of the center of that line. It is strongly suggested that the three national flags (United States, Canada, and Mexico) always be paraded side-by-side, in front of state, province, or other local flags, with the flag of the country in which they are being paraded having the position of honor on the *marching right*.

Other flags which Temples may wish to parade should be in a line immediately following the three national flags in the following marching order, beginning on the right: state or province flag; Shrine Temple flag; Imperial Potentate's flag; Past Imperial Potentate's flag; other flags.

One of the most common violations of international flag usage is the dipping of national flags at reviewing stands, during the playing of the national anthems and other occasions. *National flags should never be dipped to any person or thing.* However, all other flags should be dipped as a mark of honor.

In Front of Shrine Temples and Club Buildings

When the three national flags are displayed in front of a Shrine Temple or club building, they should be flown from separate staffs of the same height and the flags should be of approximately equal size. The flag of the country in which they are being displayed should be in the position of honor on the extreme right; that is, a person's own right as he faces outward of the building's front entrance.

When a nation in which the flags are displayed proclaims that its

THE IMPERIAL COUNCIL

flag should be flown at half staff, it would be improper to fly the other two flags at full staff; therefore, the flags of the other two nations should not be flown during that period.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Director at the General Office in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

VISITATION OF IMPERIAL POTENTATE

The Imperial Potentate is the number one Noble of the International Shrine and must be accorded the protocol pattern and respect befitting his high office. Protocol dictates that careful plans and arrangements be made prior to his visitation and completed during his visitation.

The host Temple Potentate, Director General, Association President, or their official representatives should be at the airport to meet the Imperial Potentate upon his arrival. An automobile and driver must be provided who is responsible for transporting the Imperial Potentate, his party, and luggage to the hotel. The driver should be available at all times.

Honor guard, color guard, or their Uniformed Units are often used to provide pomp and ceremony for the Imperial Potentate's arrival. Their use is not mandatory, however. Motorized Shrine Units or official police may be used as motorized escorts from the airport to the hotel.

A suite of rooms should be provided for the Imperial Potentate. Normal courtesies are appreciated, and should any additional information be required, please contact the Executive Director at the International Headquarters in Tampa.

The host Temple Potentate traditionally presents the Imperial Potentate and/or his first Lady a commemorative remembrance during their visitation.

WHEN AN IMPERIAL OFFICER IS ASSIGNED BY THE IMPERIAL POTENTATE AS HIS OFFICIAL REPRESENTATIVE, THAT IMPERIAL OFFICER IS ACCORDED THE SAME PROTOCOL PATTERN APPROPRIATE FOR THE IMPERIAL POTENTATE. THESE SAME COURTESIES APPLY TO ALL VISITING IMPERIAL OFFICERS.

Should your Temple have as a member an Imperial Officer, the same courtesies should be extended when he is invited to a function as any other Imperial Officer.

The Imperial Potentate's host and his assigned aide or driver are responsible for the departure arrangements. These arrangements include transportation of the Imperial Potentate, his party, and luggage to the airport. Sufficient time should be allowed so as to assure the Imperial Potentate's arrival at the airport at least one hour prior to the departure flight time.

ONLY THE IMPERIAL POTENTATE WILL RIDE ON THE BACK OF THE SEAT OF HIS CAR; ALL OTHERS MUST REMAIN ON THE SEATS OF THEIR CARS.

Automobiles other than antique cars, requiring special display, used for the purpose of transporting dignitaries, divan members or association officers, with the exception of the Potentate or association president, must be not less than two abreast. The general public's interest is in parade units, not automobiles. This will make the parade more interesting to those who have come to watch it.

Other than the police escort, dignitaries and distinguished guests, only Shriners are permitted in Shrine Parades.

No beverage, alcoholic or otherwise, is permitted to be consumed during a parade, whether you are parading or just watching the parade when dressed as a Noble with fez.

No impersonations of ethnic groups, females, or political figures are allowed in parades. Throwing of candy or other objects along the parade route is strictly forbidden. Reckless behavior with motor vehicles is also forbidden. Movement should always be forward, and minimal distance between Units should be maintained in all parades.

CIVIC PARADES

Units that participate in non-Shrine parades may do so *only* with approval from their Potentate. Should they be requested to participate in the jurisdiction of another Temple, they will also need the permission of the Potentate of that Temple. Practice good Shrine etiquette

when parading in non-Shrine parades and follow the protocol set up by the host sponsor of the parade.

Non-Shriners are not permitted to participate in Shrine Units in civic parades.

Automobiles other than antique cars, requiring special display, used for the purpose of transporting dignitaries, divan members or association officers, with the exception of the Potentate or association president, must be not less than two abreast. The general public's interest is in parade units, not automobiles. This will make the parade more interesting to those who have come to watch it.

NOTE: Frequently the Imperial Potentate must appoint another Imperial Officer as his official representative. When this happens, that Imperial Officer is accorded the same protocol pattern appropriate for the Imperial Potentate as outlined in the following sections.

CEREMONIALS AND RECEPTIONS

Ceremonials or Receptions

The Potentate should provide suitable transportation from the hotel to the place of the meeting for all Imperial Officers (Present and Past). An aide designated by the Potentate should be available at all times.

When a Temple desires the presence of one or more Imperial

Officers at a special activity of that Temple, a written request should be submitted to the Imperial Potentate, with a copy to the Executive Director, detailing as much information about the activity as possible. If the requesting Temple has an Imperial Officer, they may invite him directly, without going through the Imperial Potentate.

Reception for Ladies

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others stationed as indicated below. When Ladies are present, they should stand with their escorts.

Introduction and Reception of Guests

The Imperial Potentate and Imperial Officers should be made as comfortable as possible and not subjected to a long-standing wait for their turn to be received and introduced. The order of reception should be as follows:

1. Visiting Divans, Past Potentates, Potentates.
2. Visiting dignitaries and celebrities.
3. Distinguished guests (Board of Trustees, Shriners Hospitals for Crippled Children).
4. Most Worshipful Grand Masters.
5. Past Imperial Officers (in reverse order of their seniority rank).
6. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
7. Imperial Potentate.

NOTE: Always be sure that Distinguished Guests are introduced to each other as well as to the assemblage. If at all possible, allow some time for informal discussion between Distinguished Guests.

Introduction of Imperial Potentate at receptions, banquets, ceremonials, or business meetings.

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Officers and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made,

should Salaam the Potentate and make such remarks as he deems proper, and conclude the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir of Temple, (City), (State or Province.)"

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir of Temple, of (City), (State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of presenting the Imperial Potentate of the Shrine of North America, Imperial Sir

The Gavel should be presented to the Imperial Potentate, who, upon receiving same, returns Gavel to the Potentate.

The only ADDRESS should be made by the Imperial Potentate.

WHILE THE IMPERIAL POTENTATE'S ADDRESS MUST BE THE LAST SPEECH OF THE EVENT, ALL OTHER NORMAL BUSINESS OR ACTIVITIES MAY TAKE PLACE AFTER THE IMPERIAL POTENTATE'S ADDRESS. THE IMPERIAL POTENTATE'S ADDRESS SHOULD BE PLACED AT A TIME IN THE PROGRAM SO AS TO REACH THE LARGEST POSSIBLE AUDIENCE.

In the absence of the Imperial Potentate, the senior Imperial Officer invited will act in his place.

Seating at Banquet:

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's lady at the left of the Potentate; the Potentate's lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Officers seated with their ladies alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place cards should be provided to expedite seating. Many years of experience have proven that it is wisest to design a seating chart ahead of time so that any changes can be charted easily.

At Shrine Association banquets, the Shrine Association President will take the place of the Potentate, as listed above, and the other Officers of the Shrine Association, and their ladies, will follow by rank, immediately after Imperial Officers.

At a Uniformed Unit or Shrine Club banquet or any function where protocol seating is required, follow the same procedure listed in the above paragraph, with this exception: The President and his Lady should have priority seating. The Potentate should be seated at the immediate right of the President, etc. If an Imperial Officer is present,

he should be seated at the immediate right of the President and the Potentate on the left.

Seating at Ceremonials, Receptions, and Business Meetings

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Officers are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands

In Imperial Session parades, a Reviewing Stand should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Officers and such other guests as invited by the Imperial Potentate.

The Imperial Potentate (or ranking officer) receives the Salute of all Temples. When Temples from an Imperial Officer's state or province pass in review, that Officer receives the Salute of these Temples with the Imperial Potentate.

At Association or Temple parades, the ranking Imperial Officer along with the Association President or Potentate (as appropriate) receives the salute of all Temples. Other Imperial and Association officers will follow the same procedure as above.

QUESTIONS ON SEATING

Should you have questions on seating, please call the Executive Director at the General Offices in Tampa, Florida.

CANADIAN PROTOCOL

The Queen

It must be realized that Canadians do not pledge allegiance to their flag, but rather the crown. The country is the crown. The crown stands enshrined in the Canadian constitution as the emblem of the head of state, meaning, "The Queen."

Banquets:

In Canada a toast is always given to Her Majesty, The Queen:

"Ladies and gentlemen you will rise and drink a toast to Her Gracious Majesty, The Queen."

Response: "The Queen."

THE IMPERIAL COUNCIL

And then a toast to The President of the United States.

Salute to The President of Mexico (when appropriate).

In Canada smoking is never permitted until after the toast to the Monarch.

Toast to the Piper:

As the Piper has piped in the head table, V.I.P., and Imperial Potentate and/or Imperial Officer[s], the Potentate or his representative, after he has requested all to be seated, will raise his glass to the Piper who will return the greeting [slang avough] by raising his glass to the Potentate. No one else is included in the toast.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found in the front of the Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

When an Association desires the presence of one or more Imperial Officers at a special activity of that Association, a written request should be submitted to the Imperial Potentate, with a copy to the Executive Director, detailing as much information about the activity as possible. If the requesting Association has an Imperial Officer(s) they may invite him directly, without going through the Imperial Potentate.

In accordance with the above, Shrine Association Officers will occupy position No. 9 in Association/Temple Parades and position No. 3 in "Introduction and Reception of Guests." In Shrine Association Parades, Units of Temples will form in the order determined by that Association.

VISITATIONS TO SHRINE CLUBS OR TEMPLE UNITS

It should always be remembered that Shrine clubs and units are under the control of the Potentate of the chartering Temple. Invitations to Imperial officers, Temple officers from that Temple or any other Temple, Shrine association officers, etc., who are not members of the club or unit, must be cleared with the Potentate *in writing* before the invitation is issued.

DRESS

The Fez

The Imperial Council has adopted the fez as the exclusive type of head covering to be worn by *all* Nobles of the Mystic Shrine when

appearing as such. This means any Noble *must* wear his fez at all Stated (Regular) Meetings, Ceremonials (Initiations), Shrine Parades and Caravans, special Shrine events, or any other Shrine-related activity. The fez is never worn at a Masonic Lodge meeting. As a Noble of the Mystic Shrine, you are particularly admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister, or daughter. Never forget this. No other person is ever allowed to wear your fez at any time.

The fez is not a display case or bulletin board. Titles of the Imperial Chaplain, Potentates, Past Potentates, Recorders, Grand Masters and Divan members may be embroidered in small letters in gold or silver bullion, silk or rhinestone jewels *on one line* beneath the emblem on the fez. Active members of official uniformed units or official clubs of a Temple may likewise have the names of their units or clubs *on one line* beneath the emblem on the fez. Any official appointee of an Imperial Potentate or Potentate may have his title beneath the emblem as above for the term of his appointment. The fez shall be worn in its proper shape without crushing, creasing, or alteration, and one pin is allowed to hold the tassel in place on the left side. No other device, ornament, title, wording or adornment is permitted. It should be worn and adorned only as permitted by Article 13 of the Imperial Bylaws.

It is advisable to set up a procedure to order fezzes through the Recorder's Office. This allows the Temple Officers to see that proper fezzes are purchased since most Nobles are not aware of what constitutes a legal fez.

Shrine Pins

A Shrine pin should be worn on the left lapel of the suit coat, sports coat or blazer. Every Noble is requested to wear his Shrine pin anytime he wears his suit coat, sports coat, or blazer. The occasions for wearing the Shrine pin may or may not be Shrine related. It should always be worn so that a Noble of the Mystic Shrine is always identifiable, proudly and justifiably so, to a Brother Noble, Brother Mason, or the public in general.

ACCEPTED SALUTATIONS, ETC.

The Salaam

A Noble addressing the Potentate while he is presiding in the East should *always* give the Salaam. The Potentate should give the sign of the Order in return.

The Potentate and his Divan should always Salaam when receiving the Imperial Potentate or any other Imperial Officer. The Imperial Officer does not Salaam in return but gives the sign of the Order.

The Salaam is given by the leader of a Uniformed Unit that is performing for the Potentate, and the Potentate gives the sign of the Order in return. No other Unit member Salaams.

As an Imperial Officer or Potentate proceeds through an honor guard, only the first rank on either side of the aisle Salaam in unison. The remainder of the honor guard stands at attention. The Imperial Officer and Potentate may or may not be escorted through the honor guard, depending upon the pleasure of either. The escort is always to the left of the Officer.

Salutations

Any Imperial Officer, as well as a Past Imperial Officer, is always addressed, "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir." The prefix "Past" should not be used when addressing a Past Imperial Potentate or Past Potentate. Members of an Elective Divan of a Temple should be referred to by the title of their office, or by Noble.

A Noble, when making a salutation at a Shrine meeting with an Imperial Officer in attendance, should do so in the following manner: Imperial Sir, Illustrious Sir, Illustrious Sirs, Members of the Divan, and Nobles. If the Imperial Potentate and one or more Imperial Officers, guests, and ladies are in attendance, the Noble would make the following salutation: Imperial Sir (Imperial Potentate), Imperial Sirs, Most Worshipful Grand Master, Illustrious Sir (Potentate), Illustrious Sirs (Past Potentates), Members of the Divan, Nobles, ladies, and guests.

Salute

The Military Salute is used when reciting the Shrine Pledge of Allegiance and during the singing and playing of the National Anthem of the United States, Canada, and Mexico. The fez is *never* removed when the Military Salute is used. *The Military Salute is used by the leader of a Uniformed Unit* when passing in review, and the reviewing officer returns the salute.

*Salute to the Flag**Auditorium*

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed, he should drop his right hand. *In an auditorium he should hold the salute until the Colors are posted after the pledge and/or playing of the National Anthems.*

When not wearing the Fez the right hand should be held over the heart.

In Parades

Only the color party of each temple is saluted when passing in review.

Shrine Pledge of Allegiance

"I pledge allegiance to my Flag and to the Country for which it stands; one Nation under God, Indivisible, with Liberty and Justice for all."

Each Noble is reminded that his fez is not removed and that he gives the Military Salute when reciting the Shrine Pledge of Allegiance.

National Anthems

MEXICO

"Mexicans, when the trumpet is calling.
Grasp your sword and your harness assemble,
Let the guns with their thunder appalling
Make the earth's deep foundation to tremble.
Let the guns with their thunder appalling make the
Earth's deep foundations to tremble."

O CANADA!

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise.
The true North, strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

THE STAR-SPANGLED BANNER

Oh! say can you see.
By the dawn's early light,
What so proudly we hail
At the twilight's last gleaming,
Whose broad stripes and bright stars,
Through the perilous fight,
O'er the ramparts we watched,
Were so gallantly streaming.
And the rockets' red glare,
The bombs bursting in air
Gave proof through the night
That our flag was still there.
Oh! say does that Star-Spangled Banner yet wave
O'er the land of the free
And the home of the brave.

Prayer

During the offering of a prayer, the fez shall be removed and held in the right hand over the heart. The prayer shall be nondenominational in content.

How To Address Shrine Dignitaries

Proper letter writing and proper addressing of Shrine dignitaries are part of Shrine protocol. The following are some examples:

<i>Title</i>	<i>Address</i>	<i>Salutation</i>	<i>Close</i>
Imperial Officer	Name Title Temple Address	Dear Imperial Sir ____:	Yours in the Faith,
Potentate	Name, Potentate Temple Address	Dear Illustrious Sir ____:	Yours in the Faith,

Greetings

"Es Selamu Aleikum"—This is Arabic for "Peace be on You."

Salutation

"Aleikum Es Selamu"—This is Arabic for "On You be the Peace."

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Officers
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Recessional.

ARTICLE 22

Temple Charter and Location

- § 322.1 **Recognition.** Only temples chartered or under dispensation by The Imperial Council are recognized as part of the Order.

- § 322.2 **Authority.** A charter or dispensation from The Imperial Council constitutes the authority of a temple to meet and work.

Every such proposal shall be published with the notice of the session.

Amend. 1984

- (f) If The Imperial Council finds the move to be in the best interests of the Order, it may approve the proposal and order an amendment to the charter changing the location of the temple.

ARTICLE 23

Temple Membership

- § 323.1 **Temple; How Constituted.** A temple consists of its officers and as many members as it admits.

§ 323.2 Petition, Form. Each petition for membership shall bear the written recommendation of two members of the temple to which application is made.

§ 323.3 Prerequisite for Membership.

(a) A temple may not accept a petition from a candidate unless he is in good standing as:

(1) A Knight Templar in a Commandery or Preceptory of Knight Templar in amity with and recognized by the Grand Encampment of Knights Templar of the United States of America; or

(2) A 32% Mason (or a 14% Mason who cannot advance further due to absence of a special invitation) in a Consistory of Ancient and Accepted Scottish Rite of Freemasonry of a Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States of America or a Supreme Council in amity with and recognized by either of them; or

(3) A Master Mason who is an actual resident of the Republic of Mexico and who presents his petition for membership to a Mexican temple.

Amend. 1988, 1990

§ 323.4 Residence of Candidate.

(a) A petitioner must be an actual resident for at least 6 months in the jurisdiction of the temple to which he applies for membership or must have a waiver.

(b) Actual residence is defined as the place where the applicant in good faith makes his home.

(c) Any temple may receive and act upon the petition of one whose residence is not within the jurisdiction of another temple.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the temple.

§ 323.5 Balloting.

(a) Subsequent to a report on a candidate's petition, the ballot is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is

rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by a least 3 members of the temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(e) After the balloting is completed and the candidates are declared elected and notified, no objection made thereafter with respect to the candidates may be considered unless ordered by vote of the temple.

(f) A rejected candidate may not apply again for 13 weeks.

Amend. 1973

§ 323.6 Candidate; When Initiated.

(a) A temple may not initiate or obligate a candidate except at a stated meeting or ceremonial session, unless a special dispensation is granted by the Imperial Potentate.

(b) Application for special dispensation must be made at least one week before the dispensation is to be used, and must also be accompanied by a full statement of the facts and circumstances justifying the issuance.

§ 323.7 Associate Membership.

(a) Any Noble may apply for membership by affiliation in a second temple and, if accepted by the second, thereafter hold associate membership subject to the provisions of this section.

(b) The applicant need not hold a demit to make an application for associate membership. However, an application for associate membership must be accompanied by written evidence that the applicant is in good standing and eligible for a demit.

Amend. 1988

(c) Upon election of an applicant for associate membership, the second temple shall notify the other of which the Noble is a member that he has associate membership; and thereafter he shall be considered an active member of both temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second temple shall not affect his membership in the temple to which he first belonged; but his suspension for nonpayment of dues to the first temple shall ipso facto affect his suspension in the second. His suspension for any other cause or his expulsion from either temple shall ipso facto affect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either temple shall be given to the other temple and to the Imperial Recorder.

(e) Election of an associate member to life membership in one temple does not constitute his election to life membership in the other.

(f) An associate member shall have all the rights and privileges of membership in both temples except that he may not hold elective office in the second.

(g) Associate membership is terminated by:

- (1) Voluntary resignation upon payment of all indebtedness, assessments and voluntary obligations to the temple by an associate member who is in good standing and free from charges;
- (2) Expulsion; or
- (3) Death.

Amend. 1972, 1975, 1982

§ 323.8 Retention of Membership.

(a) In order to retain membership in a temple, a Noble must maintain the requirement of § 323.3(a), unless otherwise herein provided.

(b) If a Noble holds membership in both prerequisite bodies, his membership in the temple is not affected by the loss of his membership in one prerequisite body.

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause, except as hereinafter provided, loses that membership, he loses his membership in his temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his temple without vote of the temple. He may not be charged with dues to the temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his temple does not restore him to good standing in the temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than non-payment of dues, the loss of membership in his temple is effective when it becomes final in the prerequisite body unless he shall file an appeal with the Imperial Recorder within 30 days after the loss of his membership in the prerequisite body. The Imperial Recorder shall immediately forward the appeal to the Grievances and Appeals Committee and it shall proceed, insofar as practical, as provided in § 208.9. The committee shall determine whether the loss of membership was for conduct in violation of Shrine law and make a report thereon to The Imperial Council with its decision. If the appeal is sustained by The Imperial Council then the loss of membership in the prerequisite body will not result in the Noble's loss of membership in his temple. (This subsection is retroactive to 1980.)

Amend. 1987

(f) In any state in which the Grand Lodge of Masons having jurisdiction takes action which is designed to suppress or proscribe the Order, its members, or one of its temples, the Imperial Potentate shall so certify. Upon the certification of the Imperial Potentate, and for so long as he certifies the threat of suppression or proscription to continue, the Order, its members and its temples in such jurisdiction retain all their rights, responsibilities and authority, notwithstanding any provision of the bylaws to the contrary.

Amend. 1988

(g) Except as herein provided, a temple must honor an official written notice from a prerequisite Masonic body concerning the loss of membership in that body by a member of the temple.

Amend. 1978, 1979, 1987

§ 323.9 Suspension or Termination of Membership

(a) Rights of membership in a temple are suspended by:

- (1) Voluntary demission upon payment of all indebtedness, assessments and voluntary obligations to the temple;
- (2) Suspension for non-payment of dues; or
- (3) Suspension for other cause.

(b) Membership is terminated by:

- (1) voluntary resignation upon payment of all indebtedness, assessments and voluntary obligations to the temple by a member who is in good standing and free from charges;

- (2) Expulsion; or
- (3) Death.

Amend. 1975

§ 323.10 Demit.

(a) A demit specifies that at the time of its issue the Noble named therein was (1) in good standing, (2) free from charges, and (3) free from indebtedness, assessments and voluntary obligations to the temple.

(b) A temple cannot withhold a demit from a Noble applying and who qualifies for it under (a).

(c) A temple may issue a duplicate demit to a Noble.

(d) A demit may be issued by the Potentate and Recorder of the temple between stated meetings of the temple. A record of a demit so issued must be made and reported to the temple at its next succeeding stated meeting.

(e) A demit, when granted, is effective for all purposes as of the date of the filing of the written application therefor with the Recorder of the temple.

(f) A demit entitles the holder to affiliate with a temple only pursuant to these bylaws.

(g) When a demit is issued to a Noble residing outside the exclusive or concurrent jurisdiction of the issuing temple and in the jurisdiction of another temple, the Recorder of the issuing temple must give written notification within 30 days of the issuance to the Recorder of the temple in whose jurisdiction he resides. In the event such Noble resides in territory in concurrent jurisdiction (which is not concurrent with the issuing temple) the Recorder of the temple located nearest his residence shall receive the foregoing notification. The notification shall recite the Noble's name and address and the date the demit was issued.

Amend. 1982

§ 323.11 Suspension for Nonpayment of Dues.

(a) A temple may not carry a member on the books who is more than 2 years in arrears. The temple must either suspend him or remit his dues.

(b) Whenever adopted, any order of suspension shall be effective as of December 31 of the last year of the delinquency.

(c) A Noble may be suspended for nonpayment of dues in the following manner:

- (1) He must be notified by first-class mail that he is in arrears;

- (2) He must be given an opportunity to be heard;
- (3) He must be admitted to the temple for this purpose even though he is in arrears; and
- (4) A majority of members present at a stated meeting must vote to suspend him.
- (d) One who has been suspended for nonpayment of dues may be restored in the following manner:
 - (1) Written application for restoration must be made, accompanied by written evidence that he is in good standing in his prerequisite body;
 - (2) Without a vote of the temple upon terms authorized by the temple; and
 - (3) The restoration must be reported to the temple at its next stated meeting and recorded in the minutes.

§ 323.12 **Life Membership.** Life membership may be granted for meritorious service or upon payment of the fee prescribed in § 332.6.

§ 323.13 **Honorary Membership**

- (a) Honorary membership may be conferred by a temple upon any Noble, as a compliment, by a majority vote, but this membership confers no rights or privileges.

ARTICLE 30

Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the temple of which he is a member, or by the temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law.

§ 330.2 Fair Play and Substantial Justice. This Article is intended to provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate and to assure fair play and substantial justice as these concepts are understood and practiced in North America. To this end the temple and its officers shall cooperate fully with the complaining Noble, the accused Noble, the grievance committee and the trial committee. All temple records concerning the

complaint or charges shall be made available to the foregoing for copying.

§ 330.3 **Definitions.** In addition to the definitions set forth in § 101.3, the following terms are defined for the purposes of this Article.

(a) "Complaining Noble" is the Noble or Nobles who file a complaint with the Potentate of a temple pursuant to this Article.

(b) "Complaint" is the written, signed and dated statement of the acts or conduct of an accused Noble, which the complaining Noble asserts is a violation of Shrine law or constitutes conduct unbecoming a Noble of the Mystic Shrine.

(c) "Accused Noble" is the Noble or Nobles against whom a complaint is filed.

(d) "Grievance Committee" is a committee of five (5) impartial Nobles appointed by the Potentate and charged with the duty of thoroughly investigating a complaint.

(e) "Trial Panel" is the panel of nine (9) impartial Nobles appointed by the potentate from which the trial committee is selected.

(f) "Trial Committee" consists of the five (5) members of a trial panel who are selected to try the charges brought against the accused Noble.

(g) "Charges" is a written, signed and dated statement apprising the accused Noble of the nature and character of the offense or offenses being brought by and on behalf of the temple.

(h) "Prosecutor" is the Noble representing the temple in the trial of the accused Noble.

(i) "Impartial" is having no direct knowledge of the acts or conduct set forth in the complaint or charges; not having formed an opinion as to the merits of the complaint or charges; not being related by blood or marriage, nor being so closely associated with the complaining Noble, the accused Noble or any material witness as to be likely to affect the Noble's judgment.

(j) "Notice, notify, provide, deliver or file" means to mail, first-class, postage prepaid, a copy of the document in question to the last known address of the Noble involved or to deliver the document to the Noble in person. Unless a greater time is specifically allowed, this should be done immediately. No notice of proceedings hereunder is required to be given temple membership.

(k) "Witness" is a person, male or female, Shriner or non-Shriner, called to give testimony.

§ 330.4 **Procedure.** Proceedings for the discipline of any Noble by a temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine law, must state the nature and character thereof in writing, sign and date the complaint, and deliver it to the Potentate of the temple. The complaint must be filed within the time period provided in § 101.9(b).

(2) Immediately upon the receipt of a complaint it is the duty of the Potentate to notify the Imperial Potentate and to deliver a copy of the complaint to the accused Noble and to appoint a grievance committee of 5 impartial members of the temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The complaining Noble and the accused Noble shall be afforded an opportunity to be heard before the grievance committee. The complaining Noble may withdraw the complaint anytime prior to the determination of the existence of probable cause by the grievance committee and, in such event, the grievance committee is discharged from further consideration of the matter and the complaint is dismissed. If the complaint is not withdrawn, the grievance committee by majority vote, must determine whether there is probable cause for believing an offense has been committed by the accused Noble, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee, be in writing, and signed by those voting in the majority, and copies shall be delivered to the complaining Noble and the accused Noble. If no probable cause is found, the proceedings shall terminate, subject only to the rights of the complaining Noble to appeal as provided by § 330.4(c)(2).

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to an impartial Noble of the temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the temple

against the accused Noble. The charges, in plain and concise language, must apprise the accused Noble of the offense charged, and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the temple, and a copy shall be delivered to the Potentate, the complaining Noble and the accused Noble.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial panel of 9 impartial Nobles of the temple, and to designate a date for the trial, which shall be not less than 15 nor more than 30 days from the date of the selection of the trial panel. The Potentate may for good cause postpone the trial to a subsequent date not later than 60 days from the date of the selection of the trial panel. The names of the trial panel shall be provided to the complaining Noble, the accused Noble and the temple. Neither the complaining Noble, the accused Noble, the temple nor anyone representing them shall have any contact whatsoever with the trial panel or vice versa regarding the case.

(5) If any officer named in this section is the complaining Noble, is the accused Noble or is not impartial as the term is defined in § 330.3(i), he shall be disqualified to act. If a member of the grievance committee or the trial panel is disqualified, it is the duty of the Potentate to fill the vacancy with an impartial Noble.

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is required to serve. Any Noble who wilfully violates any provision of Article 30 is subject to discipline under the Article.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; if both are disqualified, the Potentate shall appoint the highest ranking qualified officer to act. And, if all officers are disqualified, the Potentate shall appoint an impartial Noble to act in his stead.

(8) It is the duty of the Recorder of the temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused Noble of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or

of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the temple, to prosecute the charges, and the temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused Noble also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused Noble may file written answer to the charges at least five days prior to the time set for the trial.

(b) Trial.

(1) Upon the date set for trial, the prosecutor may excuse 2 of the trial panel chosen by the Potentate, and the accused Noble has the right to excuse 2 of the trial panel, leaving a trial committee of 5. If the accused Noble or the Prosecutor fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot. Prior to exercising their challenges, both the accused Noble and the prosecutor shall have the right to inquire of the trial panel and to challenge any Noble for cause. Cause shall consist of showing that the Noble in question is not impartial. The Potentate shall rule on all challenges. The Potentate shall immediately appoint a substitute impartial trial panel member for any Noble excused for cause.

(2) The trial committee selects one of its members as chairman. The chairman has charge of the conduct of the trial and may have an attorney who is a Noble present during the trial for the purpose of advising the trial committee concerning procedural and legal issues. Such attorney shall serve at the expense of the temple. The Chairman administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the temple and the accused Noble have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline under Article 30. Request for the issuance of a summons to a witness shall be made of the Recorder, who shall issue, sign and deliver the summons at least five days prior to trial.

(4) The testimony of all witnesses shall be taken by a competent stenographer, male or female, so that it may be preserved as are transcripts in a court proceeding.

(5) Either the temple or the accused Noble may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party. The accused Noble and the temple shall provide each other with copies of all known documents that are to be used at the trial at least five (5) days prior to the trial.

(6) Any Noble of the temple is permitted to attend the trial; however, notice of the trial date to temple membership is not required. The deliberations of the committee upon guilt or innocence and fixing of punishment are secret. All deliberations must be in person and in the presence of each member of the trial committee.

(7) The trial committee hears the evidence adduced on behalf of the temple and the accused Noble, and shall conduct the trial in an informal manner not being bound by the technical rules of evidence except for those relating to privileged communications. The trial committee hears the arguments of counsel, including appropriate arguments regarding punishment in the event guilt may be found, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused Noble. If the committee finds the accused Noble guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of punishment shall be required. The report of the trial committee must be signed by those voting with the majority. The report is then immediately sealed to be opened by the Potentate at the next stated meeting.

(9) At the next stated meeting of the temple after the trial, the report shall be unsealed by the Potentate and read to the Temple. This reading of the report is the pronouncement of judgment. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to The Imperial Council. Any Noble revealing the contents of the report before the pronouncement of the judgment is subject to discipline.

(c) Appeal.

(1) Either the temple or the accused Noble has the right

within 30 days to appeal to The Imperial Council from any judgment rendered.

(2) The complaining Noble has the right within 30 days to appeal to The Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of The Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the chairman of the Grievances and Appeals Committee of The Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ rds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled, he cannot be restored but may petition again the temple from which he was expelled for membership as if he had never before been a member. However, if he wishes to become a member of any other temple, he must obtain a waiver from the expelling temple before the temple having jurisdiction of his petition can vote thereon. This application for a waiver shall be acted upon at a stated meeting of

the expelling temple and it must be approved by a majority vote of the members present and voting.

PREFACE

These annotations are not "Shrine law". See §§ 101.3(1) and 101.6. They are simply references to rulings, decisions, and interpretations of the Imperial bylaws made by various Imperial Potentates in the past. As such, however, they are precedents which will probably influence future rulings, decisions, and interpretations under like or similar circumstances.

ANNOTATIONS TO BYLAWS

(Iowa)

§ 101.3

1972 Proceedings, p. 155. Obedience to Shrine law, as defined in § 101.3(1) is not optional but is required of all Shriners and of every temple.

1973 Proceedings, p. 99. According to § 206.5(a) (4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (1), General Orders which have expired are no longer Shrine law.

§ 101.4

1975 Proceedings, p. 20. By the provisions of § 101.4, Robert's Rules of Order governs parliamentary procedure at temple meetings; and the Potentate must permit a full discussion of any pending matter before putting it to a vote unless the Nobility adopts a motion calling for the previous question.

§ 101.7

1966 Proceedings, p. 208. Independent organizations are not subject to supervision or control of temple Potentate simply because they are composed wholly of Shriners.

§ 101.9

1966 Proceedings, p. 208. Individual Nobles are subject to discipline for violation of Shrine law in connection with activities not directly related to membership in the Shrine.

1987 Proceedings, p. 118. "Absent clear and persuasive evidence of breakdown of Article 30 procedure, Imperial Potentate will not interfere.

§ 101.10

1990 Proceedings, p. 134. Temples shall use the official form when seeking approval for the incorporation of a shrine club holding company. The authority for organizing a shrine club holding company is contained in the bylaws of The Imperial Council.

§ 203.1

1976 Proceedings, p. 177. An ad vitam and emeritus Representative who demits and affiliates with another temple becomes an ad vitam and emeritus Representative of the temple with which he affiliates.

§ 206.5

1966 Proceedings, p. 211. General Orders of an Imperial Potentate are not amendments to bylaws of Imperial Council.

1970 Proceedings, p. 96. The Imperial Potentate may suspend from office a Representative to the Imperial Council.

1973 Proceedings, p. 99. According to § 206.5(a) (4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (1), General Orders which have expired are no longer Shrine law.

ANNOTATIONS TO BYLAWS (IOWA)

§ 207.3

1976 Proceedings, p. 176. While the minutes of the Boards of Directors and Trustees must be produced and read to The Imperial Council upon its order, a Representative does not have the right to demand that copies of such minutes be routinely sent to him for his inspection.

§ 208.6

1971 Proceedings, p. 97. Nobles who believe the Potentate's exercise of his discretionary powers to have been arbitrary and capricious may file a grievance for consideration by the Grievances and Appeals Committee under § 208.6.

1972 Proceedings, p. 153. An appeal from a decision of the Imperial Potentate made pursuant to § 206.5(a)(13) is made to The Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6.

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 209.2

1988 Proceedings, page 237. Activities of a group unauthorized under this section, may be enjoined by the Imperial Potentate.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.5

1965 Proceedings, p. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208, and 1984 proceedings, p. 109.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but The Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the temple, but beyond its corporate limits does not work a change in the location of the temple.

1970 Proceedings, p. 93. Removal of a temple from one municipality to another, even within the same urban area, may be effected only after compliance with this section.

1975 Proceedings, p. 19. The removal of a temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by The Imperial Council for the change of location of a temple may be given only by The Imperial Council itself at an annual session in accord with § 322.5(f).

ANNOTATIONS TO BYLAWS (IOWA)

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3

1967 Proceedings, p. 83. Expulsion of a member by his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of The Imperial Council.

§ 323.5

1975 Proceedings, p. 20, § 323.5 requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine Law.

§ 323.7

1973 Proceedings, p. 97. Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.

1975 Proceedings, p. 19. § 323.7 does not prohibit the holding of associate membership in more than one temple.

1976 Proceedings, p. 177. Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.

1976 Proceedings, see p. 177. One who holds associate membership in a temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

§ 323.8

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of The Imperial Council.

1983 Proceedings, p. 212. When a Noble is suspended from his prerequisite body the suspension therefrom must have become final and the suspended Noble's temple must receive an official written notice from the prerequisite body, before the Noble is suspended from the Shrine.

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has expelled must apply again for membership under Article 30.

1975 Proceedings, p. 21. The issuance of a demit does not terminate one's

ANNOTATIONS TO BYLAWS (IOWA)

membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the temple in the jurisdiction of which he resides.

1978 Proceedings, p. 87. A Noble against whom a complaint has been lodged but as to whom the formal written charges described in Article 30 have not been filed, is "free from charges" within the meaning of § 323.9(b) and may resign his Temple membership.

§ 323.10

1971 Proceedings, p. 97. After adoption by the temple of an assessment pursuant to § 332.7, a demit may be granted under §323.10(a) only if the assessment is paid.

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

§ 323.10(a)

1989 Proceedings, p. 209. A Noble requesting a demit prior to investigation by the Grievance Committee, under §330.4(a)(2), is "free from charges" and his request must be honored.

§ 323.11

1978 Proceedings, p. 88. Under § 323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the temple, and such terms may be expressed either by the temple Bylaws or otherwise in accordance with § 324.8.

§ 323.12

1967 Proceedings, p. 84. A life member of a temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

1973 Proceedings, p. 97. Imperial bylaw §§ 323.13 and 332.6 are permissive only, so that a temple must itself establish the conditions upon which it will grant life membership.

1973 Proceedings, p. 97. So long as the minimum requirements expressed in §§ 323.12 and 332.6 are met, a temple is free to fix its own policies with respect to creation of life members.

§ 323.13

1965 Proceedings, p. 43. Honorary membership to Nobles only. Majority vote of temple.

§ 324.1

1972 Proceedings, p. 152. So long as the temple holds at least one stated meeting during each calendar quarter, as required by § 324.1, temple bylaws may include a provision which permits the Potentate to dispense with other stated meetings.

1973 Proceedings, p. 97. The stated meeting of a temple is not the appropriate forum for debate of either a suspension order issued by the Imperial Potentate or Masonic charges pending against a member of the Order.

1975 Proceedings, p. 20. A temple may take action only at a stated or specially called business meeting, and cannot be bound by a mail referendum. Proxies are not permitted.

ANNOTATIONS TO BYLAWS (IOWA)

§ 324.2

1972 Proceedings, p. 154. By virtue of § 328.1 a temple is sovereign in its own territorial jurisdiction and, accordingly, it may attach conditions to any consent given under § 328.7(d) that another Temple may hold a ceremonial within its jurisdiction.

1974 Proceedings, p. 25. A special dispensation from the Imperial Potentate may be issued under § 324.2 for a ceremonial to be held aboard ship in the Caribbean during a temple cruise.

§ 324.5

1985 Proceedings, Page 111. Section 324.5 does not require first class mailing of notice. Neither is receipt of notice required. Only certificate of mailing not less than one week in advance.

1987 Proceedings, p. 117. This section of the Imperial Bylaws requires a notice of each stated meeting not less than one week in advance. Blanket notice in the first issue of a temple publication is not sufficient compliance.

§ 324.7

1972 Proceedings, p. 154. § 324.7 does not authorize the Potentate to select a Past Potentate to preside when the former is absent from a meeting or session of his Temple.

§ 324.8

1966 Proceedings, p. 211. The use of proxies or voting by mail is prohibited.

1970 Proceedings, p. 93. Any action of Temple officers or committees, unless pursuant to powers and duties expressly delegated to them, is subject to review and rescision by the Temple.

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

1975 Proceedings, p. 20. In the absence of a temple bylaw delegating to some officer or committee the authority to dispose of Temple assets, § 324.8 requires specific authorization by the temple itself to sell an asset belonging to the temple.

1979 Proceedings, p. 171. In the absence of temple bylaw provisions delegating powers and fixing responsibilities of the temple trustees, such trustees simply hold the bare legal title of property for the benefit of the temple, and § 324.8 empowers the members of the temple, at meetings thereof, to take such action as may be necessary for the operation and maintenance of the properties.

§ 325.1

1971 Proceedings, p. 95. A Noble may not at the same time hold both the offices of Potentate and Recorder of his temple.

§ 325.2

1980 Proceedings, p. 28. A candidate for temple office need not reside within the jurisdiction of the temple, but only within the jurisdiction of The Imperial Council, as required by § 325.12.

1982 Proceedings, p. 169. A Noble who has served part of the year as assistant rabban and part of the year as chief rabban of his temple is eligible to serve his temple as Potentate the following year as he has served "at least one term as either Chief Rabban or Assistant Rabban of a temple" as required by § 325.2(c) of the By-laws.

1985 Proceedings, p. 112. Matters concerning election procedures not specifically governed by the Imperial bylaws are to be governed by Roberts Rules of Order pursuant to § 101.4 and by the concept of due notice to all of the Nobility, common sense, and fair play.

ANNOTATIONS TO BYLAWS (IOWA)

1986 Proceedings, p. 152. § 325.2(a) establishes qualifications for elective office as members in good standing. Additional qualifications may only be imposed by appropriate amendments to this Imperial bylaw.

§ 325.2

1990 Proceedings, p. 135. Temple bylaws may not restrict the number of years a treasurer or recorder may hold office nor limit his maximum age.

§ 325.3

1981 Proceedings, p. 165. A resolution which would require the election of the appointive divan was properly ruled out of order for inconsistency with § 325.3.

§ 325.5

1967 Proceedings, p. 84. There is no objection to a waiver of rules and the adoption of a motion for casting a unanimous ballot for an unopposed candidate for Temple office.

1975 Proceedings, p. 20. Under § 325.5 Temple officers must be elected as individuals and the Nobility may not be required to vote for one or the other of two "slates" of candidates.

§ 325.6

1980 Proceedings, p. 29. The making of announcements, reports, and presentations while ballots are being counted during a temple election is not a violation of § 325.6 if no action of the temple is required or taken on such announcements, reports, and presentations.

§ 325.7

1967 Proceedings, p. 83. A temple may create, by appropriate bylaw, the office of Recorder Emeritus or Treasurer Emeritus.

1974 Proceedings, p. 26. Unless pursuant to § 325.7 a temple has made provision in its By-laws for such officers, it may not elect an Assistant Treasurer or an Assistant Recorder

1974 Proceedings, p. 27. Neither the Potentate nor the Board of Directors of a temple may create additional Temple offices, for which provision may be made only by the temple bylaws pursuant to § 325.7.

§ 325.8

1978 Proceedings, p. 88. The practice of suspending the rules in order that unopposed nominees may be elected by the casting of one ballot comes within the exception expressed in § 101.4. Roberts Rules of Order, Newly Revised.

§ 325.9

1983 Proceedings, p. 212. A proposed amendment to a temple's bylaws which makes the chief rabban a representative to The Imperial Council by virtue of his office is in conflict with the bylaws of The Imperial Council. All representatives are to be elected by written ballot at the annual meeting of the temple.

§ 325.10

1968 Proceedings, p. 121. Shrine Club Meeting Notice cannot recommend candidates for temple office.

1971 Proceedings, p. 97. The distribution among members of the temple of an "information sheet" containing the name of a proposed candidate for temple office and listing his Masonic history, military service record, and civilian work record is a violation of § 325.10(a) even though the office to which he aspires is not mentioned.

1972 Proceedings, p. 154. The editors of unit and Shrine Club newsletters are responsible for violations of § 325.10(a) in publishing solicitations for support of candidates for temple office.

1972 Proceedings, p. 153. A temple bylaw provision which prohibits the expenditure of money for gifts, favors or entertainment on behalf of candidates for temple office is not inconsistent with Article 25.

1975 Proceedings, p. 19. A temple is free to regulate campaigns for temple office so long as the regulations are consistent with Article 25 of the Imperial

ANNOTATIONS TO BYLAWS (IOWA)

bylaws; but without a trial under Article 30, only the Imperial Potentate may suspend one who violates such regulations or declare the election void.

1981 Proceedings, p. 165. Election of Imperial Representatives at a second meeting instead of at the annual meeting and without notice of election required by § 325.10(c) is improper; and a new election with proper notice is required.

1983 Proceedings, p. 212. The distribution of written material to the members of a temple by a Noble thereof opposing the re-election of the recorder by asserting in the material, *inter alia*, that "it's time for a change" is a violation of § 335.10(a).

1987 Proceedings, p. 119. "Distribution and circulation of pin-on button containing the name of a candidate, violates this section."

1988 Proceedings, p. 238 "Organizational meeting" of Divan, and Unit Heads prior to temple election based upon "presumption of election" does not constitute a violation of this article.

1988 Proceedings, p. 238. Pre-preparation and distribution of "sample ballot" containing suggestions of proper choice for various offices is in violation of this section.

§ 325.12

1977 Proceedings, p. 162. A temple officer who lives in an area which becomes a part of the jurisdiction of a newly organized temple does not lose his office thereby, because § 325.12 requires only that he live within the jurisdiction of The Imperial Council.

1977 Proceedings, p. 163. A Temple bylaw which restricts eligibility for temple office to certain counties of residence is inconsistent with § 325.12 and void.

1984 Proceedings, p. 110. Question of "physical incompetence" of temple officer to a degree creating a vacancy in such office is an issue which must be decided by the membership following due notice under Section 324.5.

§ 325.13

1967 Proceedings, p. 83. Shrine law does not permit the election and installation of a Potentate, accepting his resignation from office, and the election and installation of his successor at the same meeting.

1970 Proceedings, p. 96. A special election should be held to fill a vacancy created by the suspension of a Representative to The Imperial Council.

1972 Proceedings, p. 152. The Oriental Guide is not required to resign from his office in order to be a candidate for the office of High Priest and Prophet at a special election held pursuant to § 325.13; and, if he is elected, the vacancy in his office thus created may be filled at the same meeting.

§ 325.14

1976 Proceedings, p. 176. A vacancy in the office of Representative to The Imperial Council may be filled only by election, except in the special circumstances mentioned in § 325.14(a).

§ 326.1

1968 Proceedings, p. 121. The obligation of a temple officer cannot be taken by proxy.

§ 326.3

1966 Proceedings, p. 211. Elected temple officer continues to hold office until his successor is both elected and installed.

§ 327.1

1966 Proceedings, p. 212. Failure of officers having custody of temple books and records to make them available for inspection or audit by authorized persons in contrary to Shrine Law.

1974 Proceedings, p. 27. The Potentate has no authority to suspend a member of his temple; but, if he is of the opinion that the Noble is guilty of conduct unbecoming a Noble of the Mystic Shrine, he should see to the institution of proceedings under Article 30.

1979 Proceedings, p. 171. The Potentate has no authority to order the confisca-

ANNOTATIONS TO BYLAWS (IOWA)

tion of a Noble's fez, even for alleged misconduct, without a trial under Article 30. Only the Imperial Potentate has the power to suspend a Noble without a trial.

1979 Proceedings, p. 169. A temple bylaw provision which requires appointment of temple committees by an Executive Committee is contrary to § 327.1(c) and void.

§ 327.3

1966 Proceedings, p. 208 and 209. Temple Recorder has custody and control of Records, subject to provisions of temple bylaws or direct action of the temple.

1978 Proceedings, p. 87. Any reassignment of duties among temple officers or employees must be accomplished in accordance with or by amendment to the temple bylaws in a manner consistent with the Imperial bylaws, and not simply by action of the temple Board of Trustees in contravention of §§ 327.3 and 327.4.

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the temple bylaws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1971 Proceedings, p. 95. Money raised in the name of the Order by uniformed units of a temple must be turned over to the temple to be handled in the same manner as all other temple funds.

1973 Proceedings, p. 98. By reason of § 336.1 uniformed units are under the direct control of the Potentate and by reason of § 337.3 Shrine clubs are likewise under his direct control, so Shrine clubs may not themselves organize or control uniformed units.

1973 Proceedings, p. 98. In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.

1975 Proceedings, p. 19. Any funds held by a Unit which is disbanded by the Potentate under § 336.1 must be turned over to the temple.

1975 Proceedings, p. 21. Under § 336.1 the Potentate has the power to suspend members of Units and, indeed, to disband the Units themselves.

1977 Proceedings, p. 163. A Shrine Club may not itself organize or control uniformed units, which are integral parts of the temple under § 336.1 and directly controlled by the Potentate.

1979 Proceedings, p. 170. Aside from the requirement that all members must be Nobles, § 336.1 leaves qualifications for membership in a temple Unit to the discretion of the Potentate.

1982 Proceedings, p. 170. Incorporation of a temple unit is not permitted under the Imperial bylaws.

§ 336.2

1972 Proceedings, p. 155. The Southeast Clown Association has no authority to exclude from any parade a non-member clown unit which has permission to participate in such parade from the Potentate of its own temple under § 336.2(b) and from the Potentate of the temple in the jurisdiction of which the parade is held under § 336.2(c).

1973 Proceedings, p. 98. § 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.

1976 Proceedings, p. 175. While under § 336.2(d) a unit may be reimbursed for direct expenses of a parade or exhibition, it may not accept compensation or other remuneration in the guise of "expense money".

1977 Proceedings, p. 162. A temple uniformed unit is prohibited by § 336.2(c) from making a public appearance within the jurisdiction of another temple without the consent of the Potentate of the temple within the jurisdiction of which such public appearance is made.

1979 Proceedings, p. 171. In playing private engagements for compensation, a musical group composed of Shriners may not use a name which identifies them with their temple.

1981 Proceedings, p. 165. The provisions of § 336.2(c) do not apply to public

ANNOTATIONS TO BYLAWS (IOWA)

appearances by units of a temple in the jurisdiction which that temple holds concurrently with one or more other temples; and "public appearances by units," as referred to in § 336.2(c), differ from "activities" referred to in § 328.9.

§ 337.1

1967 Proceedings, p. 84. Oriental and Arabic names are reserved for temples, and should not be a part of the names of Shrine clubs or holding companies.

1977 Proceedings, p. 163. A so-called "alliance" of members of a single temple constitutes a Shrine club under § 337.1 and may not be organized within the exclusive jurisdiction of another temple without the permission of the Potentate of such temple in accordance with §§ 337.4 and 337.5.

1984 Proceedings, p. 109. Imperial bylaws do not authorize a Shrine club to be a member of a corporation with other non-Shrine fraternal organizations.

1989 Proceedings, p. 210. The formation of a "social club" composed of members of various Shrine temples living within the exclusive or concurrent jurisdiction of another temple is in violation of § 337.1 unless authority is obtained from the Potentate of the temple in the jurisdiction of which the club is formed or from The Imperial Council.

§ 337.2

1988 Proceedings, p. 237 Shrine club members are subject to the control of the Potentate of the authorizing temple, regardless of the members temple affiliation.

§ 337.3

1966 Proceedings, p. 212. Shrine club has no independent existence. It is under complete control of the temple, acting through its Potentate, having jurisdiction over it.

1967 Proceedings, p. 84. The formation of a Shrine Club Council by and under the control of the Potentate is not prohibited.

1967 Proceedings, p. 83. A Shrine club at the seat of the temple with a membership including all members of the temple is not authorized by Shrine law.

1978 Proceedings, p. 87. The Potentate has control of the Shrine clubs of his temple pursuant to § 337.3, and he may require changes in the bylaws of such Shrine clubs even though such bylaws were approved by his predecessors in office.

1985 Proceedings, p. 113. Potentate has control of Shrine club pursuant to Section 337.3. He may lawfully interpose his edicts regarding management, organization of the club, suspend its operations entirely during the term for which he holds office so long as such edicts are not arbitrary, capricious or penal in nature.

1986 Proceedings, p. 153. Temple Potentate has absolute control over a Shrine club's existence. He may suspend all rules and/or suspend the club from activity during his term as Potentate.

1990 Proceedings, p. 133. Shrine club fiscal matters are, in the final analysis, under the control of the potentate of the authorizing temple. Shrine clubs have no independent right to govern their funds contrary to the bylaws of The Imperial Council and the controlling temple.

§ 337.5

1972 Proceedings, p. 152. § 337.5(c) applies to an existing Shrine club in jurisdiction which becomes concurrent by the issuance of a dispensation to a new temple.

1974 Proceedings, p. 25. Pursuant to § 337.5(c) a Shrine club located in concurrent jurisdiction remains subject to the jurisdiction of the temple by the authority of which it was formed, even though it is closer to a new temple thereafter created.

1974 Proceedings, p. 25. An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both temples under §§ 337.5 and 324.8.

1976 Proceedings, p. 175. The burden of establishing the existence of an

BYLAWS (IOWA)

agreement such as is contemplated by § 337.5(c) with respect to control of Shrine clubs is on the temple which claims such agreement to exist.

§ 337.6

1979 Proceedings, p. 170. Activities regularly carried on on a continuing basis before and after May 1, 1975, constitute "activities planned and publicized prior to May 1, 1975" within the meaning of that language in § 337.6(b); so that such activities may be continued on an annual basis after the adoption of § 337.6(b).

1987 Proceedings, p. 117. Unauthorized and wrongful solicitation in concurrent jurisdiction by a temple's Shrine Club requires repayment of all receipts from solicitation and apology to offended temple.

§ 337.7

1967 Proceedings, pp. 82-83. All members, directors and officers of a Shrine club holding company must be Nobles and members of the Shrine club.

1967 Proceedings, p. 83. The incorporation of a Shrine club to procure a liquor license and otherwise function as a club is prohibited.

1970 Proceedings, p. 93. The Potentate may require dissolution of a Shrine Club holding company.

1974 Proceedings, p. 26. If the Trustees of a Shrine club holding corporation refuse to dissolve the corporation upon the Potentate's direction, he may remove them from office under § 337.7(c) (3) and appoint others who will comply with his order.

1975 Proceedings, p. 20. If membership in a proposed corporation is conditioned upon membership in a Shrine Club, the proposed corporation is related to the activities of the Order and may be organized only under § 337.7 or § 335.17.

1990 Proceedings, p. 134. Temples shall use the official form when seeking approval for the incorporation of a shrine club holding company. The authority for organizing a shrine club holding company is contained in the bylaws of The Imperial Council.

**IMPERIAL COUNCIL A.A.O.N.M.S.
ACCOUNTING AND FINANCIAL REPORTING REQUIREMENTS
FOR SHRINE TEMPLES**

The bylaws of The Imperial Council, A.A.O.N.M.S., an Iowa Corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the bylaws requirements. Because of their numerous and diverse activities, many questions confront temples concerning accounting requirements. The American Institute of Certified Public Accountants Industry Audit Guide "Audits of Certain Non-Profit Organizations" which incorporates Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Nonprofit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

All funds under the control of the temple, charitable or otherwise, and all activities, including circuses, and all funds and activities of the units of the temples, should be included in the temples' financial statements. When the corporation is a separate legal entity, such as a temple holding corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total.

Temple units are not permitted to maintain funds which are not under the control of their temples. In certain cases, such as where the units maintain records and do not keep them at the temple office, the auditor may not believe, from a practical standpoint, that he is in a position to audit the funds. In such cases, the temple's financial statements should be prepared without the units' funds. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial statements. Even though such funds may be excluded from the temple's audited financial statements, such funds must be included in the temple's annual reports to the Internal Revenue Service.

The accrual basis or modified accrual (wherein certain items would be handled in a cash basis rather than being recorded as a receivable or as a liability) of accounting is required for all temples. Financial statement formats with sample notes to financial statements and examples of supplementary financial information are attached (see Form #20). These are guidelines which are required to be followed by all temples. More important aspects of these guidelines are as follows:

1. The financial statements and notes should be comparative and present financial information for two years.
2. The financial statements should be presented in a combined format to reflect all of the financial activities of the temple including all fund raising activities, charitable funds, and financial information of separately incorporated entities such as temple holding corporations.
3. Supplementary financial information should reflect all activity of individual restricted funds (including the Hospital Patient Transportation Fund) if not separately presented in the primary financial statements.
4. Supplementary financial information should include details of all fund raising activities segregated into charitable and fraternal categories listing each fund raising event.
5. All transactions with related parties which include payments to members of the divan, commissions to Shrine clubs and units, checks drawn to the temple from restricted funds for administrative expense reimbursements, etc. are required to be disclosed in the notes to the financial statements.
6. Audited (or reviewed in the case of temples with less than 3,000 members) financial statements must be filed with The Imperial Council by May 1.

An engagement letter is required to be signed with the temples' auditors prior to the beginning of the audit, which establishes the responsibility of the auditor and of the temples' divan as regards the audit of the financial statements of the temple. An example (see Form #21) is included that acknowledges, among other things, the requirement of the auditor to comply with these financial and reporting requirements. Any engagement letter entered into with an auditor must include the items identified in the example.

A representation letter should be furnished to the auditor at the completion of his examination. An example is included with this addendum (see Form #21). The actual representation letter furnished the auditor must, at a minimum, be signed by all members of the divan and include all items identified in the example.

Included with this addendum is a uniform chart of accounts for Shrine temples. This chart is designed to assist the temples in conforming to more modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the temple to maintain all of the detail expense accounts that are set out in the chart. The temple may also add accounts as necessary.

SAMPLE AUDIT ENGAGEMENT LETTER

(Date)

ABC Temple

(Address)

Dear ABC Temple:

We are confirming our understanding of the services to be provided in connection with our planned examination of the balance sheet of ABC Temple (the Organization) at December 31, 19 .., and the related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended.

The purpose and scope of our examination will be to express an opinion on the financial statements. Our examination will be made in accordance with generally accepted auditing standards. Accordingly, we will selectively test the accounting records of the Organization and related data, and will perform other auditing procedures by methods and to the extent we deem appropriate.

We understand that the financial statements are required to conform to the sample financial statements provided by The Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual board designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

As part of our examination, a letter of representation will be requested from the Divan confirming (a) certain representations made orally during our examination that are not reflected in the Organization's books of account and other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as the Divan's acknowledgement of its responsibilities for the fair presentation of the financial statements, information, concerning related party transactions, plans or intentions that may affect the carrying value or classification of assets and liabilities, and similar matters.

We will advise you promptly if we discover conditions which cause us to believe that material errors or defalcations or other irregularities may exist or if we encounter other circumstances that require us to extend our work significantly. However, an examination based on selective testing is subject to the inherent risk that material errors or irregularities, if they exist, will not be detected.

At the conclusion of our examination we will submit our report with respect to the financial statements. We will separately advise you of any material weaknesses in internal accounting control that come to our attention during our examination and make any recommendations we may have for strengthening those controls. We will also make recommendations for improving operational procedures to the extent that such matters come to our attention.

(Optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19 ... We will not prepare any other tax returns unless specifically requested to do so.

If the above arrangements are acceptable to you and if the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided and return it to us.

Very truly yours,

CERTIFIED PUBLIC ACCOUNTANTS

The services described in the foregoing letter are in accordance with our requirements and are acceptable to us.

SAMPLE REVIEW ENGAGEMENT LETTER

(Date)

ABC Temple

(Address)

Dear ABC Temple:

We are confirming our understanding of the terms and objectives of our arrangement to review the balance sheet of ABC Temple as of December 31, 19 ..., and related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended. We understand that all books and records will be prepared by temple employees or volunteers.

It is also understood that the nature of our work and related report on the financial statements intended here shall be in accordance with professional standards established by the American Institute of Certified Public Accountants. These financial statements, which will include the reference "See accompanying notes to the financial statements and accountants' review report" on each page, will be accompanied by our report which is expected to be in the following form:

We have reviewed the accompanying balance sheet of ABC Temple as of December 31, 19 ..., and the related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended, in accordance with standards established by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of ABC Temple.

A review consists principally of inquiries of Organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an examination in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

NOTE: Reviewed Financial Statements are only permitted for temples with less than 3,000 Nobles.

We understand that the financial statements are required to conform to the sample financial statements provided by The Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual board designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

Our report may need to be modified for circumstances such as a departure from generally accepted accounting principles. Also, material uncertainties of which we become aware would be set forth in a separate explanatory paragraph.

If for any reason, we are unable to complete our review of your financial statements, we will be unable to issue a report on such statements as a result of this engagement.

The financial statements are the representations and the responsibility of temple manage-

ment. However, if any questions should come to our attention regarding the accuracy or completeness of the statements, we will, of course, bring them to your attention promptly.

It is understood that our assignment is limited to an accounting service and, therefore, does not constitute an audit of your financial statements in accordance with generally accepted auditing standards. Further, the services involved in this engagement are not designed and cannot be relied upon to disclose errors, irregularities, or illegal acts, including fraud or defalcations, should any exist. We will inform you, however, of any matters that come to our attention which cause us to believe that such a condition exists. We request that you do not record this service as an "audit" engagement in your minutes nor describe our services as "auditing" in your books of account.

As part of our review, a letter of representation will be requested from management confirming (a) certain representations made orally during our review that are not recognized in the Organization's books of account or other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as management's acknowledgment of its responsibilities for the fair presentation of the financial statements, information concerning related party transactions, plans or intentions that may affect the carrying amount or classification of assets and liabilities, and similar matters.

(Optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19 ... We will not prepare any other tax returns unless specifically requested to do so.

We shall be pleased to discuss this letter with you at any time. If the above terms are acceptable to you, and the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided below and return it to us.

Very truly yours,

CERTIFIED PUBLIC ACCOUNTANTS

The services described in the foregoing letter are in accordance with our requirements and acceptable to us.

(Address)

Gentlemen:

In connection with your examination of the balance sheet of ABC Temple as of December 31, 19 .., and the related statements of revenue, expenses and changes in members' equity and changes in financial position for the years then ended; for the purpose of expressing an opinion as to whether the financial statements present fairly the financial position, results of operations, and changes in financial position, of ABC Temple in conformity with generally accepted accounting principles, you have requested that we confirm certain representations made to you during your examinations. Accordingly, we confirm to the best of our knowledge and belief, the following representations:

1. We are responsible for the fair presentation in the financial statements of financial position, results of operations, and changes in financial position in conformity with generally accepted accounting principles (or other comprehensive basis of accounting).
2. We have made available to you all financial records and related data. Minutes of the meetings of the Divan, copies of which have been supplied to you, are complete and authentic records of proceedings at all such meetings held between January 1, 19 .. and (date of letter).
3. We understand that you have selectively tested the accounting records of the Temple and obtained other supporting evidence by methods and to the extent you deemed appropriate for the purpose of expressing an opinion on the financial statements, but that such test examination will not necessarily reveal all errors or irregularities. (The term irregularities refers to intentional distortions of financial statements or misappropriations of assets.) There have been no irregularities involving:
 - Management or employees who have significant roles in the system of internal accounting control.
 - Other employees who could have a material effect on the financial statements.
4. We have no plans or intentions that may materially affect the carrying amount or classification of assets or liabilities in the financial statements.
5. Related party transactions and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangements, and guarantees have been properly recorded or disclosed in the financial statements. (Related parties include, as a minimum, members of Divan and Shrine Clubs and Units.)
6. The following have been properly recorded or disclosed in the financial statements:
 - (a) Arrangements with financial institutions involving compensating balances or other arrangements involving restrictions on cash balances, and line of credit or similar arrangements.

- (b) Agreements to repurchase assets previously sold or options to purchase property or equipment.
- 7. There are no violations or possible violations of laws or regulations whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
- 8. We are not aware of any pending or threatened litigation, claims or assessments, or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with Statement of Financial Accounting Standards No. 5 "Accounting for Contingencies," and we have not consulted a lawyer concerning litigation, claims or assessments.
- 9. There are no other material liabilities or gain or loss contingencies that are required to be accrued or disclosed by Statements of Financial Accounting Standards No. 5.
- 10. Federal tax returns through December 31, 19 .. have been examined by the Internal Revenue Service. Returns of years since that date are still open.
- 11. The Organization has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged.
- 12. There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements. All material leases have been properly recorded or disclosed in the financial statements.
- 13. We have complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 14. No events have occurred subsequent to the balance sheet date that would require adjustment to, or disclosure in, the financial statements.
- 15. We have complied with Imperial Council bylaws and General Orders, more specifically § 335.3 of the bylaws of The Imperial Council, A.A.O.N.M.S. regarding fund-raising activities. In regards to all fund-raising activities that benefited Shriners Hospitals:
 - (a) Permission was received from The Imperial Council and Shriners Hospitals to hold the fund-raising activity.
 - (b) 100% of the net proceeds from the fund-raising event were distributed to Shriners Hospitals, or with written permission up to 50% to the Hospital Transportation Fund with the balance to Shriners Hospitals.
 - (c) All related charity activity forms have been completed and submitted to The Imperial Council A.A.O.N.M.S.
 - (d) No allowable administrative expenses have been charged to the activity nor have any transfers to other funds occurred. (Other than to the Hospital Transportation Fund).
 - (e) No interest earned on charitable funds was transferred to the temple for non charitable purposes, and the payment is not deductible as charitable contributions for federal income tax purposes.

In regards to all fraternal fund-raising activities, a statement has appeared on all promotional literature that 100% of the proceeds from the activity will benefit the temple and donations are not deductible as a charitable contribution for income tax purposes.

16. We have properly forwarded to Shriners Hospitals for Crippled Children all bequests and donations for the benefit of the Hospitals. Any bequests and donations which have been received by the temple that could be possibly construed as being for charitable purposes have been communicated to General Counsel.

Very truly yours,

ABC Temple, A.A.O.N.M.S.

NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA
Colorado Corporation

116th Annual Session

July 2-6, 1990
Chicago Hilton and Towers Hotel
Chicago, Illinois

MORNING SESSION
TUESDAY, JULY 3, 1990
NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was convened in the International Ball Room, Chicago Hilton and Towers Hotel, Chicago, Illinois, on Tuesday, July 3, 1990, at nine o'clock a.m., Imperial Potentate George Powell presiding, pursuant to Notice of Annual Meeting.

IMPERIAL POTENTATE POWELL: I now proclaim this Session to be open for business to be transacted in the Iowa, Colorado and all appendant charitable corporations and the Session will remain open until adjourned.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE POWELL: I will recognize the Imperial Recorder for the purpose of receiving a motion to elect all Representatives as members of the Colorado Corporation.

IMPERIAL SIR JACK JONES: Imperial Sir, in order to transact the business of the Colorado Corporation, I move that all the Representatives to the Imperial Council and Iowa Corporations, including its ad vitam, at-large, Emeriti, elected and appointed Representatives, be elected to membership in the Colorado Corporation for the ensuing year.

... The motion was duly seconded and, there being no discussion, was voted upon and declared to be carried ...

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE POWELL: I will now recognize James Yocum for the presentation of a resolution regarding item 19 in the Call.

NOBLE YOCUM: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 19 on Call of the Annual Session of 1990, located on page 34 of the Call. It is a proposal to amend Article 5 of the Bylaws of the Colorado Corporation by adding a new Section 505.9, so that such section, as amended, will read as follows:

ARTICLE 5

Meetings

Section 505.9 Oath of Office and Installation

(a) Oath of Office. Prior to his installation, each Officer, Director and Trustee shall assume this obligation:

"I, (name in full), do solemnly promise and vow that I will abide by the Articles of Incorporation and Bylaws of Shriners Hospitals for Crippled Children and that I will faithfully and to the best of my ability discharge the duties of the office to which I have been elected."

(b) Installation. The Officers, Directors and Trustees shall be installed at the Annual Meeting of this corporation and, thereafter, assume the duties of their respective offices.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

William A. Buckaway, Chairman
Gerald D. Christensen
Robert E. Cooper
Theodore Corsones
James A. Yocum
Edward A. Rath
James M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Theodore Corsones, General Counsel and member of the Colorado Corporation, for an appropriate motion.

IMPERIAL POTENTATE POWELL: I will now recognize Ted Corsones.

NOBLE TED CORSONES: Imperial Sir, I would move we adopt the proposal.

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: Are there any questions?

NOBLE CORSONES: If I may, Imperial Sir, I would like to say to the Representatives that the reason for the proposal is that in the Iowa Corporation, we have the Oath of Office concerning our Officers and Directors. This takes place at the installation prior to our finishing up our Friday Session.

Now, in relation to the Colorado Corporation, we have a tremendous and heavy responsibility but in relation to the Colorado Officers, Directors and Trustees, there is no similar provision that they also take the Oath of Office and be installed with the Oath of Office.

I submit to you that the responsibilities of this corporation are equally, if not even more seriously involved. It was for this reason that I proposed this particular item.

IMPERIAL POTENTATE POWELL: Now, we do have the motion as seconded for the adoption of this legislation.

Are there any questions?

If not, all in favor of adoption of this legislation indicate by saying aye; opposed. It is unanimously carried and this legislation is adopted.

... Business was transacted in the Iowa Corporation at this time ...

... Whereupon, the Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at eleven-thirty-five o'clock a.m. ...

AFTERNOON SESSION
WEDNESDAY, JULY 4, 1990
THREE O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was reconvened in the International Ball Room, Chicago Hilton and Towers Hotel, Chicago, Illinois, at three o'clock p.m., Imperial Potentate George W. Powell presiding.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE POWELL: At this point, I would like to have the Chairman of our Board of Trustees, Imperial Sir Gene Bracewell, carry on.

IMPERIAL SIR BRACEWELL [Chairman, Board of Trustees]: You know, I was a little bit nervous when I got here this afternoon but as I looked out in the audience and I saw there a real friend of mine, I felt real confident.

I would like to have Jo Murphy stand. Please stand.

Let me say that she is the Executive Vice President of the Houston Endowment and they give us about \$1 million a year for our hospitals. We are glad to have you here. (Applause)

Imperial Sir George, Imperial Sirs, Distinguished Guests and My Fellow Delegates and Lovely Ladies: Thank you for allowing me the opportunity to be here this afternoon and to tell you a few things about our philanthropy, Shriners Hospitals for Crippled Children.

You know, it is always a good feeling to be able to give people good news and today I have lots of good news to give you about Shriners Hospitals for Crippled Children.

You cannot believe the progress that we have made and the achievements we have seen in the past decade.

You know, it reminds me of a story I heard about Andrew Carnegie—the great steel tycoon.

Andrew Carnegie once sent a new salesman out into the field and after only one week, the salesman wired him the following message: "Great news, all profit records broken." Carnegie wired him right back, "Fine, but what are you going to do next week?" (Laughter)

That story reminds me in some ways of the advances we are making in our hospital system.

Every year, I wonder how we can possibly accomplish more and go further than the previous year. However, we do.

We have made so much progress during the 1980s and somehow every year we just keep getting better and better and caring for more children.

We have seen phenomenal growth in our patient statistics in recent years. The number of active patients we had in 1983 was 83,700. Last year, we had an active patient list of more than 115,000 patients. That is almost a thirty-eight percent increase in the number of patients we are treating, and that is our business.

Our outpatient clinics have grown even faster.

We had 124,000 patients visit our outpatient clinics in 1983 and in 1989 we had 175,000. Nobles and ladies, that is a forty-one percent increase in just six years.

We have grown in many other ways as well. For example:

- a. In the types of treatments we provide.
- b. The sophisticated research we are conducting.
- c. The expansions of services.
- d. The equipment our hospitals have. We are using gait laboratorie, MRI machines and other advanced technology.

In our new construction and rebuilding program, the past ten years has really seen tremendous progress. During the 1980s, we have moved six units into brand new facilities:

- Our Twin Cities Hospital.
- Our Shreveport Hospital.
- Our Chicago Hospital.
- Our Lexington Hospital.

Our Greenville Hospital.

Our Portland Hospital.

We have also added another hospital to our orthopaedic chain, a whole new hospital, the Tampa Unit.

We also have five other units either undergoing construction for new facilities or scheduled for it in the near future. These hospitals are as follows:

The Springfield Unit, which should be ready to move into by the end of this year.

The Spokane Unit, which should be complete early next year.

The Cincinnati Burns Institute broke ground last year for construction of its new facility.

The Galveston Burns Institute, which broke ground earlier this year.

And, finally, the Philadelphia Unit is also scheduled for construction of new facilities.

The remaining hospitals are not being overlooked. They are either undergoing renovations or have completed renovation projects in the past few years.

However, perhaps our biggest step in construction right now is the plans for a new hospital in Northern California. I am sure that all of you who were in Toronto last year remember the major decision that the Representatives made at that point in time—and that was to build a totally new hospital in Northern California to replace our San Francisco Unit. It will provide orthopaedic care, spinal cord injury care and burn care.

This new hospital will be the very first in our hospital system that will provide care in all three disciplines and conduct research all in one place.

We are trying to make every one of our hospitals a modern, state-of-the-art facility.

Nobles and ladies, we are upgrading all of our hospitals and our long range plans call for continuous review of all of the hospitals, with additional renovations as necessary to keep all of them completely modern and up to date.

Now, part of the reason that all of this construction and renovation has been necessary is because of the expansion of services we have initiated during the past decade.

Some of the new programs that have been implemented in the 1980s include the opening of our three spinal cord injury centers at our Shriners Hospitals in Philadelphia, Chicago and San Francisco.

Another new program is our myelodysplasia program known as spina bifida, which allows us to provide all of the necessary medical care for children with myelodysplasia.

Noble and ladies, we are not just talking about taking care of orthopaedic problems, but other problems associated with spina bifida, such as neurosurgical and urological care, as well as special psychosocial, nutritional and recreational programs.

It is like one-stop shopping. Shriners are now doing it all.

Another new deal is the adoption of the CAPP project, which stands for Child Amputee Prosthetics Project, at our Los Angeles Hospital. What a success this has been. We are also now developing a regional prosthetic research center at our new Springfield Unit, again moving forward and breaking new ground.

How about our burn units? What are we doing? Well, let me tell you that our burn institutes have also been very busy developing special programs to meet the needs of their burn patients.

The reentry program at our Shriners Burns Institutes is just one part of our recently developed focus on the quality of life for burned children after they leave the hospital. We can now save the lives of children with burns over ninety percent or more of their body, and the reentry program helps these children return home to their schools and get back to a more normal life.

We also instituted the first burns air ambulance in the United States to fly burned children to our Cincinnati Unit in an emergency.

These programs are only the tip of the iceberg, just below the surface is much more.

We have all heard the expression, "The research of today is the patient care of tomorrow." We Shriners certainly believe in this philosophy.

Nowhere is this exemplified better than in Shriners Hospitals research programs. These programs are exciting, they are innovating, but perhaps the best of all, these programs are working.

There is one research project in particular that we are very excited about. It is called

"FNS," which stands for "Functional Neuromuscular Stimulation." This is a project that we hope will someday help paralyzed teenagers to stand and walk.

FNS is still considered research and not treatment at this point, but it is being used with actual patients and we are seeing unbelievable progress. One of the patients in this program at our Philadelphia hospital has actually walked over 700 feet.

Back in March, at the Seminar School of Instruction held in Tucson, some of you may remember that I was boasting that this boy at our Philadelphia spinal unit had walked 140 feet, which was quite an accomplishment. Today, however, I am standing here and telling you that he has now walked 740 feet. I think you can see the real progress that is being made. He used a walker to do it but he did it on his own, without any help from the staff.

This boy, Michael, has made unbelievable progress. He is regularly walking 200 to 300 feet every day now and he has even walked outside on the sidewalk in the snow.

You know, what really gives me a warm feeling about this project? When I heard about Michael walking outside in the snow, they told me that his biggest thrill was seeing his footprints in the snow.

This is a boy who is paralyzed from the waist down, Nobles and ladies, and he had not made prints in the snow since his accident three years ago. Can you imagine what that must have felt like to him?

Now, we know that we are doing some good here and, as time passes, we hope you will see more "footprints in the snow."

There is another little story that I would like to tell you that I think really exemplifies how we view our mission. This happened a long time ago in New York City.

For many years, at historic Cooper Union in New York, there was a series of three lectures and each lecture was always followed by questions from the audience.

At every lecture, no matter what the subject was, this one little man showed up and he would always sit listening closely to the speaker. Then, when the question and answer period came, this little man always asked a question, just one question, and it was always the same question. He would stand up and say, "What you have just spoken about tonight, is it good or bad for the working man?" There was no doubt in his mind what his goals were, just as there is no doubt in our minds, Nobles, what our goals are for Shriners Hospitals.

For every program that is suggested, for every research project that is proposed, we ask this question—"Is this good for the crippled and burned child?" That is what it all about. Am I right?

Back in 1975, the annual budget of Shriners Hospitals was around \$34 million. Today we are spending \$280 million. That is a 700 percent increase.

Our research budget in 1975 was around \$1 million and today it is \$18.5 million. I do not think you need a calculator to know that that is an increase of more than 1,800 percent.

But I think you know that what we are doing with Shriners Hospitals is really priceless, especially when you think of the thousands of children today who are able to live more normal lives; the thousands of children who would have been crippled for life; the thousands of children whose lives we have saved at the burns institutes and the thousands of lives we have touched. When you think of that, it is worth every penny that we have spent, and more.

The world's greatest philanthropy, that is what we are; but do you know what? It really is an understatement when it comes to Shriners Hospitals for Crippled and Burned Children. I do not think you or I can ever truly understand the full extent of the good we have done over the past sixty-eight years or the good we are now doing and, most of all, the good we will do for years and years and even decades to come.

However, to ensure this, we must all have and maintain a positive attitude about our hospital system.

Speaking about attitude, I once heard a story about a little boy who had a very positive attitude—and his story is a testament to the power of positive thinking.

This boy was overheard talking to himself as he strutted through the back yard holding a baseball and bat—"I am the greatest baseball player that ever lived." Then he tossed the ball up in the air, swung at it and missed.

Undaunted, he picked up the ball, threw it in the air again and said, "I am the greatest baseball player in the world." Again, he swung at the ball and again missed.

He paused a moment to carefully examine his bat and ball and then once again, he threw the ball into the air. "I am the greatest baseball player in the whole wide world," he said. He swung the bat hard and missed the ball again. "Wow," he explained, "what a pitcher." (Laughter)

Now, that is positive thinking. You see, our job is to spread our positive attitude to everyone, to our co-workers, to our friends and to our neighbors—in fact, to everyone.

To do this, we have to tell our story over and over again.

There is a group in the Shrine that specializes in telling the Shriners Hospitals Story and that is our Public Relations Department. Again this year, under Chairman Everett Evans, our public relations has done a great job in getting out our message. In fact, Public Relations has done more under Everett's leadership in the past seven years than they did in the preceding 110 years.

Not only has this department increased the number of patients helped in our hospitals, but because of some of their public relations programs, they have also increased donations to our Endowments, Wills and Gifts Committee.

Everett and his people are using many new, exciting and unique programs to tell our story. We should all take our hats off to the Public Relations Department and, certainly, to the man I am about to introduce to you, the Chairman, Imperial Sir Everett Evans.

Imperial Sir Ev is here today to tell you about some of the exciting and unique programs the Public Relations Department has coming up. So, without any further delay, it is my pleasure to introduce to you, my friend, your friend, a Shriner's Shriner, Imperial Sir Everett Evans.

Thank you very much. (Applause)

... Whereupon, the Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at five-ten o'clock p.m. . . .

MORNING SESSION THURSDAY, JULY 5, 1990 ELEVEN-FIFTEEN O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was reconvened in the International Ball Room, Chicago Hilton and Towers Hotel, Chicago, Illinois, at eleven-fifteen o'clock a.m., Imperial Potentate George W. Powell presiding.

IMPERIAL POTENTATE POWELL: Nobles I would like to declare this meeting reconvened at this time.

I will recognize the Imperial Recorder for the purpose of nominating designated Imperial Officers as members of the Board of Trustees of Shriners Hospitals for Crippled Children.

IMPERIAL SIR JONES: Thank you, Imperial Sir.

I nominate the following persons by virtue of their offices as Imperial Officers, to be members of the Board of Trustees, Shriners Hospitals for Crippled Children, for a term of one year.

Imperial Potentate-Elect, Joseph P. Padgett

Deputy Imperial Potentate-Elect, John W. Dean, III

Imperial Chief Rabban-Elect, Everett M. Evans

Imperial Treasurer, Webber C. Harrington

Junior Past Imperial Potentate, George W. Powell

... The motion was duly seconded . . .

IMPERIAL POTENTATE POWELL: You have heard the motion and the second, which is to elect the Officers as indicated by virtue of their offices to be members of the Board of Trustees, Shriners Hospitals for Crippled Children, for a term of one year.

All in favor indicate by saying aye; opposed no. It is carried.

Now, at this time, will all of the remaining candidates for the Board of Trustees of Shriners Hospitals for Crippled Children and their nominators come to the stage.

Now, our candidates are as follows:

Gary W. Dunwoody
James W. Hendrix
Walker S. Kisselburgh
Edward G. McMullan
Joseph I. Morris
Randolph R. Thomas
Leonard Smith

I have drawn numbers from the hat among the nominators to see who will nominate first. Let me announce that all nominating speeches will be limited to five minutes each.

The nominators have been drawn as follows:

Noble Doug Jolley for Gary Dunwoody
Noble Bob Turley for Jim Hendrix
Noble Doug Mayes for Walker Kisselburgh
Noble Harry Alger for Edward McMullan
Noble Webber Harrington for Joseph Morris
Noble Everett Evans for Randy Thomas
Noble Walter Pettit for Leonard Smith

. . . At this point, Imperial Potentate Powell announced the numbers as drawn for the nomination speeches by the various nominators . . .

IMPERIAL POTENTATE POWELL: I believe everything now is in proper order and so we will proceed.

I will recognize the first nominator, Noble Doug Jolley, who will nominate Gary W. Dunwoody.

NOBLE DOUG JOLLEY: Imperial Sir, Imperial Sirs, Representatives and Nobles All: It is an honor for me to come before this body today and to nominate Gary W. Dunwoody for a position on the Board of Trustees of Shriners Hospitals for Crippled Children.

I have known Gary for several years and have had the pleasure of serving with him as an Officer of the Central States Shrine Association. I can tell you that when Gary Dunwoody commits, he goes all the way. I know of no one who has worked any harder than Gary when he decided to make himself available for this important office and because of his efforts, hopefully, most of you have had the opportunity to meet him as he has traveled all over this country just so he could visit with as many of you Nobles as possible.

Gary is from Benton, Arkansas, and is a Past Potentate of Scimitar Temple.

He has a long list of Shrine, Masonic and business accomplishments. I could read you his resume; however, all of you have received his information and knowing Gary, he would not want me to stand here wasting your time, reading you something that you have already seen and reviewed. I do, however, want to highlight just a few of Gary's qualifications.

As all of you are aware, we have several Nobles who have announced their candidacy for this position and only three can be elected. All candidates are qualified and could do the job. So, what sets Gary apart from the rest?

First of all, we should not vote for Gary just because he has a wonderful personality, enjoys working with people, is a very successful businessman, or because he is just another pretty face.

Gary is fifty years old and he has the energy and drive it truly takes to fulfill this position.

We have a good mixture of both professional and business minded Nobles to serve on this Board and Gary is a very successful businessman who is accustomed to raising and handling large sums of money from charitable institutions.

Another qualification which makes Gary unique is that he not only listens to us, he is not shy about speaking up and sharing his thoughts and concerns with us. Therefore, we know exactly where he is coming from. If you stop and think about it, that is a pretty good quality.

Fellow Representatives, if you want someone that is dedicated, hard working, responsible and successful, vote for Gary. He is exciting, is energetic and has enthusiasm. We need Gary to work for and with us. Let us show him we appreciate his efforts and talents in helping us and our hospitals for crippled and burned children.

In closing, let me say he is the right man for the right job at the right time. Let us dive in for Dunwoody. As Bartles and James would say, "We think you for your support."

Thank you very much. (Applause)

IMPERIAL POTENTATE POWELL: The second nominator will be Robert Turley in behalf of James W. Hendrix.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs, Members of the Colorado Corporation: We all like nice guys and my candidate is a nice guy but that is not enough.

The man you elect today will serve three years on the Board of Trustees of a major corporation.

The stockholders' equity are consolidated fund balances, which is another way of saying net worth is a measure of a corporation.

Shriners Hospitals for Crippled Children is twice as large as the Whirlpool Corporation, one and three-quarters times as big as United Airlines, three times as big as the Walgreen Company, bigger than Delta Airlines, CBS or ABC, more than twice the size of Humana, which has eighty-three hospitals, more than twice the size of the National Medical Enterprises, which have 137 facilities.

Now, I have known Jim Hendrix for more than twenty years and I assure you that he is a capable individual and capable of serving on the Board of any of these corporations and well suited for the Board of Trustees of Shriners Hospitals.

He is a member of Hella Temple in Dallas, a Knight Templar and a Thirty-Third Degree Scottish Rite Mason, belongs to another Masonic or Shrine affiliated organizations, such as the Jesters.

Jim Hendrix is a Certified Public Accountant. He was the managing partner of KPMG Main-Hurdman when that accounting firm merged with Peat Marwick and he became Vice Chairman of KPMG Peat Marwick, which is the largest accounting firm in the world.

With his clients and as the Director of an accounting firm, he participated in the policy making of the highest order. Then he retired in 1988, as they say, to look after his own interests, his own investments and he is now President of Hendrix Commercial Enterprises.

Jim Hendrix has served as Imperial Auditor since 1968, that is to say to you, he was appointed by every Imperial Potentate and confirmed by every Board of Directors of both the Fraternal and Hospital Corporations for twenty-two successive years. He bespeaks the confidence that our leaders have had in Jim and, of course, he will give up that post if elected as a Trustee.

When the Hospitals Information Systems and the staff began to study a computerized system of medical records for all of our hospitals, a vast system, both for patient care and for research, they called on Jim Hendrix to coordinate the effort. Jim Hendrix is one of the dozen or so Shriners that knows the financial affairs of Shriners Hospitals from top to bottom and from end to end.

Dr. Warren Bayliss, who has written several books about leadership, he likens executive character to a tripod and, to paraphrase him, he must have willingness to lead, with the understanding of business principle, and competence or expertise and integrity and my candidate, James W. Hendrix, is a leader, he has that executive character, he is qualified by a unique combination of professional competence, personal character, long and extensive experience in the affairs of our corporation. He will serve us well on the Board of Trustees.

Imperial Sir, I now nominate Noble James W. Hendrix for a three-year term on the Board of Trustees and I respectfully urge the members of this corporation to cast a vote for him. (Applause)

IMPERIAL POTENTATE POWELL: I will next recognize Doug Mayes on behalf of Walker Kisselburgh.

NOBLE DOUG MAYES: Imperial Sir, Imperial Sirs, Illustrious Sirs, Distinguished Guests and My Fellow Representatives: When Imperial Sir Walker Kisselburgh asked me to nominate him for reelection to the Board of Trustees, my first reaction was, well, could Walker win, just how popular is Walker Kisselburgh, how well has he done his job over the past three years as a Trustee of this corporation?

So the first thing I thought I should do is to do the thing that we always do in television news when we begin reporting on a candidate—we conduct a poll to find out how strong that candidate is, how popular he may or may not be and what the voters think of him.

So, when I got here to Chicago, I began talkin to some of the Representatives.

I asked one Noble if he knew Walker Kisselburgh and his first reaction was, "Kisselburgh who? He sounds like a pervert to me." (Laughter)

Another Representative said to me, "Kisselburgh, you have to be kidding." (Laughter)

And yet another Noble said, "Yes, I know Walker Kisselburgh, have known him for a long time and you can summarize up his career in one word—lucky." (Laughter)

Somebody said over another conversation, "I will tell you one thing, I think Walker has a lousy personality."

Then another Noble spoke up and said, "Walker Kisselburgh has no personality." (Laughter)

Well, by this time, a crowd had gathered and one fellow said, "Are you talking about Walker Kisselburgh?" I replied, "Yes, I am trying to find out what people think of him." The fellow then said, "Well, you know, if I ever need a heart transplant, I want Walker's because it has never been used." (Laughter)

Somebody else said to me, "I know Walker Kisselburgh. Did you know that Walker Kisselburgh was born in a one-room shack?" I said, "No, I did not know that." He said, "Well, he was. He grew up with twelve brothers and sisters. He never knew what it was like to sleep alone until he got married." (Laughter)

Now, my random survey continued and I said to another Noble, "What do you think of Kisselburgh?" He said, "Well, I will tell you one thing, I think that in my home Kisselburgh is a household word, garbage is also a household word." (Laughter)

IMPERIAL POTENTATE POWELL: May I interrupt, Doug, and say to you, you must have this twisted. Your candidate wants to know whether or not you are going to say anything nice about him and ask the Representatives to vote for him?

NOBLE MAYES: That is the commercial part of the program. (Laughter)

Now, yesterday, after the parade, I continued my poll.

One Noble, in reply to inquiry, said, "You know, I know Walker Kisselburgh, he made a great Imperial Potentate, was one of the most popular Imperial Potentates we ever have had. Now, you want to know what I think about him? Well, I want to tell you this, I would not say that he is slow—but it takes him an hour and a half to just to watch Sixty Minutes." (Laughter)

Now, Nobles, we have been having a few laughs at the expense of Walker Kisselburgh, candidate for reelection to the Board of Trustees. And we have done it because we know what a great kiddier Walker is and how he loves to trade insults and he does that and we do it because we love the guy.

One of the basic laws of psychology is "You tease the people you love the best." So we love and respect Walker Kisselburgh not only for that reason, but because of what he has done and is doing for the Shrine of North America and for our hospitals.

A Past Potentate of Al Malaikah Temple, he was elected Imperial Captain of the Guard in 1976 and Imperial Potentate 1985.

He has served with dignity and distinction. His leadership has been demonstrated clearly as Chairman of the Endowments, Wills and Gifts Committee. After serving as Imperial Potentate and then the customary one-year term as a Trustee, he was elected to the Board of Trustees in 1987 for a three-year term and is now a candidate for reelection.

Walker "You Have to be Kidding" Kisselburgh is a dedicated, loyal and hard working Trustee. At our Board meetings, his ideas and suggestions have been well thought out before he introduces them.

Having sat with him on the Board since you elected me two years ago, I have watched him and I can tell you his integrity is above reproach.

I am happy to nominate and endorse, and I urge you to join me in voting for reelecting Imperial Sir Walker S. Kisselburgh to the Board of Trustees.

Thank you. (Applause)

IMPERIAL POTENTATE POWELL: Our next nominator is Harry Alger. Presently, he happens to be the Canadian Imperial Chaplain.

NOBLE HARRY ALGER: Imperial Sir, Imperial Sirs, Illustrious Sirs, My Fellow Representatives and Nobles All: The Board of Trustees in any organization or philanthropy is a far busier group of people and far more dedicated group of people and a far more responsible group of people than most of us here would ever realize.

I have had the honor to be involved with our Joint Boards and I want you to know that, without a doubt or without reservations of any kind, the Trustees of Shriners Hospitals, both past and present, have stood up to the task in an admirable way and we, the Nobles of the Mystic Shrine of North America, have been the beneficiaries of their dedication.

To have the privilege of standing before such an august body of men in order to make a nomination for our Board of Trustees, the nominator must know in his heart, he must feel with his vibrancy and knowledge that the Noble he will nominate will give everything he has to do the job and do it well.

We have in our midst just such a man. It has been my privilege through the years to nominate Junior Past Potentate Edward G. McMullan, C.D., through every step of the Imperial ladder, from Imperial Outer Guard to Imperial Potentate and what a dedicated and marvelous job he has done for all of us every step of the way.

Shrinedom cannot exist without funds. You know that, I know that, we all know that.

Millions of dollars have been raised to support our great cause. Under the guidance of Imperial Sir Ed, the "do's and do't's" of fund raising guidelines that have assisted us so much in our energetic efforts were initiated and produced in manual form in a sincere effort to improve the Shrine image throughout all of North America.

Imperial Sir McMullan was the founder, the daddy of "SCANA," the Shrine Circus Association of North America. What a successful association they have become through the years and much joy has been added to millions of lives as the Shrine circuses annually perform in almost every city in the country.

Ed McMullan produced the first Temple Protocol booklet, an energetic effort, the rules of which make our philanthropy famous for our ability to do things right.

You know, you cannot win them all, and when bad habits of protocol had to be challenged, our Edward met these challenges head-on and did his utmost to straighten out the problems with an absolute minimum of dissension in the ranks, a very important feature of a man's life as he leads his organization to yet another successful year.

During the One Hundred Fifteenth Annual Session in Toronto, perhaps in my mind at least, the most remarkable attainment that took place was his rededication of the International Peace Monument to commemorate his dedication to international peace. What an impressive ceremony that was and how quickly it proved that there are no boundaries in Shrinedom.

Yes, my Fellow Representatives, I present a name that is synonymous of true Shrine attitude, a man who has done a yeoman's job for us over the years and a man who is young enough and certainly capable enough to serve us for many years to come.

By virtue of his office, having already served the last four years on the Board of Trustees and having contributed his expertise as Chairman or member of the Special Liaison Committee of our twenty-two hospitals, it is important that we continue to utilize this experience.

Imperial Sir, I place in nomination for the Board of Trustees, Immediate Past Imperial Potentate Edward G. McMullan, C.D.

Thank you. (Applause)

IMPERIAL POTENTATE POWELL: I now recognize Imperial Sir Webber Harrington who will be the nominator for Joseph T. Morris.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Representatives: It is with mixed feelings that I stand before you this morning. The bad news is that I have more close friends who are candidates for Trustee than there are positions open. The good news is that I have a candidate with superb credentials for this important office.

Joe Morris has been serving the Shrine and Imperial Council for a long, long time. He was Potentate of Bagdad Temple in 1976. He has been a Representative to the Iowa and Colorado Corporations for seventeen years and by virtue of that service as an Emeritus Representative.

He has served on the Imperial Marshal's staff for eight years and has been a member of the Imperial Jurisdictional Lines Committee for five years.

He is a Thirty-Second KCCH Scottish Rite Mason, a Past Director of his Jester Court and was invested with the DeMolay Legion of Honor in 1981. All of this indicates that Joe

Morris has been a dedicated Mason and Shriner for many years, despite the fact that he is a relatively young fifty-nine years old.

He is likewise a devoted family man. He and his wife, Sallie, have three sons, all of whom are members of the Fraternity, two of whom are Past Masters of their Lodge and one is a present member of the Divan of Bagdad Temple.

As impressive as his fraternal background is, far more important to us is his record as a business executive and Shrine Hospital Board member and Chairman.

Joe Morris will not require a break-in period. He is ready to hit the ground running and, believe me, we have plenty of work to be done. The position of Trustee is not just an honorary position—it is one that requires a lot of hard work and a lot of business expertise.

Consider for a moment the facets of our Shrine Hospital System, in which Trustees are deeply involved. They encompass investment, including oil and gas, agricultural properties and other real estate; planning; finance and audit; insurance; buildings and equipment; salaries, personnel and retirement; budgets; financial projections; hospital information systems and all facets of hospital operations.

Now, let us look at how ideally Joe Morris' education, business and Shrine Hospital experience equip him to serve as a valuable Trustee.

He graduated from the University of Montana with a degree in Business Administration. He was a partner in a family grocery business and then in the general contracting business before becoming an executive in the Montana Power Company, a large electric and natural gas utility. He was Assistant Treasurer and is presently the manager of one of the divisions of that company, having a value of \$435 million.

He served two years as Executive Assistant to the President, during which time he was deeply involved in the long range planning for Montana Power. He managed a computer group of over 100 people for five years. Just think how valuable that experience would be to Shriners Hospitals, who are presently considering a proposed \$30 million hospital information computer system. Joe has had a vast amount of hands-on experience in budgeting, finance, insurance, personnel and construction.

Joe has been a member of the Board of Governors of the Spokane Unit of Shriners Hospitals for Crippled Children for seven years and, as Chairman, has been working closely with Burt Ravellette, Chairman of our Building and Equipment Committee, during the construction of the magnificent new hospital which we will be dedicating within the next year.

Joe Morris has all of the qualifications we look for in a Trustee. Join me in casting one of your three votes for Trustee for a great Shriner, Joe Morris.

Thank you. (Applause)

IMPERIAL POTENTATE POWELL: I will recognize Imperial Sir Everett Evans to present in nomination Imperial Sir Randolph R. Thomas.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Representatives: Let me first say that the Nobles whom you elect today will serve as our Representatives on the Board of Trustees of Shriners Hospitals for Crippled Children. At this point, therefore, it gives me great pleasure to place in nomination the name of Imperial Sir Randolph R. Thomas of Morocco Temple.

However, let me ask you, as you cast your ballot today, to think about just what it is that has made it possible for the Shrine to be one of the leading pediatric hospital systems in North America, one of the finest and most unique children's hospital systems in all the world. I am sure all of you will agree that the answer involves a number of things but perhaps the single most important thing is leadership, the kind Imperial Sir Randy Thomas has brought to the Shrine over a period of forty years.

You know, it has been said that great men have four things in common—they speak softly, they have a capacity for hard work, they have a deep conviction for their fellows and a belief in their ability to get the job done and those of you that know Randy, likewise know that that description fits him to a tee.

Now, as we look forward and into the 1990s, the changes concerning our hospital system have never been more clearly stated to need the experience of leadership. We need, for example, leaders who have vision and foresight to carry us through the challenges that we

are sure to face in the coming years and, in back of us, the thorough knowledge of the lessons we have learned in the past.

Randy Thomas symbolizes a civic-minded dedication that has made the Shrine one of the most highly regarded philanthropic organizations in the world.

He served in the Office of Imperial Potentate in 1981-1982. Members of the Congress recognized his civic and Shrine achievements at a special Congressional hearing held in Washington and his experience, service and dedication are a key to electing the right individual for the job.

I do not think that you can find a more qualified individual than Randolph R. Thomas.

As I said, he served as our Imperial Potentate in 1982 and established the position of Chairman of the Masonic Relations and Membership Development Committee.

He served as a member of the Board of Trustees. He has likewise chaired the Salary and Personnel Committee, the Long Range Planning Committee and the Spinal Cord Injury Program Committee.

He has served as Shriners Hospital Liaison to Boston, Lexington, Springfield and the Cincinnati Units.

I could go on and list other accomplishments in his experience but I know we are pressed for time here. However, I assure you that Randy is well qualified for the position. He is dedicated and has a wealth of business experience and, most importantly, Shrine experience, the kind of hands-on experience we cannot afford not to have on our Board of Trustees.

You know, this is the first time since I was elected to the Imperial Divan in 1982, that I have ever stood before you and asked you for your support for someone for the position of Trustee but I ask it on the basis of Randy's experience and the work that Randy does in helping to take care of both burned and crippled kids in our hospitals, again, a responsibility that none of us should take lightly.

Also, I hope that those of you who know me, likewise know how I feel about our hospitals and, further, if I did not know that Randy Thomas was the right individual for this position, I certainly would not be standing up here in front of you today placing his name in nomination. However, I know that Randy Thomas is the best man for the job and I ask your help in keeping our hospitals moving forward and in the right direction in helping to elect Randy Thomas.

Therefore, Imperial Sir, it is a tremendous pleasure for me to present the name of Randolph R. "Randy" Thomas in nomination for consideration as a member of the Board of Trustees for Shriners Hospitals for Crippled Children.

Thank you very much. (Applause)

IMPERIAL POTENTATE POWELL: Thank you very much.

I next recognize Illustrious Sir Walter Pettit for the presentation of a nomination in behalf of Leonard Smith.

ILLUSTRIOUS SIR WALTER PETTIT: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives All: You know the old song, "Give Me Just Five Minutes More," well, this is the one you have been looking for, this is the last one.

When I last stood before you at the center podium in Toronto and you honored me by electing me as Chairman Emeritus of the Committee on Jurisprudence and Laws, I was certainly thinking about running for this position myself. Now, many of you have been most kind and encouraging and in support for that and I am most appreciative.

However, the more I considered the pros and cons of such a campaign, the more I became convinced that, and I mean no disrespect to those other members running, but I became convinced that now is the time that we must fill our leadership positions for the future and not in relation to the past.

Therefore, it is with a great deal of pleasure that I propose this candidate to you, an experienced Shriner in the Shrine of North America for the position on the Board of Trustees for a three-year term.

Leonard Smith is that sort of a Noble. He is a Past Potentate of Kerbela Temple and is qualified, both as a Shriner and professionally to serve in this most important position.

As a Shriner, Leonard Smith has a most distinguished background.

In 1989, he served Kerbela Temple as Potentate and, at the end of the year, under his leadership, capital expenditures were less than the approved budget.

Further, the Temple had a gain of almost forty-five members.

In relation to Kerbela's paper sale, the principal fund raising activity of the Temple, he collected over \$335,000. He led that campaign by standing on street corners with the Nobility selling papers in Knoxville, Tennessee.

The work of Shriners Hospitals for Crippled Children is not unfamiliar to Leonard Smith. He has had hands-on experience there also.

He has served our philanthropy as a member of the Board of Governors of the Greenville Unit and on that Board, he has been a member of the Budget Committee and the Legal Committee.

In 1989, Illustrious Sir Smith sponsored a hospital mini clinic which brought forth over 100 children and in relation to which over fifty were accepted for evaluation.

He has likewise served his Temple as Parliamentarian and Legal Counsel.

He now is, Chairman of the Jurisprudence and Laws Committee for the South Atlantic Shrine Association.

Not only is Leonard Smith an outstanding Shriner, but, likewise, he has also been outstanding in his chosen profession, which is even more important to the Shrine.

Professionally, Illustrious Sir Leonard Smith is Senior Attorney with the Tennessee Valley Authority, where he has served the people of the seven-state Tennessee Valley for over twenty years. In his position as Senior Attorney, he deals, on an affiliated basis, with multi-million dollar issues affecting the nation's largest power system, with a \$6 billion budget.

He has also been involved with environmental issues and land development and acquisition.

He has been involved with multi-million dollar engineering services, with contracts and special projects, which are all within a day's work for Leonard Smith.

Last year, Illustrious Sir Smith negotiated and drafted over \$1 billion in engineering service contracts. He is no stranger to these multi-million dollar plans and knows how to deal with those issues very clearly.

In summary, Leonard Smith is fully qualified to be a member of the Board of Trustees of Shriners Hospitals for Crippled Children. He is qualified because of his professional experience and his Shrine background.

He is fifty-two years of age and I submit to you he is a part of the future. At the same time, Shriners Hospitals is a multi-million dollar operation and we need Nobles with experience at that level. Leonard Smith obviously has that experience, will serve you well as a Trustee and he truly represents the future of the Shrine.

I recommend him to you without reservation. Leonard Smith has a true sense of service to us. He is a Noble of honor and integrity and is truly dedicated to the Shrine and all that it stands for.

Also, he wants to serve you as a Trustee of Shriners Hospitals for Crippled Children.

Now, from my old days on the Jurisprudence and Laws Committee, let me remind you that on your ballot for this particular election, you have to insert three names or the ballot is spoiled. Please insert one of your choices for Leonard Smith because, as I said, he is a man of most unusual ability and integrity.

Imperial Sir, it is my pleasure to place in nomination Illustrious Sir Leonard Smith of Kerbela Temple, for the Office of Trustee. (Applause)

IMPERIAL POTENTATE POWELL: Are there any other nominations? Are there any other nominations? Are there any other nominations?

Hearing none, I declare the nominations closed.

I will now call on Jim Hathaway who will advise you as to the use of the proper ballot and the procedure.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Fellow Representatives: You will use ballot 17. Also, please remember that you must vote for three individuals or your ballot is void.

Thank you very much.

IMPERIAL POTENTATE POWELL: May I suggest, if there is any question in anyone's mind,

you will find all of these candidates listed on page 26, which will be under the Section, "Shriners Hospitals for Crippled Children." I trust that will assist you.

... Balloting and collection of ballots then ensued ...

IMPERIAL POTENTATE POWELL: Has everyone balloted? Unless we hear to the contrary from you, I believe that all have voted and all ballots have been collected.

Seeing no hands or hearing nothing, I will, at this point, declare the ballot closed. (Gavel)

... Business was transacted in the Iowa Corporation at this time ...

I want to tell everybody here how thrilled, happy and humble I am because I want you all to know I thought that nominating speech, which I had nothing to do with, was the most spectacular thing I have ever participated in. (Laughter) The only thing that bothers me this morning was that I had a full dish of All-Bran this morning and you know what that will do to you. (Laughter)

However, Imperial Sir and Nobles, I do accept. (Applause)

I also promise everyone here that I will do my level best to see that we improve the capability of the Endowments, Wills and Gifts Committee to raise the money you fellows are spending.

You will vote for one.

Thank you very much. (Applause)

IMPERIAL POTENTATE POWELL: Thank you, Edward.

NOBLE HATHAWAY: It will be ballot No. 18.

IMPERIAL POTENTATE POWELL: Well, it looks to me like it is green and please remember to tear off the stub.

We are now going to vote for the third position on the Board of Trustees. The candidates are Morris, Dunwoody, Smith and Thomas.

Please remember that you are now only going to vote for one.

... Balloting and collection of ballots ensued ...

Hearing no negative comments, I now declare the ballot closed? (Gavel)

The Tellers will now proceed to count the ballots.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE POWELL: I would like to, at this time, introduce to you Imperial Sir Gene Bracewell.

IMPERIAL SIR BRACEWELL [Chairman, Board of Trustees]: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Illustrious Sirs and My Fellow Nobles: I would like to make a presentation and I would say first that it does not require a vote because the Bylaws state that a Trustee who has served for three three-year consecutive terms, he may request to become Emeritus but then I would like to make this presentation and request your unanimous support in relation to it.

At this point, I would like to have Imperial Sir Bob Turley join me up here at the microphone.

Bob, I am delighted and pleased to have this opportunity to present to you this plaque designating you as a Trustee Emeritus, and I would like to take a moment to read it.

It says: "Imperial Council A.A.O.N.M.S. and Shriners Hospitals for Crippled Children, in recognition of his resourceful dedication and unselfish service as a Trustee of Shriners Hospitals from 1981 to 1990, having donated his time and his talents to the betterment of the Shrine Philanthropy, I do here appoint Robert J. Turley to the position of Trustee Emeritus.

"On behalf of Shriners all across America and crippled and burned children, we express to you our supreme gratitude and appreciation for your tireless efforts."

That is signed by George Powell as Imperial Potentate and myself as Chairman of the Board of Trustees and it is presented to you on this 5th day of July, 1990 at the Imperial Council Session in Illinois.

Bob, we love you, we are proud of you and you are most deserving.

... Cheers and applause ensued as Imperial Sir Turley was tendered this token of appreciation ...

IMPERIAL SIR TURLEY: All I can say is that I really do thank you all for the opportunity of serving these hospitals over the years. Thank you all so very, very much. (Applause)

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE POWELL: Now comes the grand moment.

All of those who have with them your checks for presentation to Imperial Sir Gene Bracewell, please come on up and form a line here on the right.

IMPERIAL SIR BUKEY: Imperial Sir, I was unable to attend the banquet last night and I understand you had a great time, had a regular crowd for the Imperial Banquet and I want to compliment you on that and likewise for having the foresight to have such a dynamic speaker in Dr. Norman Vincent Peale.

Now, in my absence, I attended the Annual Convention of the Association of Oriental Shrine Bands. Customarily, over the last several years, Imperial Sir Joe Padgett has done this chore and I did it in his stead last night.

While there, the Association presented me with a check for Shriners Hospitals for Crippled Children in the amount of thirty-three thousand dollars and some change. I would like to present that to you.

... Presentation of check and applause ensued ...

IMPERIAL POTENTATE POWELL: That is the first one—\$33,000 for our Shriners Hospitals for Crippled Children. Let us give them a hand. (Applause)

NOBLE GERALD CHRISTENSEN [Past-Potentate, Al Bedoo Temple]: It is my pleasure to present to you a check in the amount of \$87,339.69 from an estate that we happen to be handing out there in Montana.

... Check presentation and applause then ensued ...

IMPERIAL SIR BRACEWELL: That is fantastic. Thank you very, very much.

IMPERIAL POTENTATE POWELL: Now, I would like to say that this amount of money, as they indicated, is from an estate that they happen to be handling. They did not take anything out of that amount of money.

Now, if I may, I would like to interrupt for just a moment here.

I am sure you recall the demonstration I gave concerning the screw driver yesterday. Do you remember that? Well, when it was over, I put it right here off to the side. No other person spoke from this podium and when I left last night the screw driver was gone. (Laughter)

IMPERIAL SIR BRACEWELL: Who was the person? (Laughter)

ILLUSTRIOUS SIR D. R. MACDONALD [Potentate, Philie Temple]: Imperial Sir, on behalf of our Nobility of 1,355, I am pleased and privileged to present this check for Shriners Hospitals for Crippled Children for the Montreal Unit, for a total of \$25,000.

... Presentation of check and applause ensued ...

ILLUSTRIOUS SIR CLIFFORD JONES [Potentate, Irem Temple]: Imperial Sir, on behalf of the Irem Temple Golf Association, we would like to hand you this check in the amount of \$30,000.

... Presentation of check and applause ensued ...

ILLUSTRIOUS SIR WILLIAM HALSEY [Potentate, Kazim Temple]: When we receive our money, Imperial Sir, before we send it on down to you, we like to gather a little interest on the way. Therefore, we would like to present to you these checks in the amount of \$340,918.40.

... Presentation of check and applause ensued ...

IMPERIAL POTENTATE POWELL: Thank you very much. You know, that is a pretty good idea and now we can check on them at Tampa to make sure they turned the money in. (Laughter)

ILLUSTRIOUS SIR ALVIN WONG [Islam Temple]: Imperial Sir, on behalf of the East-West Football Game, where we have five Temples participating, we present to you, Imperial Sir, a check in the amount of \$257,282 from the East-West Classic Football Game.

... Presentation of check and applause ensued ...

IMPERIAL POTENTATE POWELL: Thank you very much.

Now, if you will forgive us for a moment, Nobles, we have here a report concerning our last election.

I will recognize Jim Hathaway.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Fellow Representatives: I would like to give you a report concerning the election involving ballot 18. This is for the other Trustee position.

There were a possible 989 votes; 814 actually voted. There were 19 spoiled ballots, necessary for choice, 408.

The ballots were distributed as follows:

Morris	73
Dunwoody	190
Smith	215
Thomas	317

IMPERIAL POTENTATE POWELL: I declare no one was elected and we will now listen to Jim and take another ballot.

NOBLE HATHAWAY: We will use ballot 19, ballot 19, with the tab torn off.

... Whereupon, balloting and collection of ballots then ensued ...

IMPERIAL POTENTATE POWELL: Has everybody voted who desires to vote?

Hearing no objection, I declare the ballot closed. (Gavel)

We will now continue with our check presentations.

REPRESENTATIVE: Imperial Sir, on behalf of the six Ohio Temples that support the paper sale drive, we would like to turn over to Shriners Hospitals for Crippled Children, the amount of \$630,574.

... Presentation of check and applause ensued ...

ILLUSTRIOUS SIR ACKERMAN [Mirza Temple]: Imperial Sir, I would like to introduce to you the five Potentates from the great State of Kansas.

... Whereupon, the five present Potentates of the five Kansas Temples were individually introduced ...

ILLUSTRIOUS SIR ACKERMAN: Imperial Sir, we have a great game and everybody has supported it to the best of their ability and we are privileged and honored today to bring to this Imperial Session a check in the amount of \$38,773.14.

... Presentation of check and applause ensued ...

ILLUSTRIOUS R. E. NEWMAN [Potentate, Al Menah Temple]: Imperial Sir, I represent thirty-seven counties in middle Tennessee and we have a little token here in the amount of \$645,000.

... Presentation of check and applause ensued ...

ILLUSTRIOUS SIR BOB BREWER [Potentate, Hamasa Temple]: Imperial Sir, on behalf of the members of our Temple, it is a pleasure to turn this check in the amount of \$14,600 over to Shriners Hospitals.

... Presentation of check and applause ensued ...

ILLUSTRIOUS SIR F. E. OGLESBY [Potentate, Sudan Temple]: Imperial Sir, Imperial Sirs and Representatives: It is a distinct honor and privilege for me today, at this time, to represent the Illustrious Potentates of the six Temples in North and South Carolina.

Imperial Sir, we have been blessed with our efforts. It is with grateful hearts that I am permitted to present to you a report for the year 1989 of the Shrine Bowl Game of the Carolinas income and other Temple activities which we have added to the endowment fund, Shriners Hospitals for Crippled Children, in the amount of \$2,301,969.53.

... Presentation of check and applause ensued ...

IMPERIAL SIR BRACEWELL: Thank you very, very much.

Let me ask, are there any other contributions to be made at this time?

If not, thank you very much.

IMPERIAL POTENTATE POWELL: I also wish to express my thanks for these checks. I am sure they will help our hospitals tremendously.

Now, with that, we are still waiting for the election results concerning the last ballot and, seriously, if there is anybody who would like to come up here and address your Fellow Nobles, you are perfectly free to do so.

... At this point, a jocular exchange ensued between Imperial Potentate Powell and several Representatives on the floor ...

IMPERIAL POTENTATE POWELL: Let me say, while we are waiting for the election results, I would recommend that next year we go to IBM cards, take a look at using these things by way of procedure or else we should change the Bylaws so that we can conduct business while the ballots are being counted—or, on the other hand, get some new Tellers that can count faster. You know, I never thought of that. (Laughter) However, we have to do something.

Now, it has been suggested by one of our Nobles here that where it does not really require any discussion and the vote is going to be “yes,” that we ought to take the vote and get it over with and move on with our meeting. I have no objection to that but, you see, we have the people here to advise us and see that we abide by the Bylaws that all of you passed at one time. Therefore, unless you want to change the Bylaws, we have to go by the rules and regulations. Now, it will not cost you any more.

REPRESENTATIVE: Imperial Sir, I wonder if I can say one thing at this point?

I want to express to you my feeling, and I know it is the feeling of many of the other Representatives assembled here, during your visits during the past year, the Representatives feel that your demeanor and the way you have presented yourself to them has truly been great.

Now, I always personally was very much impressed with you, Imperial Sir, and so I would also unanimously concur. You have represented this Fraternity with dignity. Now, I

have not always agreed with you but it is on this principle that we can disagree without being disagreeable. So, Imperial Sir, my hat is off to you for having a great year and I wish you much success in your future life.

... Rising applause ensued ...

IMPERIAL POTENTATE POWELL: Well, let me say it has been a delight for both Mildred and I to travel around America. Everybody has been so gracious and we have never been a stranger after a minute or two had passed by because your ladies and your uniformed units were there to greet us, to make us feel at home, made us feel as though we were wanted, that we were welcome and it is something that has taken place in our lives that could never happen had it not been for the fact that you folks had the confidence and the fact that perhaps I did do some good for this Fraternity. Whatever I have done, I am sure will live in my memory.

For example, it is just little things as the pins that were given to us. I do not put them in a bucket, do not put them in a glass jar, but I have a cloth pinned to the wall at the side of my desk and when I return, I might have one, I might have three or I might have ten but they do go to a little spot on that cloth.

Now, when I look up from my desk, I see three, four, five or six and immediately I know where they came from and it brings back so many fond memories, it really does.

However, I am sure that as I get older and older, I will enjoy these mementos more and more.

You know, life, to a reasonable degree, is looking back—looking back on the fond memories we all have had and thinking of the fine things that are happening today and then contemplating the things that may happen in the future.

I think that as time goes on, we think less and less of what is going to happen in the future and start thinking more and more of what has happened in the past.

So, in behalf of Mildred and George, we are both deeply grateful to all of you for receiving us the way you did. We wish to both thank you for all you have done for us.

Now, I would like to ask our legal staff, is there any way that we can handle some of these other things that are pending before us before the ballot results come in?

Well, they have informed me that we cannot and I am sincerely sorry about that.

Now, I would also, as we still have a little time left, tell you a little story about Dr. Norman Vincent Peale and his wife, Ruth.

You know, we used to go to his church in New York City and we used to see one another quite often. Also, we used to go out quite often with them.

Now, one night we were taking Mr. and Mrs. Peale home to their apartment on Park Avenue and as we left them, I said, "Is there anything more we can do for you before we say good night?" He replied, "Well, George, not really. I have to now go in and clean out all the closets."

Now, at that point in time, it was a quarter of twelve but when he told me that I said, "Do you need any help?" He said, "No, no. I will get on the ladder, take these things out of the closet and hand them down to Ruth. I do not know where she will put it but that will be okay."

I then asked him, "Why, at a quarter of twelve on a Saturday night, do you have to be cleaning out the closet?" He said, "Well, you see, we have been living here now for about thirty years and every three years the people who own this building come in and paint the interiors of our apartments but in thirty years we have never taken the time out to clean the closets and so they have never been painted in those thirty years. However, Ruth has decided that this time we should get the job done."

You know, it is very hard to believe that a man in his position would go ahead and do that sort of thing on a Saturday night. Nevertheless, he is a great human being and has done much, in my opinion, for society. As a matter of fact, he has preached all over the world.

No matter where you are and you have the opportunity to listen to Dr. Norman Vincent Peale, you will find that what he wants you to do is to just believe, just believe and because of that, he, in his own right, is what he is today.

He is ninety-two years old and I believe Ruth is eighty-nine. However, they are having a wonderful time.

We met them by the limousine donated by the hotel and, as he was getting out of the car, he said, "George, everybody seems to be so happy. We slept real well last night."

Now, I might add another thing and that is that there is a bell cap here in the hotel who is ninety-three years of age and is still a bell cap. He has been here for some sixty-three years. He was here, as a matter of fact, when the building was first being built and has waited on Dr. Peale many times when Dr. Peale has come to Chicago. He, too, had heard that Dr. Peale was here and he wanted to renew old acquaintances. Well, you know, I never saw so much warmth and good feeling between these two men in all my life, one of them being a bell cap some ninety-odd years of age.

Thanks again for your comment, Tony, and thanks to all of you because we will be ever grateful to all of you.

Now, I understand that the ballot has been counted and so I will recognize Jim Hathaway for the purpose of giving us the results.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Fellow Representatives: It is a pleasure to give you the results of ballot 19 for the Office of Imperial Trustee.

There were a possible 989 votes; 819 actually voted. There were six spoiled ballots, necessary for choice, 407.

The results are as follows:

Morris	28
Dunwoody	139
Smith	245
Thomas	401

NOBLE JOSEPH I. MORRIS: Imperial Sir, I would like to withdraw my name.

IMPERIAL POTENTATE POWELL: Joseph Morris has withdrawn his name.

Thank you very much, Joe, you are most gracious and always have been and what you have done now is just really something and so, again, thank you very much.

NOBLE GARY DUNWOODY: Imperial Sir, Imperial Sirs and Delegates: I really appreciate your support on the first three ballots but in order to expedite things and get the program on the way, I withdraw my nomination.

Thank you very much. (Applause)

IMPERIAL POTENTATE POWELL: Thank you also very much, Gary.

Now, we are going to ballot once again. We now only have two candidates left, Smith and Thomas. You will vote only for one. It is Leonard Smith and Randolph R. Thomas.

You will use ballot 21 and please do not forget to tear off the tab.

... Whereupon, voting and collection of ballots then ensued ...

IMPERIAL POTENTATE POWELL: Have all voted and deposited their ballots in the box? It would appear to me that all have voted.

There being no objection, I will declare the ballot closed and, at this point, while the Tellers are out counting the ballot, we will take a fifteen-minute recess.

... The meeting, following a fifteen-minute recess, was called to order by Imperial Sir Jack Dean ...

IMPERIAL SIR DEAN: If you will take your seats, we will commence.

I understand that the ballot is counted.

I will recognize Illustrious Sir James Hathaway for a report from the Election Committee.

ILLUSTRIOUS SIR HATHAWAY: I am happy to give you the result of ballot 21 for the Office of Trustee.

There were a possible 989 votes; 866 actually voted. There were two spoiled ballots; necessary for choice, 433. The votes were distributed as follows:

Leonard Smith	338
Randolph R. Thomas	528

... Cheers and applause ensued ...

IMPERIAL SIR DEAN: Randy, do you accept?

NOBLE LEONARD SMITH: Imperial Sir, if I may, I would just like to say that I would like to express my thanks to everybody who voted for me and supported me in my campaign. However, at this point, I would move that this ballot be made unanimous for Imperial Sir Randy Thomas.

... The motion was duly seconded and, there being no discussion, was voted upon and declared to be carried ...

IMPERIAL SIR DEAN: I declare the ballot to be unanimous.

Now, Randy, do you accept?

IMPERIAL SIR THOMAS: Imperial Sirs, Illustrious Sirs and Representatives: First let me say that I apologize for having taken this audience through this many ballots. However, I will promise you that I will continue to do my best for all of our crippled and burned children.

Again, thank you very much. (Applause)

IMPERIAL SIR DEAN: Representatives, at this time I would like to invite in, with your permission, Ms. Jo Murphy of the Houston Endowment so that she may address this assembly.

May I have a motion to be able to do that?

... Whereupon, it was severally moved, seconded and unanimously carried that this permission be granted ...

IMPERIAL SIR DEAN: Thank you very much.

She is on her way and will be here in just a second.

IMPERIAL SIR BRACEWELL: While Ms. Jo Murphy is coming up here, let us give her a big round of applause.

... Applause ensued as Ms. Jo Murphy approached the podium ...

IMPERIAL SIR BRACEWELL: Imperial Sir, Imperial Sirs and Fellow Representatives and Delegates: First let me thank you for allowing me this privilege and opportunity.

You know, I mentioned this lady's name briefly yesterday in our presentation but, let me say that her name is Ms. Jo Murphy, the Executive Vice President of the Houston Endowment and I just cannot tell you how many millions of dollars they have given to us but I know that this year they have given \$2 million and also a couple of million dollars last year—\$2.5 million.

With that, I would ask that you give Ms. Jo Murphy a big round of applause for their support and their contributions to us.

... Rising applause ensued ...

Ms. Jo MURPHY: Good afternoon.

I was down in the front here this morning but I had no idea I was going to be in this room. However, I would like to thank each and every one of you for showing me such a good time at your Imperial Session.

We have met here in Chicago previously and this is just about the same. We think so much of this state. It is certainly fantastic and I wish I could come back again someday.

My purpose at this Session is to let you know how Houston Endowment feels about its contributions to your endowment.

Seeing little Bobby Jo and Michelle makes me realize how our money helps Shriners Hospitals.

Each year, as we begin our new year, our Trustees have these two hospitals first on our agenda in January which starts as a distribution of our \$2 million. (Applause)

Thus far, and I do keep a running record, we have given some \$11 million to Shriners Hospitals. (Applause)

We, of course, know what the Shriners do for the hospitals, know of their charitable work and so we feel we are entitled, on the part of our Foundation, to give you these grants.

As we move along to the burns hospital and plans for a new hospital in Houston, our plans are to continue our grant each year of \$2 million.

My message to you today is, and your commitment in 1991, will be \$2 million, an increase of over \$500,000 last year.

We also have there the Jesse Jones Chair and we have recommended that Dr. David Herndon who, because of his fine work in Russia—he is the Chief of Staff at the burns hospital—that he be the Chair holder of this Chair and we are proud of him in Galveston. (Applause)

I would also like to say that Gene had visited with Mr. Quigmore, our President. We, of course, hope to continue our commitment each year as we move along.

You know, I have come back to be with you now I think either five or six times and no matter how many times I come, I get nervous.

Thank you very much.

... Rising applause ensued ...

IMPERIAL SIR BRACEWELL: Thank you very much for all of that.

I will tell you something, Everett Evans, Burt Ravellette and myself, we are taking Jo Murphy out to dinner tonight.

MS. MURPHY: I am certainly proud of what we have been able to do for your hospitals but I do know this—it just like the little boy scout who came home one day and his dad asked, "Son, did you do your good deed for today?" He said, "Yes, sir, dad, me and my friends saw a lady come across the street and we thought we would help her."

His dad said, "Well, did it take all five of you to get her across the street?" He replied, "Well, dad, that little old lady did not want to go across that street." (Laughter)

Let me say that these donations that are given to you are fine in my view but, on the other hand, we still need all the help we can get.

However, thank yo for inviting us up here. (Applause)

IMPERIAL SIR DEAN: I just think that all of you ought to know that Noble Charles Murphy, the husband of Jo, is a member of our Galveston Board and a hard working member down there.

Also, I might add, that they have endowed that Chair at the University of Texas Medical Center for our Chief of Staff, Dave Herndon. However, in the final analysis, all of that is really for the benefit of Shriners Hospitals.

Also, I would like to inform you, in the absence of Joe Padgett who is presently out getting a picture taken, he is going to also invite her to San Francisco. That is just the way it is going to be. As a matter of fact, he told me to tell you, Ms. Murphy, that you are more than welcome to come out there.

MS. MURPHY: I will be there. (Laughter)

IMPERIAL SIR DEAN: Now, Nobles, I am going to call this meeting from recess to labor and at this point I am going to turn the gavel back to our Imperial Potentate, George Powell.

... The gavel was returned to Imperial Potentate George Powell at this point ...

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE POWELL: I will now call on Imperial Sir Jack Jones for nomination of the Officers in the Colorado Corporation.

IMPERIAL SIR JONES: Imperial sir and Representatives, I nominate the following persons to serve as Officers of the Colorado Corporation:

Chairman of the Board, Joseph P. Padgett

President, Gene Bracewell

First Vice President, John W. Dean, III

Second Vice President, Everett M. Evans

IMPERIAL POTENTATE POWELL: You have heard the nominations as just made. Do I have a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE POWELL: All in favor of the individuals as indicated to you to serve as Officers of the Colorado Corporation please say aye; opposed no. It is unanimously carried.

I will now again call on Jack Jones for nominations of persons to serve as Directors of the Colorado Corporation, Shriners Hospitals for Crippled Children.

IMPERIAL SIR JONES: Imperial Sir, I nominate the following person to serve as Directors of the Colorado Corporation, Shriners Hospitals for Crippled Children.

 IMPERIAL POTENTATE POWELL: Do we have a second?

. . . The motion to approve these nominations was severally seconded, was voted upon and declared to be unanimously carried . . .

IMPERIAL POTENTATE POWELL: I am now going to call on Imperial Sir Robert Turley for the purpose of making the report concerning San Francisco.

IMPERIAL SIR ROBERT TURLEY: Imperial Sir, Imperial Sirs, Members of the Colorado Corporation: At last year's meeting in Toronto, you adopted a resolution which provided in part that the Board of Trustees and the Committee on Building and Equipment be authorized to proceed expeditiously to replace the existing San Francisco Unit facility with a new hospital and with the capability of carrying out programs of patient care, research and training in the field of pediatric burns and other unmet needs as well as continuing programs of care for the orthopaedically handicapped children and those with spinal cord injuries.

This resolution which you adopted provided that the size and location of the new facility, as well as the specifics of its programs, shall be left to the Board of Trustees, which was authorized to negotiate such affiliation agreements or similar relationships with other institutions in Northern California as may be advisable and proper to implement the resolution in the best possible way.

After you adopted that resolution, including an appropriation of \$65 million, the committee set to work to carry out your instructions.

This is the report of that committee made by the committee for the Board of Trustees in carrying out your mandate.

First, the specifics of the program were outlined, presented to and adopted by the Board of Directors and Board of Trustees of the Colorado Corporation so that provisions in this new facility will be made for as many as forty orthopaedic patients, ten patients with spinal cord injuries and thirty burn patients.

Also, the facility will be designed so as to allow for various patient mixes as circumstances require.

It will accommodate research and teaching.

Following the approval of the programs by the Boards at a meeting in the fall, November, your committee set out to talk again with the representatives of the medical schools, of which there are three in Northern California.

We had meetings with those, about which I would like to have Everett Evans tell you.

Everett, would you do that, please?

IMPERIAL SIR EVANS: Fellow Representatives, we did travel to visit three medical facilities.

One that we met with was the University of California at San Francisco. We also met with the officials of Stanford University and then we also met with the officials at the University of California at Davis.

Stanford University had very little interest in our Shriners Hospitals. They have a new children's hospital down there that they are getting ready to open and were reluctant to deal with us very much because they thought we would detract from their business.

The University of California at San Francisco is a great affiliation. We have had a relationship with them for a long time.

Now, in relation to a hospital such as we were attempting to build and are recommending to build, we needed to be closer to the university complex.

We looked at every lot on the university campus and found that there was no parking;

there is no place that we can see to build it in such a way that our doctors and experts told us we needed to do it.

Now, we did not stop there—we kept the door open with them and later, when we had a meeting in December, they said they had a study they were going to do and said that they were not in a position to deal with us at that time.

Now, since that time, they have finished some of their work but they still have two, possibly three years within which to finish their study before we could be entered into their program, if that were to come to pass.

As you will see in a minute, our hospital at San Francisco is filled with asbestos and it is difficult for people to work there. Our people in San Francisco, for example, had to put on moon suits in order to do that so we felt we had to move forward.

We then took the committee, on several occasions, to the University of California, Davis, at Sacramento.

Now, the University of California at Davis has presented us with a beautiful site. We have an affiliation agreement, when it is completed, to the extent we want to get into it and the site that we are going to look at today will be available to us in the proximity of the medical school.

Now, let me further add that there are no barriers to us moving to Sacramento and I have always felt personally that this is certainly an area that deserved a burn institute.

Now, I would like at this time to show you some of the campus.

[Slide]: This is the University of California Medical Center at Sacramento. It is a lovely building and we will be very close to it. The basic sciences are at Davis, which is seventeen miles from there. However, the medical school and actually the teaching hospital is in Sacramento.

[Slide]: You see, for example, the Davis Medical Center, which is located on Stockton Boulevard.

[Slide]: And here is the existing campus, which I think you have seen previously. You can, for example, see the long range planning development. This is an aerial view.

On X Street, that is the site that we are looking forward to. We will have Stockton Boulevard over here (indicating) which is the main street and they, in turn, will widen the thoroughfare and this will give us all the addition we need.

It will be bordered on three sides for the visibility of our hospital.

That (indicating) site was offered to us at a later date. As a matter of fact, they wanted to come on that campus so bad they are building a doctors' lounge in the university complex there as a part of their long range planning and, further, will make it available to us immediately when we need to come there.

Now, that is the particular site that we would like to have you consider when we get to that part of it today.

The University of California, Davis, Medical Center, is certainly a viable area for us to be in. You can see the close proximity to it.

We have looked into every area and we have their full cooperation of the UC Davis Center.

They are ready to do business with us if we so desire and I think Illustrious Sir Bob Turley will later present you with a thought which we would like to have you approve and it would certainly leave open some land so that, if something happened with our leadership at this point in time, that is something that we would be looking into.

I believe that will complete my brief presentation.

IMPERIAL SIR TURLEY: Thank you, Everett.

Those slides showed you the long range development plan that has already been submitted by the University of California, Davis, to the Board of Regents of the University of California and has been approved.

For you that are not familiar with the way that system is organized in California, let me say that all of the universities, the University of California, Los Angeles; the University of California, Berkeley; the University of California, San Francisco; the University of California, Davis—all of those are controlled by a Board of Regents and one of the things that Everett was telling you is that the University of California, San Francisco, has not yet even developed its long range development plan.

We are advised, however, that they will start on that process in August of this year and they expect to take eighteen months or two years in order to get it approved.

However, in relation to the Board of Regents at Davis, it has already been approved.

Therefore, at the University of California, San Francisco, they understand that because of the time involvement it is important for us to move right along.

They have said in a letter to Everett, for example, and I am quoting from this letter directive from the medical center at UCSF, the one at San Francisco. They say:

"We appreciate your views as expeditiously as possible making plans for a new facility. We also recognize that our planning (speaking of UCSF) constraints may represent an impediment to your efforts. Unfortunately, however, we are unable to accelerate the process."

Now, after we had a meeting of the Board in March of this year, I wrote a letter to Bill Kerr, the Director of the University of California, San Francisco Medical Center, to bring him up to date on where we were and to attempt to keep the door open.

Now, I received no reply to that letter and, indeed, the next thing I heard from Bill Kerr was a letter which has been sent to you, a letter addressed to John Troxel, in which he essentially said the same thing—namely, that the circumstances are such that they are not ready to incorporate a Shriners Hospital into the plans there.

Now, the problem is that we cannot wait for UCSF to formulate and then obtain approval of long range development.

To start in August of 1990, that takes us past the 1992 Session in Orlando and you could not take action on our proposals to you as members of the Colorado Corporation before 1993.

To explain the urgency of our needs to move quickly with this, I would like to call on Imperial Sir Burt Ravellette and have him tell you about some of the deficiencies that presently exist and our problems in relation to these.

IMPERIAL SIR RAVELLETTE: Can I have the lights down, please?

Imperial Sir, Imperial Sirs and Fellow Representatives: Sometime back I reported to our Boards and later reported out this last year when you approved this movement, we had a report in June of 1988 that reflected that we had asbestos. I think you can see very well what we are talking about in this slide [slide].

This, for example, is a structural frame building and every structural member in it is carrying about three inches of asbestos composition.

The only thing we can work with in there now is what you see. We cannot do the work we need to do except in the fashion indicated here and then, also, they have to take showers and go through a lot of things like that.

The basis of our problem and the time emergency here is that we have tried three times to get JCAHO to get approval of, for example, various smoke departments. These extend from wall to wall and ceiling to wall. Further, we cannot do this work without, in turn, disturbing the asbestos.

Previous to that, in early 1988, we had quotes involving a cost of as much as 8.-some million dollars.

Now, since that time, many schools in California who had quotations of \$2 million or \$3 million, wound up paying about 110 per cent more to remove the asbestos.

Further, if we remove the asbestos in relation to this building, it still would free the interstitial areas of this problem and, therefore, we would never have an asbestos free building.

Further, the urgency in this matter is that if we do not move quickly, our hospital could be closed.

Thank you very much.

IMPERIAL SIR TURLEY: Can we have the lights up again?

Thank you very much for your explanation, Burt.

So we went on from there and the committee was instructed by the Board to see if we could negotiate an affiliation agreement with the University of California, Davis Medical Center which, as you have been told, is at Sacramento and, secondly, to see if we could obtain an option on a piece of property near that teaching hospital in Sacramento.

Therefore, some of us commuted back and forth to Sacramento for awhile and talked

over the telephone and we negotiated, and the lawyers made up drafts and redrafts and all of that sort of thing, until we finally brought to the Board of Trustees and the Directors at this meeting last week, an affiliation agreement which the Board approved without dissent and an option on the piece of property that Everett showed you there, which, I might again emphasize, will be on the corner of Stockton Boulevard and what is now called X Street will be a boulevard going into the campus and that option was approved by the Board of Directors and Board of Trustees without dissent.

The Officers were authorized, subject to your action today, to execute these documents and proceed, before we completed negotiations of this affiliation agreement, before we procured an option and while we were engaged in the process, so that we could put into the Call a resolution for action, which was subsequently drafted and presented in the Call and you will find it as item 20 in the Call. I will ask you to turn to that.

Now, as those of you might remember from reading a letter sent to all of the Representatives by John Troxel, in order to accomplish the purpose that we had described to you today, we will ask you to adopt this resolution which is shown as item 20.

Now, the one or two parts that I do want to call to your attention at this moment are at the end—where it says “NOW, THEREFORE, be it resolved”—those two paragraphs.

Now, those two paragraphs, if you adopt them, will authorize the Board of Trustees to locate the San Francisco Unit to another site in San Francisco or to another city in Northern California, all in accordance with a resolution you adopted last year.

The next paragraph would permit the Board of Trustees, in conformity with that resolution, through authority granted by you under Section 503.2 of the Bylaws, to either affiliate with UC Davis Medical Center and construct a facility at Sacramento or affiliate with the University of California, San Francisco, and construct a new facility in that city on the present site or elsewhere.

Thirdly, affiliate with Stanford and construct a new facility at Palo Alto—in each case, then close the present facility on Nineteenth Avenue because of problems you have heard about last year and again this year.

Now, the purpose of this being an alternative is so that if something were to disrupt our negotiations, or plans to construct this new facility in Sacramento, which is now the plan your Boards would like to see approved, if something were to disrupt that, we would have an alternative to go elsewhere and have your blessing on that.

Also, I want you to know that in addition to the unanimous endorsement of the affiliation agreement and the options, your Boards of Directors and Trustees, without dissent, adopted a motion to endorse this resolution that we are placing before you today.

Now, I might also say that all of us received a letter from John Troxel, who is an attorney in San Francisco and the long time Secretary of our EWG Committee.

Now, before proceeding here, I want to say something to you and that is that John and I have been friends for many years. As some of you may know, for example, we both have been sick and we have prayed for each other. We like each other. I like him a lot, as a matter of fact, but then we do not always agree and what I am going to say about this letter is that I think it was written when John did not have all the information that he could have had.

Now, I am going to deal with what I consider to be the serious issues raised in that letter and if I fail to address any issue which either John Troxel or you think to be important, I am going to ask that John or any of you ask the question of us today, if there are any questions, that you have about the whole matter, whether it is in the letter or not. If you have any questions, please feel free to ask them.

You know, it is not my style to get you to adopt any sort of proposition unless you are personally satisfied that you have had enough information to deal with it.

Now, let us go to the letter.

It says, for example, that there are \$400 million in restricted funds for the San Francisco Unit. Also, there are a number of wills in John Troxel's office safe and the question is asked—what happens to the restricted money and to the monies we expect to get if there is no San Francisco Unit?

Now, I might add, that is a legal question and I have asked our General Counsel to be

prepared to deal with that question and so, to give you that answer today, I would like to call on General Counsel Corsones at this time.

ILLUSTRIOUS SIR CORSONES: Imperial Sir, it is with pleasure that I do address you on this very serious and substantive issue. I will take a couple of minutes in connection with it because I feel it is that important.

What we are dealing with is we are talking about the charitable intent and whether it is restricted. As a matter of fact, we are talking about the doctrine of cy-pres.

Now, a literal definition, "cy" is a French word and it means "here" and "pres" means "near."

Now, in relation to general law, it is generally held that gifts to a charitable non-profit corporation are deemed to have been made in trust to carry out the objects for which the organization was created. Plus, if a charitable organization continues to carry out approximately the same purpose for which it was formed and for which the donor made his gift, the organization is generally held to be entitled to the gifts, notwithstanding that it may function under a different name. That is the general thrust in relation to our General Jurisprudence.

Now, talking about cy-pres, that is an equitable power which makes it possible for a court to carry out a testamentary trust established from a particular charitable purpose.

If the testator has expressed a general charitable intent but for some reason his purpose cannot be accomplished for the exact manner as specified in the will, the court, under this doctrine, to meet the unexpected contingencies, directs the disposition of the property to some related charitable purpose in order to carry out the testator's intention as nearly as possible.

Now, the next question is whether or not California does recognize this doctrine of cy-pres?

Now, the issue in relation to California has gone to the Supreme Court on a number of cases. We have to recognize that the majority of the states in this country stand on this doctrine.

Now, have we ever tested this doctrine before—Shriners Hospitals for Crippled Children, have we ever tested it before?

Those of you who have been kicking around a little while will recall that we opened a unit at Winnipeg in 1925, our Winnipeg Unit. However, in view of certain difficulties, we deemed it prudent to close that unit in 1977.

Now, we took four cases to the highest court and just to give you some comfort, which you are entitled to have, I just want to briefly tell you about them.

A gift had been made to "Shriners Hospitals for Crippled Children, Winnipeg Unit." This was in the City of Winnipeg. It was in the Province of Manitoba.

Now, the Canadian Court ruled, for example, that the donor had a general charitable intention and not a purpose or a gift for a particular charitable purpose, which had woefully failed. The court said, for example, that the gift did not last. The donor intended to benefit not merely the City of Winnipeg but the work of Shriners Hospitals for Crippled Children in Canada. In other words, he had intended to benefit the charitable work of Shriners Hospitals for Crippled Children and not merely the particular unit in Winnipeg.

Now, a second case involved money being left to the hospital in Canada, to the Shriners Crippled Children's Hospital in Winnipeg, Manitoba, for the purposes of the permanent endowment fund of that hospital. Thus again we went to court and the court ruled that Shriners Hospitals for Crippled Children in Montreal, Quebec, was entitled to take that money under the will.

A third case involved a similar bequest, which read, "To Shriners Hospitals for Crippled Children for the exclusive use and benefit of the hospital located in the City of Winnipeg." Again, we went to court on that and it was the same thing—in other words, it was this long general intent, namely, that this person wanted Shriners Hospitals to have this money.

The fourth case we have, I believed, involved the Ontario Supreme Court. There it was "To Shriners Hospitals for Crippled Children, Winnipeg Unit." The testator created this testamentary trust in his will. However, the Ontario Supreme Court said that the closing of one location, subsequent to the execution of a will, would cause the legacy to that charitable corporation to lapse while the charitable work is still being carried on and for the benefit of the same class of people from which the testator wanted to benefit from his gift.

So, Nobles, the doctrine of cy-pres, if you will allow me to review it with you, will enable us to request the California courts to allow us to use any money given to us by wills and gifts and other documents for the San Francisco Unit, to be used at the Northern California Unit in Sacramento if you take affirmative action on the proposal in the Call.

Now, on the other hand, we cannot tell you that we are going to win on a case by case basis until we get the facts. However, the courts will be open to receive us, to take our representations as recited herewith.

Thank you. (Applause)

IMPERIAL SIR TURLEY: Let me say that I retired as a lawyer and so, speaking strictly as a layman to a layman, what he is saying is that we expect that we will not lose any of the monies given to us in these wills.

Now, you know, on the other hand, the \$400 million is a scary figure and I want to tell you something about that. I will not take too long but I think you need to know about it.

We had long different accounts in Shriners Hospitals for wills or bequests which said, "For the exclusive use of 'X' Unit." And, further, we call those exclusive use funds as compared to otherwise a bequest which says, "Shriners Hospitals for Crippled Children," or to the "Shriners Hospital at San Francisco," or Lexington or elsewhere.

And because of the difference, we adopted a policy many years ago with respect to the exclusive use of funds.

For example, the donor has said, "I want this to go to the Greenville Unit exclusively," something of that kind. So, on that basis, there would be a question as to whether or not the court would allow us to use it elsewhere and so we adopted a policy of going ahead and using that money and we put that money directly into the operating account for that money whenever we get it.

Now, if you will look at your red book of accounts or your annual report, you will see that we do that.

The other bequests go into the investment account and endowment account.

So I was interested in relation to this \$400 million and interested in trying to see what the situation was with respect to the San Francisco exclusive use funds and so I asked our Headquarters Office at Tampa to give me the figures and I found, for example, that during the last ten years, for the San Francisco Unit, there were exclusive use funds in the aggregate of \$1,388,298. That was in ten years. On the other hand, that was not \$400 million but \$1.4 million in ten years.

Now, all that money has been used for that unit because it was put immediately into the operating account of that unit.

If you will look at your annual report this year, in order to compare it, for your information, as to exclusive use funds and unrestricted funds, you will see that last year, in 1989, for all of our hospitals, we had about \$2.8 million in exclusive use funds and which were used for those hospitals and our unrestricted funds amounted to approximately \$162 million.

Now, the next thing that I want to deal with and which is mentioned in John Troxel's letter, is that he says he is going to move to table this resolution and some of you have never been to one of these Sessions before and so I would like to try to help you with that parliamentary maneuver. I have reference to the thirty-five to forty percent of our Representatives who are new every year.

Also, parliamentary maneuver is sometimes a little bit sticky, as you saw the other day when they had their little difficulty.

He said that he will move to table the resolution until a really constructive investigation is made.

Now, as I look at this, he did it for two things. The first was to stop discussion because the motion to table is not debatable and so, if he makes a motion to table and it is adopted, you will not get to hear anything more and you will not get the answers to any further questions that you have.

Now, on the other hand, I think we have a right to be fully informed before we take action and I hope you do not give away that right by adopting a motion to table this important resolution.

The second purpose of a motion to table is to lay this matter, at least until the next Session at San Francisco, over for another year and we likewise cannot afford to do that.

Therefore, if he does make a motion to table, as I said, I hope that you will vote in opposition.

Now, I tell you that now because I cannot tell you that if he makes a motion because it is not debatable and so I will tell it to you in advance. Therefore, if such a motion is made, I hope you will vote "no." (Applause)

Now, I am about done for the present.

Now, what I say to you, for this committee and for your Board, is we want you to be well informed. Also, there is some little hint in John's letter that we are trying to hide something from you and those of you who have been here long enough, over the last thirty-one years, know that is not my style. We do not do that at all. We will answer every question you have.

Now, to put the issue before you, I would move that the committee report be approved, that the resolution shown as item 20 in the Call be adopted and so that you can deal with that, I will ask Imperial Sir Powell if he will call on the Chairman of the Jurisprudence and Laws Committee who has a report.

I am going to ask you, Imperial Sir, to call on the Chairman of the Jurisprudence and Laws Committee and ask him to make a report concerning this committee's report relative to Resolution 20 in the Call.

IMPERIAL POTENTATE POWELL: May we now have the report of the Jurisprudence and Laws Committee on item 20 in the Call.

NOBLE BUCKAWAY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 20 on Call of the Annual Session of 1990, located on page 35 of the Call. It is a resolution authorizing the Board of Trustees of the Colorado Corporation to relocate the San Francisco Unit to another site in San Francisco or to another city in Northern California. The resolution reads as follows:

RESOLUTION

WHEREAS, at their 1989 meeting in Toronto, the members of the Colorado Corporation adopted a resolution authorizing the Board of Trustees to replace the present San Francisco Unit hospital with a new facility to be affiliated with a medical school in Northern California; and

WHEREAS, the San Francisco Unit Liaison Committee and others have held meetings with the Deans and other representatives of the three medical schools at the University of California San Francisco (UCSF), Stanford University, and the University of California Davis (UCD), which are the only medical schools in Northern California; and

WHEREAS, representatives of the medical schools of UCSF and Stanford expressed concerns related to existing or proposed programs of their own or institutions with which they are already affiliated, which made them reluctant to discuss an affiliation with Shriners Hospitals on terms sought by Shriners Hospitals; and

WHEREAS, on the other hand, representatives of the University of California Davis Medical Center at Sacramento expressed an enthusiastic welcome for an affiliation with Shriners Hospitals, and repeatedly assured the Liaison Committee of its desire for an affiliation with Shriners Hospitals; and

WHEREAS, the San Francisco Unit Liaison Committee and a site visitation team (composed of members of the Boards of Trustees and Directors, Headquarters staff, medical advisors and representatives of the San Francisco Unit) have inspected the University of California Davis Medical Center at Sacramento and found it to have suitable sites for the new facility to replace the present San Francisco Unit; and

WHEREAS, the Board of Trustees and the Board of Directors have agreed to the recommendation of the Liaison Committee, and others of the site visitation team, that the present San Francisco Unit should be relocated and affiliated with the University of California Davis Medical Center on a site next to or near the UCDMC in Sacramento; and

WHEREAS, at the time the notice of this Resolution is published, the San Francisco Unit

Liaison Committee is engaged in negotiations with the UCDMC and the owner of an acceptable site in Sacramento; and

WHEREAS, although the Board of Trustees expects to successfully negotiate an affiliation agreement with UCDMC and a purchase option for a site in Sacramento, the Board of Trustees considers it desirable to maintain contact with UCSF and Stanford in case negotiations with UCDMC are unsuccessful or in case an acceptable site cannot be procured on terms agreeable to Shriners Hospitals; and

WHEREAS, the Board of Trustees considers it desirable and appropriate to have complied with Section 503.2 of the Colorado Corporation Bylaws, so that options to replace the San Francisco Unit with a new facility outside San Francisco are clearly open;

NOW, THEREFORE, pursuant to Section 503.2 of the Colorado Corporation Bylaws, IT IS RESOLVED, that the Board of Trustees is hereby authorized to relocate the San Francisco Unit to another site in San Francisco or to another city in Northern California, all in accordance with the resolution adopted at the 1989 meeting of the members of this corporation; and

FURTHER RESOLVED, that the Board of Trustees may comply with the 1989 resolution, through authority hereby granted under Section 503.2 of the Bylaws, by either (1) affiliation with the University of California Davis Medical Center and construction of a new facility at Sacramento, with subsequent closing of the existing facility of the San Francisco Unit, or (2) affiliation with the University of California San Francisco and construction of a new facility in San Francisco, on the present site or elsewhere, with subsequent closing of the existing facility of the San Francisco Unit, or (3) affiliation with Stanford University and construction of a new facility at or near Palo Alto, with subsequent closing of the existing facility of the San Francisco Unit.

The committee reports that the proposed resolution is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Imperial Sir, since a motion has already been made to move its adoption, I will therefore second the motion and I will ask that you call again on Imperial Sir Robert Turley in the event there are any further questions.

IMPERIAL POTENTATE POWELL: Are there any questions?

If not, I will recognize Illustrious Sir John Troxel for a discussion concerning this issue.

ILLUSTRIOUS SIR JOHN TROXEL: Imperial Sir, since I have quite a number of papers that I wish to refer to during my discussion, may I use the microphone up at the podium?

IMPERIAL POTENTATE POWELL: Most certainly.

ILLUSTRIOUS SIR JOHN TROXEL: Imperial Sir, Imperial Sirs and Fellow Representatives: I am John Troxel, about whom you have just heard although I wonder if I did not change my name to Horatius. I wonder if you remember from your previous history of Horatius who was sent out to the bridge and told to hold off the oncoming army? You have just seen the army and now you are going to hear from Horatius.

Islam Temple, Aahmes Temple in Oakland and Tehran Temple in Fresno have asked me to present to you our position with respect to Proposition 20 in the Call.

You already have received from us mailings setting forth our position.

Now, we believe, for example, that a totally inaccurate study was made by the San Francisco Unit before a presentation to the Board of Directors in which meeting the presentation by the Site Selection Committee was approved.

Now, about this statement that Bob Turley made—in other words, that he and John Troxel have been friends for many years and that we are currently friends and in relation to our conversation, I felt that Bob put it very well.

He said, "John, I know we both have the best interest of Shriners Hospitals uppermost in our minds. It is just that we sometimes differ in the avenues that we use to approach what we think is the best interest."

So that should settle that friendship or lack thereof right away.

We believe that not only will our hospital's and our image suffer if the San Francisco Unit is closed, but it will have a very adverse effect on future wills and gifts.

In the letter that went out to you, you were given a number of wills and trusts currently resting in my office alone. All of these can be changed by any testator who would be unhappy with the San Francisco Unit being closed.

That the City of San Francisco is behind us, is shown by our City Mayor's letter and if you have not received it, I have it here in Chicago. This was presented to the Board of Supervisors and he says in part:

"I would urge you to thoroughly explore the expansion in San Francisco before making any commitment to any other location. Please feel free to contact my office to discuss your needs and to give the city an opportunity to assist you in meeting them."

Now, in the letter that we enclosed in the packet from the Director of the Medical Center, I would invite your attention to page 2, wherein he says,

"We are pleased that the Shriners have not absolutely rejected the possibility of the construction on the Nineteenth Avenue site. Clearly, this will separate and create certain inefficiencies. Nevertheless, our past experience demonstrates that we can jointly assure high quality services despite such conflicts. Please feel free to convey to your colleagues our sincere interest in maintaining a strong Shriners facility in San Francisco.

"Speaking on behalf of campus and faculty leaders everywhere, I can assure you that we would be anxious to participate in further discussions regarding San Francisco based options."

The "lengthy planning" which was referred to in the earlier presentation has to do solely with the possibility of a site on campus, on the hilltop and I can tell you, from my own personal knowledge, that unless some building on that site is torn down, there will be no other new building erected there. There is no room. However, we have room at the existing site in San Francisco, which we own already even though it may be in difficulty because of asbestos.

Now, to continue, and I speak mostly now not so much as a Past Potentate of Islam Temple but the International Secretary of the EWG Committee of our hospitals and as a Regional Director for that committee.

The solicitation of our hospitals' prospective donors is done by exposure, exposure, exposure.

Further, the Department of Transportation of the State of California advises us that on the average day 63,500 cars go by our hospital and see our hospital signs, because we are directly on one of the major routes to and from the San Francisco Airport, as well as in Marin and all of these northern counties, as well as the jurisdiction of Aahmes Temple. It is a lot of exposure.

Now then, how is that reflected and what has occurred over the years?

Well, I can tell you this, that Islam Temple, all by itself, not taking into consideration any wills generated by our four Temples that constitute Region 12, last year produced seventy-one wills which were admitted into probate and in which our hospitals were named the beneficiary. This is more wills than were produced individually by forty-five states and all over Canada. In other words, you take forty-five states, take all of the Temples in each one of these states and forty-five of them failed to produce as many wills last year as did Islam Temple, without consideration of any other Temples involved.

As a matter of fact, only five states produced more wills than Islam Temple all by itself in 1989 and those figures have held for most years.

Most of the time, Tom Boles, the Director of Region 6, which includes Southern California, Southern Nevada and Arizona, and I have been in friendly competition to see who comes out number one—in other words, is it going to be Al Malaikah or is it going to

be San Francisco in the production of wills? Some years, I must add, it is Al Malaikah, some years it is San Francisco and as of today San Francisco is ahead of Al Malaikah. This, in turn, is exposure. It is what we have there.

We have been there a long time. We have people going by, we have people working, attempting to sell our hospitals and the only thing we really have to sell is our hospital. That is how we get our money.

You know, it would be wonderful to build a flagship, as it has been described, but it is not going to be much good if we cannot raise enough money to pay the salaries of the crew who are going to be operating that flagship.

Further, I have yet to hear one word about the prospective operating expense of this new flagship. There has not been adequate explanation of the possibility of dollars in the San Francisco area, really, there has not.

The Site Selection Committee took the delay in relation to UCSF as being a form of turnaround because it would take a long time and they are in a hurry. Well, obviously, we are in a hurry—we do not want to get closed by the Joint Commission for Accreditation of Hospitals any more than they do.

However, before you answer aye or nay to this resolution, I think that all of the pluses and minuses of San Francisco and Sacramento should be presented to you and there are pluses for Sacramento, just as there are pluses for San Francisco. There are also minuses for Sacramento just as there are minuses for San Francisco. However, you do not have all the facts.

Now, that is fine, I do not propose to have you vote aye or nay on the resolution. We believe that a thorough investigation should be made with the thought of going to the University of California, San Francisco. For example, to say right here, "I am pleased that the Shriners have not absolutely rejected the possibility of constructing on the Nineteenth Avenue site and there is sufficient space on the Nineteenth Avenue site to construct a new facility, even at the 300,000 feet that they have asked for."

Imperial Sir, I would move to table this resolution or postpone it, if that word is more agreeable to you, until the next Session of the Imperial Council in order that such an investigation can be made and the facts brought back to you. The University of California at San Francisco wants us and so does the University of California in Davis. That is in Sacramento.

Also, there is one other point I would like to call to your attention and that is here on this blue sheet, just a single note.

"Cy-pres," that is the practical enunciation.

Now, I recognize the doctrine of cy-pres in general. As a probate lawyer for over forty years, I am also fully aware of the situation that decisions in Canada are not legal precedent for decisions in California. I am also familiar with the fact that certain beneficiaries of the Buck Trust in Marin County that involves cy-pres, failed.

As a matter of fact, it would depend on each individual case and General Counsel has alluded to that and, further, it will depend upon one thing in each case—the intention of the testator—the intention of the testator.

For example, did he or she want the hospitals generally to have the money or did he or she, on the other hand, want a specific unit to have the money and, further, if that unit did not have it, not to leave it to the charity? These, however, are individual things. I do not know. I do not have an answer to that.

However, I do request that you give San Francisco an opportunity to have a thorough investigation of the possibility of utilization of the San Francisco site for at least the orthopaedic portion of this hospital before you vote aye or nay on a resolution itself.

Who knows, the investigation might even say, "Keep your unit in San Francisco." However, let us build our burns hospitals next to UC Davis Medical Center.

However, I do at this time renew my motion to table the resolution so that we will have ample time to have such investigation made and I thank you all for your courtesy in hearing me and I thank you, Bob, for letting me recognize you as a friend. (Applause)

IMPERIAL POTENTATE POWELL: I do not think we had a second to the motion.

... The motion was then duly seconded ...

ILLUSTRIOUS SIR LAMDIN: John, we are having a little difficulty up here. As I understood you, you made a motion to table?

NOBLE TROXEL: Yes.

IMPERIAL POTENTATE POWELL: As I understand it, the motion to table has been seconded.

Now, I believe we are ready to vote on the motion to table. If you feel more comfortable, I can ask for a voice vote to begin with.

All in favor of the motion will please say aye; opposed nay. The motion has failed.

You know, that is great—that is the best experience I have ever had. I had no idea where it would end. (Laughter)

Well, with the defeat of the motion to table, we still have the original motion as made by Imperial Sir Turley in front of us and for further consideration, if you so desire.

Therefore, you now have the opportunity to discuss that at great length.

Does anybody care to move the question?

... The question was severally moved ...

IMPERIAL POTENTATE POWELL: Now then, we are going to vote on Bob Turley's motion.

ILLUSTRIOUS SIR MAAG [Ainad Temple]: Imperial Sir, may I ask Bob Turley three questions?

Now, I am sure you all heard Bob Turley say, after the closing of his talk, that he would offer to answer any questions anybody had—in other words, that he would attempt to answer them.

IMPERIAL POTENTATE POWELL: Yes, that is the case and so please proceed.

ILLUSTRIOUS SIR MAAG: To Bob.

If, for example, Stanford does not want us, if San Francisco, according to the third paragraph of your whereas clauses is reluctant to discuss affiliation with Shriners Hospitals on terms sought by Shriners, why are you seeking our permission to give you an option to go with either of them? Why just not limit the resolution to Davis?

IMPERIAL SIR TURLEY: Well, as I said a few moments ago, Ed, while I do not think for a moment that our negotiations with Davis could fall through, they will be much better conducted if they know we have an alternative.

ILLUSTRIOUS SIR MAAG: Then, to the second question I have.

We have enjoyed an affiliation agreement with the San Francisco Unit for many, many decades. What has happened to that relationship that does not want you to continue it?

IMPERIAL SIR TURLEY: That is not the problem, Ed. The problem is that they do not have any space on the hill.

As has been previously stated, there is no chance that we can go there. They do not have any property anywhere else and they are trying to deal with other problems in the city having to do with other hospitals and other affiliations.

NOBLE MAAG: Then, as I see it, Bob, our problem is really a lack of appropriate alternative sites in San Francisco. It is not a deterioration of our relationship with them, is that correct?

IMPERIAL SIR TURLEY: Yes, I think that is fair but that is not all, Ed. It is also the fact they do not have a long range development plan in place.

ILLUSTRIOUS SIR MAAG: Well, Bob, I understand that but then I am pleased to note that we are not parting with them?

IMPERIAL SIR TURLEY: That is true.

ILLUSTRIOUS SIR MAAG: And, lastly, I would like to address a question to Burton Ravellette and perhaps to Legal Counsel.

I really accept your representation, Illustrious Sir, that we have not had questions concerning the serious problems at San Francisco, as I understand it, a serious problem that is, as has been indicated, going to cost us some \$4 million to correct.

Illustrious Sir, under the laws of Illinois, and I know not anything about the law of California, but under the laws of Illinois we are going to have to spend that \$4 million to solve that problem before we can even get rid of that hospital.

Under the law, our Environmental Protection Agency in our state will not even allow us to alienate the hospital to convey it without first correcting the problem and so I think that our decision here ought to be made on the basis of merits of Davis versus the other situation

that Bob has talked about and let us forget the asbestos problem. We will have to correct that anyway.

The asbestos problem is only incidental because we are going to have to spend \$4 million anyway.

IMPERIAL SIR RAVELLETTE: Let me answer that for you.

In trying to make our hospitals operate a little better, it would take a tremendous amount of money because of the interstitial areas that we cannot get to involving the asbestos and the amount of money we would have to pay in order to keep the hospital in operation.

There are a few problems toward getting that asbestos out but, in general, it can be done but will take a lot of money and time.

ILLUSTRIOUS SIR MAAG: One other question and I have been asked to ask this by other individuals.

For example, does the code in Colorado require a two-thirds vote on the part of the Representatives in order to move a hospital?

IMPERIAL SIR TURLEY: Well, it requires a little more than that—it requires a two-thirds vote of the Representatives who are present and voting but at least 400 and it has to be by written ballot.

Also, I would like to answer, if I may, one or two of the questions that John Troxel put forward.

One of them was to the effect that he said he had not heard concerning any prospective operating budget and, of course, there is no way that anybody could project a budget at this point in time because we have not even designed the structure. All we have designed is the program.

However, I can tell you this—that in terms of comparison of costs which directly affect our budget in terms of what we have to pay in salaries and compensation to our employees, there was an article recently in U.S. News and World Report that a starter home in Sacramento presently costs \$100,000 to \$135,000. On the other hand, a starter home in San Francisco presently costs from \$150,000 to \$250,000. A trade-up home in Sacramento presently costs from \$150,000 to \$225,000 and in San Francisco from \$265,000 to \$340,000.

That article said that in terms of a percentage of family income devoted to mortgage payments in Sacramento, the percentage is twenty-one percent while in San Francisco it is forty percent.

Now, if those figures are true, as published by U.S. News and World Report, you can well see that the relative cost of living in those two areas will directly impact upon the budget of a hospital to be built in Northern California.

I might also say, with respect to John's argument concerning the number of wills procured by different Temples, etc., I got a little bit concerned for fear that one of you might ask a question as to where our patients are coming from to the San Francisco Unit at the present time and so I took a list of the patient applications that were considered by the Board of Governors of the San Francisco Unit on its meeting held on June 26, and they had 223 applications. Now, aside from those that come from Mexico and one or two from Texas, and are put into the hospital by the Recorder's Office at Islam, Islam Temple produced fifty-two of those applications; Ben Ali Temple of Sacramento produced 103, almost fifty percent of the total.

Now, I tell you that not because I am trying to compare two fine Temples but it is only a month and these things do change from time to time but I did want you to know that we are not suggesting that we move the hospital away from the patients.

If you have any other questions, any of you, that you would like to submit for an answer, please do so.

If not, insofar as we are concerned, we are prepared to submit to your vote.

... The question on the motion was severally called for ...

IMPERIAL POTENTATE POWELL: Let me ask you, does everybody have adequate room to tell where we are?

REPRESENTATIVE [Texas]: Imperial Sir, when John Troxel reported, he indicated that there is not enough room to build where we are and I have not heard that addressed to my satisfaction. Would someone please speak on that?

IMPERIAL SIR TURLEY: The area of our present property on Nineteenth Avenue in San Francisco is virtually the same as the area upon which we have an option in Sacramento. So, for example, if we were to demolish both of the buildings on Nineteenth Avenue, the Islam Temple Building, what they are presently using for offices and meeting rooms, etc.—the old hospital building—and if we also demolished the present hospital, then there would be room on that site for the hospital that we proposed.

ILLUSTRIOUS SIR TROXEL: Imperial Sir Bob, I am curious to know why you did not include Aahmes Temple petitions for patients for admission to the hospital in that report?

ILLUSTRIOUS SIR TURLEY: Now, let me say that I did because I anticipated a very intelligent plan. (Laughter) I found, for example, that there were over fifty percent of the applications that came from the joint territory of Aahmes, just across the Bay from Islam and less than fifty percent from the jurisdiction of Ben Ali.

IMPERIAL POTENTATE POWELL: John, would you agree with me that Aahmes lies between San Francisco and Sacramento? In other words, that it lies between Sacramento and San Francisco?

ILLUSTRIOUS SIR TROXEL: Well, in the case of Aahmes, they can go in either direction. Also they can go from San Francisco to Sacramento also if they want to.

IMPERIAL POTENTATE POWELL: Thank you, John.

Now we have a Noble over here (indicating).

ILLUSTRIOUS SIR J. D. ROBINSON [Tehran Temple]: Imperial Sir, my name is Justin Robinson and I am Potentate of Tehran Temple. I do not want to throw a monkey wrench into the situation but I wish to say that I have never received a letter from Mr. Troxel nor have I ever talked to him about our support. I am one of the biggest supporters of the burns unit but I do not want it going to Northern California.

Thank you very much.

... Whereupon, the question was called for ...

IMPERIAL POTENTATE POWELL: Well, all right, we are going to vote and, please remember, we are going to have a written ballot.

ILLUSTRIOUS SIR C. J. FRISCH [Kerak Temple]: Let me say that we were one of the five sponsoring Temples of the hospital. I got a letter from John Troxel and he did not even mention Kerak Temple.

We have patients going over to the hospital unit in San Francisco. I want to back Davis.

IMPERIAL POTENTATE POWELL: Thank you very much.

... The question was again called for ...

ILLUSTRIOUS SIR AARON SNYDER [Potentate, Aahmes Temple]: Let me say that I received a number of telephone calls from John Troxel with reference to this.

IMPERIAL POTENTATE POWELL: Thank you very much.

NOBLE JOHN S. MILLER [Oasis Temple]: You know, Imperial Sir, when we seek gifts, we seek them for Shriners Hospitals for Crippled Children but they also can be made to the Greenville Unit.

Now, Imperial Sir, we can discuss this all day. We have elected a body of favorable men who we have a lot of confidence in and they spent a lot of time with this and they are saying it has been completed. They will continue to stand by, I am sure, that we will fulfill our mission. Again, we have confidence in them and I hope these delegates here likewise have the same type of comments.

Imperial Sir, I would move that we act on the motion.

... Cheers and applause ensued ...

IMPERIAL SIR C. VICTOR THORNTON [Past Imperial Potentate]: Imperial Sir, am I right in my assumption that this will take a two-thirds affirmative vote to pass this resolution?

IMPERIAL POTENTATE POWELL: That is correct.

IMPERIAL SIR THORNTON: Well, let me say that this is one piece of legislation that is very, very serious for all of us. Also, it is very important and I believe that you should understand that we are now going to call for the vote and we will get ahold of Jim Hathaway and he will tell us what the ballot will be. I think we should proceed.

IMPERIAL POTENTATE POWELL: Representatives, the motion was made to approve the committee's report and adopt Resolution 20. That is what you are going to be voting on. A

vote in the affirmative is to adopt—a negative vote is to defeat. A two-thirds majority is required. You are making the determination here.

We will call on Mr. Hathaway and he will give you the number of the ballot right away.

NOBLE HATHAWAY: They will use ballot 26. . . . Whereupon, balloting and collection of ballots then ensued . . .

IMPERIAL POTENTATE POWELL: Have all voted? I will declare the ballot closed. (Gavel)

Now, while they are out counting, I have an announcement for you with regard to collection for the hospitals here.

The total figure that I have been handed which has been turned in is \$3,777,301.47.

Also, there was another contribution of \$20 subsequently and we have donated that money to the same fund.

Thank you.

Let me say that we also have received, during the past year, from the Daughters of the Nile, as their contribution, the amount of \$1,343,000. (Applause)

I wish to thank them for the thousands of hours they contribute in relation to distributing the toys and the bandages at our hospitals. (Applause)

Also, let me say that I have just received a check in the amount of \$18,228.84 from the Potentate of Sahara Temple. (Applause)

Also, we now have a solution to our problem of waiting for the ballot to return and continuing with our business.

I will now recognize Lew Brantley.

IMPERIAL SIR BRANTLEY: Imperial Sir, before I make a motion, I would like to make a short statement.

It is my considered opinion in the interpretation of the Bylaws that they do, in fact, provide for two avenues under which to conduct business.

First of all, I consider it proper, in relation to Iowa, that we proceed to take up business in that corporate entity because we do not have a motion pending without a vote.

With that, Imperial Sir, I would move you that the rules be waived, that business in this corporation continue, the balloting not having been completed notwithstanding.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE POWELL: Are there any questions?

All in favor say aye; opposed. The motion is carried and so we will now continue with the report of the Grievance and Appeals Committee.

REPRESENTATIVE: Imperial Sir, a point of order.

I think, if you will check, that you will find that most of the people on the Tellers Committee counting the ballots out there, if not all, most of them are Representatives to this Imperial Council. Therefore, I ask you, how are they going to count ballots and also properly deliberate on anything that is put before us?

IMPERIAL POTENTATE POWELL: Well, shall we, for example, take a three-minute recess and ask the Marshal to call them in? Would that satisfy you, sir? In other words, it "might" or it "will"?

REPRESENTATIVE: Whatever is right.

IMPERIAL SIR BRANTLEY: Imperial Sir, may I respond to the comments made by the gentleman?

IMPERIAL POTENTATE POWELL: Certainly.

IMPERIAL SIR BRANTLEY: Well, Imperial Sir and Representatives, there are two things involved in that particular regard.

Robert's Rules of Order do, in fact, speak to the disenfranchisement of Tellers having been sent out of the room we are doing business in. Now, that portion of the rules says that they cannot be disenfranchised.

Now, if you take it a step further, and I do not have my book with me, it says that, however, if you locate your Tellers within the halls that they can, in fact, observe and likewise participate in relation to the conduct of business.

Therefore, it is my suggestion to you, Imperial Sir, that you bring the Tellers back and put them in the far corner of the room and they can observe while they are counting ballots and also you can continue doing your business.

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE POWELL: Let me ask, will someone find the Tellers so that we can put them there over in that corner?

Let me remind all of you, that all of this has resulted because there were several Nobles, for example, that came up to me during all this commotion we have had up here and said, "Is there any way that we can stop wasting time?" However, unfortunately, if we do anything illegal, they will bring charges against Imperial Joe Padgett. (Laughter)

Let me say to you, Nobles, that there still has been some question with regard to our present predicament and, therefore, I would now like to call on the Chairman of our Grievances and Appeals Committee, Illustrious Sir Lamdin, to make a comment.

ILLUSTRIOUS SIR LAMDIN: Let me say that all governing bodies that have adhered to parliamentary procedures have been successful in relation to their rulings. If we are going to, therefore, throw away our rules and just let this thing go, well, that is fine with me.

On the other hand, I have the designation of "Parliamentarian" and it is my responsibility to have you follow the rules. Now, there are times when I have been wrong in some of my opinions and that is why in Maryland, for example, they have two Courts of Appeal, not one. I have been wrong many a time and, on the other hand, I have been right many a time.

However, we do, in the final analysis, have to operate on Robert's Rules of Order and our Bylaws or, on the other hand, we will not. Now, it does not make any difference to me but as long as we are operating on these rules, I am going to call the decisions the way I see them.

IMPERIAL POTENTATE POWELL: You know, it appears that we are about to have the results of our last ballot.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Fellow Representatives: It is a pleasure to give you the results of the ballot on Resolution 20.

There were a possible 989 ballots; 870 actually voted; there were no spoiled ballots; necessary for choice, 581

The vote was "yes," 745—"no" 125. (Applause)

IMPERIAL POTENTATE POWELL: That has been adopted.

... Business was transacted in the Iowa Corporation at this time . . .

... Whereupon, the Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at five-forty o'clock p.m. . . .

MORNING SESSION FRIDAY, JULY 6, 1990 EIGHT O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was reconvened in the International Ball Room, Chicago Hilton and Towers Hotel, Chicago, Illinois, at eight o'clock a.m., Imperial Potentate George W. Powell presiding.

... Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL SIR HARRINGTON: Now, while I have just been giving you a report concerning the Iowa financial situation, I would at this point like to call to your attention the financial report in relation to Shriners Hospitals for Crippled Children.

I am sure that all of you are thrilled with the fine condition in which the Shriners Hospitals' financial situation is in now and I can tell you this, I know of no other organization that has undertaken such a tremendous program as we have over the past ten years in relation to our hospitals, in expansion and services, and still remain not only solvent but we are in superb condition.

We, of course, intend to stay that way and the only way we are going to do it is to continue to work as you fellows have.

Now, for example, the amount of increased revenue that is shown from our investments has been slightly superb but we have to remember we have been in a very favorable market for a considerable period of time. However, I believe that with the fine work that has been done by that committee and the work that we are doing in getting every dollar out of what we are spending on our hospitals, that we have a superb future to look forward to.

Now, if any of you have questions, I will attempt to answer them but otherwise, Imperial Sir, I will move for the adoption of this report, both Iowa and Colorado.

... The motion was duly seconded ...

IMPERIAL POTENTATE POWELL: Are there any questions?

If not, all in favor say aye; opposed no. It is carried.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE POWELL: I will now recognize Sam Erickson for presentation of the Colorado budget for 1990-1991.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE POWELL: Well, I will now recognize Sam Erickson for presentation of the Committee on Finance and Audit Report for the Colorado Corporation, concerning the 1990 and 1991 budgets in Colorado.

NOBLE ERICKSON: To the Representatives of the Imperial Council: Your Committee on Finance and Audit submits to you for approval the following reports with respect to income and expenditures for the Colorado Corporation:

1. Report for the year 1989
2. Adjusted budget Report for the year 1990
3. Proposed budget for the year 1991

REPORT FOR THE YEAR 1989

The report for the year 1989 has been reported for you in the Book of Reports which you have already received. No inquiries have been received, your committee recommends ratification and approval of the report as shown in the Book of Reports.

Imperial Sir, I move the approval and adoption of this report for the year 1989 as submitted.

... The motion was duly seconded, voted upon and carried ...

NOBLE ERICKSON: Adjusted budget for 1990 and proposed budget for 1991.

REPORT FOR THE ADJUSTED BUDGET 1990 AND PROPOSED BUDGET FOR THE YEAR 1991

Included within your registration package you have a breakdown for the operating expenditures showing amounts appropriated for 1990 including the adjustments made by the Joint Boards and the proposed figures in 1991.

We shall give you a summary of the total figures which will be followed by detail, by classification, of the proposed items of the year 1991. Your proposed budget will be more accurately presented for your approval at a subsequent Imperial Council Session.

The amount in the left-hand column was approved at Toronto. The adjustments are shown with the 1990 adjusted balance, with the budgets which are proposed each year at this Session. These are preliminary figures and during the year, adjustments are needed because of changes in programs and costs for your hospitals.

The 1990 adjusted budget shows an operating excess of revenue over expenses in the amount of \$1,244,695.

The 1991 proposed budget which is in the fourth column, the last column on the right, reflects revenue of \$241,848,304, expenses of \$241,298, 869 for projected operating excess, line 20, of revenues over expenses of \$549,435.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1990 and the proposed budget for the year 1991 be approved as submitted.

Respectfully submitted,
COMMITTEE ON FINANCE AND AUDIT
D. Sam Erickson, Chairman
Richard L. Bukey
M. Burton Oien
James L. McConnell
Roderick D. Robertson
Palmer D. Burde

IMPERIAL POTENTATE POWELL: The motion is for ratification, approval and adoption of the adjusted budget for the year 1990 and the proposed budget for the year 1991 to be approved as submitted. Is there a second?

... The motion was severally seconded ...

IMPERIAL POTENTATE POWELL: Is there discussion?

IMPERIAL SIR OLFENE: Imperial Sir, to Sam.

Imperial Sir, Imperial Sirs and Representatives: I am not asking to change the numbers that you have in there whatsoever, none whatsoever, but I am just going to offer a resolution because you perhaps, in relation to the account, have to change the title of the account and not the numbers.

So, with this, it is a simple resolution which says:

"Effective July 31, 1990, payments from the established contingency of office allowance and allocation shall cease. Office and other expenses incurred by the Board of Directors and the Trustees shall be vouchered and reimbursed in the manner prescribed by the Board of Directors. It shall meet all requirements of the Internal Revenue Service and Guidelines as set forth by the Imperial Audit. This action shall apply to all future budgets of the Colorado Corporation."

I would move the adoption of that resolution.

... The motion was duly seconded ...

IMPERIAL POTENTATE POWELL: You have heard the motion and the second.

Is there disussion?

NOBLE ERICKSON: What do you mean, Imperial Sir, by "contingencies"?

IMPERIAL SIR OLFENE: Well, let me see how you have it labeled.

NOBLE ERICKSON: Let me say that the first page of line 1 is the same as we had while you were serving as the Imperial Sir and these are the requests that came through.

IMPERIAL SIR OLFENE: Well, that is not intended to affect that. That is a contingency from the hospital. I am sorry.

Why do you not just take the word, strike the word "contingency" out of the resolution? Is that acceptable to you?

IMPERIAL POTENTATE POWELL: Well, Dick, do you want to read your resolution one more time?

IMPERIAL SIR OLFENE: Let me read it again.

"Effective July 31, 1990, payment from the established office allowance allocation shall cease. Office and other expenses incurred by the Board of Directors and Trustees shall be reimbursed in the manner prescribed by the Board of Directors. It shall meet all requirements of the Internal Revenue Service and the Imperial Auditor. This action shall apply to all future budgets of the Colorado Corporation."

IMPERIAL POTENTATE POWELL: And I believe there is already a second to that.

Now, is there discussion?

IMPERIAL SIR RAVELLETTE: Imperial Sir, Imperial Sirs and Representatives: Let me say that there seems to be two areas here that virtually affect your hospital building program and I think that is where this is directed and what I want to do is take a few moments of your time to clarify at least the office expense allowance for the Chairman of the Building and Equipment Committee.

That number is \$1,500 a month. I happen to have the privilege of serving as Chairman of Building and Equipment.

The first thing that I would like to clarify is the procedure we are using now is in full compliance and acceptable to the IRS. I want that clarified by the experts up here.

... Cries of "right" ...

NOBLE RAVELLETTE: Now, to clarify that a little further, I would like to explain to you what you get for the \$1,500 that is spent in my behalf in this case.

I would like to explain to you how it works.

I do this work in my home, in Pine Bluff, Arkansas. I have about 600 square feet in my home allocated to that space and it would be a real problem to me if I had to bring any employees into my home. I think many of you, especially those on the Boards of the various hospitals, know that I travel late at night, sometimes arriving for a Board meeting at ten

o'clock the previous night. Also, I still continue to work after everybody else gets home. I work many hours a day in your behalf and in behalf of Shriners Hospitals.

Further, I receive as many as twelve FAX transmissions a day. As a matter of fact, I have received twenty-seven pieces of mail since I have been here on your behalf and, also, I have receive about six transmissions of FAX since I have been here.

The only thing that I am telling you is that you are paying me \$1,500 a month and I distribute that money as I see fit in order to hire the help to help me do the job.

I am disbursing, on your behalf, \$5 million a month in construction costs.

I have disbursed, on your behalf, close to \$188 million to date for construction projects that we have undertaken.

Now, what does your money buy you? It buys you all the services that we are performing.

Now, let me tell you what it is going to cost me if I have to go outside of my house.

Now, the first thing I am going to have to do is to find an office where I will have to rent space to the equivalent space that I presently have. Also, I will have to hire two secretaries because I will not be in the office and am not in the office.

My wife, at this point, answers the phone, goes for the mail, stacks it up and puts it in the file.

My daughter sometimes helps me in the process.

Further, for your \$1,500 you do not have to worry about any employment taxes. Further, you do not have to worry about any liability in relation to those employees.

Further, I would say to you that if we change this rule and go to the other procedure, you are going to have to pay two employees at Tampa who are also handling this for me.

Now, I am only attempting to tell you what the facts are and if there is anybody out there that has any questions as to the points I have made, I will certainly entertain them.

Are there any questions? (Applause)

Then I will also tell you that I stand totally opposed to this proposition.

ILLUSTRIOUS SIR M. A. TAFT [Potentate, Jaffa Temple]: Let me say that I have spent thirty years in the Internal Revenue Service and whether or not you can have an office in your home, for example, is something that has been long debated. If the Iowa Corporation needs some 1099 forms, they do not have to account to this Association but they do have to account to the IRS. As a matter of act, insofar as our interest is concerned, they have to account to somebody.

IMPERIAL POTENTATE POWELL: Thank you very much.

IMPERIAL SIR OLFENE: Imperial Sir, if I may interrupt, let me again emphasize that I am not taking anything away from anybody. If he needs \$1,500 a month, \$2,500 a month or \$4,500 a month, I am not taking that away from him. Further, this is not a personal thing. Further, as time goes on, there is no guarantee that Burt is going to continue to be Chairman of Building and Equipment. That is an appointed position. That is, somewhere down the road, going to be given to somebody else so that, really, there is nothing being taken away.

All this is doing is saying, "Gentlemen, cut down your expenses." It is as simple as that.

Now, with regard to this office business, let me indicate to you that I, for a two-year period, was Chairman of the Board of Trustees and I had an office in Maine, had a part-time girl. My recollection is that she worked for approximately fourteen to fifteen hours a week.

Also, I had a portion of my rent paid directly from Tampa.

All I am saying is it does not cause a problem with the system they have. All we are saying is that we want them to do nothing more than hold things down. We are not going to take anything away from them. We want to give them every nickle they are entitled to work with, again, all I am saying is—let us have it substantiated in some fashion. Thank you.

NOBLE CAPOBIANCO [Aleppo Temple]: Imperial Sir and Imperial Sirs, I asked to come up here to the podium because for the number years I have been attending this Session, I have been sitting down there with you and, up here, you get an entirely different view.

You know, being a Representative and also presently a member of my Temple Divan, you have to learn to do something that is difficult.

You know, I was once told that the most difficult thing we do is to think. However, even so, I would like to have you all take a moment and think.

Let us pretend, for example, we are not here, that we are, each of us, in our own Temples at a Annual Meeting and we are standing in front of our Nobility.

Now, I do agree with Imperial Sir Olfene in that we do need accountability but, on the other hand, what other accountability do we need than to assure that money is disbursed properly?

I am satisfied where that \$1,500 a month in relation to Burt Ravellette is going.

We all know that expenses we incur out of our own pockets when we are Divan members and travel in our various areas and so what, for example, on occasions, some tickets are paid for?

My point is that we do need to keep track of our out-of-pocket expenses but then we cannot keep track of every little item.

However, what I am saying, in the final analysis, is that if we are given funds for whatever reason through the actions of the Representatives, it does require accountability and that is all I am likewise asking for.

IMPERIAL SIR RAVELLETTE: You know, I do not want you to get carried away with what we are trying to do here. It is very simple, fellows.

I account for this \$1,500 on line 26 of the IRS form as "other income." I pay the tax on it.

You know, I have made a pretty close check on this thing and to do what I do for you and for me to be adequately compensated, it would take \$10,000 more money than the \$1,500 that I am presently receiving. However, please do not misjudge my intentions. For the \$1,500 I receive every month, I can assure that you get a lot better attention and more attention in relation to my time than you would be getting under any other circumstances. (Applause)

NOBLE HARRINGTON: Let me say, Imperial Sirs and Fellow Representatives, that one thing I think is important is that both the Iowa and the Colorado Corporations have been examined by the IRS just a few years ago. Their present method of reporting in relation to form 1099 has been approved and, frankly, in some cases, I think it is to the detriment of the Officers who have had to report because in some cases they actually had to pay more tax that way than we are on a reverse basis.

However, I think, insofar as complying with all of the IRS requirements are concerned that we have done so and certainly under the present computer programs of the IRS there is no question that the officers and others likewise have to do so.

Therefore, I do not want any question indicating that it is something whereby it would be improper to report to the IRS.

IMPERIAL POTENTATE POWELL: I have one more individual here and then I believe we are ready to vote.

REPRESENTATIVE [Sabbar Temple]: Imperial Sir, I am a nine-year Representative to the Colorado Corporation and it seems like today a very few of us had been down this road five years ago.

It appears to me that the integrity of our officers seems to be in question here today but I do not think this is the case. I think, also, we have had lengthy discussions on this question and both sides have been heard and so I would call for a vote. (Applause)

IMPERIAL POTENTATE POWELL: Well, you know, this is serious.

Has everybody been heard who desires to be heard? Are you all perfectly satisfied?

. . . The question was again severally called for . . .

IMPERIAL POTENTATE POWELL: Now, the motion is on the resolution as twice presented by Imperial Sir Olfene.

Do you all remember the resolution? . . . Cries of "yes" . . .

IMPERIAL POTENTATE POWELL: Very well, I will put the question on the resolution.

All those in favor indicate by saying aye; opposed no. It is clearly defeated.

Thank you very much.

Now, with that, I think we have to go back to the original motion, the one where Sam moved for the ratification, approval and adoption of the adjusted budget for the year 1990 and the proposed budget for the year 1991 being approved as submitted. I believe that has been seconded.

. . . The motion was again severally seconded . . .

IMPERIAL POTENTATE POWELL: All in favor of that motion indicate by saying aye; opposed no. It is carried.

IMPERIAL SIR HARRINGTON: Imperial Sir and Fellow Representatives: I do not think we took a vote on accepting the Treasurer's report as contained within your packets. I would so move.

... The motion was duly seconded, was voted upon and declared to be carried ...

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE POWELL: We will next proceed to item 18 in the Call.

NOBLE RATH: To the Representatives of the Imperial Council: There has been referred to

your Committee on Jurisprudence and Laws, Item Number 18 on Call of the Annual Session of 1990, located on page 34 of the Call. It is a proposal to amend Section 504.3 of Article 4 of the Bylaws of the Colorado Corporation by adding and deleting certain language so that such section, as amended, will read as follows:

ARTICLE 4
Membership

Section 504.3 Emeriti members. Any member of this corporation who attends fifteen (15) annual meetings of this corporation as a registered member, and who is in Emeritus Representative of the Imperial Council, shall become an Emeritus member of this corporation immediately upon his registration as a member of the sixteenth (16th) year. An Emeritus member enjoys all rights and privileges of membership, including the right to vote, to debate and the right to hold elective or appointive office in the corporation. The termination of membership provisions of Section 504.2 shall not apply to Emeriti members.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

William A. Buckaway, Chairman
Gerald D. Christensen
Robert E. Cooper
Theodore Corsones
James A. Yocum
Edward A. Rath
James M. Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Theodore Corsones, General Counsel and a member of the Colorado Corporation, for an appropriate motion.

IMPERIAL POTENTATE POWELL: I will recognize General Counsel Ted Corsones.

ILLUSTRIOUS SIR CORSONES: Imperial Sir, I am going to make a motion to adopt and I would also make an amendment I think will answer some of the questions that appear to be in the minds of some of the Representatives. Also, I will give my reason for it.

However, I would like to propose the following amendment: "However, any person who is a member of the Colorado Corporation in 1990 shall become an Emeritus member of the Colorado Corporation immediately upon his registration as a member for his sixteenth year."

Therefore, you are all grandfathered but when we get into the discussion I will give you the reasons as to why the Board of Directors voted in favor of this and asked that it be brought to your attention.

IMPERIAL POTENTATE POWELL: I need a second to the amendment.

. . . The amendment was severally seconded . . .

IMPERIAL POTENTATE POWELL: Now then, is there discussion on the amendment? Would anybody care to speak on the amendment?

ILLUSTRIOUS SIR BILLOWS [Potentate, Gizeh Temple]: Imperial, Sir, Imperial Sirs and Representatives: I am Edward Billows, the Potentate of Gizeh Temple, and I would urge the original amendment—to make the members of the Colorado Corporation Emeriti after the fifteenth year.

As a matter of fact, that was passed last year at the One Hundred Fifteenth Annual Session—we proposed that motion and it passed unanimously without any dissension whatsoever.

My feeling on this is that if a person, as a member of the Colorado Corporation, attends for fifteen years at his own expense, that he was entitled to be an Emeriti member.

We ask for no remuneration insofar as transportation is concerned, we ask for no

accommodations, all we ask is that we be able to come to this assembly and vote intelligently on legislation in the Colorado Corporation.

As a matter of fact, that was the purpose of last year's amendment to the original motion where, for example, you had to be an Iowa member to be a be A Colorado member and an Emeriti member and now they want to bring that whole thing back.

For example, what happens to a person who has attended fourteen times? Now, for example, you want to see it begin in 1990 and he, therefore, starts producing fifteen years from that point. Was that not the case?

... Cries of "no, no" ...

IMPERIAL POTENTATE POWELL: Just a moment, let us hear that last sentence again?

ILLUSTRIOUS SIR CORSONES: Perhaps I can clarify this for you.

Any of you who, in 1990, are members of the Colorado Corporation would be registering for your sixteenth year. Those of you who have thirteen, fourteen or whatever you have, when you finish up it is like it presently is. There is no change in relation to anybody now, but on the other hand, there are some compelling reasons I wish to discuss why, in the future, we ought not to be in this same position.

That is not the intent. Any of you, for example, can continue to finish your fifteenth year.

ILLUSTRIOUS SIR BILLOWS: This is an amendment, is it not?

IMPERIAL POTENTATE POWELL: That is correct. That is what he says it is.

ILLUSTRIOUS SIR BILLOWS: Then we are not voting on item 18?

IMPERIAL POTENTATE POWELL: No. You just heard him say that.

ILLUSTRIOUS SIR BILLOWS: Then that is all I have to say.

IMPERIAL POTENTATE POWELL: Thank you very much.

NOBLE B. E. RAVELLETTE [Sahara Temple]: I believe the Emeriti Members of the Colorado Corporation are all the same.

IMPERIAL POTENTATE POWELL: Is there any more discussion on the amendment?

Yes, Bill?

NOBLE BLICK [Kismet Temple]: If I understood our Illustrious Legal Counsel correct, the only one that would be penalized on this amendment to the motion is those Representatives to the Colorado Corporation who might have a fourteen, thirteen or twelve year service record and who are not in attendance at this meeting?

It seems to me that we are penalizing a very small group of Colorado members to accomplish virtually nothing.

... Cries of "no, no, no" ...

IMPERIAL SIR JACK DEAN: Imperial Sir, Imperials and Fellow Representatives: This legislation would prevent anyone in the future, prevent every one of you in the future, not you but your successor Representative, from becoming members of the Colorado Corporation, continuing their membership after they are no longer elected Representatives from your Temple.

What you do now, those of you who are not aware of it, the very first motion from the stage is made by the Imperial Recorder it says, "Imperial Sir, I make a motion that all elected Representatives who are not members of the Colorado Corporation be elected to membership." You then, in turn, become a member of the Colorado Corporation with all of the rights and privileges of the Nobility.

Further, you keep that particular membership until such time as you fail to attend one of the Sessions and are stricken by virtue of the last motion in the Session, which you will hear Jack Jones make shortly, would be that all members of the Colorado Corporation who did not attend this Session be stricken from the rolls.

Now, the Colorado Representatives, if you go out of office and you have been interested in the hospitals, you can continue to come and vote on hospital matters for the rest of your life as long as you pay your way.

Now, last year you voted to make Emeritus those people who had paid their way for fifteen years. What has happened now is that some people were concerned that if you are willing to pay your way for fifteen years, that you might take control of this corporation and that, in turn, will take away somebody else's power, or take power away from the elected Representatives of the Temple.

I submit to you what while there are 120-some Colorado Representatives, we do not have

very many. I happen to be one that became Emeritus under that provision this year because I had two years where I was a Colorado Representative.

Many of you have heard about the Colorado Representative business from me. I told everybody about it when I campaigned because I defy you to read the Bylaws and understand the way this thing works.

If everybody has a problem about someday the Colorado Corporation collecting mileage and per diem, then what they would do is propose a Bylaw change that says that they are not eligible for mileage and per diem. You have control over that and nobody else can collect it whether they want to or not.

I submit to you that if you want to pay your way when your Temple does not elect you, and in our Temple we have always elected two Past Potentates and the Chief Rabban and the Potentate to come and that is traditional and, further, a lot of Temples do that and we are a tradition-oriented organization; however, if you have an interest and are willing to pay your way and willing to keep on coming, I do not see anything wrong with you or future people who have an interest in these hospitals and the hospital program, having a vote in this corporation.

Therefore, I say to you, let us not change a thing, either by amendment or any other way, but let us vote it all down and just leave it like it is. (Applause)

ILLUSTRIOUS SIR BILLOWS [Gizeh Temple]: Speaking on the amendment, we are talking about Emeriti members. All we ask for after fifteen years, as we mentioned before, that you have the privilege of being an Emeriti member of the Colorado Corporation and if anybody up there is afraid of you taking control of the Colorado Corporation and if you have it upstairs here to have the intelligence to sit on that Board, I see nothing wrong with it.

Now, please read item 18 and leave it as it has been and vote this down.

Thank you very much.

IMPERIAL POTENTATE POWELL: Is there anyone else?

ILLUSTRIOUS SIR CORSONES: Imperial Sir and Representatives, I think you should know that when this matter came up, the Imperial Potentate appointed a special committee. The committee made its report to the Board. The Board directed it be presented to you. I presented it to you. I think you need this information before you get ready to vote on the proposed amendment.

You know, there is quite a bit of chaos out there as to who is Colorado and who is Iowa and when you take a voice vote, as generally happens to a large assembly of individuals, you are not sure whether you are voting properly in Colorado or in Iowa.

If you want to go to a paper ballot on all issues then, obviously, this can be resolved.

At this Session we have enlarged again the Colorado portion by twenty members. We are now up to 136 more in Colorado than you have in Iowa.

You are meeting in joint session as a unified House but divided bodies. You have different corporations and this is an effort to avoid all that confusion, to grandfather those of you who have been putting in your time by bringing some order out of this confusion insofar as I am personally concerned. However, I think it has merit.

IMPERIAL POTENTATE POWELL: Thank you.

Is there any further debate on the amendment?

NOBLE J. M. TYSON [Abba Temple]: You know, it appears that this is an attempt to take those who have reached their senior year, who have been attending Session after Session after Session and say, "Because you might get ill and miss one Session, then you are out forever, and your knowledge is lost to this body forever."

I wish there were 500 of them that could come and help us in relation to the Colorado Corporation.

After all, we are all Masons and if Ted seems to think that somebody is going to vote when he should not do it, then we are all in difficulty.

If they want segregation, then maybe they can take the whole group and put them in a box over there so that they can look at them and we vote by corporation.

I think this is all ridiculous and, therefore, I would move that the pending amendment and the motion itself be indefinitely postponed.

IMPERIAL SIR TURLEY: Imperial Sir, I do not want to get in the way of your motion but I would like to explain something.

Last year when this was adopted or amended so that it would permit Emeritus members in the Colorado Corporation, there were some members of the Boards of Directors and Trustees who were concerned about its future effect and so they appointed a committee to look at it and to see what might be done.

You know, Ted Corsones did not think this up all by himself. This was done by a committee which, in turn, reported to the Board of Directors and Trustees. They approved this amendment.

Now, Jack Dean did not like it but the Boards themselves approved it and Ted Corsones was requested to sponsor it in the Call. That is how it got here.

I was on the committee and I think you are entitled to know the thinking behind this and to make your judgment on the basis of rationale part instead of on what you have heard today and the excitement that has been generated by those who think they are being done in.

The history of this difference in terms of an election by members of the Colorado Corporation as compared to Representatives of the Iowa Corporation, goes back a long way.

When Bob Smith was General Counsel, he decided that it would be best to have that difference in order to keep separate the charitable corporation from the fraternal corporation and Section 501(c)(3) grants an exemption that the Colorado Corporation enjoys.

So the provision is that the members of the Colorado Corporation are not elected by the Temples—they are elected here at this Session by people who were members of the Colorado Corporation last year.

The section as it presently reads, as it was amended last year, permits those who are not reelected by their Temples to return as members of the Colorado Corporation year after year until they become Emeritus members of the Colorado Corporation. That is not because their Temples elected to send them but because they themselves elected to come.

Now, in a few years, unless this amendment that is before you, item 18 in the Call, is adopted, your Temples can lose control of the hospital corporation to those members who are sufficiently affluent to pay their own way to the convention year after year after year and there are those members of the Board of Directors and Board of Trustees who think that you should not take that risk and that is the reason for item 18 in the Call.

Now, what Ted is offering you now is an amendment which says that those of you who are members this year will not have to have an Emeritus membership in the Iowa Corporation to become eligible for Emeritus membership in the Colorado Corporation. That is the reason that this committee was appointed.

I thought you ought to have that background and not vote in terms of the excitement that can be engendered by some of the people opposed to it.

NOBLE MAAG: Imperial Sir, there is no problem now. I am not afraid of any Emeritus member of the Colorado Corporation taking over anything.

If the fears that Bob has expressed even ever appear to be eminent or come to pass, it is time enough to that point to deal with it. But, my Lord, gentlemen, to say to one another, "We will take care of ourselves, we will grandfather one another in because it is a good system for us, but for our prosperity it does not fit right. We are not going to let those who follow after us dedicate themselves, their money, their time for free to the hospitals because we do not want them—we want to keep it a closed corporation."

No, sir, I say to you, if there is a problem such as envisions in the future by the Boards, as Bob has said, let us solve that problem in the future.

However, I am with Jack Dean, I am with the Deputy Imperial Potentate-Elect, when he said leave this legislation as it is unless and until there is a problem facing us, then let us solve it at another Imperial Session.

... Cheers and applause ensued, followed by a call for the question ...

IMPERIAL POTENTATE POWELL: Now, once again, we are on the amendment.

All in favor say aye; contrary no. It is not carried.

Well now, let us proceed on the original motion. You have had a second.

Is there any more debate?

Hearing none, all in favor of the original motion indicate by saying aye; contrary no. It is not carried.

. . . Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE POWELL: Now, I would also like to say, for the record, that under Item 18, the amendment and the resolution were defeated.

I would like to say that for the record.

The Chair will recognize Ed Maag.

NOBLE MAAG: Imperial Sir, before you proceed on your next agenda item, which concerns, I believe, remarks from the Director General, I think we ought to, in the Colorado Corporation, inform the Representatives about the deteriorated conditions that we have at the Tampa Unit, our hospital in Tampa. I understand that the university with which we are affiliated has been placed on probation, that large numbers of our orthopaedic staff have quit, that we have a research position unfilled, that the university medical school is about to lose its accreditation.

Now, I would request that you, Imperial Sir, call upon the Chairman of the Board of Trustees for the purpose of telling us the present status with regard to all of this.

IMPERIAL SIR BRACEWELL: Thank you very much. I appreciate you bringing to the attention of the Representatives this particular issue so that they can be informed as to what is actually taking place down at Tampa.

We have appointed a committee to look into all of this and the committee consists of Bob Turley, along with Randy Thomas and Tony Bukey and so, at this time, I would like to ask Chairman Bob Turley to bring the Representatives up to date concerning this matter of concern.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs and Members of the Colorado Corporation: We do have some problems at the University of South Florida and I think I will try to bring you up to date by addressing the questions that Ed Maag just asked be answered.

In relation to the orthopaedic residency program at the University of South Florida, that program collapsed when the Chief of the Orthopaedic Department was fired as head of the department and other members resigned. I am talking now about the University of South Florida.

Now, at that time, at the Tampa Unit, we had two residents from Taiwan and two residents from the University of South Florida.

Those residents are still in training. They participate in patient care, they are licensed physicians but because they participated in patient care and because the residency program collapsed, we lost two residents and had a problem especially considering the fact that there had been a substantial increase in the activities of the Tampa Unit.

So here is what we did.

We increased the commitment of two staff doctors from eighty percent to 100 percent so that our assistant surgeon down there and another doctor on our staff are now 100 percent. That, in turn, has helped with the coverage.

The Chief of Staff of our unit has retained, on a temporary basis, two residents from our other program and we are underway to affiliate with other programs on a permanent basis.

Now, with regard to the research agreement.

In May of 1989, the Research Director, Dr. Rosenberg, resigned because of his wife's health. A Search Committee was appointed by the President of the university in October of 1989. However, the chairman never called a meeting of that committee.

Then, in turn, the chairman lost his job when the court reinstated the department head that the university had fired. So the chairman of this committee was gone.

In the meantime, the sponsor of the eminent Scholar Chair, which furnishes the financial support for our Research Director, instructed the university to divert funds to other purposes not related to Shriners Hospitals or to the contract which created that Chair and which finances our Research Director.

Now, we recently met with the President of the University of South Florida and others of the administration of this institution and we told them that we insisted upon the immediate employment of a Search Committee to fill that position of Research Director and utilize this committee to appoint the Research Director.

We also told them that we had been authorized by our Board that if they fail to do this, we can institute an action for declaration of rights in the courts of Florida and have the courts establish our right to have this committee appoint the Research Director.

Now, we have been told that the committee has now been formed, that the names of the committee members were submitted to us, we have approved them and we expect to have the first meeting of this committee held in the immediate future.

Now, the medical school of the University of South Florida was put on probation by the Liaison Committee for Medical Education and I will not go into all of the reasons cited by the Liaison Committee for putting that medical school on probation but, in principle, those reasons had to do with the perception of the Liaison Committee that the leadership of this institution was not functioning in a fashion that would be approved by the Liaison Committee.

Now, let me say, first, that the university has appealed that decision, which they have a right to do, and during the appeal time, the probation is suspended so they are not presently actually on probation. We have no right to interfere in that action or that appeal. However, we are monitoring the situation very closely and carefully and will continue to do so.

I think you can be assured that at the present time, the fact that this action was taken by the Liaison Committee on Medical Education has not adversely affected our unit.

That is my response to Ed's question and if there are any other questions, I will attempt to deal with those.

NOBLE MAAG: Let me say that I deeply appreciate that fine, definitive report. I am relieved and happy that the problems that we have are not related to our leadership.

However, I would respectfully request, Gene, that you make a special effort to report on the actions of the Board of Trustees to members of this corporation at the next Imperial Session in relation to what has been done to correct our problem in Tampa.

Thank you.

IMPERIAL SIR BRACEWELL: I, of course, will be happy to do that at the next Session.

I really appreciate having this brought to the attention of the Representatives.

IMPERIAL SIR JONES: Imperial Sir, I move that all of the acts and transactions of those who have acted as Officers, Directors and Trustees of the Colorado Corporation for the past year and those taken at this Session be ratified and approved.

. . . The motion was duly seconded and, there being no discussion, was voted upon and declared to be unanimously carried . . .

IMPERIAL SIR JONES: Imperial Sir, in accordance with Section 504.2 of the Bylaws, I move that all members of the Colorado Corporation who did not register at this Session or who were not elected at this Session have their membership terminated.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE POWELL: Is there discussion?

REPRESENTATIVE: Imperial Sir, may I make an amendment to that to allow Bob Casswell of Oleika Temple, who had not been able to attend this Session because of a hernia operation—I would move that he be allowed to be a member next year.

IMPERIAL POTENTATE POWELL: Let me say that it is all right by me, if it is all right by the Legal Department.

IMPERIAL SIR DEAN: It is proper.

IMPERIAL POTENTATE POWELL: Well, Jack Dean says it is proper and that is enough for me. It will be done.

All in favor of this motion please say aye; contrary no. It is so adopted.

**ANNUAL REPORT OF WEBBER C. HARRINGTON, TREASURER
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN**

January 1 - December 31, 1989

Imperial Potentate George W. Powell, Board of Trustees of Shriners Hospitals for Crippled Children and Members of the Imperial Council, A.A.O.N.M.S. at the One Hundred Sixteenth Annual Imperial Council Session at Chicago, Illinois, July 1990:

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

The comments in this Treasurer's Report should be considered in conjunction with a careful review of the report of our independent auditors found elsewhere in this Book of Reports, which shows the financial position, results of operations and supplementary data of Shriners Hospitals for Crippled Children for the year 1989. In this report I shall attempt to provide the members of the Colorado Corporation and other interested readers with additional information regarding the financial position of Shriners Hospitals for Crippled Children, operating trends and significant data regarding the various funds constituting our charity's capital.

Inasmuch as at least one quarter of the Imperial representatives are new each year, I believe that it is important to detail again the policies established by the Board of Directors with respect to the crediting of revenues to funds as follows:

Designated for operations:

- Income from investments (endowment fund)
- Annual assessments from Shriners
- Gifts and bequests for exclusive use of particular hospitals (effective January 1, 1986)
- Reimbursements from Canadian provinces
- Income from investments in capital reserve fund (effective January 1, 1987)
- Charitable fund raising activities (effective January 1, 1988)
- Gains from investment sales of the Canadian Corporation and, to the extent necessary, unrestricted gifts and bequests of the Canadian Corporation to fund Montreal Hospital operating costs (effective January 1, 1988)

Designated for capital reserve fund:

- Investment income on assets in capital reserve fund (through 1986)
- Realized gains from sale of assets in capital reserve fund
- Depreciation funded

Designated for investment (endowment) fund:

- Life memberships from Shriners
- Gifts and bequests (except those for the exclusive use of particular hospitals)
- Realized gains from sales of assets in investment fund
- Charitable fund raising activities (through 1987)

On March 16, 1988, in order to more correctly match revenues and expenses, the Joint Boards approved, effective January 1, 1988, the recommendation of our auditors that revenues from fund raising activities be classified as revenues designated for operations.

In addition to the changes shown above, on October 25, 1988 the Board of Directors approved the allocation to funds designated for operations, from the realized gains from sales of assets in the investment fund, an amount equal to 150% of the projected excess of expenses over revenues in the operations fund, not to exceed \$25,000,000 in any year effective January 1, 1989. Obviously, with this method of allocation there can be no deficit in the operations fund unless the realized gains from sales of assets in the investment fund are insufficient to cover the shortfall of other revenues over expenses, or if the deficit exceeds the \$25,000,000 before such allocation. Inasmuch as 1989 revenues designated for operations, exclusive of realized gains from sales of assets in the Investment Fund, exceeded 1989 operating expenses by \$4,247,000 as shown in Schedule 1 appended hereto, it has not yet been necessary to make any such allocation.

The results of the above changes in the designation of income to the respective funds has resulted in the following amounts being credited to operations:

	1986	1987	1988	1989
Exclusive use gifts	\$4,208,741	\$ 3,504,742	\$ 2,452,175	\$ 2,770,887
Capital reserve income		13,834,648	12,483,474	13,002,752
Charitable fund raising, net of expenses			6,881,829	7,109,347
Canadian gifts, bequests and capital gains			2,447,478	3,042,329
Totals	<u>\$4,208,741</u>	<u>\$17,339,390</u>	<u>\$24,264,956</u>	<u>\$25,925,315</u>

As shown in the report of our independent auditors, the net realized gains from investments for 1989 aggregated \$150,276,652, compared to \$40,367,042 in 1988. Unrealized gains on our investment portfolio at December 31, 1989 and 1988 were as follows:

	Market Value	Carrying Value	Excess of Market Over Carrying Value
<i>1989</i>			
Investment fund securities	\$2,932,002,869	\$ 2,592,574,847	\$339,428,022
Capital reserve fund securities	<u>169,911,860</u>	<u>150,238,128</u>	<u>19,673,732</u>
	<u>3,101,914,729</u>	<u>2,742,812,975</u>	<u>359,101,754</u>
<i>1988</i>			
Investment fund securities	\$2,422,441,771	\$ 2,285,015,058	\$137,426,713
Capital reserve fund securities	<u>195,190,807</u>	<u>187,472,899</u>	<u>7,717,908</u>
	<u>2,617,632,578</u>	<u>2,472,487,957</u>	<u>145,144,621</u>
Increase (decrease)	<u>\$ 484,282,151</u>	<u>\$ 270,325,018</u>	<u>\$213,957,133</u>

The balance in our Capital Reserve Fund at December 31, 1989 was \$150,494,632. The unexpended appropriations against this fund for construction and major renovations committed to by the Board at December 31, 1989, as detailed in Note (4) to the Combined Financial Statements aggregated \$194,391,147. It is anticipated that the Capital Reserve Fund balance at December 31, 1989, together with additions from realized gains on securities in that fund and depreciation funded, will be adequate to complete the rebuilding of the hospital system presently contemplated.

We have found that in each of our new hospitals there has been greatly increased activities and, in many cases, expansion of services to meet the unmet needs of children. For these reasons, together with the increase in medical costs in general, the overall operating costs of our hospitals have more than doubled in a six year period (\$204,368,000 in 1989 compared to \$94,861,000 in 1983, an increase of 115%). During the same period, our investment fund balance increased from \$1,355,657,520 to \$2,677,442,075, an increase of 97.5%. Inasmuch as the operating expenses of our hospitals are increasing considerably faster percentagewise than our investment fund, we have an even greater challenge to increase our revenues by building our membership and favorably impressing our members and the public that we are indeed the world's greatest philanthropy and therefore worthy of even greater support.

Respectfully submitted,

Yours in the Faith,

Webber C. Harrington, Treasurer

Independent Auditors' Report

THE BOARD OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN:

We have audited the accompanying combined balance sheets of Shriners Hospitals for Crippled Children as of December 31, 1989 and 1988, and the related combined statements of support and revenue, expenses, and changes in fund balance, and of cash flows for the years then ended. These combined financial statements are the responsibility of Shriners Hospitals for Crippled Children management. Our responsibility is to express an opinion on these combined financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1989 and 1988, and the combined results of their operations and their cash flows for the years then ended, in conformity with generally accepted accounting principles.

Our audits were made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining information included on pages 15 and 16 is presented for purposes of additional analysis of the combined financial statements rather than to present the financial position and results of operations of the individual organizations. The supplementary information included on pages 17 through 19 is presented for purposes of additional analysis and is not a required part of the combined financial statements. The combining and supplementary information has been subjected to the auditing procedures applied in the audits of the combined financial statements and, in our opinion, is fairly presented in all material respects in relation to the combined financial statements taken as a whole.

NOTES TO COMBINED FINANCIAL STATEMENTS

December 31, 1989 and 1988

(1) *Summary of Significant Accounting Policies*(a) *Combined Organizations*

The combined financial statements of Shriners Hospitals for Crippled Children (the Hospitals) include the accounts of the following organizations, all of which are exempt from federal income taxes:

Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children, a Mexican Association
Shriners Hospitals for Crippled Children (Quebec) Inc.

All significant intercompany balances and transactions have been eliminated.

(b) *Gifts and Bequests*

Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are recorded as amounts are received. Income earned by estates during administration is treated as a part of the bequest.

Gifts or bequests made for the exclusive use of a particular hospital are transferred to the operating account of that hospital and are included in revenues designated for operations.

(c) *Cash and Cash Equivalents*

For purposes of the statements of cash flows, the Hospitals consider all highly liquid investments with original maturities of three months or less to be cash equivalents.

(d) *Securities*

Marketable investment securities include equity securities, principally common stocks, and bonds held for long-term investment purposes. Equity securities are stated at the lower of aggregate cost (or estimated market value at date of receipt) or market value. The cost of marketable equity securities sold is based on average cost. Other securities are carried at cost (or estimated market value at date of receipt).

(e) *Property, Plant, and Equipment*

Property, plant, and equipment are stated at cost, if purchased, or at estimated market value at date of receipt if acquired by gift. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets.

(f) *Deferred Charges*

The Hospitals incur legal fees, taxes and other expenses in connection with obtaining gifts and bequests. These costs are deferred until receipt of the gift or bequest.

(g) *Inventories*

Inventories of supplies are stated at the lower of cost (first-in, first-out method) or market.

(h) *Retirement Plans*

The Hospitals follow the principles of "Statement of Financial Accounting Standards No. 87, Employers' Accounting for Pensions," which requires use of the "projected unit credit" actuarial method for financial reporting purposes. The Hospitals also use this method for funding purposes.

(i) *Designation of Support and Revenue*

Under policy established by the Board of Directors (the Board), generally only the income from investments, annual assessments from Shriners, gifts and bequests made for the exclusive use of a particular hospital, fund raising activities, and reimbursements from Canadian Provinces are designated for operations. Canadian Corporation gains from investment sales, and to the extent necessary, unrestricted gifts and bequests, are designated for operations to provide additional funding for the Montreal hospital's operating costs.

NOTES TO COMBINED FINANCIAL STATEMENTS

(Continued)

(i) *Designation of Support and Revenue* - continued

Receipts from gifts and bequests from Shriners and non-Shriners (excluding gifts and bequests made for the exclusive use of a particular hospital), life memberships from Shriners, and gains from investment sales are designated by the Hospitals for investment.

Effective in 1989, the Board established a policy to designate for operations, gains from investment sales (in addition to any gains designated in the Canadian Corporation) in an amount (limited to \$25,000,000 annually) equal to 150% of any deficiency of support and revenue over expenses in funds designated for operations. No investment gains were designated in 1989 since support and revenue exceeded expenses in funds designated for operations.

(j) *Foreign Currency Translation*

Foreign currency transactions and financial statements are initially translated into the currency in which the Organization conducts its business ("functional currency"). Gains and losses resulting from such translations are included in the determination of the excess of support and revenue over expenses for the period in which the exchange rate changes. The functional currency financial statements are subsequently translated into U.S. dollars using current exchange rates, and these gains and losses are accumulated in the balance sheet caption, "Cumulative foreign currency translation adjustment," a separate component of fund balance.

(k) *Statements of Cash Flows*

The statement of changes in financial position for the year ended December 31, 1988 has been replaced with a statement of cash flows.

(l) *Reclassifications*

Certain reclassifications have been made to the 1988 combined financial statements to conform to the 1989 presentation.

(5) Transactions with the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA

The Shriners Hospitals for Crippled Children organizations were founded by the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The International Headquarters building and equipment is owned by Shriners Hospitals for Crippled Children. A portion of the building is occupied by the Imperial Council which bears a share of the operating costs and depreciation of the building and equipment. The allocation of the costs is based upon the portion of the building occupied by the Imperial Council in relation to the total occupied space in the building.

The Hospitals and the Imperial Council also share other costs based on the estimated value received by each organization.

Amounts of \$41,792 and \$62,509 were due from the Imperial Council as of December 31, 1989 and 1988, respectively.

(6) Fund Raising Activities

The Shriners Hospitals are financially supported through each Shriner's annual hospital assessment, income from investments, gifts and bequests from the general public and from Shriners, and certain fund raising activities conducted by Shriners. Shrine temples and Shriners raise funds for both fraternal and charitable purposes. Shrine fund raising activities generally consist of paper sale donations, football games, circuses and other miscellaneous activities. The name "Shriners Hospitals for Crippled Children" may be used in connection with a fund raising activity by a Shrine Temple or Shriner only with the written consent of the Imperial Council and Shriners Hospitals. Revenues from fund raising activities amounted to \$8,895,514 and \$8,919,793, net of direct costs of \$3,813,245 and \$3,498,350 for 1989 and 1988, respectively. Fund raising costs for the years ended December 31, 1989 and 1988 consist of the following:

(9) *Estimated Malpractice Costs and Other Contingencies*

The Hospitals are self-insured for claims for malpractice from providing professional and patient care. Claims alleging malpractice have been asserted against the Hospitals and are currently in various stages of litigation. It is the opinion of management, that estimated malpractice costs accrued should be adequate to provide for potential losses resulting from pending litigation. Additional claims may be asserted against the Hospitals arising from services provided to patients through December 31, 1989. The Hospitals are unable to determine the ultimate cost of the resolution of such potential claims and, accordingly, no accrual has been made for them.

The Hospitals are also a party to various other claims and legal actions arising in the ordinary course of business. Management does not believe that the outcome of such claims and legal actions will have a material adverse effect on the financial position or results of operations of the Hospitals.

(10) *Interfund Transfers*
